Each bill or resolution appearing on the Consent Calendar shall remain thereon for at least two full legislative days before being considered under the order of business Final Action. At any time prior to the call for the vote under the order of business Final Action on a bill or resolution on the Consent Calendar, any member may object to the same as being controversial and the same shall be stricken from the Consent Calendar and take its place on General Orders in the usual order. If no such objection is made prior to the call for such vote on the bill or resolution, it shall be voted upon with other bills and resolutions under the order of business Final Action but before consideration of other bills or resolutions appearing on the calendar under such order of business.

JOINT RULES OF THE SENATE AND
HOUSE OF REPRESENTATIVES
2015-2016

Joint rule 1. Joint rules; application and date of expiration; adoption, amendment, suspension and revocation. (a) Joint rules; expiration, adoption, amendment, suspension and revocation; vote required. Joint rules are adopted under the authority of section 8 of article 2 of the Constitution of the State of Kansas and shall govern matters made subject thereto except when otherwise specifically provided by joint rule. Joint rules shall expire at the conclusion of the terms of representatives. Joint rules shall be adopted, amended, suspended and revoked by concurrent resolution of the two houses of the legislature. Concurrent resolutions adopting joint rules shall receive the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house.

(b) Amendment, suspension or revocation of joint rules; previous notice; vote required. After one day’s previous notice, joint rules may be amended, suspended or revoked by the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house. Upon the filing of such notice in either house, a message shall be sent to the other house advising of the filing of such notice and the reading of the message shall constitute notice to the members of such house. If such previous notice is not given, the affirmative vote of 2/3 of the members then elected (or appointed) and qualified in each house shall be required for the amendment, suspension or revocation of a joint rule.

(c) Amendment, suspension or revocation of joint rules at commencement of legislative session; vote required; conditions. Notwithstanding any provision of this rule to the contrary, no notice shall be required for the adoption of a concurrent resolution amending, suspending or revoking any one or more joint rules at the commencement of a legislative session, and adoption of any such concurrent resolution shall require only the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house, subject to the following conditions: (1) The concurrent resolution is sponsored by the speaker or the president, and (2) either (a) a copy thereof is mailed to each member of the legislature by deposit in the United States mails not later than 11:00 p.m. on the Thursday preceding the Monday on which the legislative session is to commence or (b) in lieu of mailing, copies of the concurrent resolution are made available to members on the first day of the legislative session and final action is taken on a subsequent legislative day.

Joint rule 2. Joint sessions. (a) Joint session called by concurrent resolution; vote required; time, place and subject matter. A joint session of the senate and house of representatives may be called by concurrent resolution adopted by the affirmative vote of not less than a majority of the members elected (or appointed) and qualified in each house of the legislature or as may otherwise be prescribed by law. Any such resolution shall fix the time and place of the joint session, and the subject matter to be considered at the joint session. Joint sessions shall consider only such matters as are prescribed by law or by the concurrent resolution calling such joint session.

(b) Presiding officer at joint sessions; record of joint session; rules applicable. The speaker of the house of representatives shall preside at all joint sessions of the senate
and house of representatives, and the clerk of the house of representatives shall keep a record of the proceedings thereof and shall enter the record of each such session in the journal of the house of representatives. The rules of the house of representatives and the joint rules of the two houses, insofar as the same may be applicable shall be the rules for joint sessions of the two houses.

(c) Votes in joint session; taking; requirements. All votes in a joint session shall be taken by yeas and nays, and in taking the same it shall be the duty of the secretary of the senate first to call the names of the members of the senate, and after which the clerk of the house of representatives shall in like manner call the names of the members of the house. Each member of the senate and the house of representatives present shall be required to vote on all matters considered in joint session, unless excused by a vote of a majority of the members of both houses present.

Joint rule 3. Conference committee procedure. (a) Action by house of origin of bill or concurrent resolution amended by other house. When a bill or concurrent resolution is returned to the house of origin with amendments by the other house, the house of origin may: (1) Concur in such amendments; (2) refuse to concur in such amendments; or (3) refuse to concur in such amendments and request a conference on the bill or concurrent resolution.

(b) Concurrence by house of origin; concurrence prior to taking action on conference committee report by other house; final action; effect of failure of motion to concur. The house of origin of any bill or concurrent resolution may concur in any amendments made by the other house, except that if the bill or concurrent resolution has been referred to a conference committee such action may only be taken prior to the taking of final action upon the conference committee report upon such bill or concurrent resolution by the other house. A vote in the house of origin of any bill or concurrent resolution on a motion to concur in amendments to such bill or concurrent resolution by the other house shall be considered action on the final passage of the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal. If the motion to concur is upon amendments to a bill or concurrent resolution for which a conference committee has been appointed and action has not been taken upon the report of such committee by the other house and such motion fails, the bill or concurrent resolution shall not be deemed to have been killed thereby and the motion to concur may be renewed but not on the same legislative day. If the motion to concur is upon amendments to a bill or concurrent resolution for which a conference committee has not been appointed and such motion fails, the bill or concurrent resolution shall be deemed to be killed.

(c) Motion to nonconcur; when considered final action; effect of adoption of motion. A vote in the house of origin of any bill or concurrent resolution on a motion to nonconcur or to refuse to concur in amendments to such bill or concurrent resolution by the other house which is not coupled with a request for the appointment of a conference committee shall be considered action on final passage of the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal, and the bill or concurrent resolution shall be deemed killed on the adoption thereof.

(d) House of origin refusal to concur or nonconcur; request for conference; procedure. When a bill or concurrent resolution is returned by either house to the house of origin with amendments, and the house of origin refuses to concur or to nonconcur therein, a conference may be requested by a majority vote of the members present and
voting. Such request shall be transmitted to the other house by message which shall include the names of the conferees on the part of the requesting house. Upon receipt of any such message, the receiving house may, in like manner, approve such conference, and shall thereupon notify the requesting house by message stating the names of its conferees.

(e) Membership; appointment; chairperson; house of origin of substitute or materially changed bill or concurrent resolution; meetings of conference committee. Each conference committee shall consist of three members of the senate and three members of the house of representatives, unless otherwise fixed by agreement of the president of the senate and speaker of the house. Senate members shall be appointed by the president of the senate and house members shall be appointed by the speaker of the house of representatives. The president or the speaker may replace any conferee previously appointed by such person. Not less than one member appointed from each house shall be a member of the minority political party of such house except when such representation for such house is waived by the minority leader of such house. In all cases, the first-named member of the house of origin of the bill or concurrent resolution assigned to the committee shall be chairperson of the conference committee. The house of origin of a substitute bill or substitute concurrent resolution shall be the house in which the bill or concurrent resolution in its original form was introduced. The chairperson of a conference committee on a bill or concurrent resolution the subject matter of which has been ruled to be materially changed shall be a member of the house which amended the bill or concurrent resolution to materially change the subject matter. Each conference committee shall meet on the call of its chairperson. All meetings of conference committees shall be open to the public and no meeting shall be adjourned to another time or place in order to subvert such policy.

(f) Conference committee reports; matters which may be included; report not subject to amendment; house which acts first on report; copies of reports; reports considered under any order of business. Only subject matters which are or have been included in the bill or concurrent resolution in conference or in bills or concurrent resolutions which have been passed or adopted in either one or both houses during the current biennium of the legislature may be included in the report of the conference committee on any bill or concurrent resolution except in any appropriations bill there may be included a proviso relating to any such item of appropriation. Subject to any limitations imposed under the constitution of the state of Kansas, no more than a total of four additional bills or concurrent resolutions or parts of bills or concurrent resolutions in conference or bills or concurrent resolutions or parts of bills or concurrent resolutions which have passed in either one or both houses during the current biennium of the legislature may be included in the report of the conference committee on any bill or concurrent resolution except in any appropriations bill there may be included a proviso relating to any such item of appropriation. Subject to any limitations imposed under the constitution of the state of Kansas, no more than a total of four additional bills or concurrent resolutions or parts of bills or concurrent resolutions in conference or bills or concurrent resolutions or parts of bills or concurrent resolutions which have passed in either one or both houses during the current biennium of the legislature may be included in the report of the conference committee on any bill or concurrent resolution, except that reports of conference committees on any taxation bill are not subject to the limitation contained in this provision. A conference committee report shall not be subject to amendment. The original signed conference committee report shall be submitted to and acted upon first by the house other than the house of origin of the bill or concurrent resolution. Except when a conference committee report is an agree to disagree coupled with a request that a new conference committee be appointed or is a recommendation to accede to or recede from all amendments of the second house, electronic and paper copies of the report shall be made available to all members of the house considering the report not later than 30 minutes before the time of its
consideration, except that if the report is more than six pages in length no paper copies will be required to be distributed to individual members provided that at least 10 paper copies of the report are made available to members at the clerk’s or secretary’s desk at the front of the respective house. By written notice, the majority leader may direct the clerk or secretary to increase from six pages to some greater number of pages the size of conference committee reports that need not be distributed by paper copies to individual members pursuant to this rule. The affirmative vote of 2/3 of the members present in the house at the time of consideration of the report shall be sufficient to dispense with distribution of copies of the conference committee report to all members of that house. Reports of conference committees may be received and considered under any order of business.

(g) Signatures required on conference committee reports. All initial conference committee reports other than an agreement to disagree coupled with a request that a new conference committee be appointed shall be signed by all of the conferees. All initial conference committee reports which are an agreement to disagree coupled with a request that a new conference committee be appointed shall be signed by a majority of the conferees appointed in each house. If a conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed is not adopted, a subsequent conference committee report shall be signed by all conferees unless a subsequent conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed is adopted, in which case a conference committee report subsequent to the adoption of such report shall be signed by a majority of the conferees appointed in each house. All other conference committee reports shall be signed by a majority of the conferees appointed in each house.

(h) Vote to adopt conference committee report final action; effect of failure of motion to adopt conference committee report. The vote to adopt the report of a conference committee, other than a report of failure to agree coupled with a recommendation for appointment of a new conference committee, shall be considered final action on the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal. If the motion fails, the bill or concurrent resolution shall be deemed to be killed. If the motion on a conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed fails, the bill or concurrent resolution shall not be deemed to have been killed thereby and remains in conference.

(i) Report of conference committee unable to agree; effect of failure to request new conference committee; effect of failure of motion to adopt report requesting new conference committee. If a conference committee upon any bill or concurrent resolution is unable to agree, it shall report that fact to both houses. Such report may request that a new conference committee be appointed thereon. If the committee so reports but fails to request the appointment of a new conference committee thereon, the bill or concurrent resolution shall be deemed to have been killed upon the adoption by either house of such report. If the motion to adopt a report requesting the appointment of a new conference committee fails, the bill or concurrent resolution shall be deemed to be killed.
(j) Bills or concurrent resolutions under consideration by conference committees and reports thereof; carryover from odd-numbered to even-numbered year. Bills or concurrent resolutions under consideration by a conference committee, or a report of which has been filed but no action taken thereon in either house, at the time of adjournment of a regular session of the legislature held in an odd-numbered year shall remain alive during the interim and may be considered by the committee and legislature as the case may be at the regular session held in the following even-numbered year.

Joint rule 4. Deadlines for introduction and consideration of bills. The senate and house of representatives shall observe the following schedule of deadlines in making requests for drafting and in the introduction and consideration of bills.

In accordance with the provisions of the Constitution of the State of Kansas and by the virtue of her office as President of the Senate, President Susan Wagle declared the 2016 Senate to be in session.

President Wagle welcomed Reverend Cecil T. Washington, who will again serve as the Senate Chaplain. Reverend Washington delivered the invocation:

Heavenly Father, we come again to the beginning of another session. And as Moses told Joshua to deliver the laws to Your people in Deuteronomy 31:7, and that he was to be of good courage, because You’d never fail nor forsake them, remind us of the same. As we all labor together...the Senators...the supporting staff and all who work these halls, to deliver laws to Your people, remind us afresh of Your gracious, governing, guiding presence. Like the chef, who brings just the right mixture of ingredients together, with just the right temperature, do that with us. During this session, as laws are being prepared, give us just the right mix of ingredients, from both sides of the aisle. And help us maintain just the right temperature in our attitudes and actions. Like the chef, who tops off and completes a fine meal, top off and complete the work that You’re going to accomplish in these halls. When all is said and done, and the people have consumed...even devoured the results of this session, help us all to recognize, celebrate and applaud You, as the Head Chef. Keep us as Your humble servants...as waiters and waitresses, and may the final word on the street be, that for the citizens of Kansas, You cooked up some pretty good stuff. Here’s thanking You in advance for what You’re about to do. In the name of Jesus, Amen and Amen.

The Pledge of Allegiance was led by President Wagle.

President Wagle introduced Melissa Seabaugh who will serve as Reader for the 2016 legislative session.

The roll was called with 39 senators present.

Senator Love was excused.

Before we pray, hear the Word of God according to the gospel of Luke. “Now Jesus, of Nazareth, put forth a parable saying, ‘What is the kingdom of God like? And to what shall I compare it? It is like a mustard seed, which a man took and put in his garden; and it grew and became a great tree, and the birds of the air nested in its branches.’ ” Again, he said, “To what shall I liken the Kingdom of God? It is like leaven, which a woman took and hid in three measures of meal till it was all leavened.” (Luke 13:18-21) Father in heaven, is it possible for someone who does not feel worthy of You, or does not even know for sure that You are real, to be wholly embraced by you? Your Word in scripture said that it is. So, I ask that it happen for anyone hearing this prayer to be given ears to hear. And can a group of people from different political points of view and different religious persuasions, come together to form a more perfect union? Your Scriptures declare, and history confirms, that indeed it can happen. So, I ask, by Your own promises that it come true for this legislative body. And with your divine assistance, is it possible for a larger group of people, bound within a certain state, to be governed by justice, righteousness, goodness, truth and love? And can such a miracle affect an entire nation? Your Word says that indeed it is possible. So I humbly ask You to accomplish such a wonder in the state of Kansas. May Kansas be known once again as a place where justice and righteousness come forth out of diversity. And, may it begin here. You have offered a measure of faith to each of us, even if as tiny as a mustard seed. And you have given a portion of truth and gifts of wisdom to all who would receive, even if as small as an ounce of leaven. So, heavenly Father, I ask by Your divine, providential care and abounding grace, that the kingdom hidden among us be sown such as to raise up a mighty tree of liberty. And may Your kingdom, like leaven, give rise to the whole. I make this prayer in the name of Jesus, who spoke of such things and has proven such signs and wonders. Amen

Jesus, thank You for this day. Thank You for this new week. I praise You, that You are the same yesterday, today, and tomorrow. I know in Psalm 61:1-2 it says, “God, hear my cry for help. Listen to my prayer. From a place far away I call out to You. I call out as my heart gets weaker. Lead me to the safety of a rock that is high above me.” As a United States citizen, as a Kansas citizen, Jesus, as a Christian, I pray to You this day. Hear my cry. Listen to my prayer. I pray as this governing body gathers, that You will give them patience where needed, that You will grant them wisdom in trying to solve the complicated issues facing our state. Also, I pray for these individuals in this room. Most here have sacrificed to be part of this important deliberative process and are spending time away from their families. Some of them are carrying burdens and worries in their personal life. You also brought me here today to acknowledge that You love them, know of their challenge and Your desire for them to trust You. I know in Psalm 55:22 it says, “Turn your worries over to the Lord. He will keep you going. He will never let godly people fall.” So, I also pray . . . help them . . . guide them. Bless them in their personal life and in their family life. I know the Bible says in Psalm 27:7, “Lord, hear my voice when I call out to You. Show me Your favor and answer me.” Jesus, today we have called out to You to help with these who are passing laws. We have cried to You for help with possible personal burdens we may be carrying. We ask You to be gracious and show us favor with answering this prayer. In Jesus’ name I pray. Amen

The Pledge of Allegiance was led by Vice President King.

ELEVENTH DAY

The Senate was called to order by President Susan Wagle.
The roll was called with 38 senators present.
Senators Holland and Pyle were excused.
President Wagle introduced guest chaplain Pastor Carl Frazier, Southwest Baptist
Church, Topeka, who delivered the invocation:

Dear God, we want to remember You and Your Holy Word today and every day of our
lives. Our hope is that people, especially leaders, remember and follow Proverbs 21:3
which states: "Do what is right and just; that is more pleasing to God than sacrifice."
Help each of us to look out and see the multitudes who are hurting due to insufficient
funding and opportunity in the areas of education, mental health, low wages, prisons and
access to health care and jobs. Our prayer is that leaders will look around the room where
business is taking place, and it won't just be people looking like them, but help them to
see the need for equal opportunity for all people. We pray that You Lord are calling on
leaders to understand the things that continue to depress our state. Please bless all leaders
in this world including their families, health, strength, bodies, minds and souls. We ask
You to build them up where they are torn down and strengthen them where they are
weak. This is my prayer in the mighty name of Jesus. Amen.

The Pledge of Allegiance was led by President Wagle.

The Senate was called to order by Vice President Jeff King.
The roll was called with 40 senators present.
Invocation by Pastor Carl Frazier:

My God and my hope for the future. When we meet You one day, You won't ask if we are Democrats, Republicans, Independents, or a member of the Tea Party. You won't even identify us as Indian, African American, Hispanic or White, but prayerfully as Your good and faithful servants. As Your servant, I ask that the decisions that are made by our selected representatives be non-partisan and beneficial to all the citizens of Kansas and not a select few. You tell us in Matthew 25 that “inasmuch as You did not do it to one of the least of these, You did not do it to Me.” Help each of us to remember that our responsibility to humanity is to feed the hungry, provide drink to those who thirst, clothe the naked, provide help to the sick and justice to those in prison. Lord, I pray that every bill that’s debated and every law that is passed in these state chambers are targeted to positively impact even the least of them. That each person who passes bills and votes them into law, have mercy and walk in love with You. Finally, I ask that we remember Your words in Micah 6:8 that say, "He has shown you, O man, what is good; And what does the Lord require of you, but to do justly, to love mercy and to walk humbly with your God?" Help us to do what is good, to do what is just, to love mercy and walk humbly with You. Lord, this is my prayer in the mighty name of Jesus. Amen

God of all people and all places, we are privileged to bow before You this afternoon as Kansans. We are grateful for the heritage of our great state. We are grateful for the privilege of living as citizens of this country. We are grateful for the goodness of all of Your creation. We confess to You, O God, that all too often we let our agendas overshadow Your will for us. We confess to You, O God that all too often our divisions define us: we are liberal and conservative, Republican and Democrat, Wildcat and Jayhawk and Shocker. Help us remember, this day and always, that before the various loyalties and allegiances we claim, You claim us. Help us remember that we are Yours. Help us remember that we are created in Your image. Help us remember that we are brothers and sisters. Help us remember that we are more alike than different. Help us remember that we are called to use the gifts we have been given for the good of all Your people. We pray these things, as grateful citizens of Kansas, and of Your glorious creation as a whole. In Your Holy Name, Amen.

**EXPLANATION OF VOTE**

Madam President: As predicted, the bill passed by this body in 2014 was lawsuit inducing and potentially unconstitutional; the concern expressed in an editorial published by a respected Kansas newspaper, that the bill in 2015 “…it risks both the balance of powers and the ability of the State’s judiciary to function…” has rung true. I respect and have sworn to uphold Kansas’ and the United States’ three branches of government: Executive, Legislative and Judicial, as provided for in the Constitutions of both. The 2014 bill that tied judicial funding to policy initiatives when the Legislature (over my objection then too) took away the Supreme Court’s power to appoint chief district judges or to then directly control their appropriations. In 2015 a bill once again showed blatant disrespect for our State’s Constitution. We should insure that the Judiciary has both funding and independence (see Explanation of Vote; Senate Journal, page 819, from May 31, 2015). Accordingly, as both the ranking member of Senate Judiciary and but one of only three lawyers in this Chamber of forty members, I am pleased to vote “Yea” on **HB 2449** to eliminate the non-severability clause in **HB 2005** passed in 2015.—DAVID HALEY

Invocation by Reverend Cecil Washington, Jr.:

Lord, I want to offer a two-part prayer today. One: in accordance with 1 Timothy 2:1; for me, it’s a prayer of thanks. Gratefulness is realizing that the blessings in my life are due to Your gracious Hand and the hands of others You choose to use. During the last three weeks, all through the time of my brother Wendell’s home-going, Your faithfulness to me and my family met the need. From the halls of this Senate, You generated prayers of support and encouraging expressions of love. Thank You for using those under this dome to help provide me with internal braces to handle the external pressures. You are awesome in what You do and how You do it. Secondly; in accordance with 1 Timothy 2:2-4, we pray for those in authority…for those under this dome and the service You’ve called them to render. As these Senators and supporting staff combine their efforts to bless the citizens of Kansas, would You meet each and every one at the point of each and every need. In Matthew 7:12, You said we’re to do unto others as we would have done to us. So, Lord, as our needs are mutual, You want them reciprocal. We need to give respect and to be respected, regardless of the political view. We need to listen and we need to be heard…to understand and to be understood…to consider and to be considered. We need to be patient with one another, realizing that no one has all the answers. We need to share with one another, loving expressions of appreciation. Not from false disguises of virtue, but as channels, conduits for Your loving kindness. You truly are the source from which will spring our success. Thank You for being our Need Meeter! In Jesus Name. Amen

The Pledge of Allegiance was led by Vice President King.

Invocation by Reverend Cecil Washington, Jr.:

Heavenly Father, there’s a secret we need the answer to. The Apostle Paul alluded to it in Philippians 4:12-13. When speaking from experience, he said he had learned this secret: how to be in abundance…well-off and also how to be in need…to be hard up. Lord, only You can give us the answer to the secret of knowing both. No matter which way the pendulum has swung at any given moment in life, if You would help us know the secret, then we could thoughtfully identify…even empathetically enter into either realm of existence, so as to understand the unique needs of the wealthy and how to harmonize that with the unique needs of the poor. One of the secrets to producing and loving a good cake is to know the various ingredients and learn to adequately blend them. One of the secrets to producing and loving a good social order is to know the various components and learn to adequately blend them. Lord, help us in the Senate…in the House…in our homes…in our work places…in all that we do, learn the various constituents and the secret of how to blend them. Lord, You said love seeks to understand and Paul said he’d learned the secret of how to do that. He said it was by Your power…Your gracious, loving power. Reveal to us…uncover for each of us, the secret of impartial love. The kind of love for our fellowman, that regardless of status, is unprejudiced and can only come from You. In the name of Him who loved us to death, Jesus, the Christ, Amen

The Pledge of Allegiance was led by President Wagle.

Invocation by Reverend Cecil Washington, Jr.:

Heavenly Father, here we are at the middle of the week, referred to by many as “Hump Day.” For some of us today, it’s an uphill climb, just trying to get through. For some, it might be the toughest day of the week. For some, we may feel like we’re getting over the hump, and with smooth sailing, we’re anticipating the weekend. For some, the joy of Hump Day is that it’s only four days before the Super Bowl. But, like the camel in the GEICO commercial, we could really get excited over Hump Day. There’s purpose in the difficult days that we face. Because all the humps, all the speed bumps…all the hills and even mountains are opportunities for our faith to grow, as we put our trust in You, to see us through. You used Paul as an example of this in 2 Corinthians 12:9-10. You told him that Your grace would be his sufficiency and that Your power would be perfected through his inability to handle his problems. Based on that, he made a profound declaration. Excited about his inabilities, he proceeded to brag on You; so that YOUR power would rest upon him. Lord, when the humps…the speed bumps…the difficulties of life come for us…when we are weak, remind us that because of You and Your loving grace, we can be strong…we can make it! For if we never had any problems, we wouldn’t know that You could solve them. If we never had a hill to overcome, we’d never know that You’d give us the strength to rise and climb. So, thank You for this day and for all the humps and bumps in life. Use them Father, to strengthen us…to make us better…to increase and add muscle to our character; that we may bring glory and honor to You. In the Precious Name of Jesus, Amen.

The Pledge of Allegiance was led by President Wagle.

"Sec. 3. K.S.A. 2015 Supp. 21-6804 is hereby amended to read as follows: 21-6804. (a) The provisions of this section shall be applicable to the sentencing guidelines grid for nondrug crimes. The following sentencing guidelines grid shall be applicable to nondrug felony crimes:
(b) Sentences expressed in the sentencing guidelines grid for nondrug crimes represent months of imprisonment.

(c) The sentencing guidelines grid is a two-dimensional crime severity and criminal history classification tool. The grid's vertical axis is the crime severity scale which classifies current crimes of conviction. The grid's horizontal axis is the criminal history scale which classifies criminal histories.

(d) The sentencing guidelines grid for nondrug crimes as provided in this section defines presumptive punishments for felony convictions, subject to the sentencing court's discretion to enter a departure sentence. The appropriate punishment for a felony conviction should depend on the severity of the crime of conviction when compared to
all other crimes and the offender's criminal history.

(e) (1) The sentencing court has discretion to sentence at any place within the sentencing range. In the usual case it is recommended that the sentencing judge select the center of the range and reserve the upper and lower limits for aggravating and mitigating factors insufficient to warrant a departure.

(2) In presumptive imprisonment cases, the sentencing court shall pronounce the complete sentence which shall include the:

(A) Prison sentence;
(B) maximum potential reduction to such sentence as a result of good time; and
(C) period of postrelease supervision at the sentencing hearing. Failure to pronounce the period of postrelease supervision shall not negate the existence of such period of postrelease supervision.

(3) In presumptive nonprison cases, the sentencing court shall pronounce the:

(A) Prison sentence; and
(B) duration of the nonprison sanction at the sentencing hearing.

(f) Each grid block states the presumptive sentencing range for an offender whose crime of conviction and criminal history place such offender in that grid block. If an offense is classified in a grid block below the dispositional line, the presumptive disposition shall be nonimprisonment. If an offense is classified in a grid block above the dispositional line, the presumptive disposition shall be imprisonment. If an offense is classified in grid blocks 5-H, 5-I or 6-G, the court may impose an optional nonprison sentence as provided in subsection (q).

(g) The sentence for a violation of K.S.A. 21-3415, prior to its repeal, aggravated battery against a law enforcement officer committed prior to July 1, 2006, or a violation of K.S.A. 2015 Supp. 21-5412(d), and amendments thereto, aggravated assault against a law enforcement officer, which places the defendant's sentence in grid block 6-H or 6-I shall be presumed imprisonment. The court may impose an optional nonprison sentence as provided in subsection (q).

(h) When a firearm is used to commit any person felony, the offender's sentence shall be presumed imprisonment. The court may impose an optional nonprison sentence as provided in subsection (q).

(2) If because of the offender's criminal history classification the offender is subject to presumptive imprisonment or if the judge departs from a presumptive probation sentence and the offender is subject to imprisonment, the provisions of this section and K.S.A. 2015 Supp. 21-6807, and amendments thereto, shall apply and the offender shall not be subject to the mandatory sentence as provided in K.S.A. 2015 Supp. 21-5823, and amendments thereto.

amendments thereto, shall not be served in a state facility in the custody of the secretary of corrections, except that the term of imprisonment for felony violations of K.S.A. 2015 Supp. 8-1025 or K.S.A. 8-2,144 or K.S.A. 8-1567, and amendments thereto, may be served in a state correctional facility designated by the secretary of corrections if the secretary determines that substance abuse treatment resources and facility capacity is available. The secretary's determination regarding the availability of treatment resources and facility capacity shall not be subject to review. Prior to imposing any sentence pursuant to this subsection, the court may consider assigning the defendant to a house arrest program pursuant to K.S.A. 2015 Supp. 21-6609, and amendments thereto.

(j) (1) The sentence for any persistent sex offender whose current convicted crime carries a presumptive term of imprisonment shall be double the maximum duration of the presumptive imprisonment term. The sentence for any persistent sex offender whose current conviction carries a presumptive nonprison term shall be presumed imprisonment and shall be double the maximum duration of the presumptive imprisonment term.

(2) Except as otherwise provided in this subsection, as used in this subsection, "persistent sex offender" means a person who:

(A) (i) Has been convicted in this state of a sexually violent crime, as defined in K.S.A. 22-3717, and amendments thereto; and

(ii) at the time of the conviction under subsection (j)(2)(A)(i) has at least one conviction for a sexually violent crime, as defined in K.S.A. 22-3717, and amendments thereto, in this state or comparable felony under the laws of another state, the federal government or a foreign government; or

(B) (i) has been convicted of rape, as defined in K.S.A. 21-3502, prior to its repeal, or K.S.A. 2015 Supp. 21-5503, and amendments thereto; and

(ii) at the time of the conviction under subsection (j)(2)(B)(i) has at least one conviction for rape in this state or comparable felony under the laws of another state, the federal government or a foreign government.

(3) Except as provided in subsection (j)(2)(B), the provisions of this subsection shall not apply to any person whose current convicted crime is a severity level 1 or 2 felony.

(k) (1) If it is shown at sentencing that the offender committed any felony violation for the benefit of, at the direction of, or in association with any criminal street gang, with the specific intent to promote, further or assist in any criminal conduct by gang members, the offender's sentence shall be presumed imprisonment. The court may impose an optional nonprison sentence as provided in subsection (q).

(2) As used in this subsection, "criminal street gang" means any organization, association or group of three or more persons, whether formal or informal, having as one of its primary activities:

(A) The commission of one or more person felonies; or

(m) The sentence for a violation of K.S.A. 22-4903 or K.S.A. 2015 Supp. 21-5913(a)(2), and amendments thereto, shall be presumptive imprisonment. (1) Substance abuse was an underlying factor in the commission of the crime;

(2) substance abuse treatment in the community is likely to be more effective than a prison term in reducing the risk of offender recidivism; and
(3) participation in an intensive substance abuse treatment program will serve community safety interests.

A defendant sentenced to an optional nonprison sentence under this subsection shall be supervised by community correctional services. The provisions of K.S.A. 2015 Supp. 21-6824(f)(1), and amendments thereto, shall apply to a defendant sentenced under this subsection. The sentence under this subsection shall not be considered a departure and shall not be subject to appeal.

(1) Substance abuse was an underlying factor in the commission of the crime;
(2) substance abuse treatment with a possibility of an early release from imprisonment is likely to be more effective than a prison term in reducing the risk of offender recidivism; and
(3) participation in an intensive substance abuse treatment program with the possibility of an early release from imprisonment will serve community safety interests by promoting offender reformation.

The intensive substance abuse treatment program shall be determined by the secretary of corrections, but shall be for a period of at least four months. Upon the successful completion of such intensive treatment program, the offender shall be returned to the court and the court may modify the sentence by directing that a less severe penalty be imposed in lieu of that originally adjudged within statutory limits. If the offender's term of imprisonment expires, the offender shall be placed under the applicable period of postrelease supervision. The sentence under this subsection shall not be considered a departure and shall not be subject to appeal.

(q) As used in this section, an "optional nonprison sentence" is a sentence which the court may impose, in lieu of the presumptive sentence, upon making the following findings on the record:

(1) An appropriate treatment program exists which is likely to be more effective than the presumptive prison term in reducing the risk of offender recidivism; and
(2) the recommended treatment program is available and the offender can be admitted to such program within a reasonable period of time; or
(3) the nonprison sanction will serve community safety interests by promoting offender reformation.
Any decision made by the court regarding the imposition of an optional nonprison sentence shall not be considered a departure and shall not be subject to appeal.

(r) The sentence for a violation of K.S.A. 2015 Supp. 21-5413(c)(2), and amendments thereto, shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.

(s) The sentence for a violation of K.S.A. 2015 Supp. 21-5512, and amendments thereto, shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

(t) (1) If the trier of fact makes a finding that an offender wore or used ballistic resistant material in the commission of, or attempt to commit, or flight from any felony, in addition to the sentence imposed pursuant to the Kansas sentencing guidelines act, the offender shall be sentenced to an additional 30 months' imprisonment.

(2) The sentence imposed pursuant to subsection (t)(1) shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.

(3) As used in this subsection, "ballistic resistant material" means: (A) Any commercially produced material designed with the purpose of providing ballistic and trauma protection, including, but not limited to, bulletproof vests and kevlar vests; and (B) any homemade or fabricated substance or item designed with the purpose of providing ballistic and trauma protection.

(u) The sentence for a violation of K.S.A. 2015 Supp. 21-6107, and amendments thereto, or any attempt or conspiracy, as defined in K.S.A. 2015 Supp. 21-5301 and 21-5302, and amendments thereto, to commit such offense, when such person being sentenced has a prior conviction for a violation of K.S.A. 21-4018, prior to its repeal, or K.S.A. 2015 Supp. 21-6107, and amendments thereto, or any attempt or conspiracy to commit such offense, shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

(v) The sentence for a third or subsequent violation of K.S.A. 8-1568, and amendments thereto, shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.

(w) The sentence for aggravated criminal damage to property as defined in K.S.A. 2015 Supp. 21-5813(b), and amendments thereto, when such person being sentenced has a prior conviction for any nonperson felony shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

(x) The sentence for a violation of K.S.A. 2015 Supp. 21-5807(a)(1), and amendments thereto, shall be presumptive imprisonment if the offense under such paragraph is classified in grid blocks 7-C, 7-D or 7-E. Such sentence shall not be considered a departure and shall not be subject to appeal.

EXPLANATION OF VOTE

Mr. Vice President: I vote “AYE” on this amendment. My amendment offered to align marijuana possession infractions with what I consider “common sense.” Rather than fine a possessor of marijuana up to $1,000 and risk jail, this amendment would allow for a fine of up to $50 with no jail time for a 1st, 2nd, or 3rd such “offense.” I would so hope that most of you might recognize, Mr. Chair, that many, many of our constituents believe marijuana is NOT as harmful as many currently legal substances (such as tobacco and alcohol) or even as dangerous, if “abused,” as prescription opiates and, accordingly, that marijuana should NOT be criminalized to the extent that it is in our State. For example, in a well-publicized referendum, the people in Kansas’ largest city, Wichita, overwhelmingly voted to do exactly what this amendment does. Clogging our courts and our prisons and overtaxing people for simple marijuana possession is a continuing crime in and of itself. To not support this amendment only aids and abets that crime. I vote “Aye” for policies of parity; for only the dwindling time that pot itself remains “illegal” at all. – DAVID HALEY

EXPLANATION OF VOTE

Mr. Vice President: I vote “NO “on Senate Substitute for HB 2049, which purports to ease the debate on marijuana penalties in our State AND now includes new language regarding repeat burglar convictions too. When our Great State matures to the level of growing national public opinion, marijuana will be decriminalized and, perhaps, regulated and taxed, for the benefit of the health and well-being of our society as a whole. Voting FOR this watered-down, pre-text at ameliorating a drug law that is economically discriminatory and doesn’t work in the first place is pussy-footing around with the core issue and by here, voting “NO,” I simply chose not to play this Senate’s games with this serious issue and the growing common sense of multiple constituencies. The Kansas House overwhelmingly supported better consensus in the original HB 2049; before the Senate committee stripped good provisions out AND, audaciously, added an additional negative bedspace impacting measure on the totally unrelated issue of repeat burglary. When marijuana is no longer demonized in Kansas, or America, as common-sense increasingly dictates, perhaps many will look back on these words and my name as prophetic; maybe even courageous. But, neither is true. Both are, at this time in history, what any person of average intellect and strength should do. I proudly vote “NO” on this shell game masquerading as law contained in S Sub HB 2049. – DAVID HALEY

Invocation by Reverend Cecil Washington, Jr.:

Heavenly Father, You have blessed us with lofty responsibilities. You have us serving in capacities to influence change for the betterment of Your people. Help us to not get lofty in pride due to these lofty positions. When the citizens regard us highly or when we're pleased with an achievement, help us maintain humility. In Proverbs 16:18, You warned us that undue pride goes before a downfall but humility precedes being elevated. So, help us balance a healthy degree of pride with a healthy portion of humility. Deliver us from the "I" problem of I did this or I did that. Remind us that nothing we accomplish is independent of the direct or indirect blessings of others. As the brilliance of a diamond is seen through its many facets, let the brilliance of what we do be seen through the light of Your grace, provided for us through the unique gifts and contributions of others. Thanks for blessing us through the lives, efforts and concerns of many. Thanks for all the things You've taught us and all the ways You've loved us. In the final analysis, when all is said and done, it is You to Whom we owe all our successes. In humility and gratefulness, in Jesus' name, Amen.

The Pledge of Allegiance was led by President Susan Wagle.

(a) On or before the first day of the regular legislative session in each year ending in two, the redistricting commission shall introduce in the house of representatives a bill reapportioning the state representative districts and a bill reapportioning the United States congressional districts, and shall introduce in the senate a bill reapportioning the state senatorial districts and a bill reapportioning the state board of education member districts. Such bills shall not be subject to amendment by either chamber of the legislature and each such bill shall be acted upon by each chamber within seven days after such bill is introduced in such chamber.
   (b) If a bill introduced pursuant to subsection (a) is not enacted, the redistricting commission, within 10 days after rejection of the bill by either chamber of the legislature or veto of the bill by the governor, shall introduce another bill reapportioning such districts. If the Kansas supreme court enters a judgment that a bill introduced pursuant to subsection (a) is invalid, the redistricting commission, within 10 days after entry of such judgment, shall introduce another bill reapportioning such districts. Introduction of a bill
pursuant to this section shall be in the same chamber as introduction of the original bill pursuant to subsection (a). Such bill shall not be subject to amendment by either chamber and shall be acted upon by each chamber within seven days after the bill is introduced in such chamber.

(c) If a bill introduced pursuant to subsection (b) is not enacted, the redistricting commission, within 10 days after rejection of the bill by either chamber of the legislature or veto of the bill by the governor, shall introduce another bill reapportioning such districts. If the Kansas supreme court enters a judgment that a bill introduced pursuant to subsection (b) is invalid, the redistricting commission, within 10 days after entry of such judgment, shall introduce another bill reapportioning such districts. Introduction of a bill pursuant to this section shall be in the same chamber as introduction of the original bill pursuant to subsection (a). Such bill shall be subject to amendment by either chamber and shall be acted upon by each chamber within 14 days after the bill is introduced in such chamber. When a bill is introduced pursuant to this subsection, the commission shall make the commission's staff and technical resources available to the legislature for use in preparation and consideration of amendments to such bill.

(d) If either chamber of the legislature rejects a bill introduced pursuant to this section, or the governor vetoes such bill, the chamber that rejects the bill, or the governor in the case of a veto, shall transmit to the commission a letter stating the reasons why the bill was not enacted, and the commission shall take such reasons into consideration in introducing a bill pursuant to this section, subject to the requirements of section 6(c). Any such letter shall be signed by both the speaker of the house of representatives and the minority leader of the house of representatives or both the president of the senate and the minority leader of the senate.

(e) Reapportionment bills shall be published in the Kansas register immediately upon final passage and approval by the governor. The districts enacted shall be effective for the next following regular election and thereafter until again such districts are reapportioned, except that the senatorial districts shall be effective for the next following regular election at which all senators are elected.

(f) Within 15 days after publication of any reapportionment bills enacted pursuant to this article, the attorney general shall petition the Kansas supreme court to determine the validity of such bill. The Kansas supreme court, in accordance with its rules, shall permit interested persons to present their views. Within 30 days after the filing of such petition, the Kansas supreme court shall enter its judgment. A judgment of the Kansas supreme court determining such bill to be valid shall be final until reapportionment of the districts is again required by this article.

"§ 7. Implementing legislation. The legislature may enact legislation, not in conflict with the provisions of this article, as reasonably necessary to implement such provisions."

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

"Explanatory statement. Current article 10 of the constitution of the state of
Kansas governs reapportionment of state legislative districts. It provides for reapportionment by the legislature and requires it be based on the most recent census taken by the United States bureau of the census, adjusted to exclude certain military personnel and certain students residing at colleges and universities. The revision of article 10 would govern reapportionment of the United States congressional districts, state legislative districts and the state board of education member districts. Under the revision, a redistricting commission would be established to recommend redistricting plans to the legislature. The legislature would enact a plan which would be subject to review by the Kansas supreme court. There would be strict deadlines for legislative action and if no plan is adopted by the deadline, the Kansas supreme court would reapportion the districts. Reapportionment of state legislative districts would be based on the most recent census taken by the United States bureau of the census, adjusted to exclude certain military personnel and certain students residing at colleges and universities.

"A vote for this proposition would change the procedure for reapportionment of United States congressional, state legislative and state board of education member districts.

"A vote against this proposition would continue the current procedures and basis for reapportionment."

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the Senate, and two-thirds of the members elected (or appointed) and qualified to the House of Representatives shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the general election in November in the year 2016, unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case it shall be submitted to the electors of the state at the special election.

Invocation by Reverend Cecil Washington, Jr.:

Gracious Lord, thank You for Your continuous faithfulness toward us. Although we fall short, Your love does not. You have carried us through another legislative week...another week of trying to serve You and the citizens of Kansas. We're getting ready now for the weekend. As we head to our various destinations, give us the grace to travel safely. Upon arrival, help us find things in order. There are times when, in this work, we get weary. Please provide times of refreshing...to energize, reenergize and revitalize. You said in Isaiah 40:29 that You give strength to those who grow tired and You increase the resilience of those who've grown weak. In verse 31, You said You do this for those who wait on You. So, Lord, while we're off to see about things at home, renew our strength of body and mind. Thanking You in advance, in Jesus' name, Amen.

A CONCURRENT RESOLUTION reaffirming 10th Amendment rights.

WHEREAS, The 10th Amendment to the Constitution of the United States specifically provides that, "The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people"; and

WHEREAS, The 10th Amendment was part of the original Bill of Rights, which was proposed on September 25, 1789, ratified by three-fourths of the states, and went into effect on December 15, 1791; and

WHEREAS, The 10th Amendment limits the scope of federal power and prescribes that the federal government was created by the states specifically to be an agent of the states, rather than the states being agents of the federal government; and

WHEREAS, When taking the oath of office, all members of the Kansas Legislature solemnly swear that they will support the Constitution of the United States and the Constitution of the state of Kansas; and
WHEREAS, Many federal mandates are in direct violation of the 10th Amendment to the Constitution of the United States and infringe upon both the reserved powers of Kansas and the people's reserved powers; and

WHEREAS, The United States Supreme Court ruled in New York v. United States, 505 U.S. 144 (1992), that Congress may not simply commandeer the legislative and regulatory processes of the states by compelling them to enact and enforce regulatory programs; and

WHEREAS, The United States Supreme Court, in Printz v. United States, 521 U.S. 898 (1997), reaffirmed that the Constitution of the United States established a system of "dual sovereignty" that retains "a residuary and inviolable sovereignty" by the states: Now, therefore,

Be it resolved by the Senate of the State of Kansas, the House of Representatives concurring therein: That Kansas hereby claims sovereignty under the 10th Amendment to the Constitution of the United States over all powers not otherwise enumerated and granted to the federal government by the Constitution of the United States; and

Be it further resolved: That this resolution shall serve notice to the federal government of our demand to maintain the balance of powers where the Constitution of the United States established it; and

Be it further resolved: That we state our intentions to ensure that all government agencies and their agents and employees operating within the geographic boundaries of Kansas, or whose actions have an effect on the inhabitants, lands or water of Kansas, shall operate within the confines of the original intent of the Constitution of the United States; and

Be it further resolved: That the Secretary of State shall send an enrolled copy of this resolution to the President of the United States, the President pro tempore of the United States Senate, the Speaker of the United States House of Representatives and each member of the congressional delegation of Kansas.

Invocation by Reverend Cecil Washington, Jr.:

Heavenly Father, You said, in Proverbs 11:14, that there’s wisdom in a multitude of counselors, so as we struggle to make wise decisions, we will tap into a wide variety of information sources. You also said in Proverbs 2:6, that all TRUE wisdom comes from You...that genuine knowledge and understanding find their origin in You. So, as we confront our difficulties...as we face the problems that puzzle us, enable is to discern genuine wisdom...the ability to see things from Your perspective. Because You mentioned, in 1 Corinthians 2, that there is a wisdom that is not from You, and we want to be...we need to be sharp enough to know the difference. Lord, You promised, in James 1:5, to give us three things, if we ask: 1. You’d give us wisdom; 2. You’d give it in abundance; 3. You wouldn’t scold us for lacking wisdom or for not already knowing what we should do. So, Lord, impress upon us that tapping into Your information source is what we need to depend on in our conversations...in our debates...in the bills that are introduced and in the voting. In fact, in all that we do, let the evidence show...let it be obvious that the wisdom displayed, had to have come from You. Lord, I pray that everything we approve of, be a reflection of Your approval. In the Name of Jesus...Wisdom Personified, Amen and Amen

The Pledge of Allegiance was led by President Wagle.

SENATE CONCURRENT RESOLUTION No. 1611—

By Senator Kerschen

A CONCURRENT RESOLUTION applying to Congress for a limited amendments convention to restore free and fair elections by overturning the decision of the United States Supreme Court in Citizens United v. Federal Election Commission.

