Senator Masterson:

At the Special Committee on Taxation meeting held on November 5, 2015, Representative Lunn asked for the amount of corporate income tax paid by the top 6 corporate income taxpayers.

Response: For Tax Year 2013, the top 6 corporate income taxpayers (largest in tax liability) paid a total of \$52.647 million in corporate income tax.

As indicated at the meeting, due to the taxpayer information confidentiality restrictions, we would be prohibited from disclosing the amount of tax paid by any particular taxpayer.
