Such moneys shall be expended only in accordance with and for the purposes specified in federal or state law. Payments under this act may be made in installments and in advance or by way of reimbursement, with necessary adjustments for overpayments or underpayments. Federal funds for special education shall be deposited in the state treasury.

(b) The state board is hereby authorized to accept from an individual or individuals, the United States government or any of its agencies or any other public or private body, grants or contributions of money, funds or property which the state board may authorize to be used in accordance with appropriation acts, for or in aid of special education or related services or any of the purposes authorized by the federal law or this act.

(c) (1) Each board may use up to 15% of the amount it receives each year under the federal law to develop and implement coordinated, early intervening services for students in kindergarten through grade 12, with a particular emphasis on students in kindergarten through grade three, who have not been identified as needing special education or related services but who appear to need additional academic and behavioral support to succeed in a general education environment.

(2) In implementing coordinated, early intervening services under this subsection, a board may carry out activities that include:

(A) Providing professional development for teachers and other school staff to enable such personnel to deliver scientifically based academic instruction and behavioral interventions, including scientifically based literacy instruction and, where appropriate, instruction on the use of adaptive and instructional software; and

moneys attributable to appropriations by the legislature for special
education or related services remaining in the special education fund of a
school district on June 30, 2012 of the current school year, may be
expended in the school year that immediately succeeds such date by the
school district for general operating expenses of the school district as
approved by the board of education in an amount not to exceed 1/3 of the
unencumbered balance of the school district's special education fund.

Sec. 2. K.S.A. 2012 Supp. 72-3607 is hereby amended to read as
follows: 72-3607. (a) There is hereby established in every school district
which has developed and is operating a parent education program for
which grants are awarded under this act a fund which shall be called the
parent education program fund, which fund shall consist of all moneys
deposited therein or transferred thereto according to law. Notwithstanding
any other provision of law, all moneys received by the school district from
whatever source for a parent education program operated under this act
shall be credited to the fund established by this section. Amounts deposited
in the parent education program fund shall be used exclusively for the
payment of expenses directly attributable to the program.

(b) Any unencumbered balance of moneys remaining in the parent
education program fund of a school district on June 30, 2012 of the
current school year, may be expended in the school year that immediately

(3) add the numbers obtained under paragraphs (1) and (2);

(4) divide the sum obtained under paragraph (3) by 12. The quotient is the full-time equivalent enrollment of the pupil.

(c) The school days on which a district determines the full-time equivalent enrollment of a pupil under paragraphs (1) and (2) of subsection (b) shall be the school days on which the pupil has the highest number of hours of attendance at the virtual school. No more than six hours of attendance may be counted in a single school day. Attendance may be shown by a pupil's on-line activity or entries in the pupil's virtual school journal or log of activities.

(d) (1) Subject to the availability of appropriations for virtual school state aid and within the limits of any such appropriations, each school year a school district which offers a virtual school shall be entitled to virtual school state aid.

(2) The state board of education shall determine the amount of virtual school state aid a school district is entitled to receive as follows:

(C) add any amount determined under K.S.A. 2012 Supp. 72-3716, and amendments thereto; and

(3) There is hereby established in every school district a fund which shall be called the virtual school fund, which fund shall consist of all moneys deposited therein or transferred thereto according to law. Moneys received as virtual school state aid shall be deposited in the general fund of the school district and transferred to the virtual school fund of the district. The expenses of a district directly attributable to virtual schools offered by a school district shall be paid from the virtual school fund. The cost of an advance placement course provided to a pupil described in subsection (d)(2)(D) shall be paid by the virtual school.

Any balance remaining in the virtual school fund at the end of the
budget year shall be carried forward into the virtual school fund for succeeding budget years. Such fund shall not be subject to the provisions of K.S.A. 79-2925 through 79-2937, and amendments thereto.

Any unencumbered balance of moneys remaining in the virtual school fund of a school district on June 30, 2012 of the current school year, may be expended in the school year that immediately succeeds such date by the school district for general operating expenses of the school district as approved by the board of education.

In preparing the budget of such school district, the amounts credited to and the amount on hand in the virtual school fund, and the amount expended therefrom shall be included in the annual budget for the information of the residents of the school district. Interest earned on the investment of moneys in any such fund shall be credited to that fund.

Any unencumbered balance of moneys remaining in the at-risk education fund of a school district on June 30, 2012 of the current school year, may be expended in the school year that immediately succeeds such date by the school district for general operating expenses of the school district as approved by the board of education.

(c) Each year the board of education of each school district shall prepare and submit to the state board a report on the at-risk program or assistance provided by the district. Such report shall include information specifying the number of at-risk pupils and nonproficient pupils who were served or provided assistance, the type of service provided, the research upon which the district relied in determining that a need for service or

(c) Any balance remaining in the preschool-aged at-risk education fund at the end of the budget year shall be carried forward into the preschool-aged at-risk education fund for succeeding budget years. Such fund shall not be subject to the provisions of K.S.A. 79-2925 through 79-2937, and amendments thereto. (e) (1) If the amount in the contingency reserve fund of a district is in

(2) The limitation on the amount which may be maintained in the contingency reserve fund imposed under subsection (b) shall not apply to any district whose state financial aid is computed under the provisions of K.S.A. 72-6445a, and amendments thereto. the current school year, may be expended in the school year that
immediately succeeds such date by the school district for general operating
expenses of the school district as approved by the board of education in an

(b) Any balance remaining in the bilingual education fund at the end
of the budget year shall be carried forward into the bilingual education
fund for succeeding budget years. Such fund shall not be subject to the
provisions of K.S.A. 79-2925 through 79-2937, and amendments thereto.
In preparing the budget of such school district, the amounts credited to and

Any unencumbered balance of moneys remaining in the bilingual
education fund of a school district on June 30, 2012 of the current school
year, may be expended in the school year that immediately succeeds such
date by the school district for general operating expenses of the school
district as approved by the board of education.

(c) Each year the board of education of each school district shall
prepare and submit to the state board a report on the bilingual education