WHEREAS, The first President of the United States, George Washington, stated, "The basis of our political systems is the right of the people to make and to alter their Constitutions of Government."; and

WHEREAS, It was the intention of the framers of the Constitution of the United States of America, as stated by James Madison in the Federalist Papers, that the Congress of the United States of America should "be dependent on the people alone"; and

WHEREAS, That dependency has evolved from a dependency on the people alone to a dependency on those who spend excessively in elections, through campaigns or third-party groups; and

WHEREAS, The United States Supreme Court ruling in Citizens United v. Federal Election Commission, 558 U.S. 310 (2010), removed restrictions on amounts of independent political spending; and

WHEREAS, The removal of those restrictions has resulted in the unjust influence of powerful economic forces, which have supplanted the will of the people by undermining the people's ability to choose their political leadership, write their own laws and determine the fate of their state; and

WHEREAS, Article V of the United States Constitution requires the United States Congress to call a convention for proposing amendments upon application of two-thirds of the legislatures of the several states for the purpose of proposing amendments to the United States Constitution; and

WHEREAS, The State of Kansas sees the need for a convention to propose amendments to address concerns such as those raised by the decisions of the United States Supreme Court in Citizens United v. Federal Election Commission and related cases, and desires that said convention should be so limited; and

WHEREAS, The State of Kansas desires that the delegates to said convention shall be comprised equally from individuals currently elected to state and local office, or be
selected by election in each Congressional district for the purpose of serving as delegates, though all individuals elected or appointed to federal office, now or in the past, be prohibited from serving as delegates to the convention, and intends to retain the ability to restrict or expand the power of its delegates within the limits expressed above; and

WHEREAS, The State of Kansas intends that this be a continuing application, considered together with applications calling for a convention passed in the 2013-2014 Vermont legislature as R454, the 2013-2014 California legislature as Resolution Chapter 77, the 98th Illinois General Assembly as Senate Joint Resolution No. 42, the 2014-2015 New Jersey legislature as SCR 132, and all other passed, pending and future applications, the aforementioned concerns of Kansas notwithstanding, until such time as two-thirds of the several states have applied for a convention, and said convention is convened by Congress: Now, therefore,

Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected to the Senate and two-thirds of the members elected to the House of Representatives concurring therein: That the people of the State of Kansas, speaking through its legislature, and pursuant to Article V of the United States Constitution, hereby petition the United States Congress to call a convention for the purpose of proposing Amendments to the Constitution of the United States of America, as soon as two-thirds of the several states have applied for a convention; and

Be it further resolved: That the Secretary of State shall send an enrolled copy of this resolution to the President of the United States, the Vice President of the United States in his capacity as presiding officer of the United States Senate, the Speaker of the United States House of Representatives, the Minority Leader of the United States House of Representatives and the President Pro Tempore of the United States Senate; to each Senator and Representative from Kansas serving in the Congress of the United States, with the respectful request that the full and complete text of this resolution be printed in the Congressional Record; and to the presiding officers of each legislative body of each of the several states, requesting the cooperation of these states in issuing an application compelling Congress to call a convention for proposing amendments pursuant to Article V of the U.S. Constitution.

EXPLANATION OF VOTE

Madam President: **SB 341** excludes mental health and behavioral health drugs from Step Therapy. This class of drugs was carved out of step therapy with **HB 2149** in 2015, Statute Reference 39-7,121b.—JIM DENNING

Senator Lynn requests the record to show she concurs with the "Explanation of Vote" offered by Senator Denning on **SB 341**.

Madam President: So-called atypical and second generation antipsychotic medications account for a significant portion of state Medicaid expenditures, and this has made them an attractive target for states trying to restrain rising Medicaid expenditures. In a 2008 study published in the peer-reviewed Clinical Therapeutics medical journal comparing schizophrenia medications in Georgia's and Mississippi's Medicaid programs, a step therapy program saved Georgia $19.62 per patient per month in atypical antipsychotic procedures. Unfortunately, the pharmacy savings were accompanied by a $31.59 per patient per month increase for outpatient services. In addition to little to no realized cost savings regarding atypical antipsychotic medications, this policy change would also prolong the living hell that those with acute mental illnesses would suffer through. I would NEVER want a loved one suffering with a serious mental illness to be subjected to such capricious policy. I vote "No" on **SB 341**.—TOM HOLLAND

**SB 349**, AN ACT concerning motor vehicles; relating to commercial driver's licenses; hazardous materials endorsement exemption, was considered on final action.

On roll call, the vote was: Yeas 39; Nays 0; Present and Passing 0; Absent or Not Voting 1.

The bill passed, as amended.

Invocation by Reverend Cecil Washington, Jr.:

Heavenly Father, of all the virtues, we can possess, or that we need to strive for, You said in 1 Corinthians 13:13, that LOVE is the greatest. In three days, Sunday, February 14th, we’ll be challenged to express love to a spouse, to significant others, to family and friends. We’re close to that Valentine time of the year when broad smiles and warm feelings of affection will be prompted by heart shaped expressions of love. Providentially, You put three people together who reminded us of the need for love. You inspired Burt Bacharach, Hal David and Jackie DeShannon to give us that enduring classic; “What The World Needs Now Is Love, Sweet Love, It's the only thing that there's just too little of…and not just for some but for everyone.” Lord, You created all of us with the need for real, honest, unselfish love…not some flimsy, self-pleasing, pseudo love, where the other person has to jump through hoops to measure up. But, help us be demonstrations of Your kind of love…love that is concerned with the highest good of another. Let it be said of us that in spite of all our faults and failures, the love of God prevailed…because love is the greatest. In the name of Jesus, Who loved us to death, Amen and Amen.

The Pledge of Allegiance was led by President Wagle.

The secretary of health and environment may establish separate standards of performance for carbon dioxide emissions based upon: (1) The best system of emission reduction that has been adequately demonstrated while considering the cost of achieving such reduction;

(2) reductions in emissions of carbon dioxide that can reasonably be achieved through measures taken at each electric generating unit; and

(3) efficiency improvements to any affected electric generating unit and other measures that can be undertaken at each electric generating unit to reduce carbon dioxide emissions without any requirements for fuel switching, co-firing with other fuels or limiting the utilization of the unit.

(b) In establishing any standard of performance for any existing electric generating unit pursuant to this section, the secretary may consider alternative standards and metrics or may provide alternative compliance schedules than those provided by federal rules or regulations by evaluating: (1) Unreasonable costs of achieving an emission limitation due to plant age, location or the design of an electric generating unit;

(2) any unusual physical or compliance schedule difficulties or impossibility of implementing emission reduction measures;

(3) the cost of applying the performance standard to an electric generating unit;

(4) the remaining useful life of an electric generating unit;

(5) any economic or electric transmission and distribution impacts resulting from closing the electric generating unit if compliance with the performance standard is not possible; and

(6) the potential for a standard of performance relating to unit efficiency, including
any requirements for a new source review or the application of a best available control technology emission limitation for any criteria pollutant as a condition of receiving a permit or authorization for the project.

(c) The secretary may implement such standards through flexible regulatory mechanisms, including the averaging of emissions, emissions trading or other alternative implementation measures that the secretary determines to be in the interest of Kansas. The secretary may enter into voluntary agreements with utilities that operate fossil-fuel based electric generating units within Kansas to implement such carbon dioxide emission standards. Such agreements may aggregate the carbon dioxide emissions levels from electric resources in this state, including coal, petroleum, natural gas or renewable energy resources as defined in K.S.A. 2015 Supp. 66-1257, and amendments thereto, that are owned, operated or utilized by power purchase agreements by utilities for purposes of determining compliance with such carbon dioxide emission standards.

(d) The secretary and the state corporation commission shall enter into a memorandum of understanding concerning implementation of the requirements and responsibilities under the Kansas air quality act.

(e) (1) The secretary shall submit to the clean power plan implementation study committee:
   (A) A plan to investigate, review and develop a state plan no later than the first week of November 2015;
   (B) information on any final rule adopted by the environmental protection agency under docket EPA-HQ-OAR-2013-0602 no later than February 1, 2016; and
   (C) any information requested by the chairperson.
(2) The state corporation commission shall submit information to the clean power plan implementation study committee concerning:
   (A) Each utility’s re-dispatch options along with the cost of each option;
   (B) the lowest possible cost re-dispatch options on a state-wide basis; and
   (C) the impact of each re-dispatch option on the reliability of Kansas’ integrated electric systems.

(f) The secretary shall present any proposed state plan proposed for submission to the environmental protection agency to the clean power plan implementation study committee for review and input pursuant to K.S.A. 2015 Supp. 66-1285, and amendments thereto, at least 30 days prior to submission of such a plan to the environmental protection agency or any other federal agency. If a proposed plan is disapproved by the clean power plan implementation study committee, the secretary shall resubmit a revised plan to the study committee. The secretary may submit any proposed plan to the environmental protection agency that has been submitted to the study committee and that has not been disapproved by the committee within 30 days of the committee receiving such proposed plan.

(g) Notwithstanding review by the clean power plan implementation study committee of the submission of a state plan to the environmental protection agency, further action by the secretary to implement or enforce the final approved state plan is dependent upon the final adoption of the federal emission guidelines. If the federal emission guidelines are not adopted or are adopted and subsequently suspended, vacated, in whole or in part, or held to not be in accordance with the law, the secretary shall suspend or terminate, as appropriate, further action to implement or enforce the
state plan.

(h) Notwithstanding any other provision of law, prior to submitting any state plan to the environmental protection agency, the secretary shall: (1) Submit such state plan as proposed rules and regulations pursuant to K.S.A. 77-415 et seq., and amendments thereto. Such submission shall be expedited by any agency reviewing such proposed rules and regulations pursuant to K.S.A. 77-415 et seq., and amendments thereto;

(2) request a review of the proposed state plan by the office of the attorney general. The attorney general review may certify to the secretary that the plan will not hinder, undermine or in any way harm the position of the state of Kansas in any current or Pending litigation relating to the environmental protection agency docket EPA-HQ-OAR-2013-0602. The attorney general shall also review the proposed state plan concerning any impacts on the protections guaranteed by the constitutions of the United States or the state of Kansas; and

(3) not submit a state plan if the attorney general review indicates that the proposed plan would adversely impact the state's legal position in any current or pending litigation relating to the environmental protection agency docket EPA-HQ-OAR-2013-0602 or if the attorney general review indicates that the proposed state plan adversely impacts protections guaranteed by the constitutions of the United States or the state of Kansas.

(i) The secretary shall be responsible for submitting a state plan to the environmental protection agency in a timely manner. Notwithstanding any other provision of this act, the secretary shall prepare and submit any request for an extension of time to file a state plan, if necessary, an interim state plan or a final state plan to the environmental protection agency. Any interim or final state plan shall be submitted by the secretary no less than four calendar days prior to the federal submission deadline, or extended submission deadline, established by the environmental protection agency. Any final state plan submitted to the environmental protection agency may only be submitted if the secretary has previously submitted such plan for review by the clean power plan implementation study committee pursuant to this act.

(j) Due to the February 9, 2016, stay issued by the United States supreme court, all state agency activities in furtherance of the environmental protection agency docket EPA-HQ-OAR-2013-0602, codified as 40 C.F.R. part 60, shall be suspended until the stay is lifted.

EXPLANATION OF VOTE

Mr. Chairman: It's time to get past the warm fuzzy feelings: the belief that signs protect us. This amendment removes one year of continued, required defenselessness of staff and students on university campuses that provide no security. If this is defeated, God forbid that an incident should happen on one of our campuses in that year and someone, or many, who are denied their ability to defend themselves incur serious injury or is killed. We would all deeply regret voting down this amendment. Mr. Chairman, I vote “Yes.”—FORREST KNOX

remarketing costs; except that, debt service requirements for variable rate bonds that are heded pursuant to an interest rate exchange or similar agreement that results in synthetic fixed rate debt shall be deemed to bear interest at the synthetic fixed rate plus 0.5% and an amount determined by the secretary that represents the then current reasonable annual ancillary costs associated with variable rate debt, including credit enhancement, liquidity and remarketing costs.

(4) Projected state highway fund revenues for the current or any future fiscal year for which the actual revenues cannot be determined on the date of calculation shall be deemed to be the actual revenues for the most recently completed fiscal year, adjusted in each subsequent fiscal year by a percentage equal to the historical average annual increase or decrease in revenues for the five fiscal year period prior to the current fiscal year, and further adjusted to take into account any increases or decreases in the statutory rates of any taxes or other charges or transfers that comprise a portion of the revenues.

FINAL ACTION ON BILLS AND CONCURRENT RESOLUTIONS

On motion of Senator Bruce an emergency was declared by a 2/3 constitutional majority, and Sub SB 65; SB 318 and S Sub HB 2365 were advanced to Final Action and roll call.

Sub SB 65, AN ACT concerning firearms; relating to the personal and family protection act; amending K.S.A. 2015 Supp. 75-7c10 and 75-7c20 and repealing the existing sections.
On roll call, the vote was: Yeas 32; Nays 7; Present and Passing 0; Absent or Not Voting 1.
Absent or Not Voting: McGinn.
The substitute bill passed, as amended.

EXPLANATION OF VOTE

Mr. Chairman: The safety of the citizens of Kansas should be a top priority of this legislature. Sub SB 65 ignores that responsibility. Employees carrying outside the work site without training is poor policy. Policy decisions which affect a city or county should be made at the community level by citizens elected by that community. Home Rule should not be ignored. I vote “No” on Sub SB 65.—PAT PETTEY
Senators Faust-Goudeau, Francisco and Hawk request the record to show they concur with the “Explanation of Vote” offered by Senator Pettey on Sub SB 65.

SB 318, AN ACT concerning utilities; relating to state entities; concerning the Kansas electric transmission authority; abolishing certain funds and transferring the balances; concerning the department of health and environment and the state corporation commission, agency activities; amending K.S.A. 2015 Supp. 45-229 and 65-3031 and repealing the existing sections; also repealing K.S.A. 2015 Supp. 74-99d01, 74-99d02, 74-99d03, 74-99d04, 74-99d05, 74-99d06, 74-99d07, 74-99d08, 74-99d10, 74-99d11, 74-99d12, 74-99d13 and 74-99d14.
On roll call, the vote was: Yeas 37; Nays 2; Present and Passing 0; Absent or Not Voting 1.

Nays: Francisco, Pettey.

Absent or Not Voting: McGinn.

The bill passed, as amended.

EXPLANATION OF VOTE

Madam President: I vote "No" on SB 318. While I understand that the legislature may choose to end the Kansas Electric Transmission Authority (KETA), I would hope that we would have done it in a way that is respectful to the members of KETA by setting the effective date of the bill as publication in the statute book. I also would hope that we would have shown respect for utility customers by transferring money, now in the KETA fund that was collected from utility companies and paid for by their customers, back to those customers through a transfer to the Public Service Regulation Fund rather than swept into the state general fund.—Marcia Francisco

S Sub HB 2365, AN ACT making and concerning appropriations for the fiscal years ending June 30, 2016, June 30, 2017, June 30, 2018, and June 30, 2019, for the state agencies; authorizing certain transfers, capital improvement projects and fees, imposing certain restrictions and limitations, and directing or authorizing certain receipts, disbursements, procedures and acts incidental to the foregoing; amending K.S.A. 75-3722 and K.S.A. 2015 Supp. 68-2320, 74-50,107, 74-99b34, 75-2319 and 79-34,161 and repealing the existing sections.

On roll call, the vote was: Yeas 24; Nays 15; Present and Passing 0; Absent or Not Voting 1.

Absent or Not Voting: McGinn.

The substitute bill passed, as amended.

EXPLANATION OF VOTE

Madam President: S Sub HB 2365 is the product of many hours of work by the Senate Ways and Means Committee. I greatly appreciate their work and efforts and have an understanding that they work off of the Governor's recommendations. Our current financial conditions have left them with very few options. I cannot continue to support budgets that use fee sweeps, expend one time money, continues to take money from transportation, over-estimate revenue and savings, and leave virtually no ending
balance. My hope is that this legislature can one day return to a fiscally responsible
budget with a tax policy that supports the citizens of the State of Kansas. I vote "No" on
Sub for HB 2365.—JEFF LONGBINE

Senators Haley, Hawk, Hensley, Holland, Kelly and Pettey request the record to show
they concur with the "Explanation of Vote" offered by Senator Longbine on S Sub HB
2365.

Madam President: The budget, for the eighth straight year, has failed to provide a pay
increase for our state employees; within the exception of conservation and wildlife
employees this evening. Fiscal year 2009 was the last time we gave state employees a
pay raise of 2.5%. That same year private sector employees saw a nearly identical pay
raise. In fiscal year 2010, state employees saw no increase whereas their private sector
counter parts saw a 0.5% increase – in the height of the Great Recession I might add.
Fiscal year 2011, nothing, even though the private sector saw a 2.3% increase. Fiscal
year 2012 again zero, while the private sector saw a gain of 2.2%. Fiscal year 2013
again nothing, whereas the private sector saw a 0.7% increase. And in FY 2014 again no
increase, even though private sector salaries grew by 3%. Is it any wonder our best and
our brightest are leaving the state? I vote "No" on S Sub HB 2365.—LAURA KELLY

Invocation by Reverend Cecil Washington, Jr.:
Heavenly Father, once again, the weekend is upon us. Time for a break from the concerns of the dome and time to turn to the concerns of home. In 1 John 4:8, You described Yourself. You described Your character as love, and said that anyone who doesn't love others has never known You. So, this weekend, help us to show others that we do know You. In our prayer yesterday, Lord, we asked You to help us be demonstrations of Your love. Help us now, to carry our love demonstrations all across this state, beginning in our homes. As we go, appoint us as Your ambassadors; contrary to being tourists. A tourist represents himself, goes where he wants and does what he chooses. Ambassadors represent the government they're under, going where their government wants and doing what their government chooses. Help us be Your ambassadors, governed by You...spreading Your love. When the quality of our love is tested...when its value is assessed by someone who is unlovely, we'll need You to take control and let the love that we cannot provide in the natural be provided through You in the supernatural. We thank You in advance now for the tests we will encounter and for how, by Your grace, You'll empower us to do well, in representing You. Thank You Lord, for using this prayer to turn our hearts to You. In Jesus' name. Amen
The Pledge of Allegiance was led by President Susan Wagle.

REPORTS OF STANDING COMMITTEES

Committee on **Natural Resources** recommends **SB 329** be amended on page 2, by striking all in lines 39 through 43;

On page 3, by striking all in lines 1 through 6; in line 7, by striking all before the period and inserting "as provided in K.S.A. 82a-736, and amendments thereto"; following line 9, by inserting:

"Sec. 2. K.S.A. 2015 Supp. 82a-736 is hereby amended to read as follows: 82a-736. (a) It is hereby recognized that an opportunity exists to improve water management by enabling multi-year flexibility in the use of water authorized to be diverted under a groundwater water right, provided, that such flexibility neither impairs existing water rights, nor increases the total amount of water diverted, so that such flexibility has no long-term negative effect on the source of supply. It is therefore declared necessary and advisable to permit the establishment of multi-year flex accounts for groundwater water rights, together with commensurate protections for existing water rights and their source of supply.

(b) As used in this section:

(1) "Base water right" means a water right under which an applicant applies to the chief engineer to establish a multi-year flex account and where all of the following conditions exist:

(A) The authorized source of supply is groundwater; and

(B) the water right has not been the subject of a change approval to implement the provisions of K.A.R. 5-5-9(a)(2), K.A.R. 5-5-11(b)(2) or K.A.R. 5-5-11(b)(3), in effect upon the effective date of this act.

(2) "Multi-year flex account" means a term permit which suspends a base water right during its term, except when the term permit may be no longer exercised because of an order of the chief engineer, and is subject to the terms and conditions as provided in subsection (e).

(3) "Base average usage" means: (A) The average amount of water actually diverted for a beneficial use under the base water right during calendar years 2000 through 2009, excluding any amount diverted in any such year that exceeded the maximum annual quantity of water authorized by the base water right; or (B) if the holder of the base water right shows to the satisfaction of the chief engineer that water conservation reduced water use under the base water right during calendar years 2000 through 2009, then the average amount of water actually diverted for a beneficial use under the base water right during the five calendar years immediately before the calendar year when water conservation began, excluding any amount used in any such year that exceeded the amount authorized by the base water right.

(4) "Chief engineer" means the chief engineer of the division of water resources of the department of agriculture.

(5) "Flex account acreage" means the maximum number of acres lawfully irrigated during a calendar year when no term, condition or limitation of the base water right has been violated and either of the following conditions is met:

(A) The calendar year is 2000 through 2009; or

(B) if water conservation reduced water use under the base water right during calendar years 2000 through 2009, the calendar year is a year within the five calendar years immediately prior to the calendar year when water conservation began.

(6) "Net irrigation requirement" means the net irrigation requirement for 50%
chance rainfall of the county that corresponds with the location of the authorized place of use of the base water right as provided in K.A.R. 5-5-12, on the effective date of this act.

(c) (1) Any holder of a base water right that has not been deposited or placed in a safe deposit account in a chartered water bank may establish a multi-year flex account where the holder may deposit, in advance, the authorized quantity of water from such water right for any five consecutive calendar years, subject to all of the following:

(A) The water right must be vested or shall have been issued a certificate of appropriation;

(B) the withdrawal of water pursuant to the water right shall be properly and adequately metered;

(C) the water right is not deemed abandoned and is in compliance with the terms and conditions of its certificate of appropriation, all applicable provisions of law and orders of the chief engineer;

(D) the amount of water deposited in the multi-year flex account shall not exceed the greatest of the following:

(i) 500% of the base average usage;

(ii) 500% of the product of the annual net irrigation requirement multiplied by the flex account acreage, multiplied by 110%, but not greater than five times the maximum annual quantity authorized by the base water right;

(iii) if the authorized place of use is located wholly within the boundaries of a groundwater management district, an amount that shall not increase the long-term average use of the groundwater right as specified by rule or regulation promulgated pursuant to K.S.A. 82a-1028(o), and amendments thereto; or

(iv) pursuant to subparagraph (E), the amount computed in (i), (ii) or (iii) plus any deposited water remaining in a multi-year flex account up to 100% of the base average usage;

(E) any deposited water remaining in a multi-year flex account up to 100% of the base average usage may be added to the deposit amount calculated in subparagraph (D) if the base water right is enrolled in another multi-year flex account during the calendar year in which the existing multi-year flex account expires. The total amount of water deposited in any multi-year flex account shall not exceed 500% of the authorized quantity of the base water right; and

(F) notwithstanding any other provisions of this subsection, except when the base water right is suspended due to the issuance of a two-year term permit in a designated drought emergency area for 2011 and 2012, the quantity of water deposited into a multi-year flex account shall be reduced by the quantity of water used in excess of the maximum annual quantity of the base water right during 2011 if the application for a multi-year flex account is filed with the chief engineer on or before July 15, 2012.

(2) The provisions of K.A.R. 5-5-11 are limited to changes in annual authorized quantity and shall not apply to this subsection.

(d) The chief engineer shall implement a program providing for the issuance of term permits to holders of groundwater water rights who have established flex accounts in accordance with this section. Such term permits shall authorize the use of water in a flex account at any time during the five consecutive calendar years for which the application for the term permit authorizing a multi-year flex account is made, without annual limits on such use.
(e) Term permits provided for by this section shall be subject to the following:

1. A separate term permit shall be required for each point of diversion authorized by the base water right.

2. The quantity of water authorized for diversion shall be limited to the amount deposited pursuant to subsection (c)(1)(D).

3. The rate of diversion for each point of diversion authorized under the term permit shall not exceed the rate of diversion for each point of diversion authorized under the base water right.

4. The authorized place of use shall be the place of use or a subdivision of the place of use for the base water right. Any approval of an application to change the place of use of the base water right shall automatically result in a change to the place of use for the term permit.

5. The point of diversion authorized by the term permit shall be specified by referencing one point of diversion authorized by the base water right at the time the multi-year flex account term permit application is filed with the chief engineer or at the time any approvals changing such referenced point of diversion of the base water right are approved during the multi-year flex account period. For a base water right with multiple points of diversion, each point of diversion authorized by a term permit shall receive a specific assignment of a maximum authorized quantity of water, assigned proportionately to the authorized annual quantities of the respective points of diversion under the base water right.

6. The chief engineer may establish, by rules and regulations, criteria for such term permits.

7. Except as explicitly provided for by this section, such term permits shall be subject to all provisions of the Kansas water appropriation act, and rules and regulations adopted under such act, and nothing in this section shall authorize impairment of any vested right or prior appropriation right by the exercise of such term permit.

(f) An application for a multi-year flex account shall be filed with the chief engineer on or before October 1 of the first year of the multi-year flex account term for which the application is being made.

(g) All costs of administration of this section shall be paid from fees for term permits provided for by this section. Any appropriation or transfer from any fund other than the water appropriation certification fund for the purpose of paying such costs shall be repaid to the fund from which such appropriation or transfer is made. At the time of repayment, the secretary of agriculture shall certify to the director of accounts and reports the amount to be repaid and the fund to be repaid. Upon receipt of such certification, the director of accounts and reports shall promptly transfer the amount certified to the specified fund.

(h) The fee for a multi-year flex account term permit shall be the same as specified for other term permits in K.S.A. 82a-708c, and amendments thereto, except as follows:

1. If the base water right is currently suspended due to the issuance of a two-year term permit in a designated drought emergency area for 2011 and 2012, then a holder of such term permit shall be subject to a $200 application fee for a multi-year flex account term permit if the application is filed on or before July 15, 2012; or

2. if water use under the authority of the base water right exceeded the maximum annual quantity authorized by the base water right during 2011 and the holder of the base water right files an application for approval of a multi-year flex account term
permit on or before July 15, 2012, then the application fee shall be $600.

(i) The chief engineer shall have full authority pursuant to K.S.A. 82a-706c, and amendments thereto, to require any additional measuring devices and any additional reporting of water use for term permits issued pursuant to this section. Failure to comply with any measuring or reporting requirement may result in a penalty, up to and including the revocation of the term permit and the suspension of the base water right for the duration of the term permit period.

(j) The chief engineer shall submit a written report on the implementation of this section to the house standing committee on agriculture and natural resources and the senate standing committee on natural resources on or before February 1 of each year.

(k) This section shall be part of and supplemental to the Kansas water appropriation act.

Invocation by Reverend Cecil Washington, Jr.:

Heavenly Father, today, this nation is celebrating President’s Day. We’re grateful for the opportunity and we’re seeking Your guidance in selecting our 45th President to serve in the highest office of this land. And we believe in the greatness of that office. But in spite of the greatness of that office, we believe that the greatness of this nation is due to the greatness of its people. And the greatness of its people is due to the greatness of our faith. And for our faith to truly be qualitative, Your sovereign greatness must serve as the foundation. For You said in 2 Corinthians 5:7, that faith in You should regulate everything we do. So, as we move toward the selection of a new Presidential authority, we’ll look to You to guide us. Help us remember that ultimately all authority comes from You and as a result, we are more responsible to You than to the voters. When it comes to our affairs, Lord, You said in 1 Timothy 6:15 that You are the actual Ruler…that You’re the King of kings and Lord of lords. Therefore, to fix this nation’s difficulties and for our state’s problems to be resolved, we need to see You, not only in the oval office of President, but in each governor’s seat, in each legislative chamber…in each office…and present in every chair. When we show up and take our seats, let our attitudes, our words and our decisions, reflect that You are here and in charge. Father, I bring this petition to the foot of Your throne. In the name of Jesus. Amen

The Pledge of Allegiance was led by President Wagle.

Invocation by Reverend Cecil Washington, Jr.:

Gracious and Almighty Creator, You said in James 4:6, You’d give grace… undeserved favor and power when we embrace a humble disposition. So reveal to us any areas where pride, self-importance or a lack of humility is hindering the flow of Your grace…whether in our homes or in our communities or in these halls. Regardless of where we sit…regardless of our stand, You’ve established us as one body, with You as the Head. And as You have done within the human body, You have done within this body. You brought us together as members, connecting us to one another, giving each of us unique gifts and abilities, that we might accomplish Your purposes. But, Lord, we struggle with exhibiting the love and humility that it takes to be united. So, please, for the good of the work, and to bring glory to Your name, reveal attitudes or actions or decisions, not in harmony with You. Bring our lives together Lord. And be the glue…the super glue, that unites us to achieve super results. Then, keep us humble. Keep us in the right frame of mind, that Your grace and power will be seen, as You turn impossibles into possibles and into probables and into certainties. Yours for the cause of unity. In Jesus’ name, Amen

Wednesday, February 17, 2016

The Senate was called to order by President Susan Wagle.
The roll was called with 40 senators present.

Invocation by Reverend Cecil Washington, Jr.:

As Your Chaplain, I’m led to say this as a prelude to the prayer today. God leads me to come to Him on behalf of all of us. And the purpose of prayer is more to bring us in line with the heart of God, than to bring God in line with our issues. So, as your Chaplain, I seek Him for the content and He doesn’t lead me to do prayers of special interest. His desire is to draw us to His will and His way and show unity in diversity. So, let us pray…

Heavenly Father, teach us the wonderful principle learned by the farmer in Galatians 6:7-10…that we reap as we have sown. What is put in the dirt is what sprouts. Like a tiny seed can influence the nature and greatness of the harvest, the influence of planting a little goodness can determine the nature and greatness of the end result. Whereas the planting of a little ugliness will be reflected in the DNA of the outcome. Lord, we know that there are times when we do have to fight…when we have to battle for what we believe in. But once we’ve gotten our point across, make it plain to us when to declare a cease fire. Don’t let our scuffles turn into all-out war. So, when attitudes or actions or even the atmosphere gets dirty or ugly, remind us that dirt is where quality seeds tend to prosper. So, show us how to sow that which is clean and beautiful, remembering that what we put in, is what we’re going to get. And as the farmer is patient, knowing that the return comes later and is greater than what was invested, encourage us along the same premise…that if we put in just a little…a little joy…a little smile…if we give someone just a little hope, the reward we reap, may come later, but it will be greater. In conclusion Lord, help us show Your love for one another, even when we don’t like what they’re doing. In Jesus' name, Amen.

The Pledge of Allegiance was led by President Wagle.

The Conference Committee Report was adopted.

**EXPLANATION OF VOTE**

Madam President: I vote “No” on **H Sub SB 161**. If a budget is a statement of priorities and values it is clear that the majority of Senators do not value K-12 education, public employees or the long-term fiscal stability of the state. This budget epitomizes Kansas’ fiscal mismanagement caused by a reckless and irresponsible tax policy. As a result of this policy, critical services have been cut year after year – and this budget is no different. This budget is shored up by using one-time fund transfers that create an unstable fiscal environment and an insufficient ending balance. Additionally, this budget uses our state employee retirement system as a credit card to make it balance and it destroys the Parents as Teachers program, despite hearing testimony and pleas from countless Kansans to the contrary. I’m voting “No” on this budget bill because Kansans deserve better.—**ANTHONY HENSLEY**

Senators Faust-Goudeau, Francisco, Haley, Holland, Kelly and Pettey request the record show that they concur with the “Explanation of Vote” offered by Senator Hensley on **H Sub SB 161**.

**REPORTS OF STANDING COMMITTEES**

Committee on **Corrections and Juvenile Justice** recommends **SB 392** be passed.

Committee on **Public Health and Welfare** recommends **SB 363** be passed.

Committee on **Transportation** recommends **SB 335** be amended by substituting a new bill to be designated as “Substitute for SENATE BILL No. 335,” as follows:

"Substitute for SENATE BILL No. 335"

By Committee on Transportation

"AN ACT concerning motor vehicles; relating to vehicle registration, fees; creating the Kansas highway patrol staffing and training fund; law enforcement training center fund; amending K.S.A. 2015 Supp. 8-145 and repealing the existing section."

And the substitute bill be passed.

On motion of Senator Bruce, the Senate adjourned until 2:30 p.m., Thursday, February 18, 2016.
Journal of the Senate

TWENTY-EIGHTH DAY

The Senate was called to order by Vice President Jeff King.
The roll was called with 39 senators present.
Senator Petersen was excused.
Vice President King introduced guest chaplain, Pastor Andy Addis, Crosspoint Church, Hutchinson, Kansas, who delivered the invocation:

Oh Lord, our God. We are a people who have been blessed so much, we often forget the greatness of the gifts You have lavished upon us: freedom, security, wealth, knowledge and comfort. We ask You to continue to lead us and teach us, just as Your disciples asked our Lord to teach them how to pray:

“Our Father in heaven, hallowed be Your name” – We are thankful for our leaders, the process of law and the beautifully complex gift of democracy. But, we acknowledge here and now that whomever holds the position or office, You are still on the throne of eternity. “Your kingdom come, Your will be done, on earth as it is in heaven” – Many are the plans that we have to be good stewards of resources You have provided. We desire to do well with the riches of the earth. We yearn for wisdom in how to care for our children. We desperately seek judicious paths in the administration of the affairs of the day. But, we seek Your will not ours. Let these leaders be of one mind, one heart and one will as we submit to You, the greatest of all legislators. “Give us this day our daily bread” – caring for those who cannot care for themselves is a noble calling You have placed on all those in authority. Preparing for the uncertainties of the future by dealing wisely with our resources today, an arduous task. And, counting the costs of governmental decision making is by no means a small matter. But, we remember what we need most is our daily bread. Give these leaders today, the insight to see what can only be seen with your eyes. Give them the stamina to remain unwavering on the side of love, mercy and justice as instruments of Your hand. And, give them courage to be the ones who make a difference. This is the daily bread we desire. “And forgive us our debts, as we also have forgiven our debtors” – Father, being human is hard. We have wounded one another and felt the sting of sticks and stones ourselves. We have been on the receiving end of difficult words, looks and intentions, and we have at times even volleyed some in return. We have grieved Your heart, because each of us, sending and receiving these bruises, have been made in Your image. Forgive us. The task before us is too great to wallow amid the muck and mire of conflict. We need Your forgiveness and we need You to show us how to forgive one another as well as be forgiven. “And lead us not into temptation, but deliver us from evil” – The world today seems fraught with danger. We are constantly aware of new concerns, scares and hazards. The
consequences of the universal rebellion of humanity have come home to roost, and we are now the victims of our own decay. We need Your protection, guidance and deliverance, now more than ever Oh Heavenly Father! Give these leaders the protection they need so they might help orchestrate the protection we must have. Give them the guidance required, so that they might guide the rest of us. And, Father deliver them from any fear, addiction, control or circumstance, that they might be useful vessels in delivering us, the people of Kansas, in these treacherous times. I pray for these men and women that do what You have already shown us is the better way. That they would do justice, love mercy and walk humbly with You our God. In the name of our Lord and Savior Jesus Christ I pray. Amen

The Pledge of Allegiance was led by Vice President King.

**SENATE RESOLUTION No. 1768—**

A RESOLUTION honoring the life and memory of Andrea Burton

WHEREAS, Andrea Burton, who worked for the Kansas Historical Society as
coordinator of the Capitol Visitor Center for 10 years, passed away on October 27,
2015, at the age of 48, peacefully at her home after a battle with melanoma; and

WHEREAS, Andrea was born in Youngstown, Ohio on August 14, 1967. She
attended Youngstown State University, where she graduated with a bachelor's degree in
sociology in 1989. She then attended Kent State and graduated with a master's degree in
sociology. While working towards her bachelor's degree, she met the love of her life,
Russell Patrick Douglas Burton, and they were married on August 15, 1992, in
Youngstown, Ohio; and

WHEREAS, At her job interview, Andrea brought a mock-up of the activity sheet, "I
am a fan of the Capitol," which could be turned into a hand-held fan. It continues to be
popular with thousands of young visitors to the Capitol who use it to record highlights
of their visit; and

WHEREAS, Andrea's first office was a very small room under the stairs. Her Tour
Center was a busy desk on the first floor. It was from these humble beginnings that
Andrea and her staff progressed to give tours to 30,000 visitors, annually; and

WHEREAS, Andrea loved the Capitol, pre-restoration, mid-restoration and post-
restoration, and would not hesitate to tell anyone. Different wings of the building were
closed for years at a time, which made for some creative tour modifications. The construction was always very loud and extremely dusty, but she never complained; and

WHEREAS, One of Andrea's proudest achievements was being able to reopen the Capitol dome for public tours on January 23, 2006, for the first time in over 30 years. Andrea loved bringing people to the top of the dome. She loved climbing the 296 steps and then stepping outside to take in the view; and

WHEREAS, Andrea never met a visitor or tour group she did not like. She would willingly take one person on tour as well as 100; and

WHEREAS, The opening of the renovated Capitol in January 2014 increased attendance three-fold. Today, 90,000 people annually enjoy historic and dome tours; and

WHEREAS, The new Capitol Visitor Center provided Andrea with a real office and workroom, an auditorium, a classroom and exhibits that tell the story of Kansas people, places, the building and state government. She used these spaces to make the visitor experience better; and

WHEREAS, Andrea's work ethic inspired everyone, including her dedicated staff and loyal volunteers; and

WHEREAS, On October 27, 2015, Andrea went the 296 steps and beyond. In the Capitol dome, whether viewed from inside or from the ground level, Andrea's spirit will live on forever: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we honor the life and memory of Andrea Burton and extend our deepest sympathy to her family and friends; and

Be it further resolved: That the Secretary of the Senate shall send eight enrolled copies of this resolution to Senator Schmidt.

EXPLANATION OF VOTE

Mr. Vice President: I vote “Pass” on SB 395. This bill addresses the length of our legislative sessions, an issue over which the legislature already has control. I would ask...
that we challenge ourselves to meet these proposed deadlines, and if we are able to do that during the next four-year session, consider putting them into statute, taking advantage of the opportunity to model efficient behavior before making it a requirement of others. I also believe that the change should include consideration of the allowance that covers expenses incurred when we are not receiving legislative pay for time that we are not in session.—MARCI FRANCISCO

Senator Hawk requests the record to show he concurs with the "Explanation of Vote" offered by Senator Francisco on SB 395.

Mr. Vice President: Last year underscored, the 2015 Legislature, with its record 114 days and deplorable, yet still rushed, results in passing the highest tax increase in Kansas history, glaringly showed to all Kansans that our Legislative leadership is in dire need of adult supervision. Regrettably, we obviously need iron clad parameters; statutory guidelines to get things done timely and efficiently around here. In 2015 alone, not doing so cost the taxpayers an additional $1,000,000 for this process. Shameful. Mr. Vice President, I applaud you for bringing this bill forward and supporting its passage, AS AMENDED. I actually introduced the identical measure way back in 2013, SB 180, which, had the Legislature acted on it, would have saved Kansas taxpayers (including last year's $1,000,000) over $3,000,000 to date. As much as I dislike having to say "I tried to tell you so..." Mr. Vice President but, well, I did try to tell you so. Congratulations to the future though. Again, I am proud to vote “Aye” on SB 395.—DAVID HALEY

Mr Vice President: SB 395 is simply not necessary. Our Chair of Ways and Means expressed no interest in a 100 day session on budget years. The Legislature is inherently interested in making each session as short as possible with our ongoing efforts with public perception. As demonstrated by the current year, we are perfectly capable of making a shorter session without special legislation. Additionally, this bill will allow a minority of only one-third of the body to end a difficult session, thereby forcing us into a special session that would be just as difficult as a regular session. SB 395 unnecessarily complicates a system that has worked well. Let's not fix something that isn’t broken. I vote “No.”—MITCH HOLMES

Senators Fitzgerald, Kelly, Olson, Pettey and Pilcher-Cook request the record to show they concur with the "Explanation of Vote" offered by Senator Holmes on SB 395.

Present and Passing: Hawk, Holland, Kelly, Pettey.
Absent or Not Voting: Hensley, Petersen.

EXPLANATION OF VOTE

Mr. Chair: I offer and proudly vote “Aye” on this amendment on SB 372, allowing drug felons to receive food assistance. Of the laundry list of ex-felons (including serial killers, murderers, rapists, sex offenders, forgers, arsonists, insurance frauds, grand theft, etc.), it makes no sense to pick ONLY one crime, drug offenses, to punish solely to prohibit from food stamp assistance. No one has been able to in any way answer “What is the correlation?” What is the public utility served by saying if a person has a drug felony they deserve no help to eat? For MY taxpayer dollars, I would prefer to prohibit Ponzi-schemers or farm subsidy defrauders, as but two examples, from public assistance. Aye for former drug offenders to join every other known felon, (which IS currently allowed), to apply to eat.—DAVID HALEY

An amendment was offered by Senator Pettey. A ruling of the chair was requested as to the germaneness of the amendment to the bill. The Chair of the Rules Committee ruled the amendment not germane, and SB 372 be passed as further amended.

Each application for renewal shall be made on a form prescribed and furnished by the board. Every licensed dentist or dental hygienist shall pay to the board a renewal fee fixed by the board as provided in K.S.A. 65-1447, and amendments thereto.

(b) To provide for a staggered system of biennial renewal of licenses, the board may renew licenses for less than two years.

d) (1) The board shall require every licensee to submit with the renewal application evidence of satisfactory completion of a program of continuing education required by the board. The board by duly adopted rules and regulations shall establish the requirements for such program of continuing education as soon as possible after the effective date of this act.

(2) A dentist who is a charitable healthcare provider in Kansas who has signed an agreement to provide gratuitous services pursuant to K.S.A. 75-6102 and 75-6120, and amendments thereto, may fulfill one hour of continuing education credit by the performance of two hours of gratuitous services to eligible low-income patients up to a maximum of six continuing education credits per licensure period.

e) Upon fixing the biennial license renewal fee, the board shall immediately notify all licensees of the amount of the fee for the ensuing licensure period. Upon receipt of such fee and upon receipt of evidence that the licensee has satisfactorily completed a program of continuing education required by the board, the licensee shall be issued a renewal license authorizing the licensee to continue to practice in this state for a period of no more than two years.

(f) (1) Any license granted under authority of this act shall automatically be canceled if the holder thereof fails to apply for and obtain renewal prior to March 1 of the year following the December in which a renewal application is due.

Failure to mail or receive such notice shall not affect the cancellation of the license of such licensee.

(h) The board may waive the payment of biennial fees and the continuing education requirements for the renewal of licenses without the payment of any fee for a person who has held a Kansas license to practice dentistry or dental hygiene if such licensee has retired from such practice or has become temporarily or permanently disabled and such licensee files with the board a certificate stating either of the following:

The roll was called with 40 senators present.
Invocation by Reverend Cecil Washington, Jr.:

Almighty Creator, Sustainer of heaven and earth and everything therein. My God! Your qualities...Your attributes...Your power and might are reflected in the vastness of Your creation. And Lord, the communicative power of our words are so inadequate when attempting to express how great You are. The more we ponder Your unlimited power, we recognize how limited we are. Not only do our words fall short in describing You, but our attitudes and actions fall short in representing You. You said in 1 John 1:9, that if we confess, we come into agreement with You concerning our shortcomings, that You’d forgive us. But You also said You’d cleanse us. And Lord, we need both! We need Your forgiveness and we need Your cleansing. We need You to help us rise above and overcome our deficiencies. With the tremendous responsibilities that we carry, we need Your influence...Your guidance...Your command. Please use Your sustaining power to regulate all that we do. Guide our decisions to be a reflection of You. Thank You Lord, for Your righteous influence. In Jesus' name, Amen

The Pledge of Allegiance was led by President Wagle.

The burden of proof by clear and convincing evidence shall be on the applicant to show sufficient rehabilitation to justify reinstatement. We especially give thanks today for our nation’s military as they defend our liberties and promote a united nation with a united people for the common good. May the desire of our military to live in peace and deliver justice to all inspire each of us to be better citizens and servants to our fellow man. As a military chaplain, I pray for my fellow chaplains that You will sustain them as they care for the souls of our nation’s sons and daughters. In a nation and state with so much prosperity, may our hearts be filled with the joy of Your blessings and thankfulness as stewards of these bestowed blessings. Endow every member of this chamber to have charity in their heart for the least of the state. In Your Holy Name I pray, Amen.

SENATE RESOLUTION No. 1770—

A RESOLUTION honoring and recognizing Kansans who are Korean War Veterans.

WHEREAS, On June 25, 1950, communist North Korea invaded the Republic of Korea with approximately 135,000 troops, thereby initiating the Korean War; and

WHEREAS, On June 27, 1950, President Harry S. Truman ordered the United States Armed Forces to help the Republic of Korea defend itself against the North Korean invasion; and

WHEREAS, The hostilities ended in a cease-fire, marked by the signing of the armistice at Panmunjom on July 27, 1953; and
WHEREAS, During the Korean War, approximately 1,789,000 members of the United States Armed Forces served in the theater of combat, with 54,246 casualties, of whom 33,739 were battle deaths, more than 103,284 wounded and approximately 8,055 listed as missing in action or prisoners of war; and

WHEREAS, The Korean War is called "The Forgotten War," because it came on the heels of World War II; and

WHEREAS, The invasion from North Korea, planned and executed with Russian support, was intended to ensure communism spread into the Republic of Korea and beyond; and

WHEREAS, The Kansans and other Americans who served in the armed forces during the Korean War were willing to pay the price freedom demanded and pushed back the spread of communism to sustain democracy in Korea; and

WHEREAS, In the 66 years since the outbreak of the Korean War, the Republic of Korea has emerged from a war-torn economy into one of the major economies in the world and one of the largest trading partners and military allies of the United States; and

WHEREAS, There were 435 Kansans who lost their lives in the Korean War. Their names and branch of service are listed on the Korean War Memorial in Overland Park, Kansas; and

That on this 23rd day of February 2016, Kansas Military Appreciation Day, we recognize the historical importance of the Korean War, which began on June 25, 1950 and ended on July 27, 1953, when the armistice was signed; that there were only 18,242 Korean War Veterans in Kansas in 2014, with many passing each year; that we must honor the noble service and sacrifice of these Kansas veterans now, while they are still with us, as well as other veterans of the United States Armed Forces and all veterans from allied countries who served in Korea; that all Americans, in particular Kansans, who served during the Korean War were valuable to the war effort – whether as cooks, tankers, engineers, enlisted personnel or officers – and all deserve our thanks and recognition; and we encourage all Kansans to participate in commemorative activities, pay solemn tribute to and never forget the veterans of the Korean War and their sacrifices, as exemplified by the Kansas Commission on Veterans’ Affairs Operation Recognition Program, which grants high school diplomas to Korean War and other veterans who left high school to serve in the armed forces; and we reaffirm this commitment of Kansans from this day forward; and

EXPLANATION OF VOTE

Mr. Vice President: While I vote "No" on Sub SB 335, I support our highway patrol. I agree there does need to be adjustments to their pay, but I don't think this should be out of a fee fund. We need to find the money in the state general fund. It is that important to our state.—CARYN TYSON

PROTEST

Protest by Senator Haley against Senate Bill 338

February 23, 2016

In accordance with Article 2, Section 10 of the Constitution of Kansas, I, David Haley, a duly elected Senator representing the Fourth District of Kansas, herein PROTEST the action of this Legislature in the promulgation and passage of Senate Bill 338: An Act pertaining to Cities.

In my 23 years as a Kansas Legislator and as but one of only three attorneys in the Senate, this is the first PROTEST I have ever lodged on any measure of the thousands I have considered.

This Chamber now further denigrates real property rights to which every Kansan should be heir.

SB 338 which purports to grant authority to cities and nonprofit organizations to petition courts to possess vacant property for rehabilitation purposes will, simply put, legalize grand theft.

The Senate Commerce committee as is its charge (and not the Senate Local Government committee where, justifiably, similar language as SB 338 had over many years failed time and time again) recognizes and advances business and financial opportunities for our State.

First, the question of a city, redefining definitions of “abandonment” and “blight” as these terms apply to real property, land and or improvements, is the expertise of deliberations of a committee membership dedicated to the auspices of municipalities, not the principles of profit.

The principles of real property ownership should always inure to the rights of the citizen, not to a developer’s bottom line or even a desire to enhance appraised valuations for tax purposes.

Diabolical in its spawning, methodical and tenacious in its steady lurch forward, SB 338 adheres to two tiered definitions of “abandoned property;” both ingenuous and neither accurate. One definition of “abandoned property”: vacant for 365 days and having a “blighting influence” on surrounding properties; the other definition: vacant for 90 days and 2 years tax delinquent.

There are numerous every day scenarios whereby a real property owner has in no way “abandoned” their property though that same property may be vacant for 90 to 365 days, be tax delinquent for 2 years or may have need of rehabilitation to conform to a local standard, real or perceived. But SB 338 alleges “abandonment” and triggers governmental intrusion, harassment and potentially leads to a taking of real property by the government for the benefit of an organization which profits from the taking and kick back higher taxes to the city.

“Commerce,” yes, but a shameful way to run a citizen responsive “Local Government.”
The specious argument in favor of this legislation portends neighborhood beautification, tax viability and repopulation of or demolition and rebuilding of older houses. By eradicating “blight,” the entire community, even the city, is greatly enhanced.

With that premise, I, David Haley, could not agree more.

Today, with no need for warping and putting into statute time-honored definitions of “blight” and “abandonment” or presupposes new postulates for passages of time periods to correlate to real property owners’ interests or genuine concern with their legally owned land(s), there are tools already available to every municipality to address blight. “Code enforcement” departments can post notice and bring to environmental and district court negligent property owners. Subsequent to insufficient response, steep fines and even jail time can be issued now. Today in current statute, a property with two or more years of delinquent property taxes may be sold by the Sheriff of each Kansas County in a “Delinquent Property Tax Sale” also known as a “Sheriff’s” sale or as property “sold on the Courthouse steps.” Again, these are current tools available to curb or cure blight and to put real property into fiscally responsive ownership.

The property rights of legal property owners should not be infringed upon by this Legislature.

Marginal or fragile property owners (traditionally average income or poor property owners attempting to hold on to inherited property or an entrepreneurial hope structure as often found in inner cities) will be set upon by keen-eyed, out of county based developers sheltered by an industrious “not-for-profit” which uses the city and district court as the leverage to harass and ultimately take the land, all in the name of “civic pride” or “community betterment.” Theft.

The late Kansas City, Missouri civil rights leader Bernard Powell (1947-1979) envisioned and warned of the transfer of inner city property back into the same hands of those who fled the same a half century or more ago to the sanctity of the suburbs. Bernard Powell predicted the day would come when government, and the tools they elect and hire, will work hand-in-hand with “robber barons” to turn those out; those who have despaired in neglected, under represented, often high crime, poorly educated neighborhoods, those who have weathered poverty, hard times, civic and civil harassment but yet held a real property interest, a “piece of the pie”…to force them out. Bernard Powell spoke of prosperity returning to the inner city and nothing being tendered to the people who had paid the price for the most sought after of land.

He called it government assisting the turning of the “ghetto into a goldmine.” How prophetic.

Here I sit, practically alone in my opposition to this expansion of eminent domain targeted at poorer property owners ill equipped to “fight City Hall,” in this Kansas Senate and watch this unfold. Again, SB 338 came out of the Commerce committee as well it should.

Government has redefined terms before to shape shift often dastardly need to justify ill deeds.

I remember efforts to redefine “blight” for economic purposes in another eminent domain taking for use in building the Kansas Speedway and Legends in Wyandotte County. Succinctly, the new definition of “blight” was the ability for exponentially more taxes to be levied against the future use of the land than that which the owner who it was being taken from could be expected to pay in its current use. Remnants of that
economically fascist philosophy resonate in SB 338. As more people flee the “golden ghettos” of suburbia, the inner city “ghettos” will be repopulated and turned into “goldmines” at the expense I fear, once again, of the poor and unsuspecting. Ironically, we celebrated and honored some of our Korean and Vietnam War heroes today in the Senate Chamber. Was the freedom to own real property without fear of unwarranted government intrusion something for which they fought?

I protest the passage of Senate Bill 338 as is my Constitutional right as a Kansas State Senator under Article Two, Section 10 of the Kansas Constitution for reasons, beliefs afore-listed as well as others not so and hereby vow to continue to assist unnecessarily embattled real property owners in my home District as we together will face the challenges that this bill, when signed into law, will undoubtedly bring.

SB 362, AN ACT concerning the criminal justice information system; relating to electronically stored information; hearsay exception for official record, authentication of record; amending K.S.A. 60-465 and K.S.A. 2015 Supp. 22-4701, 22-4705 and 60-460 and repealing the existing sections, was considered on final action.

The bill passed.
EXPLANATION OF VOTE

Mr. Vice President: I vote “No” on SB 366. While I understand that the legislature may want to put limits on inclusionary zoning, this bill is an infringement upon a city’s home rule authority to address its local needs. The language is so broad that it may eliminate other opportunities for communities to address issues of affordable housing. My question asking what was the reason for the change from a “property” interest to an “ownership” interest in the statute was not answered during our debate. I hope that House deliberation and action on this bill will address my concerns.—MARCI FRANCISCO

Senator Holland requests the record to show he concurs with the "Explanation of Vote" offered by Senator Francisco on SB 366.

**EXPLANATION OF VOTE**

Mr. Vice President: I vote “No” on **SB 410** for several reasons. First, this bill creates an unprecedented general fund demand transfer entitlement for those qualified for the CARE foster child program. Second, this bill provides for per pupil state aid based on enrollment which was repealed by this Legislature last year when the block grant school funding plan was adopted. This state aid would be reimbursed to CARE foster parents in the form of a voucher for their actual expenses in educating foster care students at home. Finally, I find it ironic that a vast majority of Senators are willing to restrict alcohol, tobacco and drug use in CARE foster homes because they are dangerous, but were not willing to require that firearms be kept out of the reach of children. Rejecting this common sense policy on the basis of politics is shameful and ignores the importance of keeping children safe in their home. And actually, I don’t find this ironic – I find it the height of hypocrisy.—Anthony Hensley

Senators Faust-Goudeau, Francisco, Kelly and Pettey request the record to show they concur with the "Explanation of Vote" offered by Senator Hensley on **SB 410**.

Mr. Vice President: **SB 410** establishes a new and different category of foster care, as a pilot program. It enables the Department for Children and Families to develop this alternative approach using highly trained, volunteer families, giving them additional tools to nurture children in need of care. I vote “Yes” on **SB 410**.—Forrest Knox

Mr. Vice President: I vote "No" on **SB 410**. This bill establishes select criteria for one group of foster families which could jeopardize $20 million of Title IV-E Foster Care funding and implies that foster care families that are compensated are only in it for the money. **SB 410** also establishes an education voucher without any real concern for the quality of education for our children most in need. Kansas desperately needs more foster care families this is not the way to address that need.—Pat Pettey

Senators Francisco and Kelly request the record to show they concur with the "Explanation of Vote" offered by Senator Pettey on **SB 410**.

**SB 415**, AN ACT concerning legislative review of exceptions to disclosure of public records; amending K.S.A. 2015 Supp. 9-513c, 12-5374, 16-335, 17-1312e, 25-2309, 40-2,118, 40-2,118a, 40-4913, 45-229, 75-5664 and 75-5665 and repealing the existing sections, was considered on final action.

Nays: Baumgardner, Faust-Goudeau, Hensley, Knox, O'Donnell, Olson, Pettey, Pyle, Tyson.

Present and Passing: Francisco, Hawk, Kelly.

The substitute bill passed, as amended.

EXPLANATION OF VOTE

Mr. Vice President: Sub SB 440 amends, repeals or revives roughly 70 statutes having to do with the operations of the judicial branch. A bill of this magnitude deserves thorough review and careful study, as was requested by the Office of Judicial Administration. Instead, this bill was rushed through the process in an attempt to send yet another political message to the courts, in the wake of the Solomon v. Kansas ruling. While the intent of the bill may be positive, I don’t believe anyone fully understands the ramifications of the changes proposed in the bill. Therefore, out of caution that we do not place any unforeseen burdens on Kansans seeking access to or redress in the courts, I vote “No” on Sub SB 440.—Anthony Hensley

Mr. Vice President: In considering the separation of power that exists in our three branches of government, I have come to view checks and balances as extremely important. There are no kings in Kansas. Each branch must submit to the others in a complex net, which is in fact a safety net and keeps our system of government from collapse. The Executive, Legislative, and Judicial branches are not completely independent of each other. I believe that Sub SB 440 hands too much independence to the judicial branch, ripping the net, and I vote “No.”—Forrest Knox

On roll call, the vote was: Yeas 33; Nays 7; Present and Passing 0; Absent or Not Voting 0.

Nays: Arpke, Lynn, Masterson, Melcher, Petersen, Pilcher-Cook, Pyle.

The bill passed, as amended.

SB 453, AN ACT concerning crimes, punishment and criminal procedure; relating to sentencing; early release from incarceration, was considered on final action.

On roll call, the vote was: Yeas 40; Nays 0; Present and Passing 0; Absent or Not Voting 0.

All expenditures from such fund shall be made in accordance with appropriation acts upon warrants of the director of accounts and reports issued pursuant to vouchers approved by the secretary or the secretary's designee. Such remittance shall be made on the first business day of such month. The secretary shall remit any moneys so received to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the juvenile out-of-home placement education fund.

As used in this subsection, the term "resident school district" means the school district in which the student resides and would otherwise be enrolled.

New Sec. 15. (a) If a child is enrolled by the licensed person or entity in a school district that is different than the school district in which the child was enrolled at the commencement of the current school year, then the school district in which the child is enrolled by such licensee shall be paid by the secretary from the juvenile out-of-home placement education fund a monthly amount that is equal to the general fund budget of such school district, excluding moneys held in the special education and related services fund, the special retirement contributions fund, the capital outlay fund or the bond and interest fund of the school district, the proceeds of any tax levied by such school district that are directly deposited in any fund of such school district and any moneys received by the school district pursuant to federal law, for the current school year divided by the total enrollment of such school district for the current school year divided by 12. The school district shall only be paid for those months in which the child is enrolled in the school district as of the first day of the month. Payments shall be made by the secretary to the school district on the first day of the month or as soon thereafter as sufficient moneys are available in the juvenile out-of-home placement education fund.

(b) This section shall be part of and supplemental to the revised Kansas code for care of children.

contributions fund, the capital outlay fund or the bond and interest fund of the school
district, the proceeds of any tax levied by such school district that are directly deposited
in any fund of such school district and any moneys received by the school district
pursuant to federal law, for the current school year divided by the total enrollment of
such school district for the current school year divided by 12. The school district shall
only be paid for those months in which the child is enrolled in the school district as of
the first day of the month. Payments shall be made by the secretary to the school district
on the first day of the month or as soon thereafter as sufficient moneys are available in
the juvenile out-of-home placement education fund.

(b) This section shall be part of and supplemental to the revised Kansas juvenile
justice code.

And by renumbering sections accordingly;

And the bill be passed as further amended.

Upon such finding, the juvenile's extended jurisdiction status is terminated, and juvenile court jurisdiction is terminated. The ongoing jurisdiction for any adult sanction, other than the commitment to the department of corrections, is with the adult court. The juvenile offender shall be
credited for time served in a juvenile correctional or detention facility on the juvenile sentence as service on any authorized adult sanction.

(c) Upon becoming 18 years of age, any juvenile who has been sentenced pursuant to subsection (a) and is serving the juvenile sentence, may move for a court hearing to review the sentence. If the sentence is continued, the court shall set a date of further review in no later than 36 months.;

Invocation by Reverend Cecil Washington, Jr.:

Heavenly Father, serving Your people is a great privilege. But as You said in Ecclesiastes 3, that life “under the sun”...“under heaven”, will be mixed with contrary times...times that waver between the pleasant and the unpleasant. We pray today for all in Hesston and for everyone around this state and country that have been touched by the tragedy that has occurred. Meanwhile, in the midst of evil, opportunities for good are being displayed. You revealed to us, in Your Word, that while we’re here on this earth, there will be contrary times of both...that life will waver between times of sadness and times of gladness. So, Lord, while we’re here on earth, having to deal with “under the sun” problems, take us THROUGH the times of grief. Help us to remember, like it says in the 23rd Psalm, that we walk THROUGH the valley of death’s shadow. Keep us from getting stuck in it. We’re perplexed when hit with pain and suffering, and we struggle with why these things happen, but Lord, You’ve made it clear that times of sorrow are inevitable. While we’re in this “under the sun” on earth time, when both good and evil are in hostile opposition to each other, we sometimes feel like pawns within the struggle...like puppets moved by the strings of nobility or the strings of wickedness. Therefore, we look forward to That Day, when You will finally put evil...all evil under Your feet...That Day, when Right and Righteousness will reign forever....That Day when we’ll no longer be “under the sun”...no longer “UNDER heaven” but in it! Meanwhile, bless us to be facilitators of Your Goodness on this earth. In the Name of Jesus, Who loved us to His own death, Amen.

The Pledge of Allegiance was led by Vice President King.

Dated: February 22, 2016

SAM BROWNBACK
Governor of Kansas
COMPACT RELATING TO CIGARETTE AND TOBACCO SALES AND TAXATION

ARTICLE I
PURPOSE AND INTENT

WHEREAS, it is in the best interests of the State of Kansas (hereinafter, Kansas) to continue to reduce the financial burdens imposed on Kansas by cigarette smoking and that said costs continue to be borne by tobacco product manufacturers rather than by Kansas to the extent that such manufacturers either determine to enter into a settlement with Kansas or are found culpable by the courts; and,

WHEREAS, On November 23, 1998, leading United States tobacco product manufacturers (hereinafter, PMs) entered into a settlement agreement, entitled the "master settlement agreement," (hereinafter, MSA) with Kansas. The MSA obligates these PMs, in return for a release of past, present and certain future claims against them as described therein, to pay substantial sums to Kansas (tied in part to their volume of sales); to fund a national foundation devoted to the interests of public health; and to make substantial changes in their advertising and marketing practices and corporate culture, with the intention of reducing underage smoking; and,

WHEREAS, it would be contrary to the policy of Kansas if tobacco product manufacturers who determine not to enter into such a settlement could use a resulting cost advantage to derive large, short-term profits in the years before liability may arise without ensuring that Kansas will have an eventual source of recovery from them if they are proven to have acted culpably; and,

WHEREAS, Kansas entered into a settlement agreement with certain PMs settling Kansas’ obligations under the MSA and the 2003 NPM adjustment settlement agreement, including the 2012 term sheet agreement; and,

WHEREAS, as part of said settlement, Kansas has agreed to undertake certain diligent enforcement efforts of its cigarette and tobacco laws and more specifically, its MSA laws on qualified tribal land in Kansas ("Qualified tribal land" means:(1) All land within the borders of this state that is within the limits of any Indian reservation under the jurisdiction of the United States, notwithstanding the issuance of any patent, including rights-of-way running through the reservation;(2) all dependent Indian communities within the borders of this state; and (3) all Indian allotments in within the borders of this state, the Indian titles to which have not been extinguished, including rights-of-way running through such allotments; and (4) any lands within the borders of this state, the title to which is either held in trust by the United States for the benefit of any Indian tribe or individual, or held by any Indian tribe or individual subject to restriction by the United States against alienation, and over which an Indian tribe exercises governmental power); and,

WHEREAS, Kansas recognizes the importance to Kansas of forming an alliance with the Iowa Tribe of Kansas and Nebraska (hereinafter, Tribe) to assist Kansas in its diligent enforcement efforts; and,

WHEREAS, Kansas further recognizes that the Tribe will incur certain economic costs in assisting Kansas in its diligent enforcement efforts for which the Tribe should not be required to endure; and,
WHEREAS, it is altogether just and proper that Kansas compensate the Tribe for its assistance to Kansas in Kansas’ diligent enforcement obligation under the MSA and the 2003 NPM adjustment settlement agreement, including the 2012 term sheet agreement; and,

WHEREAS, the Tribe is a federally recognized Indian Tribe with its reservation located within the geographical boundaries of the State of Kansas, possessing inherent powers of self-government, exercising sovereign powers over its members and their property within the boundaries of the Tribe’s reservation, as defined and recognized by treaty and federal laws and federal court decisions, and recognized by state laws and state court decisions, and that it has responsibilities and needs similar to those of state governments; and,

WHEREAS, the State of Kansas is an independent sovereign state within the United States of America possessed of full powers of state government, possessing inherent powers of self-government, exercising sovereign powers over its citizens and their property within the boundaries of the state, as defined and recognized by federal laws and federal court decisions, and recognized by state laws and state court decisions, and that it has responsibilities and needs similar to those of the national government; and,

WHEREAS, Kansas and the Tribe respect the sovereignty of the other, and recognize and support each others governmental responsibilities to provide for and govern its citizens, members and territory; Kansas recognizes the Tribe’s inherent sovereign right to existence, self-government and self-determination; the Tribe recognizes the Kansas’ inherent sovereign right to existence, self-government and self-determination; and,

WHEREAS, federal and state law recognizes Kansas’ authority to collect state taxes on cigarettes and tobacco products sold to non-tribal members on the Tribe’s reservation, whether sold by the Tribe, or businesses owned or controlled by the Tribe, or not; and,

WHEREAS, federal law recognizes the Tribe’s authority to sell cigarettes and tobacco products to its tribal members on the Tribe’s reservation free from Kansas taxation.

ARTICLE II
TERMS AND CONDITIONS

NOW, THEREFORE, the Tribe, by and through its duly elected Executive Committee and Kansas, by and through its duly elected Governor and Legislature do hereby enter into this Compact, the terms of such Compact to commence upon approval by the Executive Committee of the Iowa Tribe of Kansas and Nebraska (the “Executive Committee”), and enactment by the Kansas Legislature and publication in the Kansas Register, to-wit:

1. Kansas and the Tribe agree that as used herein the Tribe’s reservation shall mean only the land that comprises that portion of the Tribe’s reservation as established by the treaty between the United States and the Tribe dated the seventeenth day of May, 1854, that: (a) is within the boundaries of the State of Kansas; and, (b) is unaffected by the treaty between the United States and the Sauk and Foxes dated the sixth day of March, 1861, to the extent such treaty reduced the land set aside for the Tribe pursuant to the prior treaty dated the seventeenth day of May, 1854, and specifically excludes any portion of the Tribe’s reservation that is not within the boundaries of the State of Kansas.
For the purposes of this Compact, the Tribe's reservation shall also not include any lands that are inside the boundaries of the State of Kansas, but are outside the boundaries of the Tribe's reservation established by the 1854 Treaty that have been, or may at any time be taken into trust by the United States.

2. Unless otherwise expressly stated, Kansas and the Tribe agree that K.S.A. 2015 Supp. §50-6a01, and amendments thereto, and K.S.A. 2015 Supp. §79-3301, and amendments thereto apply to the provisions of this Compact. For the purposes of this Compact, only, and for no other purpose whatsoever, Kansas and the Tribe agree that the Tribe’s Treaties with the United States do not exempt, exclude or reserve the Tribe’s land from the boundaries of Kansas. For the purposes of this Compact, only, and for no other purpose whatsoever, the Tribe’s Reservation is within the State of Kansas.

3. Tribe agrees to not purchase any cigarettes or tobacco products from any distributor, manufacturer, importer or wholesale dealer not licensed by Kansas for sale by the Tribe in Kansas, nor offer for sale in Kansas, possess for sale or import into Kansas for sale, cigarettes of a cigarette product manufacturer brand family not included in the directory maintained by the Kansas Attorney General. The Kansas Attorney General shall give the Tribe written notice to discontinue sale of any cigarettes or tobacco products being sold by the Tribe that are not included in the directory. The Tribe shall have ninety (90) days from and after receipt of the written notice within which to sell or otherwise dispose of the Tribe’s existing inventory of the product(s) subject of such notice. The Tribe shall not order new or replacement inventory of the product(s) subject of the notice within such ninety (90) day period.

Except for “Sacred Tobacco,” which shall not be subject to the terms of this Compact, Tribe agrees that if it manufactures, or authorizes the manufacture of cigarettes or tobacco products on its reservation for sale in Kansas such products shall be subject to the terms of this Compact. For purposes of this Compact, Sacred Tobacco shall mean *nicotiana quadrivalvis* and *nicotiana rustica* neither of which is a controlled substance or otherwise regulated by Kansas or Federal Law.

4. Tribe will be responsible for regulating and enforcing Compact with respect to sales at retail of cigarettes and tobacco products in Tribe’s retail outlets on the Tribe’s reservation.

5. Tribe will require all sales of cigarettes and tobacco products on Tribe’s reservation to be conducted pursuant to a valid retail license issued by the Tribe.

   a. Said stamp shall bear the name “Iowa Tribe” and “Kansas” and a logo in a form and color mutually agreeable to both the Tribe and Kansas;
   b. Kansas shall cause said stamps to be produced at its sole expense;
   c. Kansas and the Tribe shall select a mutually agreeable in-state third party distributor, and the Tribe shall cause all cigarettes it purchases for sale in Kansas to be shipped to said third party distributor at its sole expense;
   d. Kansas shall provide said joint Kansas-Tribal stamps to said third party distributor who shall be responsible for affixing said Kansas-Tribal stamps on all cigarettes to be sold by the Tribe in Kansas;
   e. Said third party distributor shall ship all cigarettes bearing joint Kansas-Tribal stamps to the Tribe at the Tribe’s sole expense; and,
   f. The costs incurred by the Tribe associated with this paragraph shall be added to the economic costs of the Tribe in Paragraph Fifteen (15) below that Kansas agrees is part of the diligent enforcement expenses for which it must reimburse the Tribe.

8. Tribe agrees to collect and timely share with Kansas, subject to third party audit, data regarding retail sales by Tribe on Tribe’s reservation. Data shall be collected and provided to the Kansas Department of Revenue, at the Tribe’s sole expense, on a monthly basis in a manner that conforms to data provided to Kansas by all other entities that currently collect and file data with Kansas, and shall be filed electronically in a format as required by Kansas of all other reporting entities.

9. Tribe and Kansas shall select a third party auditor for purposes of verifying compliance with this Compact. For purposes of verifying compliance with this Compact, the parties agree to jointly retain said Auditor and shall each bear fifty percent (50%) of the costs of the auditing services. The Auditor must possess a valid Kansas Permit to Practice issued by the Kansas Board of Accountancy. The Tribe and State shall be entitled to freely communicate with the Auditor. The Auditor will review records on an annual calendar year basis and issue an annual report and certification as provided herein.
   a. Audit Protocol. To verify compliance with this Compact, the Auditor must adhere to the following protocol:
   b. Period Under Review. The Auditor must review records for the calendar year under audit and may review records for earlier years that are after the Effective Date but only as necessary for an internal reconciliation of the relevant books. Subject to the foregoing, records relating to any period before the Effective Date are not open to review. In situations where the Auditor is responsible for verifying records on less than an annual basis, the period under review shall not include years previously reviewed by the Auditor, except when a violation is alleged to have occurred during the period previously reviewed.
   c. Records to be Examined. The Auditor must review records and invoices of stamp purchases, records and invoice of sales of stamped
cigarettes, stamp inventory, the stamping process, products sold, product inventory records, and such additional records as are necessary to verify (1) the Units Sold (2) the retail selling price, including application of Tribal sales and excise taxes, and (3) procedures demonstrating the Tribe’s compliance with this Compact, all with respect to sales of Cigarettes by the Tribe. In all situations, the Auditor is not responsible for examining, and shall not examine, records that do not relate to the stamping, selling, or taxing activities of the Tribe.

d. Audit Report and Certification. After each annual audit, the Auditor shall issue an audit report and a certification, as further described below, with respect to compliance with this Compact. The annual audit report shall set forth the total Units Sold attributable to each manufacturer by the Tribe during the relevant period. The annual audit report shall also include a certified statement of the Auditor to the Kansas Attorney General that the Auditor finds the Tribe to be in compliance with this Compact or else that the Tribe is in compliance except for specifically listed items that are explained in the annual report.

e. Audit Schedule. Audit reviews shall take place following each calendar year (or portion thereof) during the term of this Compact, with an audit report submitted no later than April 1 following such calendar year.

f. Joint Audit Implementation and Review. The Tribe and the State shall meet jointly with the Auditor prior to the beginning of each annual audit. The purpose of such meeting will be to discuss the objectives of the upcoming audit, the expectations of the Tribe and of the State, the standards to be used in such audit, and any issues regarding conduct of the audit, records pertinent to the audit or the contents of the Auditor’s report. The Tribe and State agree that the report will audit the processes, controls and the supporting documentation of the Tribe’s purchases and sales of cigarettes and tobacco products using both Generally Accepted Auditing Standards and Generally Accepted Accounting Principles. Subsequent meetings before and during the audit may be held as required. As soon as practicable after the issuance of the Auditor’s report and certification, the Tribe and the State may meet jointly with the Auditor as often as required to review the audit report and discuss any issue of concern. In the event that either the Tribe or the State disagrees with the Auditor’s report or certification, or any audit finding contained therein, either Party may notify the other of the disagreement and follow the procedures for resolution of the disagreement in Article III, Paragraph 1 of this Compact.

g. Tribe agrees that Kansas is allowed to enter its retail outlets and inspect its cigarette stock, invoice and inventory of tax indicia on hand to insure that the cigarettes offered by Tribe for sale in Kansas are solely brands that are on the Attorney General’s approved list and bear Kansas tax indicia. Any cigarettes found for sale at Tribe’s retail outlets that are not on the Attorney General’s approved list or bearing
Kansas tax indicia shall be jointly removed by the Tribe and Kansas and destroyed.

10. Tribe shall enjoy exclusive cigarette and tobacco excise tax on all cigarette and tobacco sales by Tribe on Tribe’s reservation. As part of the consideration for this Compact, Kansas agrees that cigarette and tobacco sales on the Tribe’s Reservation shall not be subject to the Kansas cigarette and tobacco excise tax.

11. The Tribe has the right to impose its tribal tax on its members on its reservation and the Kansas cigarette and tobacco tax does not apply on said sales. Kansas has the right to impose its cigarette and tobacco taxes on the wholesale dealer of first receipt, and the Tribe’s tax does not preempt or otherwise impede or interfere with Kansas’ tax.

12. Kansas and the Tribe jointly agree to waive their respective rights to taxation identified in paragraph 11 above, and instead, agree to apply paragraphs 11 and 13 herein.

13. Tribe’s cigarette tax shall be no lower than 17 cents per individual pack of cigarettes, or $1.70 per carton of ten (10) packs of cigarettes for the term of this Compact.

ARTICLE III
GENERAL PROVISIONS

1. Dispute Resolution
   a. General. Each party warrants that it will use its best efforts to negotiate an amicable resolution of any dispute between the Tribe and Kansas arising from this Compact whether as to the construction or operation thereof or the respective rights and liabilities of the Tribe and Kansas thereunder. If a party perceives itself to be aggrieved under this
Compact, said party shall provide written notice of such perceived violation to the other party within thirty (30) days of the perceived violation or violations. The notice shall identify the specific Compact provision or provisions allegedly violated, or in dispute, the date or dates of violation, and shall specify in sufficient detail the asserting party’s contention and all factual basis for each claim. The parties agree to cooperatively and promptly investigate and cure any such violations, to the extent possible, prior to providing a notice of breach of this Compact.

b. Negotiation. Upon written notice by either party of being unable to cure an issue under Article III 1. A. above, the Governor and Tribe’s Chairperson, or their respective designees, shall commence good faith negotiations to resolve the dispute within thirty (30) days or such longer period as mutually agreed in writing by both parties. If the Tribe and Kansas are unable to negotiate an amicable resolution of a dispute under this paragraph, then the aggrieved party shall issue a final written notice of intent to refer the matter to arbitration under this section.

c. Arbitration. Arbitration may be initiated by any signatory to this Compact by serving written notice to the other signatories at the addresses noted herein. Within seven (7) days thereafter, each party shall notify the other party of its nominee for an arbitrator. If Tribe and Kansas can agree upon the nomination of a single arbitrator for the dispute, such person shall serve as sole arbitrator of the dispute. If the Tribe and Kansas do not agree upon the nomination of a single arbitrator, each party's nominee shall serve as arbitrator upon a panel of three, and those two arbitrators shall nominate the third to serve with them. In the event the two arbitrators fail for any reason to name the third arbitrator within two weeks after the nomination of the last nominated one of them, either nominee shall be entitled to ask the American Arbitration Society to name the third arbitrator. The arbitrators shall commence proceedings within thirty (30) days after their appointment, and hold proceedings providing each party a fair opportunity to present its side of the dispute, together with any documents or other evidence relevant to resolution of the dispute. The arbitration decision shall be signed by the arbitrators and shall be made within thirty (30) days after all evidence relevant to resolution of the dispute has been received by the arbitrators, but no later than forty-five (45) days after proceedings are commenced. The arbitration decision shall be final and binding upon the Tribe and Kansas unless, during or following completion of the arbitration proceedings, the Tribe and Kansas have met and arrived at a different settlement of the dispute.

d. Enforcement. If enforcement of a settlement or arbitration decision becomes necessary by reason of failure of one or both parties to implement its terms voluntarily, or if one of the parties refuses to participate in arbitration as provided in this Section and the other party seeks enforcement of any provision of this Compact, the Tribe and
Kansas agree that the matter may be resolved by judicial resolution and enforcement and that venue for judicial resolution and enforcement shall be in the United States District Court for Kansas pursuant to the specific provisions of this Section.

e. Expenses of Dispute Resolution or Judicial Enforcement Between the Tribe and Kansas. Each party shall be responsible for their own expenses of dispute resolution by arbitration or judicial enforcement, unless the parties agree otherwise.

2. Waiver of Sovereign Immunity by the Tribe and Rights to Tribal Remedies. The Tribe hereby waives its sovereign immunity, its right to require exhaustion of tribal remedies, and its right to seek tribal remedies with respect to any dispute over this Compact, subject to the following specific limitations:

c. Recipient of Waiver. The waiver of sovereign immunity is limited to the State of Kansas.

d. Enforcement. Tribe agrees to waive its sovereign immunity from a judgment or order which is final because either the time for appeal thereof has expired or the judgment or order issued by a court having final appellate jurisdiction over the matter. Tribe agrees to accept and be bound by any order or judgment of the United States District Court for Kansas or any other court having appellate jurisdiction over such Court. Further, Tribe waives its sovereign immunity as to enforcement in any federal court of any such final judgment against Tribe.

e. Service of Process. In any such suit, Tribe agrees that service on Tribe shall be effective if made by certified mail, return receipt requested at the addresses set forth herein.

4. Attached hereto as Exhibit A and incorporated into this Compact is a copy of the Resolution of the Executive Committee of the Tribe approving this Compact including the limited waiver of sovereign immunity provisions and authorizing the Tribal Chairman to execute this Compact on behalf of the Tribe.

5. Kansas agrees to not enter into a cigarette and tobacco compact with any Indian tribe that does not have a reservation established by treaty with the United States of America within the State of Kansas as of the date of publication of this Compact in the Kansas Register.

6. Kansas agrees that it will fully enforce its cigarette and tobacco laws under Chapter 79 of the Kansas Statutes Annotated, and amendments thereto, including the administrative regulations pertaining thereto, and its MSA laws under Chapter 50 of the Kansas Statutes Annotated, and amendments thereto, including the administrative regulations pertaining thereto, against any retailer, distributor, wholesale dealer or manufacturer selling, importing, or delivering cigarettes or tobacco products in violation of Kansas law, including, but not limited to, not being on the Attorney General’s approved list. This will include enforcement against other Indian tribes, including tribes in Kansas, unless the resident Kansas tribe has entered into a Compact with Kansas.

During the term of this compact, Kansas may enter into and be party to one or more compacts or other agreements regarding possession, transport,
distribution, or sale of cigarettes or other tobacco products, including but not limited to taxation and escrow collection, with the Kickapoo Tribe in Kansas, the Prairie Band Potawatomi Nation, or the Sac and Fox Nation of Missouri in Kansas and Nebraska. Kansas shall not enter into or be party to any such compact or agreement with any Indian Tribe during the term of this Compact, except as otherwise provided above.

7. This Compact shall expire on the last day of the month five (5) years after the Effective Date and shall be automatically renewed for consecutive five (5) year terms thereafter unless either party gives written notice to the other not less than sixty (60) days prior to the end of the then current term that it elects to terminate this Compact.

8. In the event that Kansas elects to withdraw from the MSA and the 2003 NPM adjustment settlement agreement, including the 2012 term sheet agreement, then the Tribe shall be free to withdraw from the terms of this Compact without penalty.

9. Kansas agrees that Tribe may propose an amendment to this Compact by written notice to the Governor, State of Kansas and Attorney General based upon any provision of a compact Kansas entered into with another tribe which the Tribe desires to include as a provision in this Compact. If the Kansas Legislature does not approve the proposed amendment at the Legislative Session next following the Tribe’s request for the amendment, Tribe may terminate this Compact at any time thereafter by written notice to the Governor, Secretary of Revenue and Attorney General.

10. The language of all parts of this Compact shall in all cases be construed as a whole, according to its fair meaning, and not strictly for or against any of the parties. It is the intent of the parties that this Compact shall be construed to reflect that the parties are of equal stature and dignity and have dealt with each other at arm's-length. Accordingly, any statutory or judicial rules concerning the construction of vague or ambiguous terms that might otherwise be used in the interpretation or enforcement of this Compact, including judicial decisions generally holding that agreements involving Indians or Indian tribes are to be construed in a manner in favor of Indians and Indian tribes, shall not obtain to the benefit or detriment of either party, nor shall the terms and conditions of this Agreement be extended by implication to the benefit or detriment of either party, it being the intent of the parties that the construction of this Compact shall be controlled by its express terms and not by implication.

11. Unless otherwise specifically noted herein, the definitions, words and terms used in this Compact shall have the same meaning as the definitions, words and terms used in Chapters 50 and 79 of the Kansas Statutes Annotated, and amendments thereto, including the administrative regulations pertaining thereto. If the definitions, words and terms used in this Compact are not found in Chapters 50 or 79 of the Kansas Statutes Annotated, and amendments thereto, including the administrative regulations pertaining thereto, then those definitions, words and terms are to be given their plain and ordinary meaning.
12. The paragraph headings contained in this Compact are for reference purposes only and shall not affect the meaning or interpretation of this Compact. If any provision of this Compact is declared or determined by any court to be illegal or invalid, that part shall be excluded from the Compact, but the validity of the remaining parts, terms, or provisions shall not be affected.

13. This Compact constitutes the entire understanding between the parties and supersedes any and all prior or contemporaneous understandings and Compacts, whether oral or written, between the parties, with respect to the subject matter hereof. This Compact can only be modified with the same formality as the original Compact.

14. Any failure by either party to enforce the other party’s strict performance of any provision of this Compact will not constitute a waiver of its right to subsequently enforce such provision or any other provision of this Compact.

15. This Compact is personal in nature, and no party may directly or indirectly assign or transfer it by operation of law or otherwise. All obligations contained in this Compact shall extend to and be binding upon the parties to this Compact and their respective successors, assigns and designees.

COMPACT RELATING TO CIGARETTE AND TOBACCO SALES,
TAXATION AND ESCROW COLLECTION

THIS COMPACT RELATING TO CIGARETTE AND TOBACCO SALES,
TAXATION AND ESCROW COLLECTION ("Compact") is entered into between the
Prairie Band Potawatomi Nation (along with its agencies, boards, commissions and
political subdivisions, the “Nation”) and the State of Kansas (along with its agencies,
boards, commissions and political subdivisions, the “State”). The Nation and the State
are each referred to herein as a “Party” and collectively referred to herein as the
“Parties.”

Recitals

WHEREAS, the Nation is a federally-recognized Indian tribe possessing and exercising
inherent sovereign powers of self-government, as defined and recognized by treaties,
federal laws and federal court decisions, and that it has responsibilities and needs
similar to other governments;

WHEREAS, the State is a state within the United States of America possessing and
exercising full powers of state government, as defined and recognized by the United
States Constitution, federal laws, federal court decisions, the Kansas Constitution, State
laws and State court decisions, and that it has responsibilities and needs similar to other
governments;

WHEREAS, both the State and the Nation recognize that pursuant to applicable law
each is a sovereign with dominion over their respective territories and governments and
that entry into this Compact is not intended nor shall it be construed to cause the
sovereignty of either to be diminished;

WHEREAS, the Nation is situated on and occupies a federally-established Indian
Reservation situated within the borders of the State;

WHEREAS, federal law recognizes that tribal jurisdiction exists on Qualified Nation
Lands regarding the rights of the Nation to pass its own laws and be governed by them;

WHEREAS, it is in the best interests of both the State and the Nation to prevent
disputes between the Parties regarding possession, transport, distribution, and Sale of
Cigarettes and other Tobacco Products, including but not limited to taxation and escrow
collection, in the State of Kansas, on Compact Lands;

WHEREAS, each of the State and the Nation recognize the financial, cultural,
educational, and economic contributions of the other;

WHEREAS, each of the State and the Nation respects the sovereignty of the other, and
recognizes and supports the others governmental responsibilities to provide for and
govern its citizens, members and territory; Kansas recognizes the Nation’s inherent
sovereign right to existence, self-government and self-determination; and the Nation
recognizes the Kansas’ inherent sovereign right to existence, self-government and self-
determination;

WHEREAS, the Parties are of the opinion that cooperation between the Nation and the
State is mutually productive and beneficial and recognize the need to develop and
maintain good Nation/State governmental relations;
WHEREAS, it is in the best interests of the State to continue to reduce the financial burdens imposed on the State by Cigarette smoking and that said costs continue to be borne by Tobacco Product Manufacturers rather than by Kansas to the extent that such Tobacco Product Manufacturers either determine to enter into a settlement with Kansas or are found culpable by the courts;

WHEREAS, on November 23, 1998, the State became party to the MSA;

WHEREAS, certain Tobacco Product Manufacturers, which are party to the MSA, are obligated, in return for a release of past, present and certain future claims against them as described therein, to pay substantial sums to State (tied in part to their volume of Sales); to fund a national foundation devoted to the interests of public health; and to make substantial changes in their advertising and marketing practices and corporate culture, with the intention of reducing underage smoking;

WHEREAS, it would be contrary to the policy of State if Tobacco Product Manufacturers who determine not to enter into such a settlement could use a resulting cost advantage to derive large, short-term profits in the years before liability may arise without ensuring that State will have an eventual source of recovery from them if they are proven to have acted culpably;

WHEREAS, Kansas entered into a Secondary Settlement Agreement with certain participating Tobacco Product Manufacturers in 2012 settling State’s obligations under the MSA and disputes regarding certain payment adjustments under the MSA with respect to NPMs (as that term is defined below) for calendar years 2003-2012;

WHEREAS, as part of said Secondary Settlement Agreement, State has agreed to undertake certain diligent enforcement efforts of its Cigarette and other Tobacco Product laws and more specifically, its MSA laws on Qualified Tribal Lands within the borders of State;

WHEREAS, State recognizes the importance to State of forming an alliance with Nation to assist State in its diligent enforcement efforts;

WHEREAS, State further recognizes that the Nation will incur certain economic costs in assisting State in its diligent enforcement efforts which Nation should not be required to endure;

WHEREAS, it is altogether just and proper that State compensate the Nation for its assistance to State in State’s diligent enforcement obligation under the MSA and the Secondary Settlement Agreement; and

WHEREAS, the State and the Nation agree that it will serve the interests of both the State and the Nation for the Nation to be able to generate revenue for governmental purposes through the collection of certain Tribal taxes in accordance with this Compact and resolve their differences regarding the State’s collection of escrow on certain Cigarettes Sold on Compact Lands.

Notwithstanding any term or provision herein to the contrary, the Parties agree and acknowledge that the terms and provisions of this Compact shall not apply in any respect, including but not limited to taxation and escrow collection, to (i) any Tobacco Product Manufacturer or manufacturer of other Tobacco Products owned or operated by Nation or any Nation Affiliate during the term
of this Compact, or (ii) the possession, transport, distribution, purchase, or Sale of Cigarettes or other Tobacco Products manufactured or imported by any Tobacco Product Manufacturer or manufacturer of other Tobacco Products, in each case to the extent described in clause (i).

(b) Notwithstanding any provision of this Compact to the contrary, in the event that State is subject to a final, binding arbitration award or decision of a court of competent jurisdiction that the State is non-compliant or has violated the terms of the MSA or Secondary Settlement Agreement due to State’s compliance with its obligations under this Compact, the Parties shall attempt to negotiate amendments to this Compact for a period of not less than 90 days following State’s written notice to Nation of State’s desire to initiate such negotiations. The Parties acknowledge that the purpose of such negotiations would be to amend the Compact in a manner acceptable to the Parties that would permit the State to comply with the terms and provisions of this Compact, the MSA, and the Secondary Settlement Agreement. If the Parties are unable to negotiate such amendments within such negotiation
period, the State may terminate this Compact upon two weeks’ prior written notice to the Nation. Termination of this Compact pursuant to this Section 3.02(b) shall not be subject to the dispute resolution provisions of Article VII.

(c) In the event that the State is no longer subject to, or elects to withdraw from or cease performing under, the MSA and the Secondary Settlement Agreement, the Nation and the State may jointly agree in writing to terminate this Compact prior to the expiration of the then-current term. If there is any modification to relevant State law or final judicial determination by a court of competent jurisdiction that negates the escrow deposit obligations pursuant to the Escrow Statutes, the State may terminate this Compact at any time thereafter by providing thirty days’ written notice to Nation.

each Licensed Distributor shall provide to the Nation Tax Commission, on a timely basis, reports, data, and documentation specified in clauses (viii), (ix), (x), and (xi) above regarding retail Sales of Cigarettes on Compact Lands in form and format sufficient to enable Nation to comply with its obligations pursuant to Section 4.01(b) and Section 4.01(c), and shall maintain such documentation in an adequate and accessible retention system for a period of not less than three years.

The Parties agree that United States generally accepted accounting principles (GAAP) shall, to the extent applicable, provide the appropriate standard for measuring the adequacy of the processes required by this Section 4.01.

(b) Nation, through its Nation Tax Commission, shall collect from Licensed Retailers the documentation specified in clause (v) of Section 4.01(a), shall collect from Licensed Distributors the documentation specified in clause (xii) of Section 4.01(a), and shall retain all such documentation for a period of not less than three years.

(c) Nation, through its Nation Tax Commission at Nation’s sole expense, shall prepare and remit to KDOR data regarding Sales of Cigarettes on Compact Lands in the form and format and on the dates reasonably requested by KDOR from time to time and approved by the Nation Tax Commission, such approval not to be unreasonably withheld. Such data shall be prepared based upon the documentation gathered by the Nation Tax Commission pursuant to Section 4.01(b). Such data shall be remitted at the same frequency as comparable data is required to be submitted to the State under applicable State law by State-licensed retailers or distributors of Cigarettes.

(d) Nation, through its Nation Tax Commission, shall implement and maintain processes that verify the number of items of indicia of payment of excise tax delivered to the Nation pursuant to Section 5.02, as documented by a contemporaneously created, written receipt received from the State, the number of such items of indicia applied to Cigarettes delivered to Licensed Retailers as documented by one or more contemporaneously created, written statements from each Licensed Distributor, the number of such items of indicia that may be damaged, torn, mutilated or otherwise unusable and returned to the State, documented by a contemporaneously created, written receipt received from the State, the number of such items of indicia on hand
from time to time at the Nation Tax Commission and each Licensed Distributor documented on contemporaneously created, written inventory sheets. Nation, through its Nation Tax Commission, shall retain all such documentation for a period of not less than three years.

(c) On the Effective Date, the Nation Tax Commission shall seize as contraband all Cigarettes held for Sale by Licensed Retailers which do not satisfy the requirements of Section 4.01(a)(vi). Such contraband Cigarettes shall be destroyed subject to oversight by the Nation Tax Commission and KSAG. Notwithstanding any provision of this Compact to the contrary, all Packs of Cigarettes in the inventory of a Licensed Retailer on the Effective Date which bear either a Nation excise tax stamp or a State excise tax stamp shall be deemed to bear indicia of excise tax payment as provided in Section 5.02 for all purposes of this Compact.

Section 4.02. State Obligations.

(a) Beginning with calendar year 2016 and each subsequent calendar year occurring in whole or in part during the term of this Compact, State will pay to Nation an amount equal to the product of (i) the total dollar amount disbursed to the State pursuant to the MSA and Secondary Settlement Agreement attributable to Sales of Cigarettes during such calendar year, multiplied by (ii) the quotient obtained by dividing (A) total PM brand Units Sold by Licensed Retailers on Compact Lands during such calendar year, by (B) total PM brand Units Sold in Kansas and on Qualified Tribal Lands, without duplication, during such calendar year. Each such payment shall be due within thirty days following State’s receipt of any disbursement described in clause (i) above. Concurrently with making such payment to the Nation, the State shall provide Nation with appropriate documentation supporting computation of such payment.

(b) If the KSAG takes the position that an Approved Manufacturer of any brand of Cigarette Sold by Licensed Retailers on Compact Lands is not in compliance with any mandatory requirement of the Escrow Statutes or of the Fire Safety Statutes, the KSAG will notify the Nation and such Approved Manufacturer. If the matter is not resolved within 30 days of such notice, the Nation Tax Commission will prohibit the Sale of that brand family by Licensed Retailers on Compact Lands until the matter is resolved.

(c) The KSAG shall not remove any Approved Manufacturer of any brand of Cigarette Sold by Licensed Retailers on Compact Lands from its directory of compliant Tobacco Product Manufacturers pursuant to K.S.A. §50-6a04(b)(8) prior to giving notice to Nation of, and negotiations regarding, such proposed removal in accordance with Section 7.01(b). For the avoidance of doubt, the foregoing shall not require initiation or completion of arbitration proceedings prior to removal.
ARTICLE V
TAX PROVISIONS

Section 5.01. Exercise of Tax Jurisdiction.

(a) The Nation shall have the sole right to impose, collect, and retain Sales taxes and excise taxes on transactions conducted by Licensed Retailers and Licensed Distributors involving Cigarettes and other Tobacco Products ultimately Sold to Consumers by Licensed Retailers on Compact Lands. Further, the Nation shall have the sole obligation hereunder to impose Sales taxes and excise taxes on such transactions to the extent described herein. With respect to such Cigarettes or other Tobacco Products, the State shall not impose any Sales tax, excise tax, privilege tax, use tax, other tax, licensing fee, user fee or other fee at any point in the stream of commerce:

(i) where the legal incidence of any such tax or fee falls on any such Consumer; or

(ii) which, if passed through in whole or in part to any such Licensed Retailer or Licensed Distributor, would have the effect of increasing such Licensed Retailer’s or Licensed Distributor’s cost of goods Sold;

provided, however, for the avoidance of doubt, such restrictions shall not apply to escrow payments, directory fees, or any bond required under the Escrow Statutes with respect to such Cigarettes. The State shall take no affirmative action to enable or authorize any other individual or entity to take any action which, if taken directly by the State, would violate this Section 5.01(a).

(b) Notwithstanding any provision of Section 5.01(c) to the contrary, the Nation shall levy upon the consensual Sale of Cigarettes by a Licensed Retailer to a Consumer on Compact Lands a tax computed as a percentage of the actual Sales price thereof exclusive of any rebates. For purposes of the preceding sentence, such Sales tax shall be levied at a rate no lower than the lowest of (i) five percent (5%), or (ii) the Kansas Sales tax rate in effect at the time of such Sale less 1.5%;

provided, however, that the fixed amount computed pursuant to this Section 5.01(b) shall not be less than $0.00. Nothing in this Compact shall prohibit the Nation, in its sole discretion, from levying Sales tax on such Sales at a rate higher than that required in the preceding sentence.

(c) Subject to Section 5.01(d), the Nation shall levy upon the consensual Sale of Cigarettes on Compact Lands an excise tax computed from time to time as a fixed amount per Carton of Cigarettes or fractional part thereof. For purposes of the preceding sentence, such fixed amount per Carton of Cigarettes shall be no lower than the lowest of (i) the lowest excise tax rate per Carton of Cigarettes levied or imposed at the time of computation pursuant to the laws of any of the states immediately bordering the State; (ii) the excise tax rate per Carton of Cigarettes levied or imposed at the time of computation pursuant to the laws of the State less $11.20 per Carton of Cigarettes; or (iii) the lowest aggregate excise tax rate per Carton of Cigarettes levied or imposed at the time of computation by any Indian Tribe which is party to a Cigarette/Tobacco Product compact with the State;
provided, however, that the fixed amount computed pursuant to this Section 5.01(c) shall not be less than $0.01 per Carton. Nothing in this Compact shall prohibit the Nation, at its sole discretion, from levying excise tax on such Cigarettes in an amount higher than that required in the preceding sentence. Such excise tax shall be paid only once and shall be imposed on and paid by the Licensed Distributor which Sells Cigarettes to a Licensed Retailer for Sale to Consumers on Compact Lands. For the avoidance of doubt, the Nation shall not be required to levy such excise tax on any Sale of Cigarettes where the Licensed Distributor intends to Sell such Cigarettes outside Compact Lands.

(d) Notwithstanding any other provision of this Compact to the contrary, the Nation shall levy upon the consensual Sale of roll-your-own tobacco on Compact Lands an excise tax of not less than 1% of the wholesale Sale price of such roll-your-own tobacco. Such excise tax shall be paid only once and shall be imposed on and paid by the Licensed Distributor at the time that the Licensed Distributor (a) brings or causes to be brought onto Compact Lands such roll-your-own tobacco for Sale on Compact Lands, (b) makes, manufactures, or fabricates such roll-your-own tobacco on Compact Lands for Sale on Compact Lands, or (c) ships or transports such roll-your-own tobacco to any Licensed Retailer on Compact Lands to be Sold by such Licensed Retailer on Compact Lands. For the avoidance of doubt, the Nation shall not be required to levy such excise tax on any sale of roll-your-own tobacco where the Licensed Distributor intends to Sell such roll-your-own tobacco outside Compact Lands.

Section 5.02. Indicia of Tax; Distribution and Transport.

(a) The Nation Tax Commission and KDOR shall jointly design and designate indicia of payment of the excise tax levied pursuant to Section 5.01(c). Such indicia shall include at a minimum the acronym “PBPN,” the word “Kansas,” and an inventory control number, code or other technology in a form and color mutually agreeable to the Nation Tax Commission and KDOR. Kansas shall produce, or cause to be produced, and deliver to the Nation Tax Commission all such indicia as may be required for Nation to comply with its obligations hereunder, including but not limited to Nation’s obligations pursuant to Section 4.01(a)(vi). In order to compensate State for production and delivery of such indicia, Nation shall pay to the State the fixed amount of One Hundred Fifty Thousand Dollars ($150,000.00) on February 1, 2018 and each subsequent February 1 during the term of this Compact; provided, however, that Nation shall have no obligation to make such any such payment if Licensed Retailers, on an aggregate basis, do not Sell more than 175,000 Cartons of Cigarettes on Compact Lands during the immediately preceding calendar year. The Nation and the State expressly agree and acknowledge that such payments (1) constitute payments for goods and services provided by State to Nation, (2) do not represent the levy or payment of any tax imposed by the State on the Nation, any Nation Affiliate, any Licensed Distributor, any Licensed Retailer, or any Consumer, and (3) do not represent sharing of Nation tax revenues or business profits
with the State. Such payments and State’s production and delivery of such indicia shall not be subject to any sales, excise or other tax imposed by either State or Nation.

(b) For purposes of this Compact, the Parties agree that the following shall constitute contraband:

(i) All Packs of Cigarettes, in quantities of 20 Cigarettes per Pack or more, not bearing indicia of payment of excise tax as required in this Compact and all devices for vending Cigarettes in which unstamped Packs are found;

(ii) all Cigarettes or Tobacco Products in the possession of a minor;

(iii) all property, other than vehicles, used in the retail Sale of Packs of Cigarettes described in clause (i);

(iv) any Cigarettes Sold, offered for Sale, or possessed for Sale on Compact Lands where such Cigarettes are not a brand of an Approved Manufacturer; and

(v) any Cigarettes to which tax indicia has been affixed, was caused to be affixed, or the tax paid thereon as required by Section 5.01(c) or (d) of this Compact, where such Cigarettes are not a brand of an Approved Manufacturer.

(c) Notwithstanding any provision of this Compact to the contrary, any Pack of Cigarettes Sold by a Licensed Retailer, in the possession of a Licensed Retailer, or in transit to a Licensed Retailer with proper bills of lading from a Licensed Distributor in each case bearing the indicia of payment of excise tax described in Section 5.02(a) shall be deemed to be bearing indicia of payment of State excise tax for all purposes of State law and, in any event, shall be deemed not to be a common nuisance or contraband pursuant to State law and not subject to seizure, forfeiture, confiscation or destruction pursuant to State law or process on grounds of non-payment of any State tax.

(d) Notwithstanding any provision of this Compact to the contrary, any Cigarette in the possession of a Licensed Distributor with premises on Compact Lands or which are in transit, with proper bills of lading showing shipment from the relevant Tobacco Product Manufacturer or its importer to a Licensed Distributor with premises on Compact Lands, but in either case not bearing indicia of payment of excise tax pursuant to Section 5.02(a), or for which tax has not been paid pursuant to Section 5.01(d), shall be deemed not to be a common nuisance or contraband pursuant to State law and not subject to seizure, forfeiture, confiscation or destruction pursuant to State law or process, in each case on grounds of non-payment of State excise tax, if the related Tobacco Product Manufacturer is an Approved Manufacturer.

(e) Any Tobacco Product, other than Cigarettes, which is in the possession of a Licensed Distributor with premises on Compact Lands or is in transit, with proper bills of lading showing shipment from the relevant manufacturer or its importer to a Licensed Distributor with premises on Compact Lands, but in either case not bearing indicia of payment of excise tax pursuant to Section 5.02(a), or for which tax has not been paid pursuant to Section 5.01(d), shall be deemed not to be a common nuisance or contraband
pursuant to State law and not subject to seizure, forfeiture, confiscation or
destruction pursuant to State law or process, in each case on grounds of non-
payment of any State tax.

(f) Any Tobacco Product, other than Cigarettes described in Section 5.02(c), in
the possession of a Consumer which a Consumer can demonstrate was
purchased from a Licensed Retailer, shall be deemed not to be a common
nuisance or contraband pursuant to State law and not subject to seizure,
forfeiture, confiscation or destruction pursuant to State law or process on
grounds of non-payment of any State tax.

(g) In the event KSAG or KDOR has actual knowledge that any Pack of
Cigarettes described in Section 5.02(c) or (d) or any Tobacco Product
described in Section 5.02(e) is seized or confiscated under color of State law
or process as in effect from time to time, then KSAG or KDOR, as
applicable, shall transmit written notice of such seizure or confiscation to the
Nation within two Business Days of first acquiring such actual knowledge.

(h) Notwithstanding any provision of this Compact to the contrary, the
possession, gift, or use on Qualified Nation Lands of noncommercial
privately produced tobacco for religious or ceremonial use shall be exempt
from taxation by State and may be exempt from taxation by Nation. Such
tobacco shall be deemed not to be a common nuisance or contraband
pursuant to State law and not subject to seizure, forfeiture, confiscation or
destruction as a common nuisance or contraband pursuant to State law or
process, in each case on grounds of non-payment of any State tax. For
purposes of this Section 5.02(h), “tobacco” shall mean any plant, including
parts or products thereof, within the genus *Nicotiana* and which does not
constitute a “controlled substance” within the meaning of 21 U.S.C. §
802(6).

(i) For purposes of this Section 5.02 only, references to “State law” mean
K.S.A. § 79-3323 and the Escrow Statutes as each may be amended from
time to time.

ARTICLE VI
AUDITS AND INSPECTIONS

Section 6.01. Purpose. The purpose of this Article VI is to provide a process for
regular verification of the requirements of this Compact. The verification process is
intended to reconcile data from all sources that make up the stamping, Selling, and
taxing activities under this Compact.

Section 6.02. Nation to Contract with Third Party Auditor. The Nation and the
State agree that, for purposes of verifying compliance with this Compact, the Nation
will contract with and retain an independent third party auditor (the “Auditor”). The
Nation and the State shall each bear fifty percent (50%) of the costs of the auditing
services. The Nation and the State shall be entitled to freely communicate with the
Auditor; provided, however, that all information provided to the State by Auditor shall
be provided directly to KDOR. The Nation shall select the Auditor, subject to the
approval of the KSAG; provided, further, that such approval shall not be unreasonably
withheld; provided, further, that the Nation’s selection of any Auditor possessing a valid
Kansas Permit to Practice issued by the Kansas Board of Accountancy shall be deemed
approved by the KSAG. The Auditor will review records on an annual calendar year basis to issue an annual report and certification as provided in this Article VI.

Section 6.03. Audit Protocol. To verify compliance with this Compact, the Auditor must adhere to the following protocol:

(a) Period Under Review. The Auditor must review records for the calendar year under audit and may review records for earlier years that are after the Effective Date but only as necessary for an internal reconciliation of the relevant books. Subject to the foregoing, records relating to any period before the Effective Date are not open to review. In situations where the Auditor is responsible for verifying records on less than an annual basis, the period under review shall not include years previously reviewed by the Auditor, except when a violation is alleged to have occurred during the period previously reviewed.

(b) Records to be Examined. The Auditor must review Nation Tax Commission books and records for records and invoices of stamp purchases, records and invoice of Sales of stamped Cigarettes, stamp inventory, the stamping process, products Sold, product inventory records, and such additional records as are necessary to verify (1) the Units Sold, (2) the retail Selling price, including application of Nation Sales and excise taxes, and (3) procedures demonstrating Nation’s compliance with Sections 4.01 and 5.01 of this Compact, all with respect to Sales of Cigarettes by Licensed Retailers on Compact Lands. In all situations, the Auditor is not responsible for examining, and shall not examine, records that do not relate to the stamping, Selling, or taxing activities of the Nation, any Nation Affiliate, or Nation’s licensees, unless a review of the records is necessary to an internal reconciliation of the books of the Nation, any such Nation Affiliate or any such licensee.

(c) Audit Standard. Each audit performed pursuant to this Article VI shall be performed in accordance with generally accepted auditing standards.

Section 6.04. Audit Report and Certification. After each annual audit, the Auditor shall issue to KDOR and the Nation an audit report and a certification, as further described below, with respect to compliance with this Compact. The annual audit report shall set forth the total Units Sold attributable to each Tobacco Product Manufacturer by Licensed Retailers on Compact Lands during the relevant period. The annual audit report shall also include a certified statement of the Auditor to the KDOR that the Auditor finds the Nation to be in compliance with Sections 4.01 and 5.01 of this Compact or else that the Nation is in compliance except for specifically listed items that are explained in the annual report.

Section 6.05. Audit Schedule. Audit reviews shall take place following each calendar year (or portion thereof) during the term of this Compact, with an audit report submitted no later than April 1 following such calendar year.

Section 6.06. Joint Audit Implementation and Review. The Nation and the State shall meet jointly with the Auditor prior to the beginning of each annual audit. The purpose of such meeting will be to discuss the objectives of the upcoming audit, the expectations of the Nation and of the State, the standards to be used in such audit, and
any issues regarding conduct of the audit, records pertinent to the audit or the contents of the Auditor’s report. Subsequent meetings before and during the audit may be held as required. As soon as practicable after the issuance of the Auditor’s report and certification, the Nation and the State may meet jointly with the Auditor as often as required to review the audit report and discuss any issue of concern. In the event that either the Nation or the State disagrees with the Auditor’s report or certification, or any audit finding contained therein, either Party may notify the other of the disagreement and follow the procedures for resolution of the disagreement in Article VII of this Compact.

Section 6.07. Inspections.

(a) The Parties agree that, subject to the requirements and limitations of this Section 6.07, agents or employees of the Nation Tax Commission and agents or employees of KSAG and/or KDOR will conduct joint inspections of Licensed Retailers and Licensed Distributors located on Compact Lands. In connection with any such joint inspection, the Nation Tax Commission shall permit such agents or employees of the Nation Tax Commission and agents or employees of KSAG and/or KDOR to review all documentation collected and maintained by the Nation Tax Commission pursuant to Section 4.01(b) and Section 4.01(d).

The agents or employees of the Nation Tax Commission and agents or employees of KSAG and/or KDOR shall agree to a random sampling methodology for each joint inspection based on generally recognized valid and reliable sampling techniques. The Parties further agree such joint inspections shall not involve complete audits or complete inventories but shall be limited to random sample inspections of stock, tax indicia, and documentation on hand at the premises of a Licensed Retailer or Licensed Distributor, as applicable, for the purposes of verifying that all Cigarettes offered or intended for Sale by any Licensed Retailer on Compact Lands (i) are solely brands of Approved Manufacturers, (ii) were acquired from a Licensed Distributor, and (iii) bear indicia of payment of excise tax to the extent required in Section 5.02. In any event, such joint inspections shall not be disruptive of the business operations of any Licensed Retailer or Licensed Distributor.

(b) The State reserves the right hereunder to initiate and participate in up to twelve joint inspections described in Section 6.07(a) per calendar year, with a limit of up to two (2) such joint inspections per calendar month; provided, however, that joint inspections of any one or more separate premises on the same Business Day shall only constitute one “joint inspection” for purposes of the preceding limitations; provided, further, that if the State and Nation inspection team notes any violations of this Compact by one or more Licensed Retailers or Licensed Distributors during any such joint inspection, the State may initiate, by giving notice in accordance with Section 6.07(c), one follow-up joint inspection with the Nation Tax Commission of all premises involved in such violations on a subsequent Business Day following the earlier of notice of completed cure or conclusion of any cure period pursuant to Section 7.01(a) related to such violations, with such
follow-up joint inspection not counting against the monthly or annual limits set forth in this sentence.

(c) The Nation Tax Commission shall make its personnel available for joint inspections permitted hereunder on a Business Day between the hours of 9:00 a.m. and 4:30 p.m. upon prior email notice to the Nation Tax Commission transmitted by a representative of the State by 10:00 a.m. one Business Day prior to the requested inspection. State representatives and Nation Tax Commission representatives shall coordinate the details of the joint inspection by 3:00 p.m. on the day of such email notice. Any email notice provided to the Nation Tax Commission pursuant to the Section 6.07 shall be given at tobacco.compact@pbpnation.org, or such other email address as the Nation may specify to the State by written notice.

(d) Any Packs of Cigarettes found for Sale at a Licensed Retailer during a permitted joint inspection that are not brands of an Approved Manufacturer or that do not bear indicia of payment of excise tax as required in Section 5.02 shall be removed by the Nation Tax Commission until the matter is resolved.

(e) This Section 6.07 does not limit the Nation from unilateral enforcement of its laws and regulations and does not authorize the State to unilaterally conduct inspections of Licensed Retailers or Licensed Distributors on Compact Lands; provided, however, that the State may conduct test purchases from Licensed Retailers located on Compact Lands and may conduct unobtrusive observation of those portions of Licensed Retailer and Licensed Distributor premises located on Compact Lands which are open to the general public.

ARTICLE VII
DISPUTE RESOLUTION

Section 7.01. General.

(a) In the event Nation is in default of its obligations pursuant to Section 4.01, Article V or Article VI of this Compact, Nation shall cure such default within thirty days following receipt of written notice of such default from the State. Nation Tax Commission shall promptly provide written notice of completion of such cure to State. In the event Nation does not cure such default, the State may initiate dispute resolution procedures in accordance with the remainder of Article VII of this Compact.

(b) For purposes of this Article VII, each of the State and the Nation may be referred to as a “Dispute Party.” Each Dispute Party warrants that it will use its best efforts to negotiate an amicable resolution of any and all disagreements, controversies or claims between any or all Nation Claim Parties and the State (each, a “Dispute”) arising out of or in connection with this Compact (including without limitation claims relating to the validity, construction, performance, breach and/or termination of this Compact). Negotiation pursuant to this Section 7.01(b) shall be commenced by one Dispute Party providing written notice to the other Dispute Party of the existence of a Dispute. The written notice shall provide a concise summary of the nature of the Dispute. Promptly following delivery of any such written
notice, and in no event later than thirty (30) days following such delivery, the Governor of the State of Kansas and the Nation’s Chairperson, or their respective designees, shall commence good faith negotiations to resolve such Dispute(s). If the Dispute Parties are unable to negotiate an amicable resolution of any such Dispute within thirty (30) days following such commencement of good faith negotiations or such longer time period as the Dispute Parties may mutually agree in writing, either Dispute Party may submit the matter to arbitration for final resolution. Notwithstanding the foregoing or any other provision of this Compact to the contrary, either Dispute Party may immediately commence arbitration proceedings for the purpose of seeking emergency relief pursuant to the Rules addressing “Emergency Measures of Protection.”

Section 7.02. Arbitration.

(a) Initiation; Selection of Panel. Subject to the requirements of Section 7.01, arbitration may be initiated by either Dispute Party by serving written notice to the other Dispute Party and by complying with the requirements of the Rules. Within seven days following initiation of the arbitration proceedings, each Dispute Party shall notify the other Dispute Party and the AAA of its disinterested and independent nominee for an arbitrator. If the Dispute Parties agree upon the nomination of a single arbitrator for the Dispute within ten days following initiation of arbitration, such nominee shall serve as sole arbitrator of the Dispute. If the Dispute Parties do not agree to a single arbitrator, the arbitration panel shall consist of three disinterested and independent arbitrators. In that event, the two arbitrators nominated by the Dispute Parties shall nominate the third disinterested and independent arbitrator to serve with them. In the event the two arbitrators fail for any reason to name the third arbitrator within seven days, the AAA shall name the third arbitrator. In any event, such third arbitrator shall serve as chairperson of the arbitration panel. Notwithstanding the foregoing, the Rules shall govern the selection and number of arbitrators for any Dispute governed by the Emergency Measures of Protection or Expedited Procedures provisions of the Rules, or both.

(b) Rules; Federal Question; Choice of Law. Except as the Dispute Parties may subsequently agree otherwise in writing, the arbitration shall be conducted and enforced in accordance with the Commercial Arbitration Rules and Mediation Procedures (the “Rules”) of the (“AAA”), as such Rules may be modified by this Compact, the Federal Arbitration Act, and to the extent not preempted by the Federal Arbitration Act, the Kansas Uniform Arbitration Act. The Parties agree and acknowledge that judicial resolution and enforcement of any Dispute or a settlement or arbitration decision issued hereunder with respect thereto, involves questions of federal law. The law governing any Dispute shall be limited to applicable federal law, the common law of the United States, and Kansas law, in that order and without reference to internal conflicts of laws principles.

(c) Proceedings. Any arbitration shall be conducted at a place designated by the arbitration panel in Topeka, Kansas or any other location as the Dispute
Parties may mutually agree in writing. Except for proceedings governed by the Rules on “Emergency Measures of Protection” or by the “Expedited Procedures” contemplated by the Rules, if applicable, the arbitration panel shall commence proceedings within 30 days of appointment of the final arbitrator, and hold proceedings providing each Dispute Party a fair opportunity to present its side of the Dispute, together with any documents or other evidence relevant to resolution of the Dispute. The arbitration decision shall be final and binding upon the Parties unless, during or following completion of the arbitration proceedings, the Dispute Parties have met and arrived at a different settlement of the Dispute. The arbitrators shall have the power to grant equitable or injunctive relief and specific performance of this Compact. The arbitrators shall not have the power to award monetary relief, including damages, penalties, or costs and expenses, including attorneys’ fees, to the extent not otherwise expressly permitted by the terms of this Compact. The Parties and the arbitrators shall maintain strict confidentiality with respect to the arbitration.

(d) Expenses. The reasonable expenses of Dispute resolution shall be paid equally by the Dispute Parties, who shall also pay their own expenses; provided, however, that any Dispute Party who (1) fails or refuses to submit to arbitration following a proper demand by any other Dispute Party, or (2) fails or refuses to voluntarily comply with the terms of any settlement or arbitration decision issued hereunder, shall bear all costs and expenses, including reasonable attorneys’ fees, incurred by such other Dispute Party in compelling arbitration of any Dispute or enforcing any settlement or arbitration decision.

(e) Enforcement. If enforcement of a settlement or arbitration decision becomes necessary by reason of failure of one or more Parties to implement its terms voluntarily, or if one of the Dispute Parties refuses to participate in arbitration as provided in this Section 7.02 and the other Dispute Party seeks enforcement of any provision of this Compact, the Parties agree that, subject to the limited waivers of sovereign immunity contained herein, the matter may be resolved by judicial resolution and enforcement and that venue for judicial resolution and enforcement shall be in the United States District Court for Kansas pursuant to the specific provisions of this Compact, in any other court of competent jurisdiction, and in any other court having appellate jurisdiction over any such court. In any such proceeding, service on any Dispute Party shall be effective if made by certified mail, return receipt requested to the address set forth in or otherwise designated pursuant to Section 8.06.

Section 7.03. Limited Waivers by Nation. The Nation hereby waives its sovereign immunity, its right to require exhaustion of tribal remedies, and its right to seek tribal remedies with respect to any Dispute, effective only if the Nation fails to implement the terms of a settlement or arbitration decision voluntarily or refuses to participate in arbitration, and subject to the following specific limitations:

(1) Limitation of Claims. The limited waiver granted pursuant to this Section 7.03 shall encompass (A) claims which seek monetary relief for direct
damages attributable to Nation’s breach of this Compact and for costs and expenses, including reasonable attorneys’ fees, to the limited extent provided in Section 7.02(d), (B) claims for equitable remedies, and (C) actions to compel Dispute resolution by arbitration or for enforcement of a settlement or arbitration decision as provided in this Article VII. Notwithstanding the foregoing or any other provision of this Compact to the contrary, such limited waiver shall in no event extend to or encompass claims which seek indirect, incidental, special, consequential, punitive, exemplary or reliance damages (including, without limitation, lost or anticipated revenues, lost business opportunities or lost Sales or profits, whether or not any Party has been advised of the likelihood of such damages) against Nation or any Nation Affiliate, and neither Nation nor any Nation Affiliate shall be liable for any such damages.

(2) **Time Period.** The limited waiver granted pursuant to this Section 7.03 shall commence upon the Effective Date of this Compact and shall continue until the date of its termination or cancellation pursuant to the terms of this Compact, except that the limited waiver shall remain effective for any proceedings then pending or initiated within 180 days following termination of this Compact for breach, and all permitted appeals therefrom.

(3) **Recipient of Waiver.** The limited waiver granted pursuant to this Section 7.03 is granted to and for the sole benefit of the State, and may not be assigned or granted to any other individual or entity.

(4) **No Revocation.** The Nation agrees not to revoke its limited waiver of sovereign immunity contained in this Section 7.03. In the event of any such revocation, the State may, at its option, declare this Compact terminated for breach by the Nation.

(5) **Limitation Upon Damages.** Any monetary award or awards against the Nation shall be limited, in the aggregate, to an amount equal to total tax revenues and gross profits actually received by the Nation or Nation Affiliates attributable to the Sale of Cigarettes during the term of this Compact.

(6) **Credit of the Nation and Nation Affiliates.** Except as otherwise expressly provided in this Section 7.03, the limited waiver granted pursuant to this Section 7.03 shall not implicate or in any way involve the credit of the Nation or any Nation Affiliate.

### Section 7.04. Limited Waiver by State

The State hereby waives its sovereign immunity, effective only if the State fails to implement the terms of a settlement or arbitration decision voluntarily or refuses to participate in arbitration pursuant to this Compact, subject to the following specific limitations:

(1) **Limitation of Claims.** The limited waiver granted pursuant to this Section 7.04 shall encompass (A) claims which seek monetary relief for direct damages attributable to State’s breach of this Compact and for costs and expenses, including reasonable attorneys’ fees, to the limited extent provided in Section 7.02(d), (B) claims for equitable remedies, and (C) actions to compel Dispute resolution by arbitration or for enforcement of a settlement or arbitration decision as provided in this Article VII. Notwithstanding the
foregoing or any other provision of this Compact to the contrary, such limited waiver shall in no event extend to or encompass claims which seek indirect, incidental, special, consequential, punitive, exemplary or reliance damages (including, without limitation, lost or anticipated revenues, lost business opportunities or lost Sales or profits, whether or not any Party has been advised of the likelihood of such damages) against the State, and the State shall not be liable for any such damages.

(2) **Time Period.** The limited waiver granted pursuant to this Section 7.04 shall commence upon the Effective Date of this Compact and shall continue until the later of the date of its termination or cancellation pursuant to the terms of this Compact or the date on which the State has no surviving obligations pursuant to Section 8.02 and no surviving payment obligations pursuant to Section 4.02(a), except that the limited waiver shall remain effective for any proceedings pending on such date or initiated within 180 days following termination of this Compact for breach, and all permitted appeals therefrom.

(3) **Recipient of Waiver.** The limited waiver granted pursuant to this Section 7.04 is granted to and for the sole benefit of the Nation (for itself and the other Nation Claim Parties), and may not be assigned or granted to any other individual or entity.

(4) **No Revocation.** The State agrees not to revoke its limited waiver of sovereign immunity contained in this Section 7.04. In the event of any such revocation, the Nation may, at its option, declare this Compact terminated for breach by the State.

THIRTY-THIRD DAY

SENATE CHAMBER, TOPEKA, KANSAS
Thursday, March 3, 2016, 2:30 p.m.

The Senate was called to order by President Susan Wagle.
The roll was called with 36 senators present
Senators Holland, Kerschen, McGinn and Powell were excused.
Invocation by Reverend Cecil Washington, Jr.:

Heavenly Father, God of ALL wisdom and UNFAILING love; would You now share fresh measures of Your limitless attributes with us? We are limited, needy creatures. Help us to discern, to absorb and to be reflections of Your wisdom and Your love. As You bring us together in these chambers, would You bring us together in Your Spirit? We need Your Spirit of Wisdom, Unity and Love to prevail…not just as a thought to put into this prayer, but as a principle to put into practice. And Lord, we’re asking for this in harmony with Your will. It is for Your glory, for our good and the good of those we’re responsible for. And according to 1 John 4:15, You promised to hear and answer when we pray that way. So, Lord, we look forward to the emergence and realization of Your blessings…today, tomorrow and on into the future. Again Lord, I thank You for hearing this prayer, and gratefully anticipate the future. In Jesus' Name, Amen.

A RESOLUTION recognizing Addison's Army Against Melanoma for its work educating and spreading awareness about melanoma skin cancer.

WHEREAS, During the summer of 2011, both Briana Cox and her newborn second child, Addison, were diagnosed with stage IV melanoma skin cancer. In a rare occurrence, the cancer had passed from mother to daughter during pregnancy. Briana lost her life to melanoma on February 12, 2012, at the age of 33, and was followed by Addison on August 8, 2013. Addison's Army Against Melanoma was formed to continue Briana's dream of fighting against melanoma skin cancer through education, advocacy and prevention; and

WHEREAS, Addison's Army Against Melanoma was formed by the following members: James Cox (President and Co-Founder); Kimberly Rubio (Vice-President and Co-Founder); Jessica Edgerle (Board Member); Elisha Snell (Board Member); Sarah Stotler (Secretary); and Gabriella Westfall (Treasurer); and

WHEREAS, Melanoma is the most dangerous type of skin cancer and the leading cause of death from skin disease. In addition to the surface of the skin, melanoma can also metastasize to organs, systems and structures in the body. However, melanoma can often be found early through monthly self-examinations of moles and routine cancer-related checkups by doctors or other health care professionals; and

WHEREAS, Three years ago, Addison's Army Against Melanoma started its Coloring Book Campaign, which is designed to bring the melanoma awareness message to young kids in Wichita, Kansas area schools. It teaches students, in an age-appropriate way, how to protect themselves against the dangers of sun exposure. Addison's Army started this program with 500 coloring books in just one school. Within three years, the project grew to over 40,000 coloring books in over 100 schools; and

WHEREAS, In both 2014 and 2015, Addison's Army Against Melanoma received a $25,000 Excellence in Education grant from State Farm Insurance to help double the number of coloring books in Kansas schools: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we recognize Addison's Army Against Melanoma for its work educating and spreading awareness about melanoma skin cancer; and

messages from the governor

house substitute for senate bill 161 – veto message from the governor

I want to thank the members of the legislature for their work in completing a budget bill at this relatively early stage of the session. As we all know, there is more work to be done, but this bill makes significant progress. I look forward to working with the legislature on the remaining issues before us.

Pursuant to Article 2, Section 14(b) of the Constitution of the State of Kansas, I hereby return House Substitute for Senate Bill 161 with my signature approving the bill, except for the items enumerated below.

Department of Commerce – STAR Bonds

sections 35(g) and 36(f) are vetoed in their entirety.

These provisions would bar any consideration or approval of STAR Bond projects in Wyandotte County until FY 2018. I do not believe there is any precedent for this kind of discrimination against one county in connection with economic development programs. The vetoed provisions here effectively would be repealed by the passage of other legislation containing certain STAR Bond reforms. My administration has been working with the legislature on those reforms and will continue to do so. I look forward to receiving acceptable legislation before the end of the session. In my view, this approach to reform is much preferred over that taken in this bill.

Department for Aging and Disability Service – Mental Health Screenings

Section 48(o) is vetoed in its entirety.

In October 2015, the Department for Aging and Disability Services discontinued its policy of requiring mental health screenings prior to admission to inpatient psychiatric beds at community hospitals and residential treatment facilities. The screenings were discontinued based on a threatened loss of funding from the federal government. The provision at issue here would return to the former policy, at a cost of $1.8 million. While that cost may be justified by the benefits to be obtained from the screenings, approving this provision could additionally jeopardize substantial federal funding of inpatient Medicaid services. I would be pleased to revisit this issue if the state receives new and different assurances from the federal government on the matter.

Senate Bill 250 – Veto Message from the Governor

For decades, our state government has been dealing with the serious decline in the condition of the Docking State Office Building. Docking served as the workplace for thousands of our state employees since 1957, and houses the energy center for the capitol complex, but is no longer a viable facility.
In April 2014, the Legislature passed and I signed Senate Bill 423, authorizing the demolition of Docking and the construction of a new energy center. Pursuant to my constitutional authority and obligation under Article 1, Section 3 of the state Constitution, my administration commenced the task of implementing this legislation. That work included the transfer of state employees out of Docking and into better office space and working conditions, the planned construction of a new energy center for the capitol complex, and other preparations for the eventual demolition of Docking. The building is expected to be vacant, with minor exceptions, by this summer, and the Department of Administration had entered into contracts to finance and construct the new energy center.

Early in this Legislative session, my administration was approached by members of the Legislature who believed the plans for Docking – in particular, the soon-to-be-commenced construction of the energy center – should be reexamined. I listened to their concerns, and at my direction the Department of Administration terminated the construction contract for the energy center on February 19, 2016. Because that contract already has been canceled, the provisions of this bill purporting to eliminate the funding appropriation for the contract are no longer necessary.

Accordingly, pursuant to Article 2, Section 14(a) of the Constitution of the State of Kansas, I hereby veto Senate Bill 250.

Dated: March 4, 2016
Signed: SAM BROWNBACK, Governor of Kansas

The Senate was called to order by Vice President Jeff King.
The roll was called with 40 senators present.
Vice President King introduced guest chaplain, Rabbi Debbie Stiel, Topeka, who delivered the following invocation:

Dear God. We, throughout Your world, call You by many different names, yet we are one humanity. We are created by You, each person intentionally created as someone unique and different but also so alike. Open our hearts to listen to each other, to care about the views we don't share. It is so easy to be firmly rooted in what we know, in how we think. But You have given us a world with multiple truths and many vantage points so that we might learn and grow. Help us, then, to hear the voice and the view across the aisle, and down the street, and in the next neighborhood or county. May we relish diversity and reach consensus through concern for the other. And as we listen to those who may be different from us, may we remember that once we heard You teach "don't stand idly by while your neighbor bleeds" and "plead for the poor, the widow and the orphan." May we harken especially to those who don't have someone here to speak their cause. You remind us that a society is judged by how it treats its least fortunate and its minorities. We ask your blessing, God, on our state leaders and all gathered here today. Bless them with courage and strength, with insight and with open hearts and minds in order to do Your work and to help make our society great. Amen

The Pledge of Allegiance was led by Vice President King.

Invocation by Reverend Cecil Washington, Jr.:

Heavenly Father, there are many voices coming at us. There are many who want to advise...who want to influence our decisions. Like puppets, there are those who want to pull our strings in one direction and then in another; wanting us to dance to their music. But Lord, unlike puppets that have no will of their own, You’ve given us the power to choose...to choose who or what we allow to pull our strings. Help us use that power wisely. We have a need to be tied...connected to You...guided by Your will, directed by Your Hands, dancing to the beat of Your drum. Whereas a puppet has no life of its own but reflects the life of the one in control, who is behind the scene, let Your life be reflected, even replicated in us. You said in Proverbs, 3:5 and 6, that in all our ways we should acknowledge You and You would direct our paths. So, as the puppeteer provides the script, giving personality and character to the puppet, do the same for us. Let the Script that You provide...the text of Your Holy Word, give us the life and guidance we need, shaping our persona and character. Let it be apparent, that in this decision making place, You are pulling the strings. In the name of Jesus, Amen and Amen

The Pledge of Allegiance was led by President Wagle.

As we gather today, we ask You to Divinely govern in all our affairs, individually and collectively. We know Lord, that none of us has a corner on all that is right or all that is good and at various times we will get off base. But when the results are tallied in our personal lives and in the lives of those we serve, bless us to see that we were sensitive to Your leading. **SENATE RESOLUTION No. 1776—**

A RESOLUTION recognizing the importance of meningococcal disease awareness and prevention.

WHEREAS, Meningococcal disease is any infection caused by the bacterium Neisseria meningitidis, or meningococcus. Although one in 10 people are carriers of this bacteria with no signs or symptoms of disease, sometimes Neisseria meningitidis bacteria can cause illness; and

WHEREAS, Meningococcal disease is spread from person to person via the exchange of the bacteria through respiratory and throat secretion during close or lengthy contact; and

WHEREAS, In the U.S., there are approximately 1,000 to 1,200 cases of meningococcal disease each year; and

WHEREAS, Ten to 15 percent of infected individuals will die, while 11 to 19 percent of those who live will suffer from serious morbidity, including loss of limbs and impacts to the nervous system; and

WHEREAS, Infants under one year of age, as well as young adults between the ages of 16 and 21, are most commonly impacted by this disease; and

WHEREAS, There are different strains or serogroups of Neisseria meningitidis, with serogroups B, C and Y accounting for most meningococcal diseases in the U.S.; and

WHEREAS, There have been several recent outbreaks of serogroup B meningococcal disease on college campuses, with some cases resulting in death; and

WHEREAS, Vaccines are available to prevent meningococcal disease, and there are different vaccines that provide coverage against certain specific serogroups of the disease; and
WHEREAS, While there are vaccines that help provide protection against all three serogroups commonly seen in the United States, only the vaccination for serogroups A, C, W and Y is routinely recommended by the Centers for Disease Control and Prevention; and

WHEREAS, The Centers for Disease Control and Prevention’s Advisory Committee on Immunization Practices recommends that decisions to vaccinate adolescents and young adults 16 through 23 years of age against serogroup B meningococcal disease should be made at the individual level with healthcare providers; and

WHEREAS, It is critical that students, parents, educators and healthcare providers understand the dangers of meningitidis B and are aware that a vaccine is available to prevent disease resulting from this serogroup: Now, therefore,

**EXPLANATION OF VOTE**

Mr. Vice President: I vote “Aye” on **Sub SB 428** as amended by the Committee of the Whole; an act relating to eyewitness identification. This is a good start towards insuring consistent identification standards when a witness is attempting to describe who or what they have seen to law enforcement and will result in more accurate suspect and/or evidence apprehension and utilization. These standards have been recommended and, in many cases, implemented in other States. The Judicial Council and Kansas Law Enforcement have studied this crucial issue and worked to assist in the development and training of easily implementable standards. According to the Innocence Project, almost 75% of wrongful convictions are due to so-called “eyewitnesses” giving inaccurate descriptions. **Sub SB 428** is a step towards reducing misidentifications and, subsequently, wrongful convictions. What a novel idea, Mr. Vice President! So novel, I wish that I had thought of it first and introduced it. (Oh, wait...actually I did! **SB 428** as originally introduced in 2016 and various bills over the last 6 years in this Kansas Senate.) Regardless of the unnecessary legislative delay, I am genuinely glad to see common sense legislation finally proceed that will improve public participation and accuracy in identification.—DAVID HALEY

**SB 459**, AN ACT concerning the state fire marshal; relating to certain license fees; amending K.S.A. 2015 Supp. 31-133a, 31-503 and 31-504 and repealing the existing sections.

On roll call, the vote was: Yeas 38; Nays 1; Present and Passing 0; Absent or Not Voting 1.

Nay: Tyson.

Absent or Not Voting: Kerschen.

Invocation by Reverend Cecil Washington, Jr.:

Lord, we got a text from You...a group text, saying we should love, honor and respect one another...1 Corinthians 13. You also sent us one in Romans 13:9 saying we should love and honor others as much as we love ourselves. But it seems like some of us didn’t get it...or we act like we didn’t read it. Sometimes Your Words seem really difficult and we don’t want to read them or we even delete them. Teach us to daily check our inbox to see what You have to say and help us see the difference between the life-saving value of Your messages versus the irrelevant, life wasting spam that daily bombards us. Show us the messages You want us to retrieve…to learn from, to meditate on and to put into practice. Finally, Lord, show us the Words You’d have us forward or repost to share with others. Thank You for seeing and meeting our need for Your guidance. I come to You in the precious name of Jesus, Amen

The Pledge of Allegiance was led by President Wagle.

INTRODUCTION OF BILLS AND CONCURRENT RESOLUTIONS

The following bill was introduced and read by title:

**SB 508**, AN ACT concerning income taxation; relating to determination of income; limiting certain modifications to business income; amending K.S.A. 2015 Supp. 79-32,117 and repealing the existing section, by Committee on Assessment and Taxation.

REPORTS OF STANDING COMMITTEES

Committee on Corrections and Juvenile Justice recommends **HB 2447**, as amended by House Committee, be amended on page 3, following line 36, by inserting:

"Sec. 2. K.S.A. 2015 Supp. 75-5217 is hereby amended to read as follows: 75-5217. (a) At any time during release on parole, conditional release or postrelease supervision, the secretary of corrections may issue a warrant for the arrest of a released inmate for violation of any of the conditions of release, or a notice to appear to answer to a charge of violation. Such notice shall be served personally upon the released inmate. The warrant shall authorize any law enforcement officer to arrest and deliver the released inmate to a place as provided by subsection (g). Any parole officer may
arrest such released inmate without a warrant, or may deputize any other officer with power of arrest to do so by giving such officer a written or verbal arrest and detain order setting forth that the released inmate, in the judgment of the parole officer, has violated the conditions of the inmate's release. A written arrest and detain order delivered to the official in charge of the institution or place to which the released inmate is brought for detention shall be sufficient warrant for detaining the inmate. After making an arrest the parole officer shall present to the detaining authorities a similar arrest and detain order and statement of the circumstances of violation. Pending a hearing, as provided in this section, upon any charge of violation the released inmate shall remain incarcerated in the institution or place to which the inmate is taken for detention.

(b) Upon such arrest and detention, the parole officer shall notify the secretary of corrections, or the secretary's designee, within five days and shall submit in writing a report showing in what manner the released inmate had violated the conditions of release. After such notification is given to the secretary of corrections, or upon an arrest by warrant as herein provided and the finding of probable cause pursuant to procedures established by the secretary of a violation of the released inmate's conditions of release, the secretary or the secretary's designee may cause the released inmate to be brought before the prisoner review board, its designee or designees, for a hearing on the violation charged, under such rules and regulations as the board may adopt, or may dismiss the charges that the released inmate has violated the conditions of release and order the released inmate to remain on parole, conditional release or post release supervision. A dismissal of charges may be conditioned on the released inmate agreeing to the withholding of credit for the period of time from the date of the issuance of the secretary's warrant and the offender's arrest or return to Kansas as provided by subsection (f). It is within the discretion of the board whether such hearing requires the released inmate to appear personally before the board when such inmate's violation results from a conviction for a new felony or misdemeanor. An offender under determinate sentencing whose violation does not result from a conviction of a new felony or misdemeanor may waive the right to a final revocation hearing before the board under such conditions and terms as may be prescribed by rules and regulations promulgated by the secretary of corrections. Relevant written statements made under oath shall be admitted and considered by the board, its designee or designees, along with other evidence presented at the hearing. If the violation is established to the satisfaction of the board, the board may continue or revoke the parole or conditional release, or enter such other order as the board may see fit. The revocation of release of inmates who are on a specified period of postrelease supervision shall be for a six-month period of confinement from the date of the revocation hearing before the board or the effective date of waiver of such hearing by the offender pursuant to rules and regulations promulgated by the board, if the violation does not result from a conviction for a new felony or misdemeanor. Such period of confinement may be reduced by not more than three months based on the inmate's conduct, work and program participation during the incarceration period. The reduction in the incarceration period shall be on an earned basis pursuant to rules and regulations adopted by the secretary of corrections.

(c) If the violation results from a conviction for a new felony, upon revocation, the inmate shall serve a period of confinement, to be determined by the prisoner review board, which shall not exceed the remaining balance of the period of postrelease supervision, even if the new conviction did not result in the imposition of a new term of
imprisonment.

(d) If the violation results from a conviction for a new misdemeanor, upon revocation, the inmate shall serve a period of confinement, to be determined by the prisoner review board, which shall not exceed the remaining balance of the period of postrelease supervision.

(e) In the event the released inmate reaches conditional release date as provided by K.S.A. 22-3718, and amendments thereto, after a finding of probable cause, pursuant to procedures established by the secretary of corrections of a violation of the released inmate's conditions of release, but prior to a hearing before the prisoner review board, the secretary of corrections shall be authorized to detain the inmate until the hearing by the board. The secretary shall then enforce the order issued by the board.

(f) If the secretary of corrections issues a warrant for the arrest of a released inmate for violation of any of the conditions of release and the released inmate is subsequently arrested in the state of Kansas, either pursuant to the warrant issued by the secretary of corrections or for any other reason, the released inmate's sentence shall not be credited with the period of time from the date of the issuance of the secretary's warrant to the date of the released inmate's arrest, except as provided by subsection (i).

If a released inmate for whom a warrant has been issued by the secretary of corrections for violation of the conditions of release is subsequently arrested in another state, and the released inmate has been authorized as a condition of such inmate's release to reside in or travel to the state in which the released inmate was arrested, and the released inmate has not absconded from supervision, the released inmate's sentence shall not be credited with the period of time from the date of the issuance of the warrant to the date of the released inmate's arrest, except as provided by subsection (i). If the released inmate for whom a warrant has been issued by the secretary of corrections for violation of the conditions of release is subsequently arrested in another state for reasons other than the secretary's warrant and the released inmate does not have authorization to be in the other state or if authorized to be in the other state has been charged by the secretary with having absconded from supervision, the released inmate's sentence shall not be credited with the period of time from the date of the issuance of the warrant by the secretary to the date the released inmate is first available to be returned to the state of Kansas, except as provided by subsection (i). If the released inmate for whom a warrant has been issued by the secretary of corrections for violation of a condition of release is subsequently arrested in another state pursuant only to the secretary's warrant, the released inmate's sentence shall not be credited with the period of time from the date of the issuance of the secretary's warrant to the date of the released inmate's arrest, regardless of whether the released inmate's presence in the other state was authorized or the released inmate had absconded from supervision, except as provided by subsection (i).

The secretary may issue a warrant for the arrest of a released inmate for violation of any of the conditions of release and may direct that all reasonable means to serve the warrant and detain such released inmate be employed including, but not limited to, notifying the federal bureau of investigation of such violation and issuance of warrant and requesting from the federal bureau of investigation any pertinent information it may possess concerning the whereabouts of the released inmate.

(g) Law enforcement officers shall execute warrants issued by the secretary of corrections, and shall deliver the inmate named in the warrant to the jail used by the
county where the inmate is arrested unless some other place is designated by the secretary, in the same manner as for the execution of any arrest warrant.

(h) For the purposes of this section, an inmate or released inmate is an individual under the supervision of the secretary of corrections, including, but not limited to, an individual on parole, conditional release, postrelease supervision, probation granted by another state or an individual supervised under any interstate compact in accordance with the provisions of the uniform act for out-of-state parolee supervision, K.S.A. 22-4101 et seq., and amendments thereto.

(i) Time not credited to the released inmate's sentence pursuant to subsection (f) shall be credited if the violation charges are dismissed without an agreement providing otherwise or the violations are not established to the satisfaction of the board.;

Schmidt, Smith, Tyson, Wagle, Wilborn and Wolf introduced the following Senate resolution, which was read:

SENATE RESOLUTION No. 1777—

A RESOLUTION commemorating the 75th Anniversary of Civil Air Patrol.

WHEREAS, Civil Air Patrol (CAP) was founded on December 1, 1941, by a fledgling group of volunteers led by civilian pilots who flew their own planes, at their own expense, to support the Allied Powers' efforts in World War II. After the United States became involved in the war, Civil Air Patrol primarily flew reconnaissance missions near the country's coasts to protect cargo ships, especially vital oil tankers that were being sunk at such an alarming rate that it would, according to U.S. Army Chief of Staff Gen. George Marshall, "threaten our entire war effort"; and

WHEREAS, So many submarines were spotted by these "subchasers" that a decision was soon made by the military to arm the light aircraft with small bombs and the larger aircraft with 325-pound depth bombs, putting these brave civilians at great risk, as they were often flying 100 miles or more from shore in unpredictable weather; and

WHEREAS, Over the next year and a half, these subchasers played an integral role in the defense of America's home front during World War II, spotting 143 German submarines, attacking 57 while directing shore-based fighting units to their targets and forcing the enemy to move farther offshore; and

WHEREAS, The wartime effort, which included border patrol operations, search and rescue, disaster relief, forest fire patrol, emergency transportation of personnel and critical cargo and towing of practice targets for the U.S. military, also resulted in the
loss of 26 coastal patrol members and 90 aircraft in the war's beginning stages, as well as the loss of 150 aircraft and 66 deaths by the war's end; and

WHEREAS, Civil Air Patrol's work on the coast was heralded as a great success, prompting President Harry S. Truman to sign Public Law 476 in 1946, which chartered CAP as a benevolent, nonprofit organization, and nearly two years later, in 1948, the Congress of the United States passed Public Law 557, permanently establishing CAP as the official auxiliary of the U.S. Air Force with the three primary missions of Emergency Services, Cadet Programs and Aerospace Education; and

WHEREAS, Since that auspicious beginning, a modern day Civil Air Patrol has emerged to become one of the nation's premier humanitarian service organizations, saving lives, finding those who are lost, helping fellow citizens in times of disaster, working to keep America safe, preparing future leaders, offering aerospace education to inspire our nation's youth and honoring our military; and

WHEREAS, Civil Air Patrol, forged by a late-century revolution in search and rescue technology, became known worldwide for its unique emergency services operations and for performing vital search and rescue, disaster relief and other important emergency missions for what now numbers more than 1,400 communities across the United States, the District of Columbia and Puerto Rico; and

WHEREAS, Civil Air Patrol, supported by the world's largest fleet of single-engine aircraft equipped with high-technology tools like full-motion video, infrared cameras and glass cockpit instrumentation, has established itself among the nation's search and rescue elite, now participating in up to 90% of the Air Force's inland search and rescue missions; and

WHEREAS, Civil Air Patrol has more than 8,000 air crew members and 30,000 emergency responders trained to Federal Emergency Management Agency standards; has contributed free services valued at $164 million in 2015 by serving the disaster relief and emergency service needs of communities in the United States, the District of Columbia and Puerto Rico; has saved thousands of lives in its 75-year history; and has a fleet of more than 950 emergency services vehicles for training and mission support; and

WHEREAS, A top resource for disaster relief, Civil Air Patrol is often first on the scene, providing aerial photography and damage assessment to help emergency officials pinpoint critical infrastructure needs in real time as well as ground team support, often providing door-to-door services, which include water, food and supply delivery, and sometimes even laundry services, for victims; and

WHEREAS, Recent high-visibility Civil Air Patrol missions have included responses to tornadoes that have ravaged communities across America, forest fires in numerous states, tsunamis on the Hawaiian and Pacific coasts, hurricanes Katrina and Sandy, wildfires in the Southwest, floods in the Midwest, the September 11th terrorist attacks and counterdrug missions across the nation that have helped remove over $1 billion in illegal drugs from our communities; and

WHEREAS, The aircraft of Civil Air Patrol were the only nonmilitary planes allowed in the skies over the U.S. in the immediate aftermath of the September 11th terrorist attacks, and CAP has since performed admirably in other homeland security missions, including responding to the Deepwater Horizon oil spill in the Gulf of Mexico, a continuous 118-day effort, by taking the tens of thousands of aerial photographs necessary for assessing environmental damage, deploying containment
assets and successfully working side by side with numerous state and federal agencies, all the while saving the federal government an estimated $22 to $38 million for these services; and

WHEREAS, Civil Air Patrol sets the world standard for volunteer aviation emergency services, prompting other nations, like Denmark and the United Kingdom, to use the CAP model to establish or improve their own similar volunteer programs; and

WHEREAS, Civil Air Patrol's youth program currently includes more than 24,000 cadets who benefit from a curriculum that trains them to be leaders; offers them opportunities for flight, including pilot training; and teaches emergency services techniques, including lifesaving; and

WHEREAS, Civil Air Patrol reaches tens of thousands of the country's school-aged children and their teachers through a comprehensive selection of academic programs that stress the STEM subjects of science, technology, engineering and math, in addition to programs that encourage a drug-free lifestyle; and

WHEREAS, Civil Air Patrol's membership includes more than 475 chaplains who fulfill critical needs for deployed U.S. military chaplains and provide counseling services for soldiers and their families, as well as disaster victims; and

WHEREAS, In its partnership with Wreaths Across America, Civil Air Patrol annually honors military veterans by helping sponsor and place tens of thousands of wreaths at the graves of fallen soldiers at U.S. cemeteries nationwide and overseas; and

WHEREAS, Civil Air Patrol is celebrating 75 years of performing these "Missions for America": Now, therefore,

Be it resolved by the Senate of the State of Kansas:

That we commend and celebrate the 75th Anniversary of Civil Air Patrol and honor the men and women who have served, and those who continue to serve, their fellow citizens through Civil Air Patrol, a noble and patriotic organization; and

Be it further resolved: That the Secretary of the Senate shall send an enrolled copy of this resolution to Senator Petersen.

On emergency motion of Senator Petersen SR 1777 was adopted by voice vote.

Invocation by Reverend Cecil Washington, Jr.:

Heavenly Father, every day that You give us is a new one…with new challenges. You give us new opportunities to address old issues. In Lamentations 3:22-23, it says Your mercies are new every day and Your compassion does not fail. So, Father, on this new day, as we tussle with new and old concerns, give us a new portion of Your wisdom…a new amount of determination to serve as Your instruments of right and righteousness. In Your faithfulness toward these servants, give us a new resolve to be definite expressions of Your will rather than our own. Like the songwriter, help us declare, “Great Is Your Faithfulness, O God my Father. There is no shadow of turning with Thee; Thou changest not, Thy compassion, they fail not; As Thou hast been Thou forever wilt be. Great is Thy faithfulness! Great is Thy faithfulness! Morning by morning new mercies we see; All we have needed Thy hand hath provided, Great is Thy faithfulness, Lord, unto me!” Thank You Father, that as You give us a new day, You give us a new reminder that we can trust Your faithfulness. I come to You in the name of Christ Jesus, Amen

A RESOLUTION commemorating Osawatomie State Hospital's 150th Anniversary.

WHEREAS, On January 14, 1863, during his inaugural address to the Kansas Legislature, Governor Thomas Carney referred to article VII, section 1 of the constitution of the state of Kansas, which encourages the establishment of benevolent institutions for the mentally ill. Governor Carney challenged the legislators, stating, "This appeals directly to you and, as you are able, you will respond to the appeal. illnesses were unknown and mentally ill individuals were often treated with merciless cruelty, Dr. Gause fervently believed that the mentally ill could be cured and approached his patients with a sympathetic and humanitarian outlook; and

WHEREAS, By 1912, the Osawatomie State Hospital sprawled over 1,003 acres of land and was composed of numerous stately buildings that could serve more than 1,000 patients; and

WHEREAS, Throughout the 150 years of the Osawatomie State Hospital's history, the interest or apathy of Kansas citizens has been reflected in the good and bad cycles of the hospital's care; and

WHEREAS, In 1948, Kansas citizens became angered over reports of widespread neglect and brutality towards the Osawatomie State Hospital's patients and the deplorable conditions of the hospital's facilities. The people of Kansas, through their elected legislators, demonstrated that they wanted state hospitals that could provide humane conditions and effective modern treatments. The governor and legislature quickly initiated a reform plan, and new training programs were established. Kansas went from 47th among the then 48 states to first place, in the nation, in mental health facilities and treatment; and

WHEREAS, With the help of its able and dedicated staff, Osawatomie State Hospital continues to provide its vital services to adults diagnosed with psychiatric disorders, regardless of their legal status or ability to pay. The hospital currently serves individuals from 36 counties in Kansas in collaboration with 12 Community Mental Health Centers: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we commemorate the 150th Anniversary of Osawatomie State Hospital and support its continuing mission to provide a safety net of mental health services for Kansans; and

Be it further resolved: That the Secretary of the Senate shall send three enrolled copies of this resolution to Senator Tyson.

On emergency motion of Senator Tyson SR 1779 was adopted by voice vote.

CHANGE OF REFERENCE

An objection having been made to HB 2567 appearing on the Consent Calendar, the President directed the bill be removed and placed on the calendar under the heading of General Orders.

ACTION ON VETO MESSAGES

Senator Wolf moved SB 250 be passed notwithstanding the Governor's veto.

SB 250 An act concerning the Joint committee on state building construction; reports of the secretary of administration.

Upon the showing of five hands a Call of the Senate was requested.

On roll call, the vote was: Yeas 26; Nays 13; Present and Passing 0; Absent or Not Voting 1.

Absent or Not Voting: Melcher.
The Call was lifted.
The veto was sustained.

EXPLANATION OF VOTE

Madam President: The contract regarding the Docking building may have been poorly conceived. Many people agree with that. However, the contract has been dissolved. It is over with. It is kaput. The parties to the contract are satisfied that there is nothing more. In caucus, we received information that if this veto override is successful, it could have a detrimental effect on the bond rating of Kansas. Some say that the odds of that happening is near zero. The bond attorneys who spoke to us said that the odds of a downgrade may not be great, but it is certainly a possibility and the issue will have to be addressed when the next bonds are sold. Since the contract is already nullified, and since there is a possibility of a Kansas downgrade that would cost the state millions of dollars; the logical conclusion is that there is another agenda at work behind the scenes. If the bond attorneys say that there is a risk, even small.....does it make sense to move forward on this veto override when the upside is non-existent and the downside, albeit not a large probability, is huge. Therefore, I vote “No” on this veto override of SB 250.
—STEVE ABRAMS

Senators Baumgardner, Fitzgerald, Olson and Pilcher-Cook request the record to show they concur with the "Explanation of Vote" offered by Senator Abrams on SB 250.

Madam President: SB 250 cannot impact our bond rating unless it impacts a debt subject to annual appropriation. It clearly doesn't. The Kansas Legislature has not and will not ever fail to appropriate money to pay state debts. SB 250 continues this commitment to pay our bills in full and on time by promising to pay any and all obligations to the state arising from the now canceled contract. Our attorneys, outside lawyers and the Administration itself, have promised us that the state has paid all obligations under the contract in full. Because this bill continues our solid commitment to meet the state's debt obligations today and in the future, I vote "Aye."—JEFF KING

Senators Haley, Holland, Holmes, Kelly, Lynn, Smith, Wilborn and Wolf request the record to show they concur with the "Explanation of Vote" offered by Senator King on SB 250.

ACTION ON VETO MESSAGES

Senator Denning moved to override the Governor's line item veto of Sections 35(g) and 36(f) of H Sub SB 161.

H Sub SB 161, Appropriation revisions for FY 2016, FY 2017 and FY 2018 for various state agencies.

On roll call, the vote was: Yeas 30; Nays 8; Present and Passing 1; Absent or Not Voting 1.

Present and Passing: Francisco.

Absent or Not Voting: Melcher.
A two-thirds constitutional majority having voted in favor of overriding the Governor's veto of Section 35(g) and Section 36(f) prevailed.

EXPLANATION OF VOTE

Madam President: While I applaud the efforts to regain the funds, and I believe that the proceeds of the STAR bonds district should go to the general fund thereby reducing the burden on Kansas taxpayers, I must take offense to the singling out of Wyandotte County for special negative attention. STAR bonds must be properly used and I vote "No" on the line item veto of H Sub SB 161.—STEVE FITZGERALD

Senator Haley requests the record to show he concurs with the "Explanation of Vote" offered by Senator Fitzgerald on H Sub for SB 161.

Madam President: I vote “No” on the motion to override the governor's line item veto on H Sub SB 161 regarding Star Bonds. Singling Wyandotte County out undermines the success that the Star Bond tool has brought to Wyandotte County. Wyandotte County is the only county that has successfully used this economic tool to bring major tourist attractions to Kansas along with millions of dollars of private investment and thousands of new jobs. This legislature should be very cautious in changing an economic development tool that is working. This tool has already been amended 5 times in the last 12 years.—PAT PETTEY

LINE ITEM VETO SUSTAINED

President Wagle announced the time had arrived for reconsideration of the Governor's line item veto of Section 48(o) of H Sub SB 161.

No motion having been offered to reconsider, President Wagle announced the Governor's line item veto on Section 48(o) was sustained.

Absent or Not Voting: King, Melcher.

EXPLANATION OF VOTE

Madam President: I vote “Aye” on the amendment to strike certain language from HCR 5024 that urges the President of the United States to abandon the threatened transfer of terrorist detainees to Fort Leavenworth. There is no substantiation for the accusations that the President of the United States has disregarded the wishes or the safety of the people of Kansas nor that this President has demonstrated a willingness to violate American law nor that the President has continuously sought to weaken our standing in the world. Without such substantiation it is reckless to make such accusations against our Commander-in-Chief and does nothing to advance the interest of the people of Kansas in asking for thoughtful consideration from our President. I urge the body to engage in civil discourse and to reject the kind of incendiary statements like those that are being made in this resolution.—DAVID HALEY

Invocation by Reverend Cecil Washington, Jr.:

Heavenly Father, You’ve chosen to bring Your influence into our lives through different human authorities, that we may lead peaceful, quiet, Godly lives. You said in 1 Timothy 2:1-4, that it would be good and pleasing to You, for us to pray…to pray for all of those You have placed in positions of authority. In addition to those You have elevated in the political realm, we’re blessed to honor and pray for those in authority in the spiritual realm. You’ve blessed us to have several Pastors present today. You also said in Hebrews 13:17 that we should obey and submit to our spiritual leaders because You have them keeping watch over our souls, guarding our spiritual welfare. So, Lord, as we pray for them, keep us reminded of the tremendous weight of responsibility they carry. Help us, as congregants, to contribute to the joy, rather than the frustration of their leadership, realizing that if we make things difficult for them, You said we would make things difficult for ourselves. Help us to ease their burdens. And even when we do mess up…even when we don’t cooperate with our Pastors, help them to not take it personally. Clarify things for them, as You did for Your Prophet in 1 Samuel 8:7. You told that man of God that it wasn’t him they were rejecting but it was You. So, again Lord, please encourage all of our leaders. Bless all of those with authoritative responsibilities; domestically, for our homes; politically, for our government and spiritually, for our souls. I come to You in the precious name of Jesus, Amen and Amen

The Pledge of Allegiance was led by Vice President King.

"Sec. 2. K.S.A. 2015 Supp. 12-17,164 is hereby amended to read as follows: 12-17,164. (a) The governing body of a city may establish one or more STAR bond projects in any area within such city or wholly outside the boundaries of such city. A STAR bond project wholly outside the boundaries of such city must be approved by the board of county commissioners by the passage of a county resolution.
The governing body of a county may establish one or more STAR bond projects in any unincorporated area of the county.
The projects shall be eligible for financing by special obligation bonds payable from revenues described by subsection (a)(1) of K.S.A. 2015 Supp. 12-17,169(a)(1), and amendments thereto.

(b) Each STAR bond project shall first be approved by the secretary, if the secretary determines that the proposed project or complex sufficiently promotes, stimulates and develops the general and economic welfare of the state as described in K.S.A. 2015 Supp. 12-17,160, and amendments thereto. The secretary, upon approving the project, may approve such financing in an amount not to exceed 50% of the total costs including all project costs and any other costs related to the project. The proceeds of such STAR bond financing may only be used to pay for incurred project costs.

(c) For a city proposing to finance a major motorsports complex pursuant to subsection (a)(1)(C) or (a)(1)(E) of K.S.A. 2015 Supp. 12-17,169(a)(1)(C) or (a)(1)(E), and amendments thereto, the secretary, upon approving the project, may approve such financing in an amount not to exceed 50% of the STAR bond project costs.

(d) The secretary may approve a STAR bond project located in a STAR bond project district established by a city prior to May 1, 2003.

(e) A project shall not be approved to any business that proposes to relocate its business from another area of the state into such city or county, for the purpose of consideration for a STAR bond project provided by K.S.A. 2015 Supp. 12-17,160 et seq., and amendments thereto.

(f) A project shall not be approved by the secretary if the market study required by K.S.A. 2015 Supp. 12-17,166(hh), and amendments thereto, indicates a substantial negative impact upon businesses in the project or complex market area or the granting of such project or complex would cause a default in the payment of any outstanding special obligation bond payable from revenues authorized pursuant to subsection (a)(1) of K.S.A. 2015 Supp. 12-17,169(a)(1), and amendments thereto.

(g) The maximum maturity of special obligation bonds payable primarily from revenues described by subsection (a)(1) of K.S.A. 2015 Supp. 12-17,169(a)(1), and amendments thereto, to finance STAR bond projects pursuant to this section shall not exceed 20 years.

The secretary may provide for reasonable financial penalties for the failure to meet such time frames and milestones. For all STAR bond project districts established after July 1, 2016, the failure of a project to be completed by the deadline established by the secretary shall result in automatic and immediate reversion to the state of Kansas of title to all real estate and any improvements thereon acquired or paid with STAR bond proceeds.

(i) Prior to approving a STAR bond project plan, the secretary shall complete an internal review of the overall viability of the project, and after consulting with the secretary of revenue, an assessment and certification of the impact of the project on sales tax revenues into the state general fund. Included in this review shall be an assessment of the private financing components of the STAR bond project.

(j) The secretary may condition approval of any application for STAR bond project financing on:

(1) The state retaining a reversionary interest in any real property acquired with STAR bond proceeds; and

(2) a requirement that up to 10% of any STAR bond proceeds be placed into escrow until any conditions imposed by the secretary have been met.

(k) Prior to approving a STAR bond project plan, the secretary shall require project developers to demonstrate private sector funding sufficient to fund 51% of the project costs. The secretary may require a reasonable portion of such funds to be placed into escrow as a condition of approving the project and that a percentage of such funds placed into escrow be forfeited to the state of Kansas as a penalty for failure to meet funding requirements set by the secretary. The secretary shall adopt rules and regulations to implement the provisions of this subsection no later than July 1, 2017.

As a condition of approving a project or the project financing, the secretary may require that the state retain a proportional carried equity interest in land and buildings to be financed by the proceeds of STAR bonds and receive a percentage of gross receipts received by the developer or developers until the STAR bonds have been repaid. The equity interest and percentage of gross receipts to be retained by the state of Kansas shall be based on the state sales and use tax portion of the funding for the project. Upon the state recovering the portion of the project financed with state sales taxes, the developer or developers shall have a right of first refusal to purchase the state's carried equity interest at a strike price or fair market value, whichever is greater. The secretary shall adopt rules and regulations to implement the provisions of this paragraph no later than July 1, 2017.

Sec. 3. K.S.A. 2015 Supp. 12-17,166 is hereby amended to read as follows: 12-17,166. (a) One or more projects may be undertaken by a city or county within an established STAR bond project district. Any city or county proposing to undertake a STAR bond project, shall prepare a STAR bond project plan in consultation with the planning commission of the city, and in consultation with the planning commission of the county, if any, if such project is located wholly outside the boundaries of the city. Any such project plan may be implemented in separate development stages.

(b) Any city or county proposing to undertake a STAR bond project within a STAR bond project district established pursuant to K.S.A. 2015 Supp. 12-17,165, and amendments thereto, shall prepare a feasibility study. The feasibility study shall contain
the following:
(1) Whether a STAR bond project's revenue and tax increment revenue and other available revenues under K.S.A. 2015 Supp. 12-17,169, and amendments thereto, are expected to exceed or be sufficient to pay for the project costs;
(2) the effect, if any, a STAR bond project will have on any outstanding special obligation bonds payable from the revenues described in K.S.A. 2015 Supp. 12-17,169, and amendments thereto;
(3) a statement of how the jobs and taxes obtained from the STAR bond project will contribute significantly to the economic development of the state and region;
(4) visitation expectations;
(5) the unique quality of the project;

   (A) The economic impact, market and market impact studies required by K.S.A. 12-17,166(b)(6), (7) and (8), and amendments thereto, shall be commissioned and directed by the secretary and conducted by an independent economic consultant selected by the secretary. Prior to the secretary initiating the process of selecting and engaging an independent economic consultant for the economic impact, market and market impact studies, the secretary and the city or county proposing to undertake the STAR bond project shall consult for the limited purpose of determining an acceptable range of fees or costs for such studies; and

The failure to include all information enumerated in this subsection in the feasibility study for a STAR bond project shall not affect the validity of bonds issued pursuant to this act.

(c) If the city or county determines the project is feasible, the project plan shall include:

(1) A summary of the feasibility study done as defined in subsection (b) of this section, and amendments thereto;

(2) a reference to the district plan established under K.S.A. 2015 Supp. 12-17,165, and amendments thereto, that identifies the project area that is set forth in the project plan that is being considered;

(6) a description of the proposed competitive bid process to be used for construction of the STAR bond project; and

(7) any other information the governing body of the city or county deems necessary to advise the public of the intent of the project plan.

(d) A copy of the STAR bond project plan prepared by a city shall be delivered to the board of county commissioners of the county and the board of education of any school district levying taxes on property within the STAR bond project area. A copy of the STAR bond project plan prepared by a county shall be delivered to the board of education of any school district levying taxes on property within the STAR bond project area.

(e) Upon a finding by the planning commission that the STAR bond project plan is consistent with the intent of the comprehensive plan for the development of the city, and a finding by the planning commission of the county, if any, with respect to a STAR bond project located wholly outside the boundaries of the city, that the STAR bond project plan is consistent with the intent of the comprehensive plan for the development of the county, the governing body of the city or county shall adopt a resolution stating that the city or county is considering the adoption of the STAR bond project plan. Such resolution shall:

(1) Give notice that a public hearing will be held to consider the adoption of the STAR bond project plan and fix the date, hour and place of such public hearing;

(2) describe the boundaries of the STAR bond project district within which the STAR bond project will be located and the date of establishment of such district;

The resolution shall be published once in the official city or county newspaper not less than one week nor more than two weeks preceding the date fixed for the public hearing. A sketch clearly delineating the area in sufficient detail to advise the reader of the particular land proposed to be included within the STAR bond project area shall be published with the resolution.

(3) At the public hearing, a representative of the city or county shall present the city's or county's proposed STAR bond project plan. Following the presentation of the STAR bond project area, all interested persons shall be given an opportunity to be heard. The governing body for good cause shown may recess such hearing to a time and date certain, which shall be fixed in the presence of persons in attendance at the hearing.

(g) The public hearing records and feasibility study shall be subject to the open records act, K.S.A. 45-215, and amendments thereto.

(h) Upon conclusion of the public hearing, the governing body may adopt the STAR bond project plan by ordinance or resolution passed upon a two-thirds vote of the members.

(i) After the adoption by the city or county governing body of a STAR bond project plan, the clerk of the city or county shall transmit a copy of the description of the land within the STAR bond project district, a copy of the ordinance or resolution adopting the plan and a map or plat indicating the boundaries of the district to the clerk, appraiser and treasurer of the county in which the district is located and to the governing bodies of the county and school district which levy taxes upon any property in the district. Such documents shall be transmitted following the adoption or modification of the plan or a revision of the plan on or before January 1 of the year in which the increment is first allocated to the taxing subdivision.

(j) If the STAR bond project plan is approved, the feasibility study shall be supplemented to include a copy of the minutes of the governing body meetings of any city or county whose bonding authority will be utilized in the STAR bond project, evidencing that a STAR bond project plan has been created, discussed and adopted by the city or county in a regularly scheduled open public meeting.

(k) Any substantial changes as defined in K.S.A. 2015 Supp. 12-17,162, and amendments thereto, to the STAR bond project plan as adopted shall be subject to a public hearing following publication of notice thereof at least twice in the official city
or county newspaper.

(1) Any STAR bond project shall be completed within 20 years from the date of the approval of the STAR bond project plan, unless an earlier completion deadline is set by the secretary pursuant to K.S.A. 2015 Supp. 12-17,164, and amendments thereto. The maximum maturity on bonds issued to finance projects pursuant to this act shall not exceed 20 years.

(m) Kansas resident employees shall be given priority consideration for employment in construction projects located in a STAR bond project area.

(n) Any developer of a STAR bond project shall commence work on the project within two years from the date of adoption of the STAR bond project plan, unless an earlier project initiative deadline is set by the secretary pursuant to K.S.A. 2015 Supp. 12-17,164, and amendments thereto. Should the developer fail to commence work on the STAR bond project within the two-year applicable period, funding for such project shall cease and the developer of such project or complex shall have one year to appeal to the secretary for reapproval of such project and the funding for it. Should the project be reapproved, the two-year applicable period for commencement shall apply.

Sec. 4. K.S.A. 2015 Supp. 12-17,169 is hereby amended to read as follows: 12-17,169. (a) (1) Any city or county shall have the power to issue special obligation bonds in one or more series to finance the undertaking of any STAR bond project in accordance with the provisions of this act. Such special obligation bonds shall be made payable, both as to principal and interest:

(A) If approved by the secretary, from revenues of the city or county derived from or held in connection with the undertaking and carrying out of any STAR bond project or projects under this act including historic theater sales tax increments;

(B) from any private sources, contributions or other financial assistance from the state or federal government;

(C) from a pledge of 100% of the tax increment revenue received by the city from any local sales and use taxes, including the city’s share of any county sales tax, which are collected from taxpayers doing business within that portion of the city’s STAR bond project district established pursuant to K.S.A. 2015 Supp. 12-17,165, and amendments thereto, occupied by a STAR bond project, except for amounts committed to other uses by election of voters or pledged to bond repayment prior to the approval of the STAR bond project;

(D) at the option of the county in a city STAR bond project district, from a pledge of all of the tax increment revenues received by the county from any local sales and use taxes which are collected from taxpayers doing business within that portion of the city’s STAR bond project district established pursuant to K.S.A. 2015 Supp. 12-17,165, and amendments thereto, except for amounts committed to other uses by election of voters or pledged to bond repayment prior to the approval of a STAR bond project;

(E) in a county STAR bond project district, from a pledge of 100% of the tax increment revenue received by the county from any county sales and use tax, but excluding any portions of such taxes that are allocated to the cities in such county pursuant to K.S.A. 12-192, and amendments thereto, which are collected from taxpayers doing business within that portion of the county’s STAR bond project district established pursuant to K.S.A. 2015 Supp. 12-17,165, and amendments thereto, occupied by a STAR bond project;

(F) from a pledge of all of the tax increment revenue received from any state sales
taxes which are collected from taxpayers doing business within that portion of the city's or county's STAR bond project district occupied by a STAR bond project;

(G) at the option of the city or county and with approval of the secretary, from all or a portion of the transient guest tax of such city or county;

(H) at the option of the city or county and with approval of the secretary, (i) from a pledge of all or a portion of increased revenue received by the city or county from franchise fees collected from utilities and other businesses using public right-of-way within the STAR bond project district; or (ii) from a pledge of all or a portion of the revenue received by a city or county from local sales taxes or local transient guest and local use taxes; or

(I) by any combination of these methods.

The city or county may pledge such revenue to the repayment of such special obligation bonds prior to, simultaneously with, or subsequent to the issuance of such special obligation bonds.

(2) Bonds issued under paragraph (1) of this subsection (a)(1) shall not be general obligations of the city or the county, nor in any event shall they give rise to a charge against its general credit or taxing powers, or be payable out of any funds or properties other than any of those set forth in paragraph (1) of this subsection (a)(1) and such bonds shall so state on their face.

(3) Bonds issued under the provisions of paragraph (1) of this subsection (a)(1) shall be special obligations of the city or county and are declared to be negotiable instruments. Such bonds shall be executed by the mayor and clerk of the city or the chairperson of the board of county commissioners and the county clerk and sealed with the corporate seal of the city or county. All details pertaining to the issuance of such special obligation bonds and terms and conditions thereof shall be determined by ordinance of the city or by resolution of the county.

All special obligation bonds issued pursuant to this act and all income or interest therefrom shall be exempt from all state taxes. Such special obligation bonds shall contain none of the recitals set forth in K.S.A. 10-112, and amendments thereto. Such special obligation bonds shall, however, contain the following recitals: (i) The authority under which such special obligation bonds are issued; (ii) such bonds are in conformity with the provisions, restrictions and limitations thereof; and (iii) that such special obligation bonds and the interest thereon are to be paid from the money and revenue received as provided in paragraph (1) of this subsection (a)(1).

(4) Any city or county issuing special obligation bonds under the provisions of this act may refund all or part of such issue pursuant to the provisions of K.S.A. 10-116a, and amendments thereto.

(b) (1) Subject to the provisions of paragraph (2) of this subsection (b)(2), any city shall have the power to issue full faith and credit tax increment bonds to finance the undertaking, establishment or redevelopment of any major motorsports complex, as defined in subsection (k) of K.S.A. 2015 Supp. 12-17,162(m), and amendments thereto. Such full faith and credit tax increment bonds shall be made payable, both as to principal and interest: (A) From the revenue sources identified in paragraph (1) of subsection (a)(1) or by any combination of these sources; and (B) subject to the provisions of paragraph (2) of this subsection (b)(2), from a pledge of the city’s full faith and credit to use its ad valorem taxing authority for repayment thereof in the event all other authorized sources of revenue are not sufficient.
(2) Except as provided in paragraph (3) of this subsection (b)(3), before the governing body of any city proposes to issue full faith and credit tax increment bonds as authorized by this subsection, the feasibility study required by subsection (b) of K.S.A. 2015 Supp. 12-17,166(b), and amendments thereto, shall demonstrate that the benefits derived from the project will exceed the cost and that the income therefrom will be sufficient to pay the costs of the project. No full faith and credit tax increment bonds shall be issued unless the governing body states in the resolution required by subsection (e) of K.S.A. 2015 Supp. 12-17,166(e), and amendments thereto, that it may issue such bonds to finance the proposed STAR bond project. The governing body may issue the bonds unless within 60 days following the conclusion of the public hearing on the proposed STAR bond project plan a protest petition signed by 3% of the qualified voters of the city is filed with the city clerk in accordance with the provisions of K.S.A. 25-3601 et seq., and amendments thereto. If a sufficient petition is filed, no full faith and credit tax increment bonds shall be issued until the issuance of the bonds is approved by a majority of the voters voting at an election thereon. Such election shall be called and held in the manner provided by the general bond law. The failure of the voters to approve the issuance of full faith and credit tax increment bonds shall not prevent the city from issuing special obligation bonds in accordance with this section. No such election shall be held in the event the board of county commissioners or the board of education determines, as provided in K.S.A. 2015 Supp. 12-17,165, and amendments thereto, that the proposed STAR bond project district will have an adverse effect on the county or school district.

(3) As an alternative to paragraph (2) of this subsection (b)(2), any city which adopts a STAR bond project plan for a major motorsports complex, but does not state its intent to issue full faith and credit tax increment bonds in the resolution required by subsection (e) of K.S.A. 2015 Supp. 12-17,166(e), and amendments thereto, and has not acquired property in the STAR bond project area may issue full faith and credit tax increment bonds if the governing body of the city adopts a resolution stating its intent to issue the bonds and the issuance of the bonds is approved by a majority of the voters voting at an election thereon. Such election shall be called and held in the manner provided by the general bond law. The failure of the voters to approve the issuance of full faith and credit tax increment bonds shall not prevent the city from issuing special obligation bonds pursuant to paragraph (1) of subsection (a)(1). Any project plan adopted by a city prior to the effective date of this act in accordance with K.S.A. 12-1772, and amendments thereto, shall not be invalidated by any requirements of this act.

(4) During the progress of any major motorsports complex project in which the project costs will be financed, in whole or in part, with the proceeds of full faith and credit tax increment bonds, the city may issue temporary notes in the manner provided in K.S.A. 10-123, and amendments thereto, to pay the project costs for the major motorsports complex project. Such temporary notes shall not be issued and the city shall not acquire property in the STAR bond project area until the requirements of paragraph (2) or (3) of this subsection (b)(2) or (b)(3), whichever is applicable, have been met.

(5) Full faith and credit tax increment bonds issued under this subsection shall be general obligations of the city and are declared to be negotiable instruments. Such bonds shall be issued in accordance with the general bond law. All such bonds and all income or interest therefrom shall be exempt from all state taxes. The amount of the full
faith and credit tax increment bonds issued and outstanding which exceeds 3% of the assessed valuation of the city shall be within the bonded debt limit applicable to such city.

(6) Any city issuing full faith and credit tax increment bonds under the provisions of this subsection may refund all or part of such issue pursuant to the provisions of K.S.A. 10-116a, and amendments thereto.

c) For each project financed with special obligation bonds payable from the revenues described in subsection (a)(1), the city or county shall prepare and submit to the secretary by October 1 of each year, a report describing the status of any projects within such STAR bond project area, any expenditures of the proceeds of special obligation bonds that have occurred since the last annual report and any expenditures of the proceeds of such bonds expected to occur in the future, including the amount of sales tax revenue, how such revenue has been spent, the projected amount of such revenue and the anticipated use of such revenue. The department of commerce shall compile this information and submit a report annually to the governor and the legislature by February 1 of each year.

d) A city or county may use the proceeds of special obligation bonds or any uncommitted funds derived from sources set forth in this section to pay the bond project costs as defined in K.S.A. 2015 Supp. 12-17,162, and amendments thereto, to implement the STAR bond project plan.

e) With respect to a STAR bond project district established prior to January 1, 2003, for which, prior to January 1, 2003, the secretary made a finding as provided in subsection (a) of this section that a STAR bond project would create a major tourism area for the state, such special obligation bonds shall be payable both as to principal and interest, from a pledge of all of the revenue from any transient guest, state and local sales and use taxes collected from taxpayers as provided in subsection (a) of this section whether or not revenues from such taxes are received by the city.

Sec. 3. K.S.A. 2015 Supp. 80-2508 is hereby amended to read as follows: 80-2508. (a) Subject to the limitations provided in this act, any of the four methods described in this section may be used in the selection of members of boards. The four methods are:

(1) Elections of board members shall be held at the annual meeting of the qualified electors of the hospital district for the positions on the board which are to expire in such year.

Invocation by Reverend Cecil Washington, Jr.:

Heavenly Father, You said through the Apostle James, 1:22-25, that we should act on what we hear coming out of Your Word...that anyone who looks into Your perfect Law of liberty and perseveres in doing what You say, will be blessed and prosper in what they do. Through the Psalmist, the question was asked in Psalm 119:9-13, how we get our lives cleaned up? The answer You gave was by holding on to Your Word. So, Lord, help us as a people to not deceive ourselves into just being hearers of Your Words and miss out on the benefits and joy of being doers. Help us to not only hold on to Your Words for ourselves, individually, but to do as the Psalmist said in verse 13, and use our lips to repeat to others, the invaluable regulations that come from Your lips. I come to You in the name of Jesus...in the name of Your Word made flesh. Amen

The Pledge of Allegiance was led by Vice President King.

**INTRODUCTION OF ORIGINAL MOTIONS AND SENATE RESOLUTIONS**

Senators Holland, Haley and Lynn introduced the following Senate resolution, which was read:

**SENATE RESOLUTION No. 1781—**

A RESOLUTION urging the Kansas congressional delegation to work with operators of Kansas wineries and the Alcohol and Tobacco Tax and Trade Bureau to apply for and achieve American Viticultural Area status for one or more regions within the state.

WHEREAS, The grape-growing and wine-producing potential of Kansas was first noted by early explorers, including Meriwether Lewis and William Clark, who described "great quantities of summer and fall grapes" along the shore of the Missouri River in the northeast corner of the state; and

WHEREAS, A grape-growing and wine-producing industry was established by some of Kansas' earliest settlers, including A.M. Burns of Riley County who, in 1857, predicted "a glorious future for the grape in Kansas," and whose prediction began to ring true after the end of the Civil War when the planting of grape vines peaked at 7,000 acres, grown across the state from the western plains to the eastern hills; and

WHEREAS, The thriving industry was pushed underground and nearly eradicated by the strong forces of prohibition, which swept across the state in the 1890s and continued into the mid-20th century; and

WHEREAS, The industry in Kansas has witnessed a resurgence since the loosening of alcohol regulation in the 1980s; and

WHEREAS, The most recent available state Department of Agriculture data from 2010 reports that nearly 355 tons of grapes were grown and more than 100,000 gallons of wine were produced in the state of Kansas; and

WHEREAS, In the same year, Kansas wineries reported more than a quarter-million visitors, more than half of whom were visiting from other states; and
WHEREAS, In the same year Kansas wineries reported nearly $3.5 million in sales, which contributed to the state economy; and

WHEREAS, American Viticultural Areas (AVAs) are delineated grape-growing regions within the United States, which possess distinguishing geological and geographic characteristics; and

WHEREAS, Consumers throughout the country and around the world utilize AVA labels to identify the quality and reputation of wines produced with grapes grown in these regions; and

WHEREAS, Kansas is one of 25 states without an established AVA; and

WHEREAS, The establishment of one or several AVAs within the state of Kansas would aid and promote further development of the historic and burgeoning wine-producing industry in our state: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we urge the Kansas congressional delegation to work with operators of Kansas wineries and the Alcohol and Tobacco Tax and Trade Bureau to apply for and achieve AVA status for one or more regions within the state; and

Be it further resolved: That the Secretary of the Senate shall send three enrolled copies of this resolution to Senator Holland and an enrolled copy to each member of the Kansas congressional delegation.

On emergency motion of Senator Holland SR 1781 was adopted by voice vote.

EXPLANATION OF VOTE

Mr. Vice President: I vote “No” on SB 474. I am disappointed that the established model for enhancing industries in Kansas will no longer exist. The Kansas Bioscience Authority focused on industry sectors where Kansas has conspicuous advantages – agribusiness, animal health, human health and life sciences technology. The KBA was instrumental in assisting with the site selection process that selected Manhattan, Kansas as the location for the National Bio and Agro-defense (NBAF) facility. KBA also played an integral part in the designation of the University of Kansas Cancer Center achieving the National Cancer Institute (NCI) designation in June 2012. Some disappointing things happened at KBA and it has not reached its full potential, but never the less it has been responsible for some amazing things in Kansas that would not have happened otherwise. Instead of finding a way for this asset to thrive for the benefit of all Kansans, we are now selling off its assets to pay our bills. In the end, we are destroying a tremendous economic tool that has helped bring jobs and industry to Kansas. — VICKI SCHMIDT

Senators Kelly and McGinn request the record to show they concur with the "Explanation of Vote" offered by Senator V. Schmidt on SB 474.

Absent or Not Voting: Melcher.

The bill passed, as amended.

EXPLANATION OF VOTE

Mr. Vice President: I vote "Yes" on HB 2446, however it is with some disappointment. HB 2446 is a partial, short-term fix. While HB 2446 makes needed changes to the mandatory coverage requirements for property insurance, the bill ignores the minimum coverage requirements for bodily injury, which the Legislature last amended in 1981. Times have changed. More Kansans buy insurance on-line. Minimum limits no longer accurately reflect medical costs or lost wages. Minimum limits are no longer reasonably adequate. In 2017, we must finish what was started in HB 2446 and address both bodily injury minimums and uninsured motorist coverage. It is my sincere hope the Legislature will work to give just as much deference to a shattered leg or a shattered life as HB 2446 does to a shattered bumper.—TOM HAWK

Senators Francisco, Hensley, Holland and Pettey request the record to show they concur with the "Explanation of Vote" offered by Senator Hawk on HB 2446.

"Section 1. K.S.A. 2015 Supp. 44-501 is hereby amended to read as follows: 44-501. (a) (1) Compensation for an injury shall be disallowed if such injury to the employee results from:

(A) The employee's deliberate intention to cause such injury;

(B) the employee's willful failure to use a guard or protection against accident or injury which is required pursuant to any statute and provided for the employee;

(C) the employee's willful failure to use a reasonable and proper guard and protection voluntarily furnished the employee by the employer;

(D) the employee's reckless violation of their employer's workplace safety rules or regulations; or

(E) the employee's voluntary participation in fighting or horseplay with a co-employee for any reason, work related or otherwise.

(2) Subparagraphs (B) and (C) of paragraph (1) of Subsection (a)(1)(B) and (C) shall not apply when it was reasonable under the totality of the circumstances to not use such equipment, or if the employer approved the work engaged in at the time of an accident or injury to be performed without such equipment.

(b) (1) (A) The employer shall not be liable under the workers compensation act where the injury, disability or death was contributed to by the employee's use or consumption of alcohol or any drugs, chemicals or any other compounds or substances, including, but not limited to, any drugs or medications which are available to the public without a prescription from a health care provider, prescription drugs or medications, any form or type of narcotic drugs, marijuana, stimulants, depressants or hallucinogens.

(B) In the case of drugs or medications which are available to the public without a prescription from a health care provider and prescription drugs or medications, compensation shall not be denied if the employee can show that such drugs or medications were being taken or used in therapeutic doses and there have been no prior incidences of the employee's impairment on the job as the result of the use of such drugs or medications within the previous 24 months.

(C) It shall be conclusively presumed that the employee was impaired due to alcohol or drugs if it is shown that, at the time of the injury, the employee had an alcohol concentration of .04 or more, or a GCMS confirmatory test by quantitative analysis showing a concentration at or above the levels shown on the following chart for the drugs of abuse listed:

3 Specimen must also contain amphetamine at a concentration greater than or equal to 200 ng/ml.
4 Test for 6-AM when morphine concentration exceeds 2,000 ng/ml.

(D) If it is shown that the employee was impaired pursuant to subsection (b)(1)(C) at the time of the injury, there shall be a rebuttable presumption that the accident, injury, disability or death was contributed to by such impairment. The employee may overcome the presumption of contribution by clear and convincing evidence.

(E) An employee's refusal to submit to a chemical test at the request of the employer shall result in the forfeiture of benefits under the workers compensation act if the employer had sufficient cause to suspect the use of alcohol or drugs by the claimant or if the employer's policy clearly authorizes post-injury testing.

(2) The results of a chemical test shall be admissible evidence to prove impairment if the employer establishes that the testing was done under any of the following circumstances:
   (A) As a result of an employer mandated drug testing policy, in place in writing prior to the date of accident or injury, requiring any worker to submit to testing for drugs or alcohol;
   (B) during an autopsy or in the normal course of medical treatment for reasons related to the health and welfare of the injured worker and not at the direction of the employer;
   (C) the worker, prior to the date and time of the accident or injury, gave written consent to the employer that the worker would voluntarily submit to a chemical test for drugs or alcohol following any accident or injury;
   (D) the worker voluntarily agrees to submit to a chemical test for drugs or alcohol following any accident or injury; or
   (E) as a result of federal or state law or a federal or state rule or regulation having the force and effect of law requiring a post-injury testing program and such required program was properly implemented at the time of testing.

(3) Notwithstanding subsection (b)(2), the results of a chemical test performed on a sample collected by an employer shall not be admissible evidence to prove impairment unless the following conditions are met:
   (A) The test sample was collected within a reasonable time following the accident or injury;
   (B) the collecting and labeling of the test sample was performed by or under the supervision of a licensed health care professional;
   (C) the test was performed by a laboratory approved by the United States department of health and human services or licensed by the department of health and environment, except that a blood sample may be tested for alcohol content by a laboratory commonly used for that purpose by state law enforcement agencies;
(D) the test was confirmed by gas chromatography-mass spectroscopy or other comparably reliable analytical method, except that no such confirmation is required for a blood alcohol sample; and

(E) the foundation evidence must establish, beyond a reasonable doubt, that the test results were from the sample taken from the employee; and

(F) a split sample sufficient for testing shall be retained and made available to the employee within 48 hours of a positive test.

(4) In addition to the requirements set forth in paragraph (3), a split sample sufficient for testing shall be retained and made available to the employee within 48 hours of a positive test if the employer, using a facility on the employer's premises, collects the sample that is the subject of the chemical test.

(c) (1) Except as provided in paragraph (2), compensation shall not be paid in case of coronary or coronary artery disease or cerebrovascular injury unless it is shown that the exertion of the work necessary to precipitate the disability was more than the employee's usual work in the course of the employee's regular employment.

(2) For events occurring on or after July 1, 2014, in the case of a firefighter as defined by K.S.A. 40-1709(b)(1), and amendments thereto, or a law enforcement officer as defined by K.S.A. 74-5602, and amendments thereto, coronary or coronary artery disease or cerebrovascular injury shall be compensable if:

(A) The injury can be identified as caused by a specific event occurring in the course and scope of employment;

(B) the coronary or cerebrovascular injury occurred within 24 hours of the specific event; and

(C) the specific event was the prevailing factor in causing the coronary or coronary artery disease or cerebrovascular injury.

(d) Except as provided in the workers compensation act, no construction design professional who is retained to perform professional services on a construction project or any employee of a construction design professional who is assisting or representing the construction design professional in the performance of professional services on the site of the construction project, shall be liable for any injury resulting from the employer's failure to comply with safety standards on the construction project for which compensation is recoverable under the workers compensation act, unless responsibility for safety practices is specifically assumed by contract. The immunity provided by this subsection to any construction design professional shall not apply to the negligent preparation of design plans or specifications.

(e) An award of compensation for permanent partial impairment, work disability, or permanent total disability shall be reduced by the amount of functional impairment determined to be preexisting. Any such reduction shall not apply to temporary total disability, nor shall it apply to compensation for medical treatment.

(1) Where workers compensation benefits have previously been awarded through settlement or judicial or administrative determination in Kansas, the percentage basis of the prior settlement or award shall conclusively establish the amount of functional impairment determined to be preexisting. Where workers compensation benefits have not previously been awarded through settlement or judicial or administrative determination in Kansas, the amount of preexisting functional impairment shall be established by competent evidence.
In all cases, the applicable reduction shall be calculated as follows:

(A) If the preexisting impairment is the result of injury sustained while working for the employer against whom workers compensation benefits are currently being sought, any award of compensation shall be reduced by the current dollar value attributable under the workers compensation act to the percentage of functional impairment determined to be preexisting. The "current dollar value" shall be calculated by multiplying the percentage of preexisting impairment by the compensation rate in effect on the date of the accident or injury against which the reduction will be applied.

(B) In all other cases, the employer against whom benefits are currently being sought shall be entitled to a credit for the percentage of preexisting impairment.

(f) If the employee receives, whether periodically or by lump sum, retirement benefits under the federal social security act or retirement benefits from any other retirement system, program, policy or plan which is provided by the employer against which the claim is being made, any compensation benefit payments which the employee is eligible to receive under the workers compensation act for such claim shall be reduced by the weekly equivalent amount of the total amount of all such retirement benefits, less any portion of any such retirement benefit, other than retirement benefits under the federal social security act, that is attributable to payments or contributions made by the employee, but in no event shall the workers compensation benefit be less than the workers compensation benefit payable for the employee's percentage of functional impairment. Where the employee elects to take retirement benefits in a lump sum, the lump sum payment shall be amortized at the rate of 4% per year over the employee's life expectancy to determine the weekly equivalent value of the benefits.

Sec. 2. K.S.A. 2015 Supp. 44-510e is hereby amended to read as follows: 44-510e.

(a) In case of whole body injury resulting in temporary or permanent partial general disability not covered by the schedule in K.S.A. 44-510d, and amendments thereto, the employee shall receive weekly compensation as determined in this subsection during the period of temporary or permanent partial general disability not exceeding a maximum of 415 weeks.

(1) Weekly compensation for temporary partial general disability shall be 66⅔% of the difference between the average weekly wage that the employee was earning prior to the date of injury and the amount the employee is actually earning after such injury in any type of employment. In no case shall such weekly compensation exceed the maximum as provided for in K.S.A. 44-510c, and amendments thereto.

(2) (A) Permanent partial general disability exists when the employee is disabled in a manner which is partial in character and permanent in quality and which is not covered by the schedule in K.S.A. 44-510d, and amendments thereto. Compensation for permanent partial general disability shall also be paid as provided in this section where an injury results in:

(i) The loss of or loss of use of a shoulder, arm, forearm or hand of one upper extremity, combined with the loss of or loss of use of a shoulder, arm, forearm or hand of the other upper extremity;

(ii) the loss of or loss of use of a leg, lower leg or foot of one lower extremity, combined with the loss of or loss of use of a leg, lower leg or foot of the other lower extremity; or

(iii) the loss of or loss of use of both eyes.
(B) The extent of permanent partial general disability shall be the percentage of functional impairment the employee sustained on account of the injury as established by competent medical evidence and based on the fourth edition of the American medical association guides to the evaluation of permanent impairment, if the impairment is contained therein, until January 1, 2015, but for injuries occurring on and after January 1, 2015, based on the sixth edition of the American medical association guides to the evaluation of permanent impairment, if the impairment is contained therein.

(C) An employee may be eligible to receive permanent partial general disability compensation in excess of the percentage of functional impairment ("work disability") if:

(i) The percentage of functional impairment determined to be caused solely by the injury exceeds 7½% to the body as a whole or the overall functional impairment is equal to or exceeds 10% to the body as a whole in cases where there is preexisting functional impairment; and

(ii) in cases where there is a preexisting functional impairment, the combined impairment for the current injury and the preexisting impairment must be equal to or greater than 10% whole person impairment; and

(iii) the employee sustained a post-injury wage loss, as defined in subsection (a)(2)(E) of K.S.A. 44-510(e)(a)(2)(E), and amendments thereto, of at least 10% which is directly attributable to the work injury and not to other causes or factors.

In such cases, the extent of work disability is determined by averaging together the percentage of post-injury task loss demonstrated by the employee to be caused by the injury and the percentage of post-injury wage loss demonstrated by the employee to be caused by the injury.

(D) "Task loss" shall mean the percentage to which the employee, in the opinion of a licensed physician, has lost the ability to perform the work tasks that the employee performed in any substantial gainful employment during the five-year period preceding the injury. The permanent restrictions imposed by a licensed physician as a result of the work injury shall be used to determine those work tasks which the employee has lost the ability to perform. If the employee has preexisting permanent restrictions, any work tasks which the employee would have been deemed to have lost the ability to perform, had a task loss analysis been completed prior to the injury at issue, shall be excluded for the purposes of calculating the task loss which is directly attributable to the current injury.

(E) "Wage loss" shall mean the difference between the average weekly wage the employee was earning at the time of the injury and the average weekly wage the employee is capable of earning after the injury. The capability of a worker to earn post-injury wages shall be established based upon a consideration of all factors, including, but not limited to, the injured worker's age, physical capabilities, education and training, prior experience, and availability of jobs in the open labor market. The administrative law judge shall impute an appropriate post-injury average weekly wage based on such factors. Where the employee is engaged in post-injury employment for wages, there shall be a rebuttable presumption that the average weekly wage an injured worker is actually earning constitutes the post-injury average weekly wage that the employee is capable of earning. The presumption may be overcome by competent evidence.
(i) To establish post-injury wage loss, the employee must have the legal capacity to enter into a valid contract of employment. Wage loss caused by voluntary resignation or termination for cause shall in no way be construed to be caused by the injury.

(ii) The actual or projected weekly value of any employer-paid fringe benefits are to be included as part of the worker's post-injury average weekly wage and shall be added to the wage imputed by the administrative law judge pursuant to K.S.A. 44-510c(a)(2)(E), and amendments thereto.

(iii) The injured worker's refusal of accommodated employment within the worker's medical restrictions as established by the authorized treating physician and at a wage equal to 90% or more of the pre-injury average weekly wage shall result in a rebuttable presumption of no wage loss.

(F) The amount of compensation for whole body injury under this section shall be determined by multiplying the payment rate by the weeks payable. As used in this section: (1) The payment rate shall be the lesser of: (A) The amount determined by multiplying the average weekly wage of the worker prior to such injury by 66$\frac{2}{3}$%; or (B) the maximum provided in K.S.A. 44-510c, and amendments thereto; (2) weeks payable shall be determined as follows: (A) Determine the weeks of temporary compensation paid by adding the amounts of temporary total and temporary partial disability compensation paid and dividing the sum by the payment rate above; (B) subtract from 415 weeks the total number of weeks of temporary compensation paid as determined in (F)(2)(A), excluding the first 15 such weeks; and (3) multiply the number of weeks as determined in (F)(2)(B) by the percentage of functional impairment pursuant to subsection (a)(2)(B) or the percentage of work disability pursuant to subsection (a)(2)(C), whichever is applicable.

(3) When an injured worker is eligible to receive an award of work disability, compensation is limited to the value of the work disability as calculated above. In no case shall functional impairment and work disability be awarded together.

The resulting award shall be paid for the number of disability weeks at the payment rate until fully paid or modified. In any case of permanent partial disability under this section, the employee shall be paid compensation for not to exceed 415 weeks following the date of such injury. If there is an award of permanent disability as a result of the compensable injury, there shall be a presumption that disability existed immediately after such injury. Under no circumstances shall the period of permanent partial disability run concurrent with the period of temporary total or temporary partial disability.

(b) If an employee has sustained an injury for which compensation is being paid, and the employee's death is caused by other and independent causes, any payment of compensation already due the employee at the time of death and then unpaid shall be paid to the employee's dependents directly or to the employee's legal representatives if the employee left no dependent, but the liability of the employer for the payments of compensation not yet due at the time of the death of such employee shall cease and be abrogated by the employee's death.

(c) The total amount of compensation that may be allowed or awarded an injured employee for all injuries received in any one accident shall in no event exceed the compensation which would be payable under the workers compensation act for 100% permanent total disability resulting from such accident.
(d) Where a minor employee or a minor employee's dependents are entitled to compensation under the workers compensation act, such compensation shall be exclusive of all other remedies or causes of action for such injury or death, and no claim or cause of action against the employer shall inure or accrue to or exist in favor of the parent or parents of such minor employee on account of any damage resulting to such parent or parents on account of the loss of earnings or loss of service of such minor employee.

(e) In any case of injury to or death of an employee, where the employee or the employee's dependents are entitled to compensation under the workers compensation act, such compensation shall be exclusive of all other remedies or causes of action for such injury or death, and no claim or action shall inure, accrue to or exist in favor of the surviving spouse or any relative or next of kin of such employee against such employer on account of any damage resulting to such surviving spouse or any relative or next of kin on account of the loss of earnings, services, or society of such employee or on any other account resulting from or growing out of the injury or death of such employee.

(2) "Insurance agent surety" means a compensated surety licensed by the insurance commissioner to issue surety bonds or appearance bonds in this state and who represents an authorized insurance company. An insurance agent surety may have other insurance agent sureties working with or for such surety.
(3) "Property surety" means a compensated surety who secures appearance bonds by property pledged as security. A property surety may be a person or entity, other than a corporation, and may authorize bail agents to act on behalf of the property surety in writing appearance bonds.
"Bail agent" means a person authorized by a compensated surety to execute surety bail bonds on such surety's behalf.

(b) Every compensated surety shall submit an application to the chief judge of the judicial district, or the chief judge's designee, in each judicial district where such surety seeks to act as a surety. A compensated surety shall not act as a surety in such judicial district prior to approval of such application.

(1) The application shall include, but is not limited to, the following information for each insurance agent surety, property surety or bail agent:
   (A) A copy of the applicant's Kansas driver's license or nondriver's identification card;
   (B) a statement, made under penalty of perjury, that the applicant is a resident of this state and is not prohibited by K.S.A. 22-2809a(c), and amendments thereto, from acting as a surety;
   (C) a certificate of continuing education compliance in accordance with subsection (f).

(2) The application for each insurance agent surety also shall include:
   (A) A copy of the qualifying power of attorney certificates issued to such surety by any insurance company;
   (B) a current and valid certificate of license from the insurance department; and
   (C) a current and valid certificate of authority from the insurance department.

(3) The application for each property surety also shall include:
   (A) A list of all bail agents authorized by such property surety to write appearance bonds on such property surety's behalf and all documentation from such bail agents demonstrating compliance with subsection (b)(1); and
   (B) an affidavit describing the property by which such property surety proposes to justify its obligations and the encumbrances thereon, and all such surety's other liabilities. The description shall include a valuation of the property described therein. If the valuation is not readily evident, an appraisal of the property may be required and, if required, shall be incorporated into the affidavit.

(c) A property surety authorized to act as a surety in a judicial district pursuant to subsection (b) shall be allowed outstanding appearance bonds not to exceed an aggregate amount which is 15 times the valuation of the property described in subsection (b)(3). Such property surety shall not write any single appearance bond that exceeds 35% of the total valuation of the property described in subsection (b)(3).

(d) (1) Each judicial district may, by local rule, require additional information from any compensated surety and establish what property is acceptable for bonding purposes under subsection (b)(3).

(2) A judicial district shall not require any compensated surety to apply for authorization in such judicial district more than once per year, but may require additional reporting from any compensated surety in its discretion. If the judicial district does not require an annual application, each compensated surety or bail agent shall provide a certificate of continuing education compliance in accordance with subsection (f) to the judicial district each year.

(3) A judicial district shall not decline authorization for a compensated surety solely on the basis of type of compensated surety.

(e) (1) Nothing in this section shall be construed to require the chief judge of the judicial district, or the chief judge's designee, to authorize any compensated surety to
act as a surety in such judicial district if the judge or designee finds, in such person's
discretion, that such authorization is not warranted.

(2) If such authorization is granted, the chief judge of the judicial district, or the
chief judge's designee, may terminate or suspend the authorization at any time.

(A) If the authorization is suspended for 30 days or more, the judge or designee
shall make a record describing the length of the suspension and the underlying cause
and provide such record to the surety. Such surety, upon request, shall be entitled to a
hearing within 30 days after the suspension is ordered.

(B) If the authorization is terminated, the judge or designee shall make a record
describing the underlying cause and provide such record to the surety. Such surety, upon
request, shall be entitled to a hearing within 30 days after the termination is ordered.

(3) If an authorized compensated surety does not comply with the continuing
education requirements in subsection (f), the chief judge of the judicial district, or the
chief judge's designee, may allow a conditional authorization to continue acting as a
surety for 90 days. If such compensated surety does not comply with the continuing
education requirements in subsection (f) within 90 days, such conditional authorization
shall be terminated and such compensated surety shall not act as a surety in such
judicial district.

(f)(1) Every compensated surety shall obtain at least eight hours of continuing
education credits during each 12-month period beginning on January 1, 2017.

(2) The Kansas bail agents association shall either provide or contract for a
minimum of eight hours of continuing education classes to be held at least once
annually in each congressional district and may provide additional classes in its
discretion. The chief judge in each judicial district may provide a list of topics to be
covered during the continuing education classes. A schedule of such classes shall be
publicly available. The association shall not charge more than $250 annually for the
eight hours of continuing education classes, and the cost of any class with less than
eight hours of continuing education shall be prorated accordingly. Any fee charged for
attending continuing education classes shall not be increased or decreased based upon a
compensated surety's membership or lack of membership in the association.

(3) Upon completion of at least eight hours of continuing education credits during
each 12-month period by a compensated surety, the Kansas bail agents association shall
issue a certificate of continuing education compliance to such surety. The certificate
shall be prepared and delivered to the compensated surety within 30 days of such
surety's completion of the continuing education requirements. The certificate shall show
in detail the dates and hours of each course attended, along with the signature of the
Kansas bail agents association official attesting that all continuing education
requirements have been completed.

(4) Any continuing education credits used to comply with conditional authorization
pursuant to subsection (e)(3) shall not be applied towards compliance in the current 12-
month period or any subsequent 12-month period.

The court may inquire into the background of the petitioner and shall have access to any reports or records relating to the petitioner that are on file with the secretary of corrections or the prisoner review board.

(h) At the hearing on the petition, the court shall order the petitioner's arrest record, conviction or diversion expunged if the court finds that:

(1) The petitioner has not been convicted of a felony in the past two years and no proceeding involving any such crime is presently pending or being instituted against the petitioner;

The clerk of the court shall send a certified copy of the order of expungement to the Kansas bureau of investigation which shall notify the federal bureau of investigation, the secretary of corrections and any other criminal justice agency which may have a record of the arrest, conviction or diversion. After the order of expungement is entered, the petitioner shall be treated as not having been arrested, convicted or diverted of the crime, except that:

(1) Upon conviction for any subsequent crime, the conviction that was expunged
may be considered as a prior conviction in determining the sentence to be imposed;

(2) the petitioner shall disclose that the arrest, conviction or diversion occurred if asked about previous arrests, convictions or diversions:

(L) for applications received on and after July 1, 2016, to aid in determining the petitioner's qualifications for a license to act as a bail enforcement agent pursuant to sections 1 through 10, and amendments thereto;

which requires as an element of such offense a prior conviction of the type expunged; and

(5) upon commitment to the custody of the secretary of corrections, any previously expunged record in the possession of the secretary of corrections may be reinstated and the expungement disregarded, and the record continued for the purpose of the new commitment.

(j) Whenever a person is convicted of a crime, pleads guilty and pays a fine for a crime, is placed on parole, postrelease supervision or probation, is assigned to a community correctional services program, is granted a suspended sentence or is released on conditional release, the person shall be informed of the ability to expunge the arrest records or conviction. (2) Notwithstanding the provisions of subsection (k)(1), and except as provided in K.S.A. 2015 Supp. 21-6304(a)(3)(A), and amendments thereto, the expungement of a prior felony conviction does not relieve the individual of complying with any state or federal law relating to the use, shipment, transportation, receipt or possession of firearms by persons previously convicted of a felony.

(l) Whenever the record of any arrest, conviction or diversion has been expunged under the provisions of this section or under the provisions of any other existing or former statute, the custodian of the records of arrest, conviction, diversion and incarceration relating to that crime shall not disclose the existence of such records, except when requested by:

"Sec. 3. K.S.A. 2015 Supp. 22-3716 is hereby amended to read as follows: 22-3716. (a) At any time during probation, assignment to a community correctional services program, suspension of sentence or pursuant to subsection (e) for defendants who committed a crime prior to July 1, 1993, and at any time during which a defendant is serving a nonprison sanction for a crime committed on or after July 1, 1993, or pursuant to subsection (e), the court may issue a warrant for the arrest of a defendant for violation of any of the conditions of release or assignment, a notice to appear to answer to a charge of violation or a violation of the defendant's nonprison sanction. The notice shall be personally served upon the defendant. The warrant shall authorize all officers named in the warrant to return the defendant to the custody of the court or to any certified detention facility designated by the court. Any court services officer or community correctional services officer may arrest the defendant without a warrant or may deputize any other officer with power of arrest to do so by giving the officer a written or verbal statement setting forth that the defendant has, in the judgment of the court services officer or community correctional services officer, violated the conditions
of the defendant's release or a nonprison sanction. A written statement delivered to the official in charge of a county jail or other place of detention shall be sufficient warrant for the detention of the defendant. After making an arrest, the court services officer or community correctional services officer shall present to the detaining authorities a similar statement of the circumstances of violation. Provisions regarding release on bail of persons charged with a crime shall be applicable to defendants arrested under these provisions.

(b) (1) Upon arrest and detention pursuant to subsection (a), the court services officer or community correctional services officer shall immediately notify the court and shall submit in writing a report showing in what manner the defendant has violated the conditions of release or assignment or a nonprison sanction.

(2) Unless the defendant, after being apprised of the right to a hearing by the supervising court services or community correctional services officer, waives such hearing, the court shall cause the defendant to be brought before it without unnecessary delay for a hearing on the violation charged. The hearing shall be in open court and the state shall have the burden of establishing the violation. The defendant shall have the right to be represented by counsel and shall be informed by the judge that, if the defendant is financially unable to obtain counsel, an attorney will be appointed to represent the defendant. The defendant shall have the right to present the testimony of witnesses and other evidence on the defendant's behalf. Relevant written statements made under oath may be admitted and considered by the court along with other evidence presented at the hearing.

(3) (A) Except as otherwise provided, if the original crime of conviction was a felony, other than a felony specified in subsection (i) of K.S.A. 2015 Supp. 21-6804(i), and amendments thereto, and a violation is established, the court may impose the violation sanctions as provided in subsection (c)(1).

(B) Except as otherwise provided, if the original crime of conviction was a misdemeanor or a felony specified in subsection (i) of K.S.A. 2015 Supp. 21-6804(i), and amendments thereto, and a violation is established, the court may:

(i) Continue or modify the probation, assignment to a community correctional services program, suspension of sentence or nonprison sanction and impose confinement in a county jail not to exceed 60 days. If an offender is serving multiple probation terms concurrently, any confinement periods imposed shall be imposed concurrently;

(ii) impose an intermediate sanction of confinement in a county jail, to be imposed as a two-day or three-day consecutive period. The total of all such sanctions imposed pursuant to this subparagraph and subsections (b)(4)(A) and (b)(4)(B) shall not exceed 18 total days during the term of supervision; or

(iii) revoke the probation, assignment to a community correctional services program, suspension of sentence or nonprison sanction and require the defendant to serve the sentence imposed, or any lesser sentence, and, if imposition of sentence was suspended, may impose any sentence which might originally have been imposed.

(4) Except as otherwise provided, if the defendant waives the right to a hearing and the sentencing court has not specifically withheld the authority from court services or community correctional services to impose sanctions, the following sanctions may be imposed without further order of the court:

(A) If the defendant was on probation at the time of the violation, the defendant's
supervising court services officer, with the concurrence of the chief court services officer, may impose an intermediate sanction of confinement in a county jail, to be imposed as a two-day or three-day consecutive period. The total of all such sanctions imposed pursuant to this subparagraph and subsections (b)(4)(B) and (c)(1)(B) shall not exceed 18 total days during the term of supervision; and

(B) if the defendant was assigned to a community correctional services program at the time of the violation, the defendant's community corrections officer, with the concurrence of the community corrections director, may impose an intermediate sanction of confinement in a county jail, to be imposed as a two-day or three-day consecutive period. The total of all such sanctions imposed pursuant to this subparagraph and subsections (b)(4)(A) and (c)(1)(B) shall not exceed 18 total days during the term of supervision.

(c) (1) Except as otherwise provided, if the original crime of conviction was a felony, other than a felony specified in subsection (i) of K.S.A. 2015 Supp. 21-6804(i), and amendments thereto, and a violation is established, the court may impose the following sanctions:

(A) Continuation or modification of the release conditions of the probation, assignment to a community correctional services program, suspension of sentence or nonprison sanction;

(B) continuation or modification of the release conditions of the probation, assignment to a community correctional services program, suspension of sentence or nonprison sanction and an intermediate sanction of confinement in a county jail to be imposed as a two-day or three-day consecutive period. The total of all such sanctions imposed pursuant to this subparagraph and subsections (b)(4)(A) and (b)(4)(B) shall not exceed 18 total days during the term of supervision;

(C) if the violator already had at least one intermediate sanction imposed pursuant to subsection (b)(4)(A), (b)(4)(B) or (c)(1)(B) related to the crime for which the original supervision was imposed, continuation or modification of the release conditions of the probation, assignment to a community correctional services program, suspension of sentence or nonprison sanction and remanding the defendant to the custody of the secretary of corrections for a period of 120 days, subject to a reduction of up to 60 days in the discretion of the secretary. This sanction shall not be imposed more than once during the term of supervision. The sanction imposed pursuant to this subparagraph shall begin upon pronouncement by the court and shall not be served by prior confinement credit, except as provided in subsection (c)(7);

(D) if the violator already had a sanction imposed pursuant to subsection (b)(4)(A), (b)(4)(B), (c)(1)(B) or (c)(1)(C) related to the crime for which the original supervision was imposed, continuation or modification of the release conditions of the probation, assignment to a community correctional services program, suspension of sentence or nonprison sanction and remanding the defendant to the custody of the secretary of corrections for a period of 180 days, subject to a reduction of up to 90 days in the discretion of the secretary. This sanction shall not be imposed more than once during the term of supervision. The sanction imposed pursuant to this subparagraph shall begin upon pronouncement by the court and shall not be served by prior confinement credit, except as provided in subsection (c)(7); or

(E) if the violator already had a sanction imposed pursuant to subsection (c)(1)(C) or (c)(1)(D) related to the crime for which the original supervision was imposed,
revocation of the probation, assignment to a community corrections services program, suspension of sentence or nonprison sanction and requiring such violator to serve the sentence imposed, or any lesser sentence and, if imposition of sentence was suspended, imposition of any sentence which might originally have been imposed.

(2) Except as otherwise provided in subsections (c)(3), (c)(8) and (c)(9), no offender for whom a violation of conditions of release or assignment or a nonprison sanction has been established as provided in this section shall be required to serve any time for the sentence imposed or which might originally have been imposed in a state facility in the custody of the secretary of corrections for such violation, unless such person has already had at least one prior assignment to a community correctional services program related to the crime for which the original sentence was imposed.

(3) The provisions of subsection (c)(2) shall not apply to adult felony offenders as described in subsection (a)(3) of K.S.A. 75-5291(a)(3), and amendments thereto.

(4) The court may require an offender for whom a violation of conditions of release or assignment or a nonprison sanction has been established as provided in this section to serve any time for the sentence imposed or which might originally have been imposed in a state facility in the custody of the secretary of corrections without a prior assignment to a community correctional services program if the court finds and sets forth with particularity the reasons for finding that the safety of the members of the public will be jeopardized or that the welfare of the inmate will not be served by such assignment to a community correctional services program.

(5) When a new felony is committed while the offender is on probation or assignment to a community corrections services program, the new sentence shall be imposed consecutively pursuant to the provisions of K.S.A. 2015 Supp. 21-6606, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(6) Except as provided in subsection (f), upon completion of a violation sanction imposed pursuant to subsection (c)(1)(C) or (c)(1)(D) such offender shall return to community correctional services supervision. The sheriff shall not be responsible for the return of the offender to the county where the community correctional services supervision is assigned.

(7) A violation sanction imposed pursuant to subsection (c)(1)(B), (c)(1)(C) or (c)(1)(D) shall not be longer than the amount of time remaining on the offender's underlying prison sentence.

(8) (A) If the offender commits a new felony or misdemeanor or absconds from supervision while the offender is on probation, assignment to a community correctional services program, suspension of sentence or nonprison sanction, the court may revoke the probation, assignment to a community correctional services program, suspension of sentence or nonprison sanction of an offender pursuant to subsection (c)(1)(E) without having previously imposed a sanction pursuant to subsection (c)(1)(B), (c)(1)(C) or (c)(1)(D).

(B) If the offender absconds from supervision while the offender is on probation, assignment to a community correctional services program, suspension of sentence or nonprison sanction, the court may:

(i) Revoke the probation, assignment to a community correctional services
program, suspension of sentence or nonprison sanction of an offender pursuant to subsection (c)(1)(E) without having previously imposed a sanction pursuant to subsection (c)(1)(B), (c)(1)(C) or (c)(1)(D); or

(ii) sanction the offender under subsection (c)(1)(A), (c)(1)(C) or (c)(1)(D) without imposing a sanction under (c)(1)(B).

(9) The court may revoke the probation, assignment to a community correctional services program, suspension of sentence or nonprison sanction of an offender pursuant to subsection (c)(1)(E) without having previously imposed a sanction pursuant to subsection (c)(1)(B), (c)(1)(C) or (c)(1)(D) if the court finds and sets forth with particularity the reasons for finding that the safety of members of the public will be jeopardized or that the welfare of the offender will not be served by such sanction.

(10) If an offender is serving multiple probation terms concurrently, any violation sanctions imposed pursuant to subsection (c)(1)(B), (c)(1)(C) or (c)(1)(D), or any sanction imposed pursuant to subsection (c)(11), shall be imposed concurrently.

(11) If the original crime of conviction was a felony, except for violations of K.S.A. 8-1567, 8-2,144 and K.S.A. 2015 Supp. 8-1025, and amendments thereto, and the court makes a finding that the offender has committed one or more violations of the release conditions of the probation, assignment to a community correctional services program, suspension of sentence or nonprison sanction, the court may impose confinement in a county jail not to exceed 60 days upon each such finding. Such confinement is separate and distinct from the violation sanctions provided in subsection (c)(1)(B), (c)(1)(C), (c)(1)(D) and (c)(1)(E) and shall not be imposed at the same time as any such violation sanction.

(12) The violation sanctions provided in this subsection shall apply to any violation of conditions of release or assignment or a nonprison sanction occurring on and after July 1, 2013, regardless of when the offender was sentenced for the original crime or committed the original crime for which sentenced.

(d) A defendant who is on probation, assigned to a community correctional services program, under suspension of sentence or serving a nonprison sanction and for whose return a warrant has been issued by the court shall be considered a fugitive from justice if it is found that the warrant cannot be served. If it appears that the defendant has violated the provisions of the defendant's release or assignment or a nonprison sanction, the court shall determine whether the time from the issuing of the warrant to the date of the defendant's arrest, or any part of it, shall be counted as time served on probation, assignment to a community correctional services program, suspended sentence or pursuant to a nonprison sanction.

(e) The court shall have 30 days following the date probation, assignment to a community correctional service program, suspension of sentence or a nonprison sanction was to end to issue a warrant for the arrest or notice to appear for the defendant to answer a charge of a violation of the conditions of probation, assignment to a community correctional service program, suspension of sentence or a nonprison sanction.

(f) For crimes committed on and after July 1, 2013, a felony offender whose nonprison sanction is revoked pursuant to subsection (c) or whose underlying prison term expires while serving a sanction pursuant to subsection (c)(1)(C) or (c)(1)(D) shall serve a period of postrelease supervision upon the completion of the prison portion of the underlying sentence.
(g) Offenders who have been sentenced pursuant to K.S.A. 2015 Supp. 21-6824, and amendments thereto, and who subsequently violate a condition of the drug and alcohol abuse treatment program shall be subject to an additional nonprison sanction for any such subsequent violation. Such nonprison sanctions shall include, but not be limited to, up to 60 days in a county jail, fines, community service, intensified treatment, house arrest and electronic monitoring.

Invocation by Reverend Cecil Washington, Jr.:

Heavenly Father, many of us call this Easter Week. A week in which the historical
death, burial and resurrection of Jesus Christ is given plenty of attention. In John 12:23-24, Jesus said, that a grain of wheat remains just one grain, and never becomes more, unless it falls into the ground...is buried and dies. And from that death...from that burial, springs a wealth of new life and fruitfulness to benefit many. Would You grant to each of us, during this week, a time of personal reflection? Are there some things in our lives we need to crucify? Scripture teaches that it was in harmony with Your will that Jesus be crucified. So, what would be in harmony with Your will for us to crucify? During this passion week, give us a passion for personal improvement. During this week, starting even right now, reveal to us the things we might be keeping alive, that need to die and be buried, so that our best can blossom. If there are things going on...if there are attitudes and actions that we need to put a stop to, convict us of the things that need to die, convince us to bury them and convert us to personal and collective fruitfulness. Thank You Lord, for what You shall do in us, that You may do more through us. In Jesus' name, Amen.

The Pledge of Allegiance was led by Vice President King.

(i) Notwithstanding the provisions of K.S.A. 40-3402, and amendments thereto, if the board of governors determines due to the number of claims filed against a health care provider or the outcome of those claims that an individual health care provider presents a material risk of significant future liability to the fund, the board of governors is authorized by a vote of a majority of the members thereof, after notice and an opportunity for hearing in accordance with the provisions of the Kansas administrative procedure act, to terminate the liability of the fund for all claims against the health care provider for damages for death or personal injury arising out of the rendering of or the failure to render professional services after the date of termination. Upon receipt of each such remittance, the state treasurer shall credit the same to such reserve fund. When compliance with the foregoing provisions of this paragraph have been achieved on or after July 1 of any year in which the same are applicable, the state treasurer shall certify to the board of governors that such reserve fund has been funded for the year in the manner required by law. Such election shall be made at the time the health care provider renews the basic coverage in effect on July 1, 1989, or, if basic coverage is not in effect, such election shall be made at the time such coverage is acquired pursuant to K.S.A. 40-3402, and amendments thereto. Notice of the election shall be provided by the insurer providing the basic coverage in the manner and form prescribed by the board of governors and shall continue to be effective from year to year unless modified by a subsequent election made prior to the anniversary date of the policy. The health care provider may at any subsequent election reduce the dollar amount of the coverage for the next and subsequent fiscal years, but may not increase the same, unless specifically authorized by the board of governors. Any election of fund coverage limits, whenever made, shall be with respect to judgments or settlements relating to injury or death arising out of the rendering of or failure to render professional services on or after the effective date of such election of fund coverage limits. Such election shall be made for persons engaged in residency training and persons engaged in other postgraduate training programs approved by the state board of healing arts at medical care facilities or mental health centers in this state by the agency or institution paying the surcharge levied under K.S.A. 40-3404, and amendments thereto, for such persons. The election of fund coverage limits for a nonprofit corporation organized to administer the graduate medical education programs of community hospitals or medical care facilities affiliated with the university of Kansas school of medicine shall be deemed to be effective at the highest option. Such options shall be as follows:

(1) **OPTION 1.** The fund shall not be liable to pay in excess of $100,000 pursuant to any one judgment or settlement for any party against such health care provider, subject to an aggregate limitation for all judgments or settlements arising from all claims made in the fiscal year in an amount of $300,000 for such provider.

(2) **OPTION 2.** The fund shall not be liable to pay in excess of $300,000 pursuant to any one judgment or settlement for any party against such health care provider, subject to an aggregate limitation for all judgments or settlements arising from all claims made in the fiscal year in an amount of $900,000 for such provider.

(3) **OPTION 3.** The fund shall not be liable to pay in excess of $800,000 pursuant to any one judgment or settlement for any party against such health care provider, subject to an aggregate limitation for all judgments or settlements arising from all claims made in the fiscal year in an amount of $2,400,000 for such health care provider.

(m) The fund shall not be liable for any amounts due from a judgment or settlement against resident or nonresident inactive health care providers who first qualify as an inactive health care provider on or after July 1, 1989, unless such health care provider has been in compliance with K.S.A. 40-3402, and amendments thereto, for a period of not less than five years. If a health care provider has not been in compliance for five years, such health care provider may make application and payment for the coverage for the period while they are nonresident health care providers, nonresident self-insurers or resident or nonresident inactive health care providers to the fund. Such payment shall be
made within 30 days after the health care provider ceases being an active health care provider and shall be made in an amount determined by the board of governors to be sufficient to fund anticipated claims based upon reasonably prudent actuarial principles. The provisions of this subsection shall not be applicable to any health care provider which becomes inactive through death or retirement, or through disability or circumstances beyond such health care provider's control, if such health care provider notifies the board of governors and receives approval for an exemption from the provisions of this subsection. Any period spent in a postgraduate program of residency training approved by the state board of healing arts shall not be included in computation of time spent in compliance with the provisions of K.S.A. 40-3402, and amendments thereto. The provisions of this subsection shall expire on July 1, 2014.

(n) In the event of a claim against a health care provider for personal injury or death arising out of the rendering of or the failure to render professional services by such health care provider, the liability of the fund shall be limited to the amount of coverage selected by the health care provider at the time of the incident giving rise to the claim.

(o) Notwithstanding anything in article 34 of chapter 40 of the Kansas Statutes Annotated, and amendments thereto, the fund shall in no event be liable for any claims against any health care provider based upon or relating to the health care provider's sexual acts or activity, but in such cases the fund may pay reasonable and necessary expenses for attorney fees incurred in defending the fund against such claim. The fund may recover all or a portion of such expenses for attorney fees if an adverse judgment is returned against the health care provider for damages resulting from the health care provider's sexual acts or activity.

(p) Notwithstanding any provision in article 34 of chapter 40 of the Kansas Statutes Annotated, and amendments thereto, the fund shall in no event be liable for any claims against any healthcare provider based upon or relating to the healthcare provider issuing a written certification for a medical hemp preparation pursuant to Otis's law, but in such cases the fund may pay reasonable and necessary expenses for attorney fees incurred in defending the fund against such claim. The fund may recover all or a portion of such expenses for attorney fees if an adverse judgment is returned against the healthcare provider for damages resulting from the healthcare provider issuing a written certification for a medical hemp preparation pursuant to Otis's law.

Invocation by Reverend Cecil Washington, Jr.:

Heavenly Father, You have privileged us to be citizens of this amazing country, and further privileged us to be in Kansas, in the heart of this nation, where history reveals that much has been achieved to benefit the whole. During this Easter week, Jesus’ death and resurrection from the dead, is the focus. So, Lord, in tune with that, are there things that are good for us and this country, that have died, or are even in a comatose state? Let the things that need to be revived in this country, begin with us…Love for one another, regardless of who they are; patience with those who think and act unseemly; kindness and gentleness toward others, even when they get on our last nerve. You said in Galatians 5:23 that there is no law against these things. So, Lord, let the resurrection of those qualities begin right here, with me. I pray in the name of Jesus, Amen.

The Pledge of Allegiance was led by President Susan Wagle.

**EXPLANATION OF VOTE**

Madam President: I voted "No" on **SB 437**, not because I don't agree with the intent of the bill, but because it is fraught with unintended consequences. The bill was rushed through committee with little opportunity for certain stakeholders to testify or offer amendments that could have resulted in a bill that would work for all concerned. It is my hope that consensus can be reached when or if the bill moves to the House or Conference Committee.—**LAURA KELLY**

Senator Francisco requests the record to show she concurs with the "Explanation of Vote" offered by Senator Kelly on **SB 437**.

Madam President: **SB 437**, Simon's Law, is legislation brought forth by grieving parents, who found that Do Not Resuscitate orders had been placed in the medical charts of their special needs children, without their knowledge or consent. Infant Simon Crosier, and other children unfairly deemed to lack "quality of life," died in medical facilities where the parents had assumed their children would be given life-sustaining treatment without bias. These are compelling, tragic stories unrebutted by any opposition testimony, including any defense from the medical community. With the escalating threat of rationed health care, Simon's Law is necessary to insure that parental rights and vulnerable Kansas children are protected in the future. I vote "Aye."—**JACOB LATURNER**

Senator Baumgardner requests the record to show she concurs with the “Explanation of Vote” offered by Senator LaTurner.

Upon the showing of five hands a Call of the Senate was requested.

**SB 439**, AN ACT concerning impeachment; relating to other high crimes and misdemeanors; justices of the supreme court and constitutional officers of the executive department, was considered on final action.

The bill passed, as amended.
The Call was lifted

EXPLANATION OF VOTE

Madam President: I vote “No” on SB 439. Not only does this bill attempt to change the constitution without going through the required amendment process, it violates the separation of powers by subjecting justices to impeachment for vague, subjective, and political reasons. Allowing impeachment for ideological or political differences of opinion would completely undermine the independence of courts and the public’s confidence in their rulings. The intent behind this bill is to intimidate supreme court justices. The bill as introduced applied only to the judicial branch and committee amendments applying it to other executive branch officers are a smokescreen. There is no reason to modify the impeachment process or define in statute “high crimes and misdemeanors” to direct the Kansas House in its duties to impeach either supreme court justices or executive branch officers. The purpose of SB 439 is to place inappropriate pressure on the judicial branch to make decisions according to legislative dictates.—

ANTHONY HENSLEY

Senators Hawk, Holland, Kelly and Pettey request the record to show they concur with the "Explanation of V ote" offered by Senator Hensley on SB 439.

Madam President: Alexander Hamilton said “Laws are a dead letter without courts to expound and define their true meaning and operation”. SB 439 blatantly seeks to muzzle our Kansas Supreme Court, thereby compromising its ability to freely interpret and serve as the final arbiter of Kansas laws. I vote “No” on SB 439.—TOM HOLLAND

Senators Francisco, Haley, Hawk and Pettey request the record to show they concur with the "Explanation of V ote" offered by Senator Holland on SB 439.

Madam President: Power corrupts, absolute power corrupts absolutely. When officials are allowed to have absolute power, we run a real risk to our democratic processes. We live in an era when people believe that independence of the courts and absolute power are synonymous. The authors of the United States and Kansas constitutions did not equate independence with absolute power. SB 439 is a compilation of grounds for impeachment as expressed by the Founders of the United States constitution, and also from actual impeachment investigations at both the federal and state level. There is nothing new in SB 439. We have several recent examples of judicial activism. For example: disregarding the letter and spirit of the law, inconsistent application of principles in related cases, overturning the will of the people (marriage amendment), favoring partisan candidates for office, hosting a partisan fundraiser in the home of a Supreme Court justice against an explicit prohibition in the constitution. It’s time we revisit the fundamentals of our constitutional form of government and re-establish checks and balances on all 3 branches of government. “We the People” will have no recourse against a branch with absolute power.—M I T C H H O L M E S

Senators Abrams and Lynn request the record to show they concur with the "Explanation of V ote" offered by Senator Holmes on SB 439.
Madam President: A phrase that has lost meaning in the 21st century – “High Crimes and Misdemeanors” – is defined in SB 439 using the meaning that the founders of our United States and Kansas Constitutions understood. High crimes are those breaches of duty committed by public officials because they violate the fiduciary responsibility of their high office to the people of the state of Kansas – they are not necessarily criminal acts nor do they have to be. This bill clarifies the checks and balances of the branches of Kansas government. I vote “Aye.”—Greg Smith

Senators Abrams and Lynn request the record to show they concur with the "Explanation of Vote" offered by Senator Smith on SB 439.

EXPLANATION OF VOTE

Madam President: I vote “No” on S Sub HB 2088. The Kansas Legislature approved a property tax lid last year, and while this bill may seek to improve on what was passed last year, it is not at all clear that it does that. I am concerned that several good amendments that were offered failed to get on this bill. This legislature should accommodate cities and counties that are taking on expenditures for a significant public facility that stands to benefit the entire state, especially true in the case of the National Bio and Agro-Defense Facility. We should also be mindful of the extra expense we are adding with the requirement for an election, an expense that could be avoided in some cases if a petition was used to trigger such elections. Most importantly, there has been no schedule established that gives a clear timeline for municipalities to consider the current year’s property tax estimates, propose a budget and hold an election that would allow them to coordinate with an otherwise regularly scheduled elections, again, important in saving taxpayer dollars.—Marcy Francisco

Senators Hawk, Hensley and Holland request the record to show they concur with the "Explanation of Vote" offered by Senator Francisco on S Sub HB 2088.

Madam President: This legislation treats abated commercial property coming back onto the tax rolls differently than new unabated construction, thus shifting the costs of commercial infrastructure onto residential property owners. This legislation would also create significant financial uncertainty for communities planning both needed infrastructure projects as well as future development initiatives. I vote “no” on S Sub HB 2088.—Tom Holland

Senators Francisco and Hensley request the record to show they concur with the "Explanation of Vote" offered by Senator Holland on S Sub HB 2088.

Madam President: The people of Kansas have long supported the concept of “local control” under which local citizens make the decisions that impact their communities. Decisions are made best by the policy makers closest to the voters. S Sub HB 2088 usurps the decisions of locally elected leaders. Kansas voters already cast ballots to elect leaders whom they believe will make decisions with the best interests of their
communities and tax dollars in mind. If local elected officials make tax decisions that meet with disapproval, the voters can remove them from office. We need to put our own house in order and leave it to our local officials to do the job they were elected to do. Madam President, I vote “No” on S Sub HB 2088.—LAURA KELLY

Senators Faust-Goudeau, Francisco, Hawk, Hensley and Pettey request the record to show they concur with the "Explanation of Vote" offered by Senator Kelly on S Sub HB 2088.

Madam President: I support Kansans having a direct vote on their property taxes. I voted for it as a member of the Kansas House. I voted for it last year in the Kansas Senate. Kansas already has a tax lid because of that vote. My vote on HB 2088 is not against that tax lid. It is a vote against a bill that changes the tax lid to harm my Senate district. The people of Montgomery County have suffered for years from the valuation fight between the county and Coffeyville Resources. The current tax lid protects against layoffs and other dramatic consequences that would result if Montgomery County loses that fight. S Sub HB 2088 eliminates those protections. I trust the voters of Montgomery County. I trust the voters of southeast Kansas. S Sub HB 2088 does not. For that reason, I vote “No.”—JEFF KING

Madam President: This is a great day for the people of Kansas and this body. Increasing property taxes at the rate of inflation should be sufficient to maintain quality service to the citizens but in the rare circumstance that it is not, the people will get to vote. The people of Kansas are smart, attentive, and capable and should be given the right to vote on property taxes. I trust the people of Kansas and am proud to support this bill. I vote "Aye" on S Sub HB 2088.—JACOB LATURNER

Senators Baumgardner, Lynn, O'Donnell and Pilcher-Cook request the record to show they concur with the "Explanation of Vote" offered by Senator LaTurner on S Sub HB 2088.

Madam President: The one thing taxpayers dislike more than paying taxes is incorrect tax information. This bill makes it nearly impossible for city and counties to meet the timeline for notice with accurate information. Funding discretion and flexibility are key components of effective local fiscal management, and local officials are best situated to respond to growth in a timely manner and make necessary investments in the future of their communities. This tax policy does not meet the needs of our communities. I vote “No” on S Sub HB 2088.—PAT PETTEY

Senators Francisco and Hawk request the record to show they concur with the "Explanation of Vote" offered by Senator Pettey on S Sub HB 2088.

Committee on Public Health and Welfare begs leave to submit the following report:

By the Governor:

Member, University of Kansas Hospital Authority: K.S.A. 76-3304

Robba Moran, term expires March 15, 2018

REPORT ON ENROLLED BILLS

SB 329, SB 330, SB 412 reported correctly enrolled, properly signed and presented to the Governor on March 22, 2016.

On motion of Senator Bruce, the Senate adjourned until 10:00 a.m., Wednesday, March 23, 2016.
The Senate was called to order by President Susan Wagle.
The roll was called with 40 senators present.
 Invocation by Reverend Cecil Washington, Jr.:

Heavenly Father, we take two or three minutes, at the beginning of each session, to pause and talk to You. Then we take hour after hour to talk among ourselves and with each other. When Lord, the most beneficial talking we can do, is talking with You. And You said in 1 Thessalonians 5:17, that we should always be doing that. Let this prayer be the raising of our antennae…the logging on to Your internet, that at a moment’s notice, no matter what we’re engaged in, we’ll be ready to receive from You. Let this opening be a prayer seed, to germinate and blossom into something continual…for we need to frequently talk TO You and regularly hear FROM You…that we might be guided BY You, all throughout the day. If and when we get disconnected, Lord, shut us down and give us a reboot. Let all that we do be done prayerfully. Let us now Lord, turn to those in Brussels and all across the land, both here and abroad, both victims and offenders. We ask for help, healing and wisdom for the victims and their responders. Then we ask, Master, for You to open the blinded eyes of the wrongdoers…of the misled…of the deceived; those, who in their confusion, call evil good and call good evil. Like those persons, trapped by a cave-in, down in a mine, who didn’t know they were blind, until the light was turned on, turn on the light of Your truth, so that those who have been trapped in blindness, may come to know it and be enlightened. Let this be to the good and glory of Your name on this earth. I come to You in the precious name of Jesus. Amen

The Pledge of Allegiance was led by President Wagle.

MESSAGE FROM THE HOUSE

Message from the Governor

I want to thank the members of the Legislature for their work in completing a budget bill at this relatively early stage of the session. As we all know, there is more work to be done, but this bill makes significant progress. I look forward to working with the Legislature on the remaining issues before us.

Pursuant to Article 2, Section 14(b) of the Constitution of the State of Kansas, I hereby return House Substitute for Senate Bill 161 with my signature approving the bill, except for the items enumerated below.

Department of Commerce – STAR Bonds

Sections 35(g) and 36(f) are vetoed in their entirety. These provisions would bar any consideration or approval of STAR Bond projects in Wyandotte County until FY 2018. I do not believe there is any precedent for this kind of discrimination against one county in connection with economic development programs. The vetoed provisions here effectively would be repealed by the passage of other legislation containing certain STAR Bond reforms. My administration has been working with the Legislature on those reforms and will continue to do so. I look forward to receiving acceptable legislation before the end of the session. In my view, this approach to reform is much preferred over that taken in this bill.

Department for Aging and Disability Service – Mental Health Screenings

Section 48(o) is vetoed in its entirety. In October 2015, the Department for Aging and Disability Services discontinued its policy of requiring mental health screenings prior to admission to inpatient psychiatric beds at community hospitals and residential treatment facilities. The screenings were discontinued based on a threatened loss of funding from the federal government. The provision at issue here would return to the former policy, at a cost of $1.8 million. While that cost may be justified by the benefits to be obtained from the screenings, approving this provision could additionally jeopardize substantial federal funding of inpatient Medicaid services. I would be pleased to revisit this issue if the state receives new and different assurances from the federal government on the matter.

Signed: SAM BROWNBACK, Governor of Kansas

House Substitute for SB 161, was approved by the Governor on March 4, 2016, except for the following line item vetoes:
Sec. 35. DEPARTMENT OF COMMERCE

These vetoes were returned by the Governor with his objections and approved on March 15, 2016 by two-thirds of the members elected to the Senate notwithstanding the objections of the Governor; failed to receive the required two-thirds vote of the members elected to the House of Representatives on March 23, 2016. The line item vetoes were sustained.

REPORT ON ENROLLED BILLS

H Sub SB 245 reported correctly enrolled, properly signed and presented to the Governor on March 23, 2016.

On motion of Senator Bruce, the Senate adjourned until 10:00 a.m., Thursday, March 24, 2016.
The Senate was called to order by President Susan Wagle.
The roll was called with 40 senators present.

Senator Wagle introduced guest chaplain Kent Otott, Executive Director, North Central Kansas Teens For Christ, Concordia who delivered the invocation:

Our Most Gracious God, at this very moment, I want to lift up the ladies and gentlemen here today as they begin to conduct business which will affect the people of the State of Kansas. We know by Your Word the people in this chamber are in their positions because of You and the desires of their constituents. Whether the people in this room acknowledge You or not, You will be the One they humbly bow before one day to give an account of their decisions. So guide their hearts, oh God, and allow them to be sensitive to Your desires. Two verses from the Book of James will serve us all well today: “Draw near to God and He will draw near to you. Cleanse your hands, you sinners; and purify your hearts, you double-minded” and “Humble yourselves in the presence of the Lord, and He will exalt you.” James 4: 8,10 (NASB) As many will go home to celebrate the Resurrection of Your Son this weekend, give them rest and a splendid time with their families and friends who have missed them during this long, arduous session. As we close our time together in prayer, may you strengthen the people of the great State of Kansas. Bless their businesses, farms, families, and those who are serving in our Armed Forces. Be with those who protect our cities, serve our citizens and educate our children. These things I ask in the name of Your Risen Son, Jesus Christ! Amen!

The Pledge of Allegiance was led by President Wagle.

EXPLANATION OF VOTE

Madam President: I vote yes on Senate Sub for HB 2655. I believe the legislature should quickly respond to the Supreme Court’s equity decision and, more importantly, because it will allow the legislature to focus on developing a new education finance package, one that is based upon input from all of the stakeholders. This will ensure that all Kansas children continue to receive the opportunity to be on the path to being successful by pursuing their chosen occupation through a suitable public education.—

STEVE ABRAMS

Senators Arpke, Fitzgerald, King, Masterson and Petersen request the record to show they concur with the "Explanation of Vote" offered by Senator Abrams on S Sub HB 2655.

Madam President: I vote yes on Senate Sub for HB 2655 to avoid disruption of public education and to keep the schools open. The Supreme Court, in Gannon, ruled that existing school funding legislation concerning local option budget and capital outlay equalization was unconstitutional and could be enjoined, and in so instructing us to comply. In addition, unless we enacted a law that complied with these equalization concerns by June 30, 2016, all Kansas Public Schools would be closed. Having reviewed the evidence and testimony put on the record for the proceedings, I believe that this bill at all levels of scrutiny satisfies the Court’s demand on the legislature. This
will allow the schools to open on time as scheduled, avoiding any unnecessary disruption to public education.—Tom Arpke

Senators Fitzgerald and Masterson request the record to show they concur with the "Explanation of Vote" offered by Senator Arpke on S Sub HB 2655.

Madam President: I vote yes on Senate Sub for HB 2655 because of the evidence presented. There were three solutions identified. The first two, SB 512 and HB 2371, were fashioned after the prior formulas that the Supreme Court suggested would be one obvious choice. But, not a single school district supported the plan. The members of the respective committees that heard evidence on the bill did not believe it was the best option for Kansas schools. Senate Sub for HB 2655, however, was supported, in person, by two school districts and another school district sent a letter in support. Moreover, it includes a “hold harmless” provision that means no school district loses funds. All the school districts that testified – even the opponents of this bill – acknowledged that the hold harmless provision is necessary in light of the legislature’s obligation to respond to the Court’s remedial order while the school districts’ budgeting processes are occurring. The Department of Education witnesses confirmed this view, too. I believe that this bill is the best option among those that I have seen and the evidence that I have reviewed.—Jim Denning

Senators Arpke, Fitzgerald, Lynn, Masterson, Melcher, Smith, Wagle and Wolf request the record to show they concur with the "Explanation of Vote" offered by Senator Denning on S Sub HB 2655.

Madam President: I vote to “PASS” on the Senate Substitute for House Bill 2655. I want to support a bill to address the issue of funding equity because I understand how important it is to address the Kansas Supreme Court’s concern about equity and keep our schools open. However this bill claims to have its intent “to ensure that public school students receive a constitutionally adequate education through a fair allocation of resources among the school districts and that the distribution of these funds does not result in unreasonable wealth-based disparities among districts.” It also claims “Furthermore, the evidence before the legislature confirms that the total amount of school funding meets or exceeds the Supreme Court’s standard for adequacy.” Although the intent of S Sub for HB 2655 may also be for the legislature to respond to the court order, there are serious questions about how well it addresses the issue of equity and if it is constitutional. In no way can the legislature, with this bill, confirm that the total amount of school funding meets or exceeds the Supreme Court’s standard for adequacy. I urge us to consider a bill that adds $38 million to fund the current equalization formulas and would most likely pass constitutional muster.—Marc Francisco

Senators Faust-Goudeau and Hawk request the record to show they concur with the "Explanation of Vote" offered by Senator Francisco on S Sub HB 2655.

Madam President: Senate Substitute for HB 2655: I pass. A “yes” vote would have conveyed that I believe the plan to be a good one. I don’t. A “no” vote would have conveyed that I have no problem with schools having to shut down. I do have a problem with that scenario. It is my hope that my pass expresses my belief that Senate Substitute for HB 2655 is not equitable because it is just a continuation of the unconstitutional block grant (SB 7), yet I want to get a proposal to the court for its consideration in order to assure continued attempts to keep schools open.—Tom Hawk
Madam President: I vote yes on Senate Sub for HB 2655 because Dale Dennis, of the Department of Education, expressly told me that this plan allowed sufficient flexibility to address any potential equity issues that may arise in the future. Based upon the testimony that he (and others) provided, I feel confident that this plan satisfies the Court’s equity concerns and, if inequities arise in the future, sufficient funds will be within Mr. Dennis’ discretion to resolve any potential disparity that may occur after enactment.—Ty Masterson

Senator Arpke requests the record to show he concurs with the “Explanation of Vote” offered by Senator Masterson on S Sub HB 2655.

Madam President: I vote yes on Senate Substitute for HB 2655 because I firmly believe that the Preamble and Section 2 reflect my view of the evidence that was presented to the committees, and my intention is that this bill will keep our schools open.—Larry Powell

Senators Arpke and Masterson request the record to show they concur with the "Explanation of Vote" offered by Senator Powell on Senate Sub HB 2655.

Protest of Senator Hensley against Senate Substitute for House Bill No. 2655
March 24, 2016

Madam President: I hereby exercise my right under Article 2, Section 10, of the Kansas Constitution to protest Senate Substitute for House Bill No. 2655.

After submission of a bill at the rail on Monday, March 21, assignment of a bill number (Senate Bill No. 515) on Tuesday, getting the bill in print by early evening and a rushed committee hearing on Wednesday that provided no meaningful opportunity for testimony from the many districts impacted by the passage of this bill, this body now rushes to judgment to enact this bill (Senate Substitute for House Bill No. 2655) that demonstrably harms equity rather than curing the equity defects found by the Kansas Supreme Court. The bill does nothing to actually equalize purchasing power between districts due to differences in local wealth. Furthermore, it is a freeze of equalization payments at the current levels accomplished through the artifice of a “hold harmless” provision that benefits wealthier school districts at the expense of poorer districts. It also harms equity by effectively expanding LOB authority only for districts wealthy enough to afford local property tax increases. This Supposed Equity Bill is the very definition of a constitutionally inequitable bill.

Given the time constraints imposed on the Legislature by the Supreme Court’s decision, which was itself precipitated by this body’s unconstitutional actions, prudence would have dictated that the Legislature take as its guiding star a system that has been repeatedly found by the District Court Panel and the Supreme Court to be constitutionally equitable; namely, the old equalization formulas. Those formulas, in combination, pass the Supreme Court’s equity test; this bill does not. The bill continues to create “winners and losers” as the attached chart and spreadsheet graphically demonstrate by comparing the bill’s effects to the old equalization formulas previously found constitutional. My school district, Topeka USD 501, testified against this bill in the house and presented the spreadsheet and chart below along with their written testimony yesterday. The data was not presented to the Senate Committee and I want the entire Senate to have the benefit of reviewing this information.

When compared to the old equalization formulas, the bill’s disastrous effects on
equity become apparent. The bill essentially switches the Local Option Budget (LOB) equalization formula to a less generous equalization formula than was previously authorized. While the capital outlay equalization formula might have been approved for capital outlay it was not approved for LOB. LOB is a much larger component in classroom funding. This is the direct result of this body attempting to construct a formula based not on educational reasons for the funding, but rather based on the amount of money politically deemed available in the State’s checkbook. The bill prorates down the amount of LOB equalization to fit current dollars. Such a proration has been specifically found to be unconstitutional by the Supreme Court in Gannon I.

In addition, the hold harmless provisions in the bill (called “school district equalization state aid” in the bill) allow wealthier districts to retain more resources and thus retain the ability to provide more educational opportunity. This allows the wealthier districts to keep the advantage given to them by the block grants enacted under 2015 House Substitute for Senate Bill No. 7 and their wealth. This runs directly counter to the purpose of equalization aid which is supposed to “equalize” purchasing power. The bill instead ensures that the wealthier districts retain their advantages over less wealthy districts and thus fails the equity test.

Additionally, the bill’s system allows wealthy districts to game the equalization system in a way that less wealthy districts cannot. For example, Shawnee Mission USD 512, a district that regularly touts their ability to pass increased local school mill levies, could raise their mill levy to completely backfill the $3,040,285 amount they lose in LOB equalization aid under the Supposed Equity Bill’s LOB equalization formula. In addition, they would then receive an additional $3,040,285 in “hold harmless” money, thereby allowing them to increase spending by $3 million dollars over the block grant. On the other hand, Kansas City USD 500 also loses $2,502,864 in equalization aid. However, Kansas City is much less likely to get taxpayer approval for an increased local school mill levy to backfill this loss. The “hold harmless” money Kansas City receives will be only $1,240,706, resulting in a decrease in LOB funding to Kansas City by $1,262,158 over the amount granted under the block grant bill. This does not result in substantially similar educational opportunity through similar tax effort.

The bill also continues the cannibalization of equalization funds that the courts have repeatedly been found to be unconstitutional. By ensuring that any gains in capital outlay equalization are then deducted against any “hold harmless” money the district would receive, it harms the districts that receive capital outlay equalization compared to districts that do not.

Additionally, local school mill levies continue to range from 7.87 mills in Meade to 44.4 mills in South Haven for providing the same educational opportunity. This might have been acceptable to the Court had we used their safe harbor and simply re-adopted and funded the old formulas, however, since we did not, the new scheme must pass the equity test. Under the bill’s system, districts will be incentivized to shift more funding locally to backfill the loss of LOB aid due to the less generous LOB formula. This will only exacerbate the range of tax effort required to obtain “similar educational opportunity.” It violates the Supreme Court mandate that “School districts must have reasonably equal access to substantially similar educational opportunity through similar tax effort.” This tax effort difference is not even close to “similar.”

The Topeka Public Schools are already being forced to consider proposals to raise their LOB mill levy in order to make up for losses incurred through the operation of the
block grants. The bill means that Topeka taxpayers will face even higher potential local tax increases just to stay even. For districts like Topeka and other less wealthy districts, the bill can only be viewed as yet another package of concessions for wealthier, more politically powerful districts that continues to arbitrarily reassign winners and losers. This merely furthers the inequity in funding for classrooms across the state; it does not cure it as required by the Supreme Court.

The bill is the product of politics and not a consideration of the actual cost to educate Kansas school children. Clearly, the bill does not, by design or in its likely implementation, provide for “reasonably equal access to substantially similar educational opportunity through similar tax effort.” An attempted repackaging of the same resources previously found to violate the Kansas Constitution through a bill that perpetuates wealth-based disparities between the districts rather than curing them cannot reasonably be viewed as a constitutional response to the Supreme Court’s mandate. By passing the bill, this body once again fails in its constitutional duty under Article 6 to provide an equitable education to all Kansas school children.

In addition, if this bill is subsequently found to be unconstitutional by the Supreme Court, the majority party of this Legislature will have brought us dangerously closer to the Court’s June 30 deadline to comply with the Gannon decision. If the majority party is truly concerned about keeping schools open next fall, they should have appropriated $38 million in the fiscal year 2017 budget bill which passed the Legislature over a month ago. Appropriating $38 million would have been and remains a far more certain solution in meeting the equity test in Gannon than the uncertainty resulting from the passage of this bill. —ANTHONY HENSLEY

Senators Faust-Goudeau, Haley, Hawk, Holland, Kelly, and Pettey request the record to show they concur with the “Constitutional Protest” offered by Senator Hensley on S Sub HB 2655.

Senator Francisco requested the record to show she concurred with the “Constitutional Protest” offered by Senator Hensley on S Sub HB 2655. On objection, the request was denied.

The form shall be accompanied by an affidavit from the insurance company stating that: (A) The insurance company is unable to obtain a transfer of the title from the owner following an oral or written acceptance of an offer of damage settlement; (B) there is evidence of the damage settlement; (C) that there are no existing liens on the vehicle or all liens on the vehicle have been released; (D) the insurance company has physical possession of the vehicle; and (E) the insurance company has provided the owner, at the owner's last known address, 30 days' prior notice of such intent to transfer

A nonhighway certificate of title or salvage title may be assigned and transferred only while the vehicle remains a nonhighway vehicle or salvage vehicle.

Journal of the Senate

FORTY-NINTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Wednesday, April 27, 2016, 10:00 a.m.

The Senate was called to order by Vice President Jeff King.
The roll was called with 40 senators present.

Invocation by Reverend Cecil Washington, Jr.:

Heavenly Father, You bless us to take pauses…recesses…times when the demands of work are somewhat relaxed. We thank You for the breaks and pray that You’re bringing us back recharged. But Lord, those of us that are driven…and determined, can sometimes find it hard to just stop and rest…to stop the busyness and get replenished. So teach us to have healthy margins on the pages of our lives. Deliver us from the stress and potential burn-out of life’s pages being filled to the edges. Lord, there is always more work to do and more opportunities to pursue. But before we take on one more thing, help us turn these marginal moments of prayer into an ongoing habit. In Mark 6:31, the disciples were so busy, trying to meet people’s needs, that they didn’t even have a chance to eat. But the Lord said to them “Come with Me, by yourselves, to a quiet place and get some rest.” Teach us to have some quiet, white space times with You. Prompt us to be intentional…to take time to get away from everything and everybody, and get alone with You. You said that You would direct us and clear the path of progress, if we come to You with everything we do. (Proverbs 3:5-6) So, deliver us Lord, from the busyness that keeps us from spending time with You. I offer this prayer, in the blessed name of Jesus, Amen

The Pledge of Allegiance was led by Vice President King.

SB 338 – Veto Message from the Governor

The right to private property serves as a central pillar of the American constitutional tradition. It has long been considered essential to our basic understanding of civil and political rights. Property rights serve as a foundation to our most basic personal liberties. One of government’s primary purposes is to protect the property rights of individuals.

The purpose of Senate Bill 338, to help create safer communities, is laudable. However, in this noble attempt, the statute as written takes a step too far. The broad definition of blighted or abandoned property would grant a nearly unrestrained power to municipalities to craft zoning laws and codes that could unjustly deprive citizens of their property rights. The process of granting private organizations the ability to petition the courts for temporary and then permanent ownership of the property of another is rife with potential problems.

Throughout the country, we have seen serious abuse where government as broadened the scope of eminent domain, especially when private development is involved. The use of eminent domain for private economic development should be limited in use, not expanded. Senate Bill 338 opens the door for serious abuse in Kansas. Governmental authority to take property from one private citizen and give to another private citizen should be limited, but this bill would have the effect of expanding such authority without adequate safeguards.

Kansans from across the political spectrum contacted me to discuss their concerns that this bill disparately impact low income and minority neighborhoods. The potential for abuse of this new statutory process cannot be ignored. Government should protect property rights and ensure that the less advantaged are not denied the liberty to which every citizen is entitled.

There is a need to address the ability of municipalities and local communities to effectively maintain neighborhoods for public safety. However, Senate Bill 338 does much more. Though I am vetoing this bill, I would welcome legislation that empowers local communities to respond to blight and abandoned property that does not open the door to abuse of the fundamental rights of free people.

Heavenly Father, in view of President Wagle’s passionate plea regarding the health of her daughter, we come to You on her behalf. Give the medical profession wisdom and guidance in her daughter’s care. And please encourage the family to know that You, more than the doctors, are truly in control. Touch her body as only You can and Lord, please bring healing. Also, as we gather for prayer this morning, many will be gathering for more prayer outside at the noon hour. Franklin Graham is touring the nation and calling us to prayer. But, like the Psalmist said in Psalm 66:18, if we regard iniquity in our hearts, You would not hear us. So, Lord, help Your people, those of us who have put our faith and trust in You, have the positive, refining impact of salt and light in our areas of influence (Matthew 5:13-16). So that the combined prayers of Your people will be a sweet, fragrance to You, that You would hear our prayers and as You said in 2 Chronicles 7:14-15, You would bless and heal our land. Lord, I pray that You put a hedge of protection around all of those involved in the rally this afternoon. Thanks for favorable weather and safe travel. I come before Your precious throne, in the name of Jesus, Amen and Amen

Invocation by Reverend Cecil Washington, Jr.:

Gracious Lord, You've done something for us that goes far beyond what You’ve done for any of Your other creations. You’ve given us the power and the privilege to enter into a love relationship with You. In spite of the fact that we make wrong choices…in spite of the fact that we rebel against You, You’ve looked beyond our faults and You’ve chosen to love us. So, help us in our responses to Your love. Enable us to say as the Apostle John said in 1 John 4, that we’re showing love…true sacrificial love to You and to other people, because You first showed sacrificial love to us. Let the bowing of our heads today, be a humble recognition of the fact, that You are to be loved and exalted above all that there is. Remind us…even help us, to love and regard You first, and then to love others as we love ourselves (Matthew 22:35-40). As we interact with each other on the job…debating the issues and as we relate to those at home, help us to maintain the ultimate priority of love. Now, by Your grace, give us all a safe and blessed weekend. In Jesus Name, Amen

The Pledge of Allegiance was led by President Susan Wagle.

A signature may be made by another person at the voter's direction if the signature reflects the voter's intention.

(b) Applications made under this section shall give voter eligibility requirements and such information as is necessary to prevent duplicative voter registrations and enable the relevant election officer to assess the eligibility of the applicant and to administer voter registration, including, but not limited to, the following data to be kept by the relevant election officer as provided by law:

(19) a statement that the applicant shall be required to provide identification when voting; and
(20) political party affiliation declaration, if any. An applicant's failure to make a declaration will result in the applicant being registered as an unaffiliated voter.

If the application discloses any previous registration in any other county or state, as indicated by paragraph (8) or (10), or otherwise, the county election officer shall upon the registration of the applicant, give notice to the election official of the place of former registration, notifying such official of applicant's present residence and registration, and authorizing cancellation of such former registration. This section shall be interpreted and applied in accordance with federal law. No eligible applicant whose qualifications have been assessed shall be denied registration.

(c) Any person who applies for registration through a voter registration agency shall be provided with, in addition to the application under subsection (b), a form which includes:

(d) If any person, in writing, declines to register to vote, the voter registration agency shall maintain the form prescribed by subsection (c).
(e) A voter registration agency shall transmit the completed registration application to the county election officer not later than five days after the date of acceptance. Upon receipt of an application for registration, the county election officer shall send, by nonforwardable mail, a notice of disposition of the application to the applicant at the postal delivery address shown on the application. If a notice of disposition is returned as undeliverable, a confirmation mailing prescribed by K.S.A. 25-2316c, and amendments thereto, shall occur.
(f) If an application is received while registration is closed, such application shall be considered to have been received on the next following day during which registration is open.

(h) Any registered voter whose residence address is not a permissible postal delivery address shall designate a postal address for registration records. When a county election officer has reason to believe that a voter's registration residence is not a permissible postal delivery address, the county election officer shall attempt to determine a proper mailing address for the voter.
(i) Any registered voter may request that such person's residence address be concealed from public inspection on the voter registration list and on the original voter registration application form. Such request shall be made in writing to the county election officer, and shall specify a clearly unwarranted invasion of personal privacy or a threat to the voter's safety. Upon receipt of such a request, the county election officer...
shall take appropriate steps to ensure that such person’s residence address is not publicly disclosed. Nothing in this subsection shall be construed as requiring or authorizing the secretary of state to include on the voter registration application form a space or other provision on the form that would allow the applicant to request that such applicant's residence address be concealed from public inspection.

(j) No application for voter registration shall be made available for public inspection or copying unless the information required by paragraph (5) of subsection (b) has been removed or otherwise rendered unreadable.

(k) If an applicant fails to answer the question prescribed in paragraph (15) of subsection (b), the county election officer shall send the application to the applicant at the postal delivery address given on the application, by nonforwardable mail, with a notice of incompleteness. The notice shall specify a period of time during which the applicant may complete the application in accordance with K.S.A. 25-2311, and amendments thereto, and be eligible to vote in the next election.

(l) The county election officer or secretary of state's office shall accept any completed application for registration, but an applicant shall not be registered until the applicant has provided satisfactory evidence of United States citizenship. Evidence of United States citizenship as required in this section will be satisfied by presenting one of the documents listed in paragraphs (1) through (13) of subsections (l)(1) through (l)(13) in person at the time of filing the application for registration or by including a photocopy of one of the following documents with a mailed registration application. After a person has submitted satisfactory evidence of citizenship, the county election officer shall indicate this information in the person's permanent voter file. Evidence of United States citizenship shall be satisfied by providing one of the following, or a legible photocopy of one of the following documents:

(1) The applicant's driver's license or nondriver's identification card issued by the division of vehicles or the equivalent governmental agency of another state within the United States if the agency indicates on the applicant's driver's license or nondriver's identification card that the person has provided satisfactory proof of United States citizenship;

(2) the applicant's birth certificate that verifies United States citizenship to the satisfaction of the county election officer or secretary of state;

(3) pertinent pages of the applicant's United States valid or expired passport identifying the applicant and the applicant's passport number, or presentation to the county election officer of the applicant's United States passport;

(4) the applicant's United States naturalization documents or the number of the certificate of naturalization. If only the number of the certificate of naturalization is provided, the applicant shall not be included in the registration rolls until the number of the certificate of naturalization is verified with the United States bureau of citizenship and immigration services by the county election officer or the secretary of state, pursuant to 8 U.S.C. § 1373(c);

(5) other documents or methods of proof of United States citizenship issued by the federal government pursuant to the immigration and nationality act of 1952, and amendments thereto;

(6) the applicant's bureau of Indian affairs card number, tribal treaty card number or tribal enrollment number;

(7) the applicant's consular report of birth abroad of a citizen of the United States of
America;
(8) the applicant's certificate of citizenship issued by the United States citizenship and immigration services;
(9) the applicant's certification of report of birth issued by the United States department of state;
(10) the applicant's American Indian card, with KIC classification, issued by the United States department of homeland security;
(11) the applicant's final adoption decree showing the applicant's name and United States birthplace;
(12) the applicant's official United States military record of service showing the applicant's place of birth in the United States; or
(13) an extract from a United States hospital record of birth created at the time of
the applicant's birth indicating the applicant's place of birth in the United States.

(m) If an applicant is a United States citizen but does not have any of the
documentation listed in this section as satisfactory evidence of United States
citizenship, such applicant may submit any evidence that such applicant believes
demonstrates the applicant's United States citizenship.

(1) Any applicant seeking an assessment of evidence under this subsection may
directly contact the elections division of the secretary of state by submitting a voter
registration application or form as described by this section and any supporting
evidence of United States citizenship. Upon receipt of this information, the secretary of
state shall notify the state election board, as established under K.S.A. 25-2203, and
amendments thereto, that such application is pending.

(2) The state election board shall give the applicant an opportunity for a hearing
and an opportunity to present any additional evidence to the state election board. Notice
of such hearing shall be given to the applicant at least five days prior to the hearing
date. An applicant shall have the opportunity to be represented by counsel at such
hearing.

(3) The state election board shall assess the evidence provided by the applicant to
determine whether the applicant has provided satisfactory evidence of United States
citizenship. A decision of the state election board shall be determined by a majority vote
of the election board.

(4) If an applicant submits an application and any supporting evidence prior to the
close of registration for an election cycle, a determination by the state election board
shall be issued at least five days before such election date.

(5) If the state election board finds that the evidence presented by such applicant
constitutes satisfactory evidence of United States citizenship, such applicant will have
met the requirements under this section to provide satisfactory evidence of United
States citizenship.

(6) If the state election board finds that the evidence presented by an applicant does
not constitute satisfactory evidence of United States citizenship, such applicant shall
have the right to appeal such determination by the state election board by instituting an
action under 8 U.S.C. § 1503. Any negative assessment of an applicant's eligibility by
the state election board shall be reversed if the applicant obtains a declaratory judgment
pursuant to 8 U.S.C. § 1503, demonstrating that such applicant is a national of the
United States.

(n) Any person who is registered in this state on the effective date of this
amendment to this section is deemed to have provided satisfactory evidence of citizenship and shall not be required to resubmit evidence of citizenship.

(o) For purposes of this section, proof of voter registration from another state is not satisfactory evidence of United States citizenship.

(p) A registered Kansas voter who moves from one residence to another within the state of Kansas or who modifies such voter's registration records for any other reason shall not be required to submit evidence of United States citizenship.

(q) If evidence of citizenship is deemed to be unsatisfactory due to an inconsistency between the document submitted as evidence and the name or sex provided on the application for registration, such applicant may sign an affidavit:

1. Stating the inconsistency or inconsistencies related to the name or sex, and the reason therefor; and

2. Swearing under oath that, despite the inconsistency, the applicant is the individual reflected in the document provided as evidence of citizenship. However, there shall be no inconsistency between the date of birth on the document provided as evidence of citizenship and the date of birth provided on the application for registration. If such an affidavit is submitted by the applicant, the county election officer or secretary of state shall assess the eligibility of the applicant without regard to any inconsistency stated in the affidavit.

(r) All documents submitted as evidence of citizenship shall be kept confidential by the county election officer or the secretary of state and maintained as provided by Kansas record retention laws. The provisions of this subsection shall expire on July 1, 2021, unless the legislature reviews and reenacts this provision pursuant to K.S.A. 45-229, and amendments thereto, prior to July 1, 2021.

(s) The secretary of state may adopt rules and regulations in order to implement the provisions of this section.

(t) Nothing in this section shall prohibit an applicant from providing, or the secretary of state or county election officer from obtaining satisfactory evidence of United States citizenship, as described in subsection (1), at a different time or in a different manner than an application for registration is provided, as long as the applicant's eligibility can be adequately assessed by the secretary of state or county election officer as required by this section.

(u) The proof of citizenship requirements of this section shall not become effective until January 1, 2013.

Sec. 11. K.S.A. 2015 Supp. 45-229 is hereby amended to read as follows: 45-229. (a) It is the intent of the legislature that exceptions to disclosure under the open records act shall be created or maintained only if:

(1) The public record is of a sensitive or personal nature concerning individuals;

(2) the public record is necessary for the effective and efficient administration of a governmental program; or

(3) the public record affects confidential information.

The maintenance or creation of an exception to disclosure must be compelled as measured by these criteria. Further, the legislature finds that the public has a right to have access to public records unless the criteria in this section for restricting such access to a public record are met and the criteria are considered during legislative review in connection with the particular exception to disclosure to be significant enough to override the strong public policy of open government. To strengthen the policy of open government, the legislature shall consider the criteria in this section before enacting an exception to disclosure.

(b) Subject to the provisions of subsections (g) and (h), any new exception to disclosure or substantial amendment of an existing exception shall expire on July 1 of the fifth year after enactment of the new exception or substantial amendment, unless the legislature acts to continue the exception. A law that enacts a new exception or substantially amends an existing exception shall state that the exception expires at the end of five years and that the exception shall be reviewed by the legislature before the scheduled date.

(c) For purposes of this section, an exception is substantially amended if the amendment expands the scope of the exception to include more records or information. An exception is not substantially amended if the amendment narrows the scope of the exception.

(d) This section is not intended to repeal an exception that has been amended following legislative review before the scheduled repeal of the exception if the exception is not substantially amended as a result of the review.

(e) In the year before the expiration of an exception, the revisor of statutes shall certify to the president of the senate and the speaker of the house of representatives, by
July 15, the language and statutory citation of each exception which will expire in the following year which meets the criteria of an exception as defined in this section. Any exception that is not identified and certified to the president of the senate and the speaker of the house of representatives is not subject to legislative review and shall not expire. If the revisor of statutes fails to certify an exception that the revisor subsequently determines should have been certified, the revisor shall include the exception in the following year’s certification after that determination.

(f) "Exception" means any provision of law which creates an exception to disclosure or limits disclosure under the open records act pursuant to K.S.A. 45-221, and amendments thereto, or pursuant to any other provision of law.

(g) A provision of law which creates or amends an exception to disclosure under the open records law shall not be subject to review and expiration under this act if such provision:

1. Is required by federal law;
2. Applies solely to the legislature or to the state court system;
3. Has been reviewed and continued in existence twice by the legislature; or
4. Has been reviewed and continued in existence by the legislature during the 2013 legislative session and thereafter.

(h) (1) The legislature shall review the exception before its scheduled expiration and consider as part of the review process the following:

A. What specific records are affected by the exception;
B. Whom does the exception uniquely affect, as opposed to the general public;
C. What is the identifiable public purpose or goal of the exception;
D. Whether the information contained in the records may be obtained readily by alternative means and how it may be obtained;

2. An exception may be created or maintained only if it serves an identifiable public purpose and may be no broader than is necessary to meet the public purpose it serves. An identifiable public purpose is served if the legislature finds that the purpose is sufficiently compelling to override the strong public policy of open government and cannot be accomplished without the exception and if the exception:

A. Allows the effective and efficient administration of a governmental program, which administration would be significantly impaired without the exception;
B. Protects information of a sensitive personal nature concerning individuals, the release of which information would be defamatory to such individuals or cause unwarranted damage to the good name or reputation of such individuals or would jeopardize the safety of such individuals. Only information that would identify the individuals may be excepted under this paragraph; or
C. Protects information of a confidential nature concerning entities, including, but not limited to, a formula, pattern, device, combination of devices, or compilation of information which is used to protect or further a business advantage over those who do not know or use it, the disclosure of which information would injure the affected entity in the marketplace.

3. Records made before the date of the expiration of an exception shall be subject to disclosure as otherwise provided by law. In deciding whether the records shall be made public, the legislature shall consider whether the damage or loss to persons or entities uniquely affected by the exception of the type specified in paragraph (2)(B) or (2)(C) of this subsection (h) would occur if the records were made public.

(2) Exceptions contained in the following statutes as certified by the revisor of statutes to the president of the senate and the speaker of the house of representatives pursuant to subsection (e) and which have been reviewed during the 2015 legislative session and continued in existence by the legislature as provided in subsection (g) are hereby continued in existence: 17-2036, 40-5301, 45-221(a)(45), (46) and (49), 48-16a10, 58-4616, 60-3351, 72-972a, 74-50,217, 74-99d05 and 75-53,105.

CONFERENCE COMMITTEE REPORT

MADAM PRESIDENT and MR. SPEAKER: Your committee on conference on House amendments to SB 319 submits the following report:

The Senate accedes to all House amendments to the bill, and your committee on conference further agrees to amend the bill as printed with House Committee amendments, as follows:

On page 1, following line 5, by inserting:

"New Section 1. (a) This section shall be known and may be cited as the public speech protection act.
(b) The purpose of the public speech protection act is to encourage and safeguard the constitutional rights of a person to petition, and speak freely and associate freely, in connection with a public issue or issue of public interest to the maximum extent permitted by law while, at the same time, protecting the rights of a person to file meritorious lawsuits for demonstrable injury.
(c) As used in the public speech protection act:
(1) "Claim" means any lawsuit, cause of action, claim, cross-claim, counterclaim or other judicial pleading or filing requesting relief.
(2) "Communication" means the making or submitting of a statement or document in any form or medium, including oral, visual, written or electronic.
(3) "Exercise of the right of association" means a communication between individuals who join together to collectively express, promote, pursue or defend common interests.
(4) "Exercise of the right of free speech" means a communication made in connection with a public issue or issue of public interest.
(5) "Exercise of the right to petition" means any of the following:
(A) A communication in or pertaining to:
(i) A judicial proceeding;
(ii) an official proceeding, other than a judicial proceeding, to administer the law;
(iii) an executive or other proceeding before a department of the state, federal government, or other political subdivision of the state;
(iv) a legislative proceeding, including a proceeding of a legislative committee;
(v) a proceeding before an entity that requires by rule that public notice be given before proceedings of such entity;

(vi) a proceeding in or before a managing board of an educational institution supported directly or indirectly from public revenue;

(vii) a proceeding of the governing body of any political subdivision of this state;

(viii) a report of or debate and statements made in a proceeding described by subsection (c)(5)(A)(iii), (iv), (v), (vi) or (vii); or

(ix) a public meeting dealing with a public purpose, including statements and discussions at the meeting or other public issues or issues of public interest occurring at the meeting;

(B) a communication in connection with an issue under consideration or review by a legislative, executive, judicial or other governmental or official proceeding;

(C) a communication that is reasonably likely to encourage consideration or review of an issue by a legislative, executive, judicial or other governmental or official proceeding;

(D) a communication reasonably likely to enlist public participation in an effort to effect consideration of an issue by a legislative, executive, judicial or other governmental or official proceeding; and

(E) any other communication or conduct that falls within the protection of the right to petition the government under the constitution of the United States or the constitution of the state of Kansas.

(6) "Governmental proceeding" means a proceeding, other than a judicial proceeding, by an officer, official or body or political subdivision of this state, including a board or commission, or by an officer, official or body of the federal government.

(7) "Public issue or issue of public interest" includes an issue related to:

(A) Health or safety;

(B) environmental, economic or community well-being;

(C) the government;

(D) a public official or public figure; or

(E) a good, product or service in the marketplace.

(8) "Moving party" means any person on whose behalf the motion to strike is filed seeking to strike a claim.

(9) "Official proceeding" means any type of administrative, executive, legislative or judicial proceeding that may be conducted before a public servant.

(10) "Public servant" means a person elected, selected, appointed, employed or otherwise designated as one of the following, even if the person has not yet qualified for office or assumed the person's duties:

(A) An officer, employee or agent of government;

(B) a juror;

(C) an arbitrator, mediator or other person who is authorized by law or private written agreement to hear or determine a cause or controversy;

(D) an attorney or notary public when participating in the performance of a governmental function; or

(E) a person who is performing a governmental function under a claim of right but is not legally qualified to do so.

(d) A party may bring a motion to strike the claim if a claim is based on, relates to or is in response to a party's exercise of the right of free speech, right to petition or right
of association. A party bringing the motion to strike has the initial burden of making a
prima facie case showing the claim against which the motion is based concerns a party's
exercise of the right of free speech, right to petition or right of association. If the
moving party meets the burden, the burden shifts to the responding party to establish a
likelihood of prevailing on the claim by presenting substantial competent evidence to
support a prima facie case. If the responding party meets the burden, the court shall
deny the motion. In making its determination, the court shall consider pleadings and
supporting and opposing affidavits stating the facts upon which the liability or defense
is based. If the court determines the responding party established a likelihood of
prevailing on the claim: (1) The fact that the court made that determination and the
substance of the determination may not be admitted into evidence later in the case; and
(2) the determination does not affect the burden or standard of proof in the proceeding.
The motion to strike made under this subsection may be filed within 60 days of the
service of the most recent complaint or, in the court's discretion, at any later time upon
terms it deems proper. A hearing shall be held on the motion not more than 30 days after
the service of the motion.

(e) (1) On a motion by a party or on the court's own motion and on a showing of
good cause, the court may allow specified and limited discovery relevant to the motion.

(2) Except as provided by subsection (e)(1), all discovery, motions or other pending
hearings shall be stayed upon the filing of the motion to strike. The stay of discovery
shall remain in effect until the entry of the order ruling on the motion except that the
court, on motion and for good cause shown, may order that specified discovery, motions
or other pending hearings be conducted.

(f) The movant in a motion to strike has the right to: (1) Petition for a writ of
mandamus if the trial court fails to rule on the motion in an expedited fashion; or (2) file
an interlocutory appeal from a trial court order denying the motion to strike, if notice of
appeal is filed within 14 days after entry of such order. However, under subsections (f)
(1) and (2), further proceedings in the trial court shall be stayed pending determination
of the appeal.

(g) The court shall award the defending party, upon a determination that the
moving party has prevailed on its motion to strike, without regard to any limits under
state law: (1) Costs of litigation and reasonable attorney fees; and (2) such additional
relief, including sanctions upon the responding party and its attorneys and law firms, as
the court determines necessary to deter repetition of the conduct by others similarly
situated. If the court finds that the motion to strike is frivolous or solely intended to
cause delay, the court shall award to the responding party reasonable attorney fees and
costs related to the motion.

(h) This section does not apply to:

(1) An enforcement action that is brought in the name of this state or a political
subdivision of this state by the attorney general or a district or county attorney;

(2) a claim brought against a person primarily engaged in the business of selling or
leasing goods or services, if the statement or conduct arises out of the sale or lease of
goods, services or an insurance product, insurance services or a commercial transaction
in which the intended audience is an actual or potential buyer or customer, except as
provided in subsection (i); or

(3) a claim brought under the Kansas insurance code or arising out of an insurance
contract.
(i) Subsection (h)(2) shall not apply to any action against any person or entity based upon the creation, dissemination, exhibition, advertisement or other similar promotion of any dramatic, literary, musical, political or artistic work, including, but not limited to, a motion picture or television program, or an article published in a newspaper or magazine of general circulation.

(j) In any case filed by a government contractor that is found by a court to be in violation of this section, the court shall provide for its ruling to be sent to the head of the relevant governmental entity doing business with the contractor.

(k) The provisions of the public speech protection act shall be applied and construed liberally to effectuate its general purposes. If any provision of the public speech protection act or its application is held invalid, the invalidity does not affect other provisions or applications that can be given effect without the invalid provision or application.

Sec. 2. K.S.A. 60-1507 is hereby amended to read as follows: 60-1507. (a) Motion attacking sentence. A prisoner in custody under sentence of a court of general jurisdiction claiming the right to be released upon the ground that the sentence was imposed in violation of the constitution or laws of the United States, or the constitution or laws of the state of Kansas, or that the court was without jurisdiction to impose such sentence, or that the sentence was in excess of the maximum authorized by law, or is otherwise subject to collateral attack, may, pursuant to the time limitations imposed by subsection (f), move the court which imposed the sentence to vacate, set aside or correct the sentence.

(b) Hearing and judgment. Unless the motion and the files and records of the case conclusively show that the prisoner is entitled to no relief, the court shall cause notice thereof to be served upon the county attorney, grant a prompt hearing thereon, determine the issues and make findings of fact and conclusions of law with respect thereto. The court may entertain and determine such motion without requiring the production of the prisoner at the hearing. If the court finds that the judgment was rendered without jurisdiction, or that the sentence imposed was not authorized by law or is otherwise open to collateral attack, or that there has been such a denial or infringement of the constitutional rights of the prisoner as to render the judgment vulnerable to collateral attack, the court shall vacate and set the judgment aside and shall discharge the prisoner or resentenced said prisoner or grant a new trial or correct the sentence as may appear appropriate.

(c) Successive motions. The sentencing court shall not be required to entertain a second or successive motion for similar relief on behalf of the same prisoner.

(d) Appeal. An appeal may be taken to the appellate court as provided by law from the order entered on the motion as from a final judgment on application for a writ of habeas corpus.

(e) Exclusiveness of remedy. An application for a writ of habeas corpus in behalf of a prisoner who is authorized to apply for relief by motion pursuant to this section, shall not be entertained if it appears that the applicant has failed to apply for relief, by motion, to the court which sentenced said applicant, or that such court has denied said applicant relief, unless it also appears that the remedy by motion is inadequate or ineffective to test the legality of said applicant's detention.

(f) Time limitations. (1) Any action under this section must be brought within one year of:
(i) (A) The final order of the last appellate court in this state to exercise jurisdiction on a direct appeal or the termination of such appellate jurisdiction; or

(ii) (B) the denial of a petition for writ of certiorari to the United States supreme court or issuance of such court's final order following granting such petition.

(2) The time limitation herein may be extended by the court only to prevent a manifest injustice.

(A) For purposes of finding manifest injustice under this section, the court's inquiry shall be limited to determining why the prisoner failed to file the motion within the one-year time limitation or whether the prisoner makes a colorable claim of actual innocence. As used herein, the term actual innocence requires the prisoner to show it is more likely than not that no reasonable juror would have convicted the prisoner in light of new evidence.

(B) If the court makes a manifest-injustice finding, it must state the factual and legal basis for such finding in writing with service to the parties.

(3) If the court, upon its own inspection of the motions, files and records of the case, determines the time limitations under this section have been exceeded and that the dismissal of the motion would not equate with manifest injustice, the district court must dismiss the motion as untimely filed.

Sec. 3. K.S.A. 60-31a02 is hereby amended to read as follows:

60-31a02. As used in the protection from stalking act:

(a) "Stalking" means an intentional harassment of another person that places the other person in reasonable fear for that person's safety.

(b) "Harassment" means a knowing and intentional course of conduct directed at a specific person that seriously alarms, annoys, torments or terrorizes the person, and that serves no legitimate purpose. "Harassment" shall include any course of conduct carried out through the use of an unmanned aerial system over or near any dwelling, occupied vehicle or other place where one may reasonably expect to be safe from uninvited intrusion or surveillance.

(c) "Course of conduct" means conduct consisting of two or more separate acts over a period of time, however short, evidencing a continuity of purpose which would cause a reasonable person to suffer substantial emotional distress. Constitutionally protected activity is not included within the meaning of "course of conduct."

(d) "Unmanned aerial system" means a powered, aerial vehicle that:

1. Does not carry a human operator;
2. uses aerodynamic forces to provide vehicle lift;
3. may fly autonomously or be piloted remotely;
4. may be expendable or recoverable; and
5. may carry a lethal or nonlethal payload;"

And by renumbering sections accordingly;

Also on page 1, in line 13, after "K.S.A." by inserting "60-1507, 60-31a02 and"; also in line 13, by striking "is" and inserting "are"; in line 15, by striking "Kansas register" and inserting "statute book";

or commercial premises at any time that it is open to the public after having received a personal communication from the owner or manager of such premises not to enter such premises pursuant to K.S.A. 2015 Supp. 21-5808, and amendments thereto, except when such person is entering into or remaining in such premises with the intent to commit a person felony or sexually motivated crime therein.

Sec. 4. K.S.A. 2015 Supp. 21-6804 is hereby amended to read as follows: 21-6804.

(a) The provisions of this section shall be applicable to the sentencing guidelines grid for nondrug crimes. The following sentencing guidelines grid shall be applicable to nondrug felony crimes:

(b) Sentences expressed in the sentencing guidelines grid for nondrug crimes represent months of imprisonment.
(c) The sentencing guidelines grid is a two-dimensional crime severity and criminal history classification tool. The grid's vertical axis is the crime severity scale which classifies current crimes of conviction. The grid's horizontal axis is the criminal history scale which classifies criminal histories.

(d) The sentencing guidelines grid for nondrug crimes as provided in this section defines presumptive punishments for felony convictions, subject to the sentencing court's discretion to enter a departure sentence. The appropriate punishment for a felony conviction should depend on the severity of the crime of conviction when compared to all other crimes and the offender's criminal history.

(e) (1) The sentencing court has discretion to sentence at any place within the sentencing range. In the usual case it is recommended that the sentencing judge select the center of the range and reserve the upper and lower limits for aggravating and mitigating factors insufficient to warrant a departure.

(2) In presumptive imprisonment cases, the sentencing court shall pronounce the complete sentence which shall include the:
(A) Prison sentence;
(B) maximum potential reduction to such sentence as a result of good time; and
(C) period of postrelease supervision at the sentencing hearing. Failure to pronounce the period of postrelease supervision shall not negate the existence of such period of postrelease supervision.

(3) In presumptive nonprison cases, the sentencing court shall pronounce the:
(A) Prison sentence; and
(B) duration of the nonprison sanction at the sentencing hearing.

(f) Each grid block states the presumptive sentencing range for an offender whose crime of conviction and criminal history place such offender in that grid block. If an offense is classified in a grid block below the dispositional line, the presumptive disposition shall be nonimprisonment. If an offense is classified in a grid block above the dispositional line, the presumptive disposition shall be imprisonment. If an offense is classified in grid blocks 5-H, 5-I or 6-G, the court may impose an optional nonprison sentence as provided in subsection (q).

(g) The sentence for a violation of K.S.A. 21-3415, prior to its repeal, aggravated battery against a law enforcement officer committed prior to July 1, 2006, or a violation of K.S.A. 2015 Supp. 21-5412(d), and amendments thereto, aggravated assault against a law enforcement officer, which places the defendant's sentence in grid block 6-H or 6-I shall be presumed imprisonment. The court may impose an optional nonprison sentence as provided in subsection (q).

(h) When a firearm is used to commit any person felony, the offender's sentence shall be presumed imprisonment. The court may impose an optional nonprison sentence as provided in subsection (q).

(2) If because of the offender's criminal history classification the offender is subject to presumptive imprisonment or if the judge departs from a presumptive probation
sentence and the offender is subject to imprisonment, the provisions of this section and K.S.A. 2015 Supp. 21-6807, and amendments thereto, shall apply and the offender shall not be subject to the mandatory sentence as provided in K.S.A. 2015 Supp. 21-5823, and amendments thereto.

(3) Notwithstanding the provisions of any other section, the term of imprisonment imposed for the violation of the felony provision of K.S.A. 2015 Supp. 8-1025, K.S.A. 8-2,144, K.S.A. 8-1567, K.S.A. 2015 Supp. 21-5414(b)(3), K.S.A. 2015 Supp. 21-5823(b)(3) and (b)(4), K.S.A. 2015 Supp. 21-6412 and K.S.A. 2015 Supp. 21-6416, and amendments thereto, shall not be served in a state facility in the custody of the secretary of corrections, except that the term of imprisonment for felony violations of K.S.A. 2015 Supp. 8-1025 or K.S.A. 8-2,144 or K.S.A. 8-1567, and amendments thereto, may be served in a state correctional facility designated by the secretary of corrections if the secretary determines that substance abuse treatment resources and facility capacity is available. The secretary's determination regarding the availability of treatment resources and facility capacity shall not be subject to review. Prior to imposing any sentence pursuant to this subsection, the court may consider assigning the defendant to a house arrest program pursuant to K.S.A. 2015 Supp. 21-6609, and amendments thereto.

(j) (1) The sentence for any persistent sex offender whose current convicted crime carries a presumptive term of imprisonment shall be double the maximum duration of the presumptive imprisonment term. The sentence for any persistent sex offender whose current conviction carries a presumptive nonprison term shall be presumed imprisonment and shall be double the maximum duration of the presumptive imprisonment term.

(2) Except as otherwise provided in this subsection, as used in this subsection, "persistent sex offender" means a person who:

(A) (i) Has been convicted in this state of a sexually violent crime, as defined in K.S.A. 22-3717, and amendments thereto; and

(ii) at the time of the conviction under subsection (j)(2)(A)(i) has at least one conviction for a sexually violent crime, as defined in K.S.A. 22-3717, and amendments thereto, in this state or comparable felony under the laws of another state, the federal government or a foreign government; or

(B) (i) has been convicted of rape, as defined in K.S.A. 21-3502, prior to its repeal, or K.S.A. 2015 Supp. 21-5503, and amendments thereto; and

(ii) at the time of the conviction under subsection (j)(2)(B)(i) has at least one conviction for rape in this state or comparable felony under the laws of another state, the federal government or a foreign government.

(3) Except as provided in subsection (j)(2)(B), the provisions of this subsection shall not apply to any person whose current convicted crime is a severity level 1 or 2 felony.

(k) (1) If it is shown at sentencing that the offender committed any felony violation for the benefit of, at the direction of, or in association with any criminal street gang, with the specific intent to promote, further or assist in any criminal conduct by gang members, the offender's sentence shall be presumed imprisonment. The court may impose an optional nonprison sentence as provided in subsection (q).

(2) As used in this subsection, "criminal street gang" means any organization, association or group of three or more persons, whether formal or informal, having as one of its primary activities:
(A) The commission of one or more person felonies; or

(B) the commission of felony violations of article 57 of chapter 21 of the Kansas Statutes Annotated, and amendments thereto, K.S.A. 2010 Supp. 21-36a01 through 21-36a17, prior to their transfer, or any felony violation of any provision of the uniform controlled substances act prior to July 1, 2009; and

(C) its members have a common name or common identifying sign or symbol; and

(D) its members, individually or collectively, engage in or have engaged in the commission, attempted commission, conspiracy to commit or solicitation of two or more person felonies or felony violations of article 57 of chapter 21 of the Kansas Statutes Annotated, and amendments thereto, K.S.A. 2010 Supp. 21-36a01 through 21-36a17, prior to their transfer, any felony violation of any provision of the uniform controlled substances act prior to July 1, 2009, or any substantially similar offense from another jurisdiction.

(l) Except as provided in subsection (o), the sentence for a violation of K.S.A. 2015 Supp. 21-5807(a)(1), and amendments thereto, or any attempt or conspiracy, as defined in K.S.A. 2015 Supp. 21-5301 and 21-5302, and amendments thereto, to commit such offense, when such person being sentenced has a prior conviction for a violation of K.S.A. 21-3715(a) or (b), prior to its repeal, 21-3716, prior to its repeal, K.S.A. 2015 Supp. 21-5807(a)(1) or (a)(2), or K.S.A. 2015 Supp. 21-5807(b), and amendments thereto, or any attempt or conspiracy to commit such offense, shall be presumptive imprisonment.

(m) The sentence for a violation of K.S.A. 22-4903 or K.S.A. 2015 Supp. 21-5913(a)(2), and amendments thereto, shall be presumptive imprisonment. If an offense under such sections is classified in grid blocks 5-E, 5-F, 5-G, 5-H or 5-I, the court may impose an optional nonprison sentence as provided in subsection (q).

(n) The sentence for a violation of criminal deprivation of property, as defined in K.S.A. 2015 Supp. 21-5803, and amendments thereto, when such property is a motor vehicle, and when such person being sentenced has any combination of two or more prior convictions of K.S.A. 21-3705(b), prior to its repeal, or of criminal deprivation of property, as defined in K.S.A. 2015 Supp. 21-5803, and amendments thereto, when such property is a motor vehicle, shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

(o) The sentence for a felony violation of theft of property as defined in K.S.A. 2015 Supp. 21-5801, and amendments thereto, or burglary as defined in K.S.A. 2015 Supp. 21-5807(a), and amendments thereto, when such person being sentenced has no prior convictions for a violation of K.S.A. 21-3701 or 21-3715, prior to their repeal, or theft of property as defined in K.S.A. 2015 Supp. 21-5801, and amendments thereto, or burglary as defined in K.S.A. 2015 Supp. 21-5807(a), and amendments thereto; or the sentence for a felony violation of theft of property as defined in K.S.A. 2015 Supp. 21-5801, and amendments thereto, when such person being sentenced has one or two prior felony convictions for a violation of K.S.A. 21-3701, 21-3715 or 21-3716, prior to their repeal, or theft of property as defined in K.S.A. 2015 Supp. 21-5801, and amendments thereto, or burglary or aggravated burglary as defined in K.S.A. 2015 Supp. 21-5807, and amendments thereto; or the sentence for a felony violation of burglary as defined in K.S.A. 2015 Supp. 21-5807(a), and amendments thereto, when such person being sentenced has one prior felony conviction for a violation of K.S.A. 21-3701, 21-3715 or 21-3716, prior to their repeal, or theft of property as defined in K.S.A. 2015 Supp. 21-
5801, and amendments thereto, or burglary or aggravated burglary as defined in K.S.A. 2015 Supp. 21-5807, and amendments thereto, shall be the sentence as provided by this section, except that the court may order an optional nonprison sentence for a defendant to participate in a drug treatment program, including, but not limited to, an approved after-care plan, if the court makes the following findings on the record:

(1) Substance abuse was an underlying factor in the commission of the crime;
(2) substance abuse treatment in the community is likely to be more effective than a prison term in reducing the risk of offender recidivism; and
(3) participation in an intensive substance abuse treatment program will serve community safety interests.

A defendant sentenced to an optional nonprison sentence under this subsection shall be supervised by community correctional services. The provisions of K.S.A. 2015 Supp. 21-6824(f)(1), and amendments thereto, shall apply to a defendant sentenced under this subsection. The sentence under this subsection shall not be considered a departure and shall not be subject to appeal.

(p) The sentence for a felony violation of theft of property as defined in K.S.A. 2015 Supp. 21-5801, and amendments thereto, when such person being sentenced has any combination of three or more prior felony convictions for violations of K.S.A. 21-3701, 21-3715 or 21-3716, prior to their repeal, or theft of property as defined in K.S.A. 2015 Supp. 21-5801, and amendments thereto, or burglary or aggravated burglary as defined in K.S.A. 2015 Supp. 21-5807, and amendments thereto; or the sentence for a violation of burglary as defined in K.S.A. 2015 Supp. 21-5807(a), and amendments thereto, when such person being sentenced has any combination of two or more prior convictions for violations of K.S.A. 21-3701, 21-3715 and 21-3716, prior to their repeal, or theft of property as defined in K.S.A. 2015 Supp. 21-5801, and amendments thereto, or burglary or aggravated burglary as defined in K.S.A. 2015 Supp. 21-5807, and amendments thereto, shall be presumed imprisonment and the defendant shall be sentenced to prison as provided by this section, except that the court may recommend that an offender be placed in the custody of the secretary of corrections, in a facility designated by the secretary to participate in an intensive substance abuse treatment program, upon making the following findings on the record:

(1) Substance abuse was an underlying factor in the commission of the crime;
(2) substance abuse treatment with a possibility of an early release from imprisonment is likely to be more effective than a prison term in reducing the risk of offender recidivism; and
(3) participation in an intensive substance abuse treatment program with the possibility of an early release from imprisonment will serve community safety interests by promoting offender reformation.

The intensive substance abuse treatment program shall be determined by the secretary of corrections, but shall be for a period of at least four months. Upon the successful completion of such intensive treatment program, the offender shall be returned to the court and the court may modify the sentence by directing that a less severe penalty be imposed in lieu of that originally adjudged within statutory limits. The sentence under this subsection shall not be considered a departure and shall not be subject to appeal.

(q) As used in this section, an "optional nonprison sentence" is a sentence which

(1) An appropriate treatment program exists which is likely to be more effective than the presumptive prison term in reducing the risk of offender recidivism; and

(2) the recommended treatment program is available and the offender can be admitted to such program within a reasonable period of time; or

(3) the nonprison sanction will serve community safety interests by promoting offender reformation.

Any decision made by the court regarding the imposition of an optional nonprison sentence shall not be considered a departure and shall not be subject to appeal.

(r) The sentence for a violation of K.S.A. 2015 Supp. 21-5413(c)(2), and amendments thereto, shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.

(s) The sentence for a violation of K.S.A. 2015 Supp. 21-5512, and amendments thereto, shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

(t) (1) If the trier of fact makes a finding that an offender wore or used ballistic resistant material in the commission of, or attempt to commit, or flight from any felony, in addition to the sentence imposed pursuant to the Kansas sentencing guidelines act, the offender shall be sentenced to an additional 30 months' imprisonment.

(2) The sentence imposed pursuant to subsection (t)(1) shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.

Such sentence shall not be considered a departure and shall not be subject to appeal.

Such sentence shall not be considered a departure and shall not be subject to appeal.

(w) The sentence for aggravated criminal damage to property as defined in K.S.A. 2015 Supp. 21-5813(b), and amendments thereto, when such person being sentenced has a prior conviction for any nonperson felony shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

The request for renewal shall be on a form provided by the board and shall be accompanied by the prescribed fee, which shall be paid not later than the renewal date of the license.

(b) There is hereby created a designation of an active license. The board is authorized to issue an active license to any licensee who makes written application for such license on a form provided by the board and remits the fee established pursuant to section 16, and amendments thereto. The board shall require every active licensee to submit evidence of satisfactory completion of a program of continuing education required by the board. The requirements for continuing education for licensed acupuncturists shall be established by rules and regulations adopted by the board.

(c) The board, prior to renewal of a license, shall require an active licensee to submit to the board evidence satisfactory to the board that the licensee is maintaining a policy of professional liability insurance. The board shall fix by rules and regulations the minimum level of coverage for such professional liability insurance.

(d) At least 30 days before the renewal date of a licensee's license, the board shall notify the licensee of the renewal date by mail addressed to the licensee's last known mailing address. If the licensee fails to submit the renewal application and pay the
renewal fee by the renewal date of the license, the licensee shall be given notice that the
licensee has failed to submit the renewal application and pay the renewal fee by the
renewal date of the license, that the license will be deemed canceled if not renewed
within 30 days following the renewal date, that upon receipt of the renewal application
and renewal fee and an additional late fee established by rules and regulations not to
exceed $500 within the 30-day period, the license will not be canceled and that, if both
fees are not received within the 30-day period, the license shall be deemed canceled by
operation of law and without further proceedings.

(e) Any license canceled for failure to renew may be reinstated within two years of
cancellation upon recommendation of the board and upon payment of the renewal fees
then due and upon proof of compliance with the continuing education requirements
established by the board by rules and regulations. Any person who has not been in the
active practice of acupuncture for which reinstatement is sought or who has not been
engaged in a formal educational program during the two years preceding the application
for reinstatement may be required to complete such additional testing, training or
education as the board may deem necessary to establish the licensee's present ability to
practice with reasonable skill and safety.

(f) There is hereby created a designation of an exempt license. The board is
authorized to issue an exempt license to any licensee who makes written application for
such license on a form provided by the board and remits the fee established pursuant to
section 16, and amendments thereto. The board may issue an exempt license to a person
who is not regularly engaged in the practice of acupuncture in Kansas and who does not
hold oneself out to the public as being professionally engaged in such practice. An
exempt license shall entitle the holder to all privileges attendant to the practice of
acupuncture for which such license is issued. Each exempt license may be renewed
subject to the provisions of this section. Each exempt licensee shall be subject to all
provisions of the acupuncture practice act, except as otherwise provided in this
subsection. The holder of an exempt license may be required to submit evidence of

education requirements for exempt licensees to become licensed to regularly practice
acupuncture within Kansas. Any licensee whose license has been exempt for more than
two years and who has not been in the active practice of acupuncture since the license
has been exempt may be required to complete such additional testing, training or
education as the board may deem necessary to establish the licensee's present ability to
practice with reasonable skill and safety. Nothing in this subsection shall be construed
to prohibit a person holding an exempt license from serving as a paid employee of: (1)
A local health department as defined by K.S.A. 65-241, and amendments thereto; or (2)
an indigent health care clinic as defined by K.S.A. 75-6102, and amendments thereto.

authorized to issue an inactive license to any licensee who makes written application for
such license on a form provided by the board and remits the fee established pursuant to section 16, and amendments thereto. The board may issue an inactive license only to a person who is not regularly engaged in the practice of acupuncture in Kansas and who does not hold oneself out to the public as being professionally engaged in such practice. An inactive license shall not entitle the holder to practice acupuncture in this state. Each inactive license may be renewed subject to the provisions of this section. Each inactive licensee shall be subject to all provisions of the acupuncture practice act, except as otherwise provided in this subsection. The holder of an inactive license shall not be required to submit evidence of satisfactory completion of a program of continuing education required by subsection (b). Each inactive licensee may apply for an active license upon filing a written application with the board. The request shall be on a form provided by the board and shall be accompanied by the license fee established pursuant to section 16, and amendments thereto. For those licensees whose licenses have been inactive for less than two years, the board shall adopt rules and regulations establishing appropriate continuing education requirements for inactive licensees to become licensed to regularly practice acupuncture within Kansas. Any licensee whose license has been inactive for more than two years and who has not been in the active practice of acupuncture or engaged in a formal education program since the license has been inactive may be required to complete such additional testing, training or education as the board may deem necessary to establish the licensee's present ability to practice with reasonable skill and safety.

(h) This section shall take effect on and after July 1, 2017.

Application for reinstatement shall be on a form provided by the board and shall be accompanied by the fee established pursuant to section 16, and amendments thereto. The burden of proof by clear and convincing evidence shall be on the applicant to show sufficient rehabilitation to justify reinstatement. If the board determines that a license should not be reinstated, the person shall not be eligible to reapply for reinstatement for three years from the effective date of the denial. All proceedings conducted on an application for reinstatement shall be in accordance with the Kansas administrative procedure act and shall be reviewable in accordance with the Kansas judicial review act. (4) the factual circumstances in support of that belief;

(5) any pending criminal charges, if known;

(6) the fact that the applicant will file the petition provided for in K.S.A. 59-29b57, and amendments thereto, by the close of business of the first day thereafter that the district court is open for the transaction of business; and

(7) the application shall also be accompanied by a statement in writing of a physician, psychologist or state certified alcohol and drug abuse licensed addiction counselor finding that the person is likely to be a person with an alcohol or substance abuse problem subject to involuntary commitment for care and treatment under this act.

(d) Any treatment facility or personnel thereof, who in good faith renders treatment in accordance with law to any person admitted pursuant to subsection (b) or (c), shall not be liable in a civil or criminal action based upon a claim that the treatment was rendered without legal consent.

Sec. 83. K.S.A. 59-29b61 is hereby amended to read as follows: 59-29b61. (a) The order for an evaluation required by subsection (a)(5) of K.S.A. 59-29b60(a)(5) and amendments thereto, shall be served in the manner provided for in subsections (c) and (d) of K.S.A. 59-29b63(c) and (d) and amendments thereto. It shall order the proposed patient to submit to an evaluation to be conducted by a physician, psychologist or state certified alcohol and drug abuse licensed addiction counselor and to undergo such other medical examinations or evaluations as may be designated by the court in the order, except that any proposed patient who is not subject to a temporary custody order issued pursuant to K.S.A. 59-29b59, and amendments thereto, and who requests a hearing pursuant to K.S.A. 59-29b62, and amendments thereto, need not submit to such evaluations or examinations until that hearing has been held and the court finds that there is probable cause to believe that the proposed patient is a person with an alcohol or substance abuse problem subject to involuntary commitment for care and treatment under this act. The evaluation may be conducted at a treatment facility, the home of the proposed patient or any other suitable place that the court determines is not likely to have a harmful effect on the welfare of the proposed patient.

(b) At the time designated by the court in the order, but in no event later than three days prior to the date of the trial provided for in K.S.A. 59-29b65, and amendments thereto, the examiner shall submit to the court a report, in writing, of the evaluation which report also shall be made available to counsel for the parties at least three days prior to the trial. The report also shall be made available to the proposed patient and to whomever the patient directs, unless for good cause recited in the order, the court orders otherwise. Such report shall state that the examiner has made an examination of the proposed patient and shall state the opinion of the examiner on the issue of whether or not the proposed patient is a person with an alcohol or substance abuse problem subject to involuntary commitment for care and treatment under this act and the examiner's opinion as to the least restrictive treatment alternative which will protect the proposed
patient and others and allow for the improvement of the proposed patient if treatment is ordered.

(a) At any time after the filing of the petition provided for in K.S.A. 59-3058, 59-3059, 59-3060 or 59-3061, and amendments thereto, any person may file in addition to that original petition, or as a part thereof, or at any time after the appointment of a temporary guardian as provided for in K.S.A. 59-3073, and amendments thereto, or a guardian as provided for in K.S.A. 59-3067, and amendments thereto, the temporary guardian or guardian may file, a verified petition requesting that the court grant authority to the temporary guardian or guardian to admit the proposed ward or ward to a treatment facility, as defined in subsection (h), and to consent to the care and treatment of the proposed ward or ward therein. The petition shall include:

(b) The petition may be accompanied by a report of an examination and evaluation of the proposed ward or ward conducted by an appropriately qualified professional, which shows that the criteria set out in K.S.A. 39-1803, subsection (e) of K.S.A. 59-2946(e), subsection (f) of K.S.A. 59-29b46(f) or K.S.A. 76-12b03, and amendments thereto, are met.

(c) Upon the filing of such a petition, the court shall issue the following:

Such hearing, in the court's discretion, may be conducted in a courtroom, a treatment facility or at some other suitable place. The time fixed in the order shall in no event be earlier than seven days or later than 21 days after the date of the filing of the petition. The court may consolidate this hearing with the trial upon the original petition filed pursuant to K.S.A. 59-3058, 59-3059, 59-3060 or 59-3061, and amendments thereto, or with the trial provided for in the care and treatment act for mentally ill persons or the care and treatment act for persons with an alcohol or substance abuse problem, if the petition also incorporates the allegations required by, and is filed in compliance with, the
provisions of either of those acts.

(2) An order requiring that the proposed ward or ward appear at the time and place of the hearing on the petition unless the court makes a finding prior to the hearing that the presence of the proposed ward or ward will be injurious to the person's health or welfare, or that the proposed ward's or ward's impairment is such that the person could not meaningfully participate in the proceedings, or that the proposed ward or ward has filed with the court a written waiver of such ward's right to appear in person. In any such case, the court shall enter in the record of the proceedings the facts upon which the court has found that the presence of the proposed ward or ward at the hearing should be excused. Notwithstanding the foregoing provisions of this subsection, if the proposed ward or ward files with the court at least one day prior to the date of the hearing a written notice stating the person's desire to be present at the hearing, the court shall order that the person must be present at the hearing.

(3) An order appointing an attorney to represent the proposed ward or ward. The court shall give preference, in the appointment of this attorney, to any attorney who has represented the proposed ward or ward in other matters, if the court has knowledge of that prior representation. The proposed ward, or the ward with the consent of the ward's conservator, if one has been appointed, shall have the right to engage an attorney of the proposed ward's or ward's choice and, in such case, the attorney appointed by the court shall be relieved of all duties by the court. Any appointment made by the court shall terminate upon a final determination of the petition and any appeal therefrom, unless the court continues the appointment by further order.

(4) An order fixing the date, time and a place that is in the best interest of the proposed ward or ward, at which the proposed ward or ward shall have the opportunity to consult with such ward's attorney. This consultation shall be scheduled to occur prior to the time at which the examination and evaluation ordered pursuant to subsection (d) (1), if ordered, is scheduled to occur.

(5) A notice similar to that provided for in K.S.A. 59-3066, and amendments thereto.

(d) Upon the filing of such a petition, the court may issue the following:

(1) An order for a psychological or other examination and evaluation of the proposed ward or ward, as may be specified by the court. The court may order the proposed ward or ward to submit to such an examination and evaluation to be conducted through a general hospital, psychiatric hospital, community mental health center, community developmental disability organization, or by a private physician, psychiatrist, psychologist or other person appointed by the court who is qualified to examine and evaluate the proposed ward or ward. The costs of this examination and evaluation shall be assessed as provided for in K.S.A. 59-3094, and amendments thereto.

(2) If the petition is accompanied by a report of an examination and evaluation of the proposed ward or ward as provided for in subsection (b), an order granting temporary authority to the temporary guardian or guardian to admit the proposed ward or ward to a treatment facility and to consent to the care and treatment of the proposed ward or ward therein. Any such order shall expire immediately after the hearing upon the petition, or as the court may otherwise specify, or upon the discharge of the proposed ward or ward by the head of the treatment facility, if the proposed ward or ward is discharged prior to the time at which the order would otherwise expire.
(3) For good cause shown, an order of continuance of the hearing.
(4) For good cause shown, an order of advancement of the hearing.
(5) For good cause shown, an order changing the place of the hearing.
(e) The hearing on the petition shall be held at the time and place specified in the court's order issued pursuant to subsection (c), unless an order of advancement, continuance, or a change of place of the hearing has been issued pursuant to subsection (d). The petitioner and the proposed ward or ward shall each be afforded an opportunity to appear at the hearing, to testify and to present and cross-examine witnesses. If the hearing has been consolidated with a trial being held pursuant to either the care and treatment act for mentally ill persons or the care and treatment act for persons with an alcohol or substance abuse problem, persons not necessary for the conduct of the proceedings may be excluded as provided for in those acts. The hearing shall be conducted in as informal a manner as may be consistent with orderly procedure. The court shall have the authority to receive all relevant and material evidence which may be offered, including the testimony or written report, findings or recommendations of any professional or other person who has examined or evaluated the proposed ward or ward pursuant to any order issued by the court pursuant to subsection (d). Such evidence shall not be privileged for the purpose of this hearing.

(f) Upon completion of the hearing, if the court finds by clear and convincing evidence that the criteria set out in K.S.A. 39-1803, subsection (e) of K.S.A. 59-2946(e), subsection (f) of K.S.A. 59-29b46(i) or K.S.A. 76-12b03, and amendments thereto, are met, and after a careful consideration of reasonable alternatives to admission of the proposed ward or ward to a treatment facility, the court may enter an order granting such authority to the temporary guardian or guardian as is appropriate, including continuing authority to the guardian to readmit the ward to an appropriate treatment facility as may later become necessary. Any such grant of continuing authority shall expire two years after the date of final discharge of the ward from such a treatment facility if the ward has not had to be readmitted to a treatment facility during that two-year period of time. Thereafter, any such grant of continuing authority may be renewed only after the filing of another petition seeking authority in compliance with the provision of this section.

(g) Nothing herein shall be construed so as to prohibit the head of a treatment facility from admitting a proposed ward or ward to that facility as a voluntary patient if the head of the treatment facility is satisfied that the proposed ward or ward at that time has the capacity to understand such ward's illness and need for treatment, and to consent to such ward's admission and treatment. Upon any such admission, the head of the treatment facility shall give notice to the temporary guardian or guardian as soon as possible of the ward's admission, and shall provide to the temporary guardian or guardian copies of any consents the proposed ward or ward has given. Thereafter, the temporary guardian or guardian shall timely either seek to obtain proper authority pursuant to this section to admit the proposed ward or ward to a treatment facility and to consent to further care and treatment, or shall otherwise assume responsibility for the care of the proposed ward or ward, consistent with the authority of the temporary guardian or guardian, and may arrange for the discharge from the facility of the proposed ward or ward, unless the head of the treatment facility shall file a petition requesting the involuntary commitment of the proposed ward or ward to that or some other facility.

INTERSTATE MEDICAL LICENSURE COMPACT

SECTION 1
PURPOSE

In order to strengthen access to health care, and in recognition of the advances in the delivery of health care, the member states of the interstate medical licensure compact have allied in common purpose to develop a comprehensive process that complements the existing licensing and regulatory authority of state medical boards, provides a streamlined process that allows physicians to become licensed in multiple states, thereby enhancing the portability of a medical license and ensuring the safety of patients. The compact creates another pathway for licensure and does not otherwise change a state's existing medical practice act. The compact also adopts the prevailing standard for licensure and affirms that the practice of medicine occurs where the patient is located at the time of the physician-patient encounter, and therefore, requires the physician to be under the jurisdiction of the state medical board where the patient is located. (a) The member states hereby create the interstate medical licensure compact commission.

(b) The purpose of the interstate commission is the administration of the interstate medical licensure compact, which is a discretionary state function.

(c) The interstate commission shall be a body corporate and joint agency of the member states and shall have all the responsibilities, powers and duties set forth in the compact, and such additional powers as may be conferred upon it by a subsequent concurrent action of the respective legislatures of the member states in accordance with the terms of the compact.

(d) The interstate commission shall consist of two voting representatives appointed by each member state who shall serve as commissioners. In states where allopathic and osteopathic physicians are regulated by separate member boards, or if the licensing and disciplinary authority is split between multiple member boards within a member state, the member state shall appoint one representative from each member board. A commissioner shall be:

(1) An allopathic or osteopathic physician appointed to a member board;

(2) an executive director, executive secretary or similar executive of a member board; or

(3) a member of the public appointed to a member board.

(e) The interstate commission shall meet at least once each calendar year. A portion of this meeting shall be a business meeting to address such matters as may properly come before the commission, including the election of officers. The chairperson may call additional meetings and shall call for a meeting upon the request of a majority of the member states.

(f) The bylaws may provide for meetings of the interstate commission to be conducted by telecommunication or electronic communication.
Each commissioner participating at a meeting of the interstate commission is entitled to one vote. A majority of commissioners shall constitute a quorum for the transaction of business, unless a larger quorum is required by the bylaws of the interstate commission. A commissioner shall not delegate a vote to another commissioner. In the absence of its commissioner, a member state may delegate voting authority for a specified meeting to another person from that state who shall meet the requirements of subsection (d).

The interstate commission shall provide public notice of all meetings and all meetings shall be open to the public. The interstate commission may close a meeting, in full or in portion, where it determines by a two-thirds vote of the commissioners present that an open meeting would be likely to:

1. Relate solely to the internal personnel practices and procedures of the interstate commission;
2. Discuss matters specifically exempted from disclosure by federal statute;
3. Discuss trade secrets, commercial or financial information that is privileged or confidential;
4. Involve accusing a person of a crime, or formally censuring a person;
5. Discuss information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;
6. Discuss investigative records compiled for law enforcement purposes; or
7. Specifically relate to the participation in a civil action or other legal proceeding.

The interstate commission shall keep minutes which shall fully describe all matters discussed in a meeting and shall provide a full and accurate summary of actions taken, including record of any roll call votes.

The interstate commission shall make its information and official records, to the extent not otherwise designated in the compact or by its rules, available to the public for inspection.

The interstate commission shall establish an executive committee, which shall include officers, members, and others as determined by the bylaws. The executive committee shall have the power to act on behalf of the interstate commission, with the exception of rulemaking, during periods when the interstate commission is not in session. When acting on behalf of the interstate commission, the executive committee shall oversee the administration of the compact including enforcement and compliance with the provisions of the compact, its bylaws and rules, and other such duties as necessary.

The interstate commission may establish other committees for governance and administration of the compact.

SECTION 14
ORGANIZATION AND OPERATION OF THE INTERSTATE COMMISSION

(a) The interstate commission shall, by a majority of commissioners present and voting, adopt bylaws to govern its conduct as may be necessary or appropriate to carry out the purposes of the compact within 12 months of the first interstate commission meeting.
(b) The interstate commission shall elect or appoint annually from among its commissioners a chairperson, a vice-chairperson and a treasurer, each of whom shall have such authority and duties as may be specified in the bylaws. The chairperson, or in the chairperson's absence or disability, the vice-chairperson, shall preside at all meetings of the interstate commission.
(c) Officers selected in subsection (b) shall serve without remuneration from the interstate commission.
(d) The officers and employees of the interstate commission shall be immune from suit and liability, either personally or in their official capacity, for a claim for damage to or loss of property or personal injury or other civil liability caused or arising out of, or relating to, an actual or alleged act, error or omission that occurred, or that such person had a reasonable basis for believing occurred, within the scope of interstate commission employment, duties or responsibilities; provided that such person shall not be protected from suit or liability for damage, loss, injury or liability caused by the intentional or willful and wanton misconduct of such person.
   (1) The liability of the executive director and employees of the interstate commission or representatives of the interstate commission, acting within the scope of such person's employment or duties for acts, errors or omissions occurring within such person's state, may not exceed the limits of liability set forth under the constitution and laws of that state for state officials, employees and agents. The interstate commission is considered to be an instrumentality of the states for the purposes of any such action. Nothing in this subsection shall be construed to protect such person from suit or liability for damage, loss, injury or liability caused by the intentional or willful and wanton misconduct of such person.
   (2) The interstate commission shall defend the executive director, its employees, and subject to the approval of the attorney general or other appropriate legal counsel of the member state represented by an interstate commission representative, shall defend such interstate commission representative in any civil action seeking to impose liability arising out of an actual or alleged act, error or omission that occurred within the scope of interstate commission employment, duties or responsibilities, or that the defendant had a reasonable basis for believing occurred within the scope of interstate commission employment, duties or responsibilities; provided that such person shall not be protected from suit or liability for damage, loss, injury or liability caused by the intentional or willful and wanton misconduct of such person.

(3) To the extent not covered by the state involved, member state or the interstate commission, the representatives or employees of the interstate commission shall be held harmless in the amount of a settlement or judgment, including attorney fees and costs, obtained against such persons arising out of an actual or alleged act, error or omission that occurred within the scope of interstate commission employment, duties or responsibilities, or that such persons had a reasonable basis for believing occurred within the scope of interstate commission employment, duties or responsibilities, provided that the actual or alleged act, error or omission did not result from intentional or willful and wanton misconduct on the part of such persons.

SECTION 15
RULEMAKING FUNCTIONS OF THE INTERSTATE COMMISSION

(a) The interstate commission shall promulgate reasonable rules in order to effectively and efficiently achieve the purposes of the compact. Notwithstanding the foregoing, in the event the interstate commission exercises its rulemaking authority in a manner that is beyond the scope of the purposes of the compact, or the powers granted hereunder, then such an action by the interstate commission shall be invalid and have no force or effect.

(b) Rules deemed appropriate for the operations of the interstate commission shall be made pursuant to a rulemaking process that substantially conforms to the "model state administrative procedure act" of 2010, and subsequent amendments thereto.

(c) Not later than 30 days after a rule is promulgated, any person may file a petition for judicial review of the rule in the United States district court for the District of Columbia or the federal district where the interstate commission has its principal offices, provided that the filing of such a petition shall not stay or otherwise prevent the rule from becoming effective unless the court finds that the petitioner has a substantial likelihood of success. The court shall give deference to the actions of the interstate commission consistent with applicable law and shall not find the rule to be unlawful if the rule represents a reasonable exercise of the authority granted to the interstate commission.

SECTION 16
OVERSIGHT OF INTERSTATE COMPACT

(a) The executive, legislative and judicial branches of state government in each member state shall enforce the compact and shall take all actions necessary and appropriate to effectuate the compact's purposes and intent. The provisions of the compact and the rules promulgated hereunder shall have standing as statutory law, but shall not override existing state authority to regulate the practice of medicine.

(b) All courts shall take judicial notice of the compact and the rules in any judicial or administrative proceeding in a member state pertaining to the subject matter of the
compact, which may affect the powers, responsibilities or actions of the interstate commission.

(c) The interstate commission shall be entitled to receive all service of process in any such proceeding and shall have standing to intervene in the proceeding for all purposes. Failure to provide service of process to the interstate commission shall render a judgment or order void as to the interstate commission, the compact or promulgated rules.

SECTION 17
ENFORCEMENT OF INTERSTATE COMPACT

(a) The interstate commission, in the reasonable exercise of its discretion, shall enforce the provisions and rules of the compact.

(b) The interstate commission may, by majority vote of the commissioners, initiate legal action in the United States district court for the District of Columbia, or, at the discretion of the interstate commission, in the federal district where the interstate commission has its principal offices, to enforce compliance with the provisions of the compact, and its promulgated rules and bylaws, against a member state in default. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation including reasonable attorney fees.

(c) The remedies herein shall not be the exclusive remedies of the interstate commission. The interstate commission may avail itself of any other remedies available under state law or the regulation of a profession.

SECTION 18
DEFAULT PROCEDURES

(a) The grounds for default include, but are not limited to, failure of a member state to perform such obligations or responsibilities imposed upon it by the compact, or the rules and bylaws of the interstate commission promulgated under the compact.

(b) If the interstate commission determines that a member state has defaulted in the performance of its obligations or responsibilities under the compact, or the bylaws or promulgated rules, the interstate commission shall:

1) provide written notice to the defaulting state and other member states, of the nature of the default, the means of curing the default, and any action taken by the interstate commission. The interstate commission shall specify the conditions by which the defaulting state must cure its default; and

2) provide remedial training and specific technical assistance regarding the default.

(c) If the defaulting state fails to cure the default, the defaulting state shall be terminated from the compact upon an affirmative vote of a majority of the commissioners and all rights, privileges and benefits conferred by the compact shall terminate on the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of the default.

(d) Termination of membership in the compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to terminate shall
be given by the interstate commission to the governor, the majority and minority leaders of the defaulting state's legislature, and each of the member states.

(e) The interstate commission shall establish rules and procedures to address licenses and physicians that are materially impacted by the termination of a member state, or the withdrawal of a member state.

(f) The member state, which has been terminated is responsible for all dues, obligations, and liabilities incurred through the effective date of termination including obligations, the performance of which extends beyond the effective date of termination.

(g) The interstate commission shall not bear any costs relating to any state that has been found to be in default or which has been terminated from the compact, unless otherwise mutually agreed upon in writing between the interstate commission and the defaulting state.

(h) The defaulting state may appeal the action of the interstate commission by petitioning the United States district court for the District of Columbia or the federal district where the interstate commission has its principal offices. The prevailing party shall be awarded all costs of such litigation including reasonable attorney fees.

SECTION 19
DISPUTE RESOLUTION

(a) The interstate commission shall attempt, upon the request of a member state, to resolve disputes which are subject to the compact and which may arise among member states or member boards.

(b) The interstate commission shall promulgate rules providing for both mediation and binding dispute resolution as appropriate.

SECTION 20
MEMBER STATES, EFFECTIVE DATE AND AMENDMENT

(a) Any state is eligible to become a member state of the compact.

(b) The compact shall become effective and binding upon legislative enactment of the compact into law by no less than seven states. Thereafter, it shall become effective and binding on a state upon enactment of the compact into law by that state.

(c) The governors of non-member states, or their designees, shall be invited to participate in the activities of the interstate commission on a non-voting basis prior to adoption of the compact by all states.

(d) The interstate commission may propose amendments to the compact for enactment by the member states. No amendment shall become effective and binding upon the interstate commission and the member states unless and until it is enacted into law by unanimous consent of the member states.

SECTION 21
WITHDRAWAL

(a) Once effective, the compact shall continue in force and remain binding upon each and every member state; provided that a member state may withdraw from the compact by specifically repealing the statute which enacted the compact into law.
Withdrawal from the compact shall be by the enactment of a statute repealing the same, but shall not take effect until one year after the effective date of such statute and until written notice of the withdrawal has been given by the withdrawing state to the governor of each other member state.

The withdrawing state shall immediately notify the chairperson of the interstate commission in writing upon the introduction of legislation repealing the compact in the withdrawing state.

The withdrawing state shall immediately notify the chairperson of the interstate commission in writing upon the introduction of legislation repealing the compact in the withdrawing state.

The withdrawing state shall immediately notify the chairperson of the interstate commission in writing upon the introduction of legislation repealing the compact in the withdrawing state.

The withdrawing state is responsible for all dues, obligations and liabilities incurred through the effective date of withdrawal, including obligations, the performance of which extend beyond the effective date of withdrawal.

Reinstatement following withdrawal of a member state shall occur upon the withdrawing state reenacting the compact or upon such later date as determined by the interstate commission.

The interstate commission is authorized to develop rules to address the impact of the withdrawal of a member state on licenses granted in other member states to physicians who designated the withdrawing member state as the state of principal license.

SECTION 22
DISSOLUTION

The compact shall dissolve effective upon the date of the withdrawal or default of the member state, which reduces the membership in the compact to one member state.

Upon the dissolution of the compact, the compact becomes null and void and shall be of no further force or effect, and the business and affairs of the interstate commission shall be concluded and surplus funds shall be distributed in accordance with the bylaws.

SECTION 23
SEVERABILITY AND CONSTRUCTION

The provisions of the compact shall be severable, and if any phrase, clause, sentence or provision is deemed unenforceable, the remaining provisions of the compact shall be enforceable.

The provisions of the compact shall be liberally construed to effectuate its purposes.

Nothing in the compact shall be construed to prohibit the applicability of other interstate compacts to which the states are members.

SECTION 24
BINDING EFFECT OF COMPACT AND OTHER LAWS

Nothing herein prevents the enforcement of any other law of a member state that is not inconsistent with the compact.
(b) All laws in a member state in conflict with the compact are superseded to the extent of the conflict.
(c) All lawful actions of the interstate commission, including all rules and bylaws promulgated by the commission, are binding upon the member states.
(d) All agreements between the interstate commission and the member states are binding in accordance with their terms.
(e) In the event any provision of the compact exceeds the constitutional limits imposed on the legislature of any member state, such provision shall be ineffective to the extent of the conflict with the constitutional provision in question in that member state.

The council shall consist of seven members, all residents of the state of Kansas appointed as follows: Two members shall be licensees of the board, appointed by the board, who are licensed to practice medicine and surgery and whose specialty and customary practice includes obstetrics; one member shall be the president of the board or a board member designated by the president; and four members shall be licensed certified nurse-midwives appointed by the board of nursing.

(b) The provisions of this section shall become effective on January 1, 2017.

Sec. 98. On and after January 1, 2017, K.S.A. 2015 Supp. 65-1130 is hereby amended to read as follows: (a) No professional nurse shall announce or represent to the public that such person is an advanced practice registered nurse unless such professional nurse has complied with requirements established by the board and holds a valid license as an advanced practice registered nurse in accordance with the provisions of this section.
(b) The board shall establish standards and requirements for any professional nurse who desires to obtain licensure as an advanced practice registered nurse. Such standards and requirements shall include, but not be limited to, standards and requirements relating to the education of advanced practice registered nurses. The board may give such examinations and secure such assistance as it deems necessary to determine the qualifications of applicants.
(c) The board shall adopt rules and regulations applicable to advanced practice registered nurses which:
(1) Establish roles and identify titles and abbreviations of advanced practice registered nurses which are consistent with nursing practice specialties recognized by the nursing profession.
(2) Establish education and qualifications necessary for licensure for each role of advanced practice registered nurse established by the board at a level adequate to assure the competent performance by advanced practice registered nurses of functions and procedures which advanced practice registered nurses are authorized to perform. Advanced practice registered nursing is based on knowledge and skills acquired in basic nursing education, licensure as a registered nurse and graduation from or completion of
a master's or higher degree in one of the advanced practice registered nurse roles approved by the board of nursing.

(3) Define the role of advanced practice registered nurses and establish limitations and restrictions on such role. The board shall adopt a definition of the role under this subsection (c)(3) paragraph which is consistent with the education and qualifications required to obtain a license as an advanced practice registered nurse, which protects the public from persons performing functions and procedures as advanced practice registered nurses for which they lack adequate education and qualifications and which authorizes advanced practice registered nurses to perform acts generally recognized by the profession of nursing as capable of being performed, in a manner consistent with the public health and safety, by persons with postbasic education in nursing. In defining such role the board shall consider: (A) The education required for a licensure as an advanced practice registered nurse; (B) the type of nursing practice and preparation in specialized advanced practice skills involved in each role of advanced practice registered nurse established by the board; (C) the scope and limitations of advanced practice nursing prescribed by national advanced practice organizations; and (D) acts recognized by the nursing profession as appropriate to be performed by persons with postbasic education in nursing.

(d) An advanced practice registered nurse may prescribe drugs pursuant to a written protocol as authorized by a responsible physician. Each written protocol shall contain a precise and detailed medical plan of care for each classification of disease or injury for which the advanced practice registered nurse is authorized to prescribe and shall specify all drugs which may be prescribed by the advanced practice registered nurse. Any written prescription order shall include the name, address and telephone number of the responsible physician. The advanced practice registered nurse may not dispense drugs, but may request, receive and sign for professional samples and may distribute professional samples to patients pursuant to a written protocol as authorized by a responsible physician.
