AN ACT concerning schools; creating the student data privacy act.

Be it enacted by the Legislature of the State of Kansas:

Section 1. Sections 1 through 6, and amendments thereto, shall be known and may be cited as the student data privacy act.

Sec. 2. As used in sections 1 through 6, and amendments thereto:

(a) "Aggregate data" means data collected or reported at the group, cohort or institutional level.

(b) "Biometric data" means one or more measurable biological or behavioral characteristics that can be used for automated recognition of an individual, such as fingerprints, retina and iris patterns, voiceprints, DNA sequence, facial characteristics and handwriting.

(c) "Department" means the state department of education.

(d) "Directory information" means personally identifiable student data that has been designated as directory information by an educational agency in accordance with the federal family educational rights and privacy act, 20 U.S.C. § 1232g, and the disclosure of which has been consented to in writing by the student, if an adult, or such student's parent or legal guardian, if a minor.

(e) "Educational agency" means a school district, the department or a postsecondary educational institution.

(f) "Postsecondary educational institution" shall have the same meaning as that term is defined in K.S.A. 74-3201b, and amendments thereto.

(g) "School district" means a unified school district organized and operated under the laws of this state.

(h) "Statewide longitudinal student data system" means any student data system maintained by the department, which assigns a state identification number for each student who attends an accredited public or private school in Kansas and uses the state identification number to collect student data.

(i) "Student data" means the following information contained in a student's educational record:

(1) State and national assessment results, including information on untested students;

(2) course taking and completion, credits earned and other transcript
information;
(3) course grades and grade point average;
(4) date of birth, grade level and expected date of graduation;
(5) degree, diploma, credential attainment and other school exit
information such as general education development and drop-out data;
(6) attendance and mobility;
(7) data required to calculate the federal four-year adjusted cohort
graduation rate, including sufficient exit and drop-out information;
(8) remediation;
(9) special education data;
(10) demographic data and program participation information; and
(11) any other information included in a student's educational record.

Sec. 3. (a) Any student data submitted to and maintained by a
statewide longitudinal student data system shall only be disclosed by an
educational agency in accordance with the provisions of this section.
(b) Student data may be disclosed at any time to:
(1) The authorized personnel of the department or a school district
who require such disclosures to perform their assigned duties;
(2) the authorized personnel of the state board of regents who require
such disclosures to perform their assigned duties; and
(3) the student and the parent or legal guardian of the student,
provided the student data pertains solely to such student.
(c) Student data may be disclosed to the authorized personnel of any
state agency not specified in subsection (b), provided there is a data-
sharing agreement between the educational agency and such other state
agency that provides the following:
(1) The purpose, scope and duration of the data-sharing agreement;
(2) that the recipient of the student data use such information solely
for the purposes specified in the agreement;
(3) that the recipient shall comply with data access, use and security
restrictions that are specifically described in the agreement; and
(4) that the student data shall be destroyed or returned when no
longer necessary for the purposes of the data-sharing agreement, or upon
expiration of the data-sharing agreement.
(d) (1) Except as otherwise provided in paragraph (2), student data
may be disclosed to any governmental entity not specified in subsection
(b) or (c), to any public or private research organization, provided:
(A) Only aggregate data is disclosed to such governmental entity or
research organization;
(B) the disclosed aggregate data contains no personally identifiable
information of any student; and
(C) the disclosure is made in compliance with the federal family
educational rights and privacy act, 20 U.S.C. § 1232g.
(2) Personally identifiable student data may be disclosed if the student, if an adult, or the parent or legal guardian of the student, if a minor, consents to such disclosure in writing.

(e) Notwithstanding the provisions of subsections (b), (c) and (d), an educational agency may disclose:

(1) Directory information of any student when such agency deems such disclosure necessary; and

(2) any student data in order to comply with any lawful subpoena or court order directing such disclosure.

Sec. 4. No school district shall collect biometric data from a student, or use any device or mechanism to assess a student's physiological or emotional state, unless the student, if an adult, or the parent or legal guardian of the student, if a minor, consents in writing.

Sec. 5. The attorney general or any district attorney may enforce the provisions of sections 1 through 6, and amendments thereto, by bringing an action in a court of competent jurisdiction, and may seek injunctive relief to enjoin any educational agency, any employee or agent thereof, or any other entity in possession of student data from disclosing any student data in violation of the provisions of sections 1 through 6, and amendments thereto.

Sec. 6. The department shall annually publish on its website the categories of student data that are submitted to and maintained in any statewide longitudinal student data system. Publications required by this section shall be published with an easily identifiable link located on the department's website homepage.

Sec. 7. This act shall take effect and be in force from and after its publication in the statute book.
