Sec. 102. K.S.A. 2015 Supp. 74-4920 is hereby amended to read as follows: 74-4920. (1) (a) Upon the basis of each annual actuarial valuation
and appraisal as provided for in K.S.A. 74-4908(3)(a), and amendments thereto, the board shall certify, on or before July 15 of each year, to the division of the budget in the case of the state and to the agent for each other participating employer an actuarially determined estimate of the rate of contribution which will be required, together with all accumulated contributions and other assets of the system, to be paid by each such participating employer to pay all liabilities which shall exist or accrue under the system, including amortization of the actuarial accrued liability as determined by the board. The board shall determine the actuarial cost method to be used in annual actuarial valuations, to determine the employer contribution rates that shall be certified by the board. Such certified rate of contribution, amortization methods and periods and actuarial cost method shall be based on the standards set forth in K.S.A. 74-4908(3)(a), and amendments thereto, and shall not be based on any other purpose outside of the needs of the system.

(b) (i) For employers affiliating on and after January 1, 1999, upon the basis of an annual actuarial valuation and appraisal of the system conducted in the manner provided for in K.S.A. 74-4908, and amendments thereto, the board shall certify, on or before July 15 of each year to each such employer an actuarially determined estimate of the rate of contribution which shall be required to be paid by each such employer to pay all of the liabilities which shall accrue under the system from and after the entry date as determined by the board, upon recommendation of the actuary. Such rate shall be termed the employer's participating service contribution and shall be uniform for all participating employers. Such additional liability shall be amortized as determined by the board. For all participating employers described in this section, the board shall determine the actuarial cost method to be used in annual actuarial valuations to determine the employer contribution rates that shall be certified by the board.

(ii) The board shall determine for each such employer separately an amount sufficient to amortize all liabilities for prior service costs which shall have accrued at the time of entry into the system. On the basis of such determination the board shall annually certify to each such employer separately an actuarially determined estimate of the rate of contribution which shall be required to be paid by that employer to pay all of the liabilities for such prior service costs. Such rate shall be termed the employer's prior service contribution.

(2) The division of the budget and the governor shall include in the budget and in the budget request for appropriations for personal services the sum required to satisfy the state's obligation under this act as certified by the board and shall present the same to the legislature for allowance and appropriation.

In lieu of levying the tax authorized in this subsection, any taxing subdivision may pay such costs from any employee benefits contribution fund established pursuant to K.S.A. 12-16,102, and amendments thereto. Each participating employer which is not by law authorized to levy taxes as described above, but which prepares a budget for its expenses for the ensuing year and presents the same to a governing body which is authorized by law to levy taxes as described above, may include in its budget an amount sufficient to make its contributions under this act which may be in addition to all other taxes authorized by law. Such governing body to which the budget is submitted for approval, may levy a tax sufficient to allow the participating employer to make its contributions under this act, which tax, together with any other fund available, shall be sufficient to enable the participating employer to make the contributions required by this act.

(5) (a) The rate of contribution certified to a participating employer as provided in this section shall apply during the fiscal year of the participating employer which begins in the second calendar year following the year of the actuarial valuation.

49,131a, and amendments thereto, have debt service payments that are
fully or partially financed through the use of capitalized interest, or have

calendar year 2019, the employer rate of contribution shall be 14.41%;
and (I) in each subsequent calendar year, an amount not to exceed more
than 1.2% of the amount of the immediately preceding fiscal year, without
regard to the rate of employer contribution in subsection (17). As used in
this subsection, "capitalized interest" means interest payments on the
bonds that are pre-funded or financed from bond proceeds as part of the
issue for a specified period of time in order to offset one or more initial
debt service payments.

(iii) Except as specifically provided in this section, for fiscal years
commencing in calendar year 1997 and in each subsequent calendar year,
the rate of contribution certified to participating employers other than the
state of Kansas shall in no event exceed such participating employer's
contribution rate for the immediately preceding fiscal year by more than
0.15% of the amount of compensation upon which members contribute
during the period.
(iv) Except as specifically provided in this subsection, for the fiscal years commencing in the following calendar years, the rate of contribution certified to participating employers other than the state of Kansas shall in no event exceed the contribution rate for such employers for the immediately preceding fiscal year by more than the following amounts expressed as a percentage of compensation upon which members contribute during the period: (A) For the fiscal year commencing in calendar years 2010 through 2013, an amount not to exceed more than 0.6% of the amount of the immediately preceding fiscal year; (B) for the fiscal year commencing in calendar year 2014, an amount not to exceed more than 0.9% of the amount of the immediately preceding fiscal year; (C) for the fiscal year commencing in calendar year 2015, an amount not to exceed more than 1% of the amount of the immediately preceding fiscal year; (D) for the fiscal year commencing in calendar year 2016, an amount not to exceed more than 1.1% of the amount of the immediately preceding fiscal year; and (E) for the fiscal year commencing in calendar year 2017, and in each subsequent calendar year, an amount not to exceed more than 1.2% of the amount of the immediately preceding fiscal year.

This amount shall be certified by the board for deposit as additional employer contributions to the retirement benefit accumulation reserve for the participating employers under K.S.A. 74-4931, and amendments thereto.

(6) The actuarial cost of any legislation enacted in the 1994 session of the Kansas legislature will be included in the June 30, 1994, actuarial valuation in determining contribution rates for participating employers.

Notwithstanding any provision of law to the contrary, each participating employer shall remit quarterly, or as the board may otherwise provide, all employee deductions and required employer contributions to the executive director for credit to the Kansas public employees retirement fund within three days after the end of the period covered by the remittance by electronic funds transfer. Remittances of such deductions and contributions received after such date are delinquent. In accordance with such criteria, the secretary shall assist state agencies in the identification of surplus real estate. The secretary of administration shall periodically review the status of all real estate of state agencies subject to this section to determine if any of the real estate owned by state agencies is potentially surplus real estate. If any real estate owned by a state agency is determined by the secretary of administration, in consultation with the head of the state agency, to be surplus real estate in accordance with the criteria developed under subsection (a), then the secretary of administration shall recommend to the governor that such real estate be sold under the procedures prescribed by this section.

(2) The secretary of administration shall develop guidelines for the sale of surplus real estate. real estate. The costs of any such appraisal may be paid from the proceeds
of the sale.

accordance with the provisions of appropriation acts. Except as provided
further, the remaining 80% of the proceeds from each such sale deposited
in the state treasury shall be credited to the Kansas public employees
