Dear Representative Kleeb:

The Department of Revenue indicates HB 2551 would affect only local sales tax collections in the Sherwood Improvement District and would have no fiscal effect on state revenues. The Department of Revenue indicates the bill would require $10,005 from the State General Fund in FY 2017 for administrative costs to implement the bill, including changes to sales tax publications and modifications to the Department’s computer system to collect and process retail sales taxes from each taxing jurisdiction. The required programming for this bill by itself would be performed by existing staff of the Department of Revenue. However, if the combined effect of implementing this bill and other enacted legislation exceeds the Department’s programming resources, or if the time for implementing the changes is too short, expenditures
for outside contract programmer services beyond the Department’s current budget may be required. Any fiscal effect associated with HB 2551 is not reflected in The FY 2017 Governor’s Budget Report.

Sincerely,

Shawn Sullivan,
Director of the Budget
