Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 2012 Supp. 8-243 is hereby amended to read as follows: 8-243. (a) Upon payment of the required fee, the division shall issue to every applicant qualifying under the provisions of this act the driver's license as applied for by the applicant. Such license shall bear the class or classes of motor vehicles which the licensee is entitled to drive, a distinguishing number assigned to the licensee, the full legal name, date of birth, gender, address of principal residence and a brief description of the licensee, a colored digital photograph of the licensee, a facsimile of the signature of the licensee and the statement provided for in subsection (b). No driver's license shall be valid until it has been signed by the licensee. All drivers' licenses issued to persons under the age of 21 years shall be readily distinguishable from licenses issued to persons age 21 years or older. In addition, all drivers' licenses issued to persons under the age of 18 years shall also be readily distinguishable from licenses issued to persons age 18 years or older. The secretary of revenue shall implement a vertical format to make drivers' licenses issued to persons under the age of 21 more readily distinguishable. Except as otherwise provided, no driver's license issued by the division shall be valid until a colored digital photograph of such licensee has been taken and verified before being placed on the driver's license. The secretary of revenue shall prescribe a fee of not more than $8 and upon the payment of such fee, the division shall cause a colored digital photograph of such applicant to be placed on the driver's license. Upon payment of such fee prescribed by the secretary of revenue, plus payment of the fee required by K.S.A. 8-246, and amendments thereto, for issuance of a new license, the division shall issue to such licensee a new license containing a colored digital photograph of such licensee. A driver's license which does not contain the principal address as required may be issued to persons who are program participants pursuant to K.S.A. 2012 Supp. 75-455, and amendments thereto, upon payment of the fee required by K.S.A. 8-246, and amendments thereto. All Kansas
drivers' licenses and identification cards shall have physical security
features designed to prevent tampering, counterfeiting or duplication of the
document for fraudulent purposes. The secretary of revenue shall
incorporate common machine-readable technology into all Kansas drivers'
licenses and identification cards.

(b) All Kansas drivers' licenses issued to any person 16 years of age
or older shall contain a form which provides a statement for making a gift
of all or any part of the body of the licensee in accordance with the revised
uniform anatomical gift act, K.S.A. 2012 Supp. 65-3220 through 65-3244,
and amendments thereto, except as otherwise provided by this subsection.
The statement to be effective shall be signed by the licensee in the
presence of two witnesses who shall sign the statement in the presence of
the donor. The gift becomes effective upon the death of the donor.
Delivery of the license during the donor's lifetime is not necessary to make
a valid gift. Any valid gift statement executed prior to July 1, 1994, shall
remain effective until invalidated. The word "Donor" shall be placed on
the front of a licensee's driver's license, indicating that the statement for
making an anatomical gift under this subsection has been executed by such
licensee.

(c) Any person who is deaf or hard of hearing may request that the
division issue to such person a driver's license which is readily
distinguishable from drivers' licenses issued to other drivers and upon such
request the division shall issue such license. Drivers' licenses issued to
persons who are deaf or hard of hearing and under the age of 21 years shall
be readily distinguishable from drivers' licenses issued to persons who are
deaf or hard of hearing and 21 years of age or older. Upon satisfaction of
subsection (a), the division shall issue a receipt of application permitting
the operation of a vehicle consistent with the requested class, if there are
no other restrictions or limitations, pending the division's verification of
