Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 2014 Supp. 58-3935 is hereby amended to read as follows: 58-3935. (a) Property is presumed abandoned if it is unclaimed by the apparent owner during the time set forth below for the particular property:

1. Traveler's check, 15 years after its issuance;
2. Money order, seven years after issuance;
3. Except as provided in K.S.A. 58-3943, and amendments thereto, stock or other equity interest in a business association or financial organization, including a security entitlement under article 8 of the uniform commercial code, five years after the earlier of:
   A. The date of the most recent dividend, stock split or other distribution unclaimed by the apparent owner; or
   B. The date of the second mailing of a statement of account or other notification or communication that was returned as undeliverable or after the holder discontinued mailings, notifications or communications to the apparent owner;
4. Debt of a business association or financial organization, other than a bearer bond or an original issue discount bond, five years after the date of the most recent interest payment unclaimed by the apparent owner;
5. A demand, savings or time deposit, including a deposit that is automatically renewable, five years after the earlier of maturity or the date of the last indication by the owner of interest in the property, except that a deposit that is automatically renewable is deemed matured for purposes of this section upon its initial date of maturity, unless the owner has consented to a renewal at or about the time of the renewal and the consent is in writing or is evidenced by a memorandum or other record on file with the holder;
6. Money or credits owed to a customer as a result of a retail business transaction, five years after the obligation accrued;
7. Amount owed by an insurer on a life or endowment insurance policy or an annuity that has matured or terminated, three years after the
obligation to pay arose or, in the case of a policy or annuity payable upon proof of death, three years after the insured has attained, or would have attained if living, the limiting age under the mortality table on which the reserve is based;

(8) property distributable by a business association or financial organization in a course of dissolution, one year after the property becomes distributable;

(9) property received by a court as proceeds of a class action, and not distributed pursuant to the judgment, one year after the distribution date;

(10) property held by a court, state or other government, governmental subdivision, agency or instrumentality, one year after the property becomes distributable;

(11) wages or other compensation for personal services, one year after the compensation becomes payable;

(12) deposit or refund owed to a subscriber by a utility, one year after the deposit or refund becomes payable;

(13) property held by agents and fiduciaries in a fiduciary capacity for the benefit of another person, five years after it has become payable or distributable, unless the owner has increased or decreased the principal, accepted payment of principal or income, communicated concerning the property or otherwise indicated an interest as evidenced by a memorandum or other record on file prepared by the fiduciary;

(14) property in an individual retirement account, defined benefit plan or other account or plan that is qualified for tax deferral under the income tax laws of the United States, three years after the earliest of the date of the distribution or attempted distribution of the property, the date of the required distribution as stated in the plan or trust agreement governing the plan, or the date, if determinable by the holder, specified in the income tax laws of the United States by which distribution of the property must begin in order to avoid a tax penalty;

(15) property distributable in the course of a demutualization, rehabilitation or related reorganization of an insurance company shall be deemed abandoned as follows:

(A) Any check or draft, two years after the date of the demutualization or reorganization, if the check or draft has not been presented for payment and the owner has not otherwise communicated with the holder or its agent regarding the property;

(B) (i) any other property, two years after the date of the demutualization or reorganization if instruments or statements reflecting the distribution are either mailed to the owner and returned by the post office as undeliverable, or not mailed to the owner because of an address on the books and records of the holder that is known to be incorrect; and

