Dear Representative Kleeb:

SUBJECT: Fiscal Note for HB 2308 by House Committee on Taxation

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2308 is respectfully submitted to your committee.

HB 2308 would provide a sales tax exemption for machinery and equipment used to manufacture or process ice for sale in an automated ice vending machine. The sales tax exemption would become effective on July 1, 2015.

Estimated State Fiscal Effect

Revenue	--	--	(\$476,830)	(\$575,000)
Expenditure	--	--	\$1,200	\$1,200

The Department of Revenue estimates that HB 2308 would decrease state revenues by \$575,000 in FY 2016. Of that total, the State General Fund is estimated to decrease by \$476,830 in FY 2016, while the State Highway Fund is estimated to decrease by \$98,170 in FY 2016. This bill also is estimated to decrease local sales tax revenues by \$143,750 in FY 2016. The fiscal effect to state and local revenues during subsequent years would be as follows:

	<u>FY 2017</u>	<u>FY 2018</u>	<u>FY 2019</u>	<u>FY 2020</u>
State General Fund	(\$494,711)	(\$513,263)	(\$532,510)	(\$552,480)

To formulate these estimates, the Department of Revenue reviewed data on the potential growth of automated ice vending machine throughout the state. The self-contained machines cost approximately \$125,000 prior to making utility upgrades or changing the facades due to city zoning requirements. The Department indicates automated ice vending machines is a growing market and estimates that between 50 and 100 machines could be installed annually. Assuming 75 machines were purchased annually, it would result in the loss of state retail sales tax revenues of \$575,000 in FY 2016. According to the Department, reissuing sales tax publications would cost \$1,200 from the State General Fund in FY 2016.

The Kansas Department of Transportation (KDOT) indicates that the bill would reduce state revenues to the State Highway Fund as noted above. KDOT indicates that when the state receives lower State Highway Fund dollars it may be required to make corresponding reductions to planned expenditures for projects funded under the comprehensive transportation plan, known as T-WORKS.

The Kansas Association of Counties and the League of Kansas Municipalities indicate that the bill would provide a net reduction to local sales tax collections that are used in part to finance local governments. Any fiscal effect associated with HB 2308 is not reflected in *The FY 2016 Governor's Budget Report*.
