AN ACT concerning property taxation; defining relating to watercraft; definition, levy of tax, exemptions; amending K.S.A. 2013 Supp. 79-5501 and repealing the existing section.

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 2013 Supp. 79-5501 is hereby amended to read as follows: 79-5501. (a) On and after July 1, 2013, watercraft shall be appraised at fair market value determined therefor pursuant to K.S.A. 79-503a, and amendments thereto, and assessed at the percentage of value as follows: (1) 11.5% in tax year 2014; and (2) 5% in tax year 2015 and all tax years thereafter. On and after January 1, 2014, the levy used to calculate the tax on watercraft shall be the county average tax rate. In no case shall the assessed value of any watercraft, as determined under the provisions of this section, cause the tax upon such watercraft to be less than $12.

(b) As used in this section, the term "watercraft" means includes: (1) any vessel requiring numbering pursuant to K.S.A. 32-1110, and amendments thereto, (2) any documented vessel, and (3) any other vessel which is not required to be numbered pursuant to K.S.A. 32-1110, and amendments thereto, and does not qualify for exemption under K.S.A. 2013 Supp. 79-234, and amendments thereto. "Watercraft" means any watercraft designed to be propelled by machinery, oars, paddles or wind action upon a sail for navigation on the water which, if not for the provisions of this section, would be properly classified under subclass 5 or 6 of class 2 of section 1 of article 11 of the Kansas constitution. This section shall not be construed as taxing any watercraft which otherwise would be exempt from property taxation under the laws of the state of Kansas. Each watercraft may include one trailer which is designed to launch, retrieve, transport and store such watercraft and any nonelectric motor or motors which are necessary to operate such watercraft on the water.

(c) Any watercraft which is designed to be propelled through the water through human power alone shall be exempt from all property or ad valorem taxes levied under the laws of the state of Kansas.

(d) The "county average tax rate" means the total amount of general property taxes levied within the county by the state, county
and all other taxing subdivisions divided by the total assessed valuation of all taxable property within the county as of November 1 of the year prior to the year of valuation as certified by the secretary of revenue.

Sec. 2. K.S.A. 2013 Supp. 79-5501 is hereby repealed.

Sec. 3. This act shall take effect and be in force from and after its publication in the Kansas register.
