25 (b) If in the opinion of the attending physician or the consulting
26 physician a patient may be suffering from a psychiatric or psychological

28 refer the patient for counseling. No medication to end a patient's life in a
29 humane and dignified manner shall be prescribed until the person
30 performing the counseling determines that the patient is not suffering from
31 a psychiatric or psychological disorder or depression causing impaired
32 judgment.

33 (c) No patient shall receive a prescription for medication to end such
34 patient's life in a humane and dignified manner unless such patient has
35 made an informed decision as defined in section 2, and amendments
36 thereto. Immediately prior to writing a prescription for medication under
37 the Kansas death with dignity act the attending physician shall verify that
38 the patient is making an informed decision.

39 (d) The attending physician shall recommend that the patient notify
40 the next of kin of such patient's request for medication pursuant to the
41 Kansas death with dignity act. A patient who declines or is unable to notify
42 next of kin shall not have such patient's request denied for that reason.

43 Sec. 7. (a) In order for a qualified patient to receive a prescription for

1 medication to end such qualified patient's life in a humane and dignified
2 manner, the qualified patient shall have made both an oral and written
3 request, and reiterate the oral request to such qualified patient's attending
4 physician no less than 15 days after making the initial oral request. At the
5 time the qualified patient makes such qualified patient's second oral
6 request, the attending physician shall offer the qualified patient an
7 opportunity to rescind the request.

8 (b) A qualified patient may rescind such qualified patient's request at
9 any time and in any manner without regard to such qualified patient's
10 mental state. No prescription for medication under the Kansas death with
11 dignity act may be written without the attending physician offering the
12 qualified patient an opportunity to rescind the request.

13 (c) No less than 15 days shall elapse between the qualified patient's
14 initial oral request and the writing of a prescription under the Kansas death
15 with dignity act. No less than 48 hours shall elapse between the qualified

36 under the Kansas death with dignity act have been met and indicating the
37 steps taken to carry out the request, including a notation of the medication
38 prescribed.

5 shall annually review a sample of records maintained pursuant to the
6 Kansas death with dignity act.

7 (2) The department shall require any health care provider upon
8 dispensing medication pursuant to the Kansas death with dignity act to file
9 a copy of the dispensing record with the department.

10 (b) The department shall adopt rules and regulations to facilitate the
11 collection of information regarding compliance with the Kansas death with
12 dignity act. Except as otherwise required by law, the information collected
13 shall not be a public record and may not be made available for inspection
14 by the public.

15 (c) The department shall generate and make available to the public an
16 annual statistical report of information collected under subsection (b).

17 Sec. 11. (a) No provision in a contract, will or other agreement,
18 whether written or oral, to the extent the provision would affect whether a
19 person may make or rescind a request for medication to end such person's
20 life in a humane and dignified manner, shall be valid.

21 (b) No obligation owing under any currently existing contract shall be
22 conditioned or affected by the making or rescinding of a request, by a
23 person, for medication to end such person's life in a humane and dignified
24 manner.

25 Sec. 12. The sale, procurement, or issuance of any life, health, or
26 accident insurance or annuity policy or the rate charged for any policy
27 shall not be conditioned upon or affected by the making or rescinding of a
28 request, by a person, for medication to end such person's life in a humane
29 and dignified manner.

30 Sec. 13. Nothing in the Kansas death with dignity act shall be
31 construed to authorize a physician or any other person to end a patient's
32 life by lethal injection, mercy killing or active euthanasia. Actions taken in
33 accordance with the Kansas death with dignity act shall not constitute the
34 commission of a crime under the Kansas criminal code, K.S.A. 2012 Supp.
35 21-5101 et seq., and amendments thereto.

36 Sec. 14. Except as provided in section 15, and amendments thereto:
37 (a) (1) No person shall be subject to civil or criminal liability or
38 professional disciplinary action for participating in good faith compliance
39 with the provisions of the Kansas death with dignity act, which includes
40 being present when a qualified patient takes the prescribed medication to
41 end such patient's life in a humane and dignified manner.

42 (2) No professional organization or association, or health care
43 provider may subject a person to censure, discipline, suspension, loss of

1 license, loss of privileges, loss of membership or other penalty for
2 participating or refusing to participate in good faith compliance with the
3 provisions of the Kansas death with dignity act.

4 (3) No request by a patient for medication from an attending
5 physician in good faith compliance with the provisions of the Kansas death
6 with dignity act shall constitute neglect for any purpose of law or provide
7 the sole basis for the appointment of a guardian or conservator.

8 (4) No health care provider shall be under any duty, whether by
9 contract, by statute or by any other legal requirement to participate in the
10 provision to a qualified patient of medication to end such qualified
11 patient's life in a humane and dignified manner. If a health care provider is
12 unable or unwilling to carry out a patient's request under the Kansas death
13 with dignity act and the patient transfers such patient's care to a new health
14 care provider, the prior health care provider shall transfer, upon request, a
15 copy of the patient's relevant medical records to the new health care
16 provider.

