AN ACT concerning agriculture; relating to agricultural activities; protection of farmland and agricultural activities from certain nuisance actions; amending K.S.A. 2-3202 and 2-3203 and repealing the existing sections.

Be it enacted by the Legislature of the State of Kansas:

New Section 1. (a) The exclusive compensatory damages that may be awarded to a claimant where the alleged nuisance originates from farmland primarily used for agricultural activity shall be as follows:

1. If the nuisance is determined to be a permanent nuisance, compensatory damages shall be limited to the reduction in the fair market value of the claimant's property caused by such nuisance, not to exceed the fair market value of such claimant's property; and
2. If the nuisance is determined to be a temporary nuisance, compensatory damages shall be limited to the lesser of:
   A. The diminution in fair rental value of the claimant's property caused by such nuisance;
   B. The value of the loss of the use and enjoyment of the claimant's property; or
   C. The reasonable cost to repair or mitigate any injury to the claimant caused by such nuisance.

(b) If any claimant or claimant's successor in interest brings a subsequent nuisance claim against the same defendant or defendant's successors in interest for an alleged nuisance related to the same or a substantially similar agricultural activity, such claimant and claimant's successors in interest shall be limited to the compensatory damages for a permanent nuisance as provided in subsection (a)(1). Damages from any previous final court order or judgment against the defendant or defendant's successors in interest shall be considered in any subsequent case for the purposes of determining that the total amount of damages awarded shall not exceed the fair market value of such claimant's property.

(c) If a defendant in a private nuisance case where the nuisance is alleged to originate from farmland used for agricultural activity demonstrates a good faith effort to abate a condition that is determined to constitute a nuisance, and such good faith effort is unsuccessful, such nuisance shall be deemed to be not capable of abatement and
compensatory damages shall be limited as provided in subsection (a)(1).
Substantial compliance with a court order regarding such farmland shall
constitute a good faith effort as a matter of law.

(e) No person shall have standing to bring an action for private
nuisance pursuant to this section unless such person has an ownership
interest in the property alleged to be affected by the nuisance.

(f) If any provision of this section or the application thereof to any
person or circumstances is held invalid, such invalidity shall not affect
other provisions or applications of this section which can be given effect
without the invalid provision or application, and to this end the provisions
of this section are declared to be severable.

(g) This section shall be part of and supplemental to article 32 of
chapter 2 of the Kansas Statutes Annotated, and amendments thereto.

Sec. 2. K.S.A. 2-3202 is hereby amended to read as follows: 2-3202.
(a) Agricultural activities conducted on farmland, if consistent with good
agricultural practices and established prior to surrounding agricultural or
nonagricultural activities, are presumed to be reasonable and do not
constitute a nuisance, public or private, unless the activity has a substantial
adverse effect on the public health and safety.

(b) If such agricultural activity is undertaken in conformity with
federal, state, and local laws and rules and regulations, it is presumed to be
good agricultural practice and not adversely affecting the public health and
safety.

(c) An owner of farmland who conducts agricultural activity
protected pursuant to the provisions of this section:
(1) May reasonably expand the scope of such agricultural activity,
including, but not limited to, increasing the acreage or number of animal
units or changing agricultural activities, without losing such protection so
long as such agricultural activity complies with all applicable county,
state, and federal environmental codes, resolutions, laws and rules and
regulations;
(2) may assign or transfer such protection to any successor in
interest; and
(3) shall not be deemed to waive such protection by temporarily
ceasing or decreasing the scope of such agricultural activity.

Sec. 3. K.S.A. 2-3203 is hereby amended to read as follows: 2-3203.
As used in this act:

Sec. 4. K.S.A. 2-3202 and 2-3203 are hereby repealed.

Sec. 5. This act shall take effect and be in force from and after its publication in the statute book.