(ii) the owner has not:
(a) Communicated in writing with the holder or its agent regarding the property; or
(b) otherwise communicated with the holder or its agent regarding the property as evidenced by a memorandum or other record on file with the holder or its agent.
(c) For any time more than two years after the date of demutualization or reorganization, any property which is not subject to subparagraph (A) or (B) of this paragraph (15) shall be treated under other provisions of this chapter for the specific type of property;
(16) all other property, five years after the owner's right to demand the property or after the obligation to pay or distribute the property arises, whichever first occurs; and
(17) any proceeds of a sale pursuant to K.S.A. 58-817, and amendments thereto, which remain after satisfaction of the lien provided by K.S.A. 58-816, and amendments thereto, that have been unclaimed by the owner for one year from receipt of the proceeds of the sale and satisfaction of the lien.
(b) At the time that an interest is presumed abandoned under subsection (a) any other property right accrued or accruing to the owner as a result of the interest, and not previously presumed abandoned, is also presumed abandoned.
(c) Property is unclaimed if, for the applicable period set forth in subsection (a), the apparent owner has not communicated in writing or by other means reflected in a contemporaneous record prepared by or on behalf of the holder, with the holder concerning the property or the account in which the property is held, and has not otherwise indicated an interest in the property. A communication by an owner with a person other than the holder or the holder's representative who has not in writing identified the property to the owner is not an indication of interest in the property by the owner.
(d) An indication of an owner's interest in property includes:
(1) The presentment of a check or other instrument of payment of a dividend or other distribution made with respect to an account or underlying stock or other interest in a business association or financial organization or, in the case of a distribution made by electronic or similar means, evidence that the distribution has been received;
(2) owner-directed activity in the account in which the property is held, including a direction by the owner to increase, decrease or change the amount or type of property held in the account;
(3) the making of a deposit to or withdrawal from a bank account; and
(4) the payment of a premium with respect to a property interest in an insurance policy, except that the application of an automatic premium loan provision or other nonforfeiture provision contained in an insurance policy
does not prevent a policy from maturing or terminating if the insured has
died or the insured or the beneficiary of the policy has otherwise become
entitled to the proceeds before the depletion of the cash surrender value of
a policy by the application of those provisions.
(e) Property is payable or distributable for the purpose of this act
notwithstanding the owner's failure to make demand or to present any
instrument or document otherwise required to obtain payment.
(f) Any demand or savings account or matured timed deposit with a
financial organization shall not be presumed abandoned if regular
correspondence to an owner of the account has not been returned to the
sender.
(g) Any outstanding check, draft, credit balance, customer's
overpayment or unidentified remittance issued to a sole proprietorship or
business association as part of a commercial transaction in the ordinary
course of a holder's business shall not be presumed abandoned.
(h) A holder may not impose with respect to any property payable or
distributable for the purpose of this act, including any income or increment
derived therefrom, any fee or charge due to dormancy or inactivity or
cease payment of interest unless:
(1) There is an enforceable written contract between the holder and
the owner of the property pursuant to which the holder may impose a
charge or cease payment of interest;
(2) for property in excess of $100, the holder, no more than three
months before the initial imposition of those charges or cessation of
interest, has mailed written notice to the owner of the amount of those
charges at the last known address of the owner stating that those charges
will be imposed or that interest will cease, but the notice provided in this
section need not be given with respect to charges imposed or interest
ceased before the effective date of this act, or for property described in
K.S.A. 58-3937 and 58-3938, and amendments thereto; and
(3) the holder regularly imposes such charges or ceases payment of
interest and in no instance reverses or otherwise cancels them or
retroactively credits interest with respect to the property. Charges imposed
because of dormancy or inactivity may be made and collected monthly,
quarterly or annually except that beginning with the effective date of this
act, such charges may only be imposed for a maximum of five calendar
years.
(i) For the purpose of this section, a person who holds property as an
agent for a business association is deemed to hold the property in a
fiduciary capacity for that business association alone unless the agreement
between the agent and the business association provides otherwise.
(j) For the purposes of this act, a person who is deemed to hold
property in a fiduciary capacity for a business association alone is the
holder of the property only insofar as the interest of the business
association in the property is concerned, and the business association is the
holder of the property insofar as the interest of any other person in the
property is concerned.

(k) Any property held by a financial organization that would
otherwise be presumed abandoned under this section shall not be
presumed abandoned if the apparent owner:

(1) Owns other property which is not presumed abandoned and if the
financial organization communicates in writing with the owner with regard
to the property that would otherwise be presumed abandoned under this
section at the address to which communications regarding the other
property regularly are sent; or

(2) had another relationship with the financial organization
concerning which the owner has:

(A) Communicated in writing with the financial organization; or
(B) otherwise indicated an interest as evidenced by a memorandum or
other record on file prepared by an employee of the financial organization
and if the financial organization communicates in writing with the owner
with regard to the property that would otherwise be abandoned under this
section at the address to which communications regarding the other
relationship regularly are sent.

(l) For purposes of this subsection, "government entity" means the
state, any governmental subdivision, agency, or instrumentality thereof,
and any municipality, county, court or any other unit of local government.
De minimis property is property valued at $20 or less. De minimis
property which is abandoned and in the possession of a government entity
shall be held by such government entity for a period of one year. If the de
minimis property remains unclaimed for more than one year the
governmental entity shall use or dispose of the de minimis property as the
government entity sees fit.

Sec. 2. K.S.A. 2014 Supp. 58-3935 is hereby repealed.
Sec. 3. This act shall take effect and be in force from and after its
publication in the statute book.
