AN ACT concerning motor vehicles; relating to distinctive license plates; providing for the donate life license plate.

Be it enacted by the Legislature of the State of Kansas:

Section 1. (a) On and after January 1, 2015, any owner or lessee of one or more passenger vehicles or trucks registered for a gross weight of 20,000 pounds or less, who is a resident of Kansas, upon compliance with the provisions of this section, may be issued one donate life license plate for each such passenger vehicle or truck. Such license plates shall be issued for the same time as other license plates upon proper registration and payment of the regular license fee as provided in K.S.A. 8-143, and amendments thereto, and either the payment to the county treasurer of the logo use royalty payment established by midwest transplant network or the presentation of the annual logo use authorization statement provided for in subsection (b).

(b) The board of directors of midwest transplant network may authorize the use of their donate life logo to be affixed on license plates as provided by this section. Any royalty payment received pursuant to this section shall be used to support midwest transplant network. Any motor vehicle owner or lessee annually may apply to midwest transplant network for the use of such logo. Upon annual application and payment to either: (1) Midwest transplant network in an amount of not less than $25 nor more than $100 as a logo use royalty payment for each license plate to be issued, midwest transplant network shall issue to the motor vehicle owner or lessee, without further charge, a logo use authorization statement, which shall be presented by the motor vehicle owner or lessee at the time of registration; or (2) the county treasurer of the logo use royalty payment for each license plate to be issued.

(c) Any applicant for a license plate authorized by this section may make application for such plates not less than 60 days prior to such person's renewal of registration date, on a form prescribed and furnished by the director of vehicles, and any applicant for such license plate shall either provide the annual logo use authorization statement provided for in subsection (b) or pay to the county treasurer the logo use royalty payment established by midwest transplant network. Application for registration of a passenger vehicle or truck and issuance of the license plate under this
section shall be made by the owner or lessee in a manner prescribed by the
director of vehicles upon forms furnished by the director.

(d) No registration or license plate issued under this section shall be
transferable to any other person.

(e) The director of vehicles may transfer donate life license plates
from a leased vehicle to a purchased vehicle.

(f) Renewals of registration under this section shall be made annually,
upon payment of the fee prescribed in subsection (a), in the manner
prescribed in subsection (b) of K.S.A. 8-132, and amendments thereto. No
renewal of registration shall be made to any applicant until such applicant
provides to the county treasurer either the annual logo use authorization
statement provided for in subsection (b) or the payment of the logo use
royalty payment as established by midwest transplant network. If such
logo use authorization statement is not presented at the time of registration
or faxed by midwest transplant network, or the annual logo use royalty
payment is not made to the county treasurer at the time of registration, the
applicant shall be required to comply with K.S.A. 8-143, and amendments
thereto, and return the license plate to the county treasurer of such person's
residence.

(g) Midwest transplant network shall:

(1) Pay the initial cost of silk-screening for license plates authorized
by this section; and

(2) provide to all county treasurers a toll-free telephone number
where applicants can call midwest transplant network for information
concerning the application process or the status of their license plate
application.

(h) Midwest transplant network, with the approval of the director of
vehicles and subject to the availability of materials and equipment, shall
design a plate to be issued under the provisions of this section.

(i) As a condition of receiving the donate life license plate and any
subsequent registration renewal of such plate, the applicant must provide
consent to the division authorizing the division's release of motor vehicle
record information, including the applicant's name, address, logo use
royalty payment amount, plate number and vehicle type to midwest
transplant network and the state treasurer.

(j) Annual logo use royalty payments collected by county treasurers
under this section shall be remitted to the state treasurer in accordance
with the provisions of K.S.A. 75-4215, and amendments thereto. Upon
receipt of each such remittance, the state treasurer shall deposit the entire
amount in the state treasury to the credit of the midwest transplant network
royalty fund, which is hereby created in the state treasury and shall be
administered by the state treasurer. All expenditures from the midwest
transplant network royalty fund shall be made in accordance with
appropriation acts upon warrants of the director of accounts and reports
issued pursuant to vouchers approved by the state treasurer or the state
treasurer's designee. Payments from the midwest transplant network
royalty fund to the appropriate designee of midwest transplant network
shall be made on a monthly basis.

Sec. 2. This act shall take effect and be in force from and after its
publication in the statute book.