17 (b) Notwithstanding any other provision of law, a health care provider
18 may prohibit another health care provider from participating under the
19 provisions of the Kansas death with dignity act on the premises of the
20 prohibiting provider if the prohibiting provider has notified the health care
21 provider of the prohibiting provider's policy regarding participating under
22 the Kansas death with dignity act. Nothing in this section prevents a health
23 care provider from providing health care services to a patient that does not
24 constitute participation under the provisions of the Kansas death with
25 dignity act.

26 (c) Notwithstanding the provisions of subsection (a), a health care
27 provider may subject another health care provider to the sanctions stated in
28 this section if the sanctioning health care provider has notified the
29 sanctioned provider prior to participation under the Kansas death with
30 dignity act that it prohibits participation under the Kansas death with
31 dignity act:

32 (1) Loss of privileges, loss of membership or other sanction provided
33 pursuant to the medical staff bylaws, policies and procedures of the
34 sanctioning health care provider if the sanctioned provider is a member of
35 the sanctioning provider's medical staff and participates under the
36 provisions of the Kansas death with dignity act while on the premises of
37 the sanctioning health care provider, but not including the private medical
38 office of a physician or other health care provider;

39 (2) termination of lease or other property contract or other non-
40 monetary remedies provided by lease contract, not including loss or
41 restriction of medical staff privileges or exclusion from a provider panel, if
42 the sanctioned provider participates under the provisions of the Kansas
43 death with dignity act while on the premises of the sanctioning health care

1 provider or on property that is owned by or under the direct control of the
2 sanctioning health care provider; or

3 (3) termination of contract or other non-monetary remedies provided
4 by contract if the sanctioned provider participates under the provisions of
5 the Kansas death with dignity act while acting in the course and scope of
6 the sanctioned provider's capacity as an employee or independent
7 contractor of the sanctioning health care provider. Nothing in this section
8 shall be construed to prevent:

9 (A) A health care provider from participating under the provisions of
10 the Kansas death with dignity act while acting outside the course and
11 scope of the provider's capacity as an employee or independent contractor;
12 or

13 (B) a patient from contracting with such patient's attending physician
14 and consulting physician to act outside the course and scope of the
15 provider's capacity as an employee or independent contractor of the
16 sanctioning health care provider.

17 (d) A health care provider that imposes sanctions pursuant to
18 subsection (b) must follow all due process and other procedures the
19 sanctioning health care provider may have that are related to the
20 imposition of sanctions on another health care provider.

21 (e) For purposes of this section:

22 (1) "Notify" means a separate statement in writing to the health care
23 provider specifically informing the health care provider prior to the
24 provider's participation under the Kansas death with dignity act of the
25 sanctioning health care provider's policy about participation in activities
26 covered by the Kansas death with dignity act.

27 (2) "Participate under the provisions of the Kansas death with dignity
28 act" means to perform the duties of an attending physician pursuant to
29 section 5, and amendments thereto, and the counseling or consulting
30 physician functions pursuant to section 6, and amendments thereto.
31 "Participate under the provisions of the Kansas death with dignity act"
32 does not include:

33 (A) Making an initial determination that a patient has a terminal
34 disease and informing the patient of the medical prognosis;

35 (B) providing information about the Kansas death with dignity act to
36 a patient upon the request of the patient;

37 (C) providing a patient, upon the request of the patient, with a referral
38 to another physician; or

39 (D) a patient contracting with such patient's attending physician and
40 consulting physician to act outside of the course and scope of the
41 provider's capacity as an employee or independent contractor of the
42 sanctioning health care provider.

43 (f) Any action taken by a health care provider pursuant to the Kansas

1 death with dignity act shall not be the sole basis for a report of
 2 unprofessional conduct. No provision of the Kansas death with dignity act
 3 shall be construed to allow a lower standard of care for any patient seeking
 4 to end such patient's life pursuant to the Kansas death with dignity act.

5 Sec. 15. (a) Any person who, without authorization of the patient,
 6 knowingly alters or forges a request for medication or conceals or destroys
 7 a rescission of such request with the intent or effect of causing the patient's
 8 death shall be guilty of a severity level 7, person felony.

9 (b) A person who knowingly coerces or exerts undue influence on a
 10 patient to request medication for the purpose of ending the patient's life, or
 11 to destroy a rescission of such a request, shall be guilty of a severity level
 12 7, person felony.

13 (c) Nothing in the Kansas death with dignity act limits further
 14 liability for civil damages resulting from other negligent conduct or
 15 intentional misconduct by any person.

16 (d) The penalties in the Kansas death with dignity act do not preclude
 17 criminal penalties applicable under other law for conduct which is
 18 inconsistent with the provisions of the Kansas death with dignity act.

19 Sec. 16. Any governmental entity that incurs costs resulting from a
 20 person terminating such person's life pursuant to the provisions of the
 21 Kansas death with dignity act in a public place shall have a claim against
 22 the estate of such person to recover such costs and reasonable attorney fees
 23 related to enforcing the claim.

24 Sec. 17. Any section of the Kansas death with dignity act being held
 25 invalid as to any person or circumstance shall not affect the application of
 26 any other section of the Kansas death with dignity act which can be given
 27 full effect without the invalid section or application.

28 Sec. 18. A request for medication as authorized by the Kansas death
 29 with dignity act shall be in substantially the following form:
