MEMORANDUM

To: Chairman DeGraaf and Members of the Committee on Financial Institutions
From: Matt Sterling, Assistant Revisor of Statutes
Date: 02/19/2015
Subject: House Bill 2352

HB 2352 would amend K.S.A. 9-1111 concerning branch banking. The bill makes several technical corrections throughout the statute and one substantive change. The substantive change would amend the definition of a “remote service unit” to include a machine-readable instrument that is activated by a person upon verifiable personal identification and that could be equipped with a telephone or televideo device that allowed contact with bank personnel.
