Written Testimony Before the
House Transportation Committee
Wednesday, February 10, 2016

Members of the House Transportation Committee

I am submitting written testimony in strong support of the passage of **HB2520**, designating a portion of U.S. Highway 400 as the John Troy, Pete Hughes and Earl Seifert highway. Upon passage of this bill the portion of U.S. highway 400 from the intersection with Queens road in Labette county, then east to the intersection with Udall road would be designated as the John Troy, Pete Hughes and Earl Seifert highway. These three men were instrumental in the grass roots effort to get this highway renamed. Mr. Troy and Mr. Seifert are both deceased. We feel naming this section of U.S. Highway 400 is the appropriate location and way to honor these men who worked so diligently to get Highway 160 renamed to U.S. Highway 400.

I ask your support of **HB2520**.

Respectfully submitted,
