AN ACT concerning school districts; creating the student physical privacy act.

Be it enacted by the Legislature of the State of Kansas:

Section 1. The provisions of sections 1 through 7, and amendments thereto, shall be known and may be cited as the student physical privacy act.

Sec. 2. The legislature hereby finds and declares:

(a) Children and young adults have natural and normal concerns about physical privacy when they are in various states of undress, and most wish for members of the opposite sex not to be present in those circumstances.

(b) Parents have a reasonable expectation that public schools in this state will not allow their minor children to be viewed in various states of undress by members of the opposite sex, nor allow their minor children to view members of the opposite sex in various states of undress.

(c) Young adults have a reasonable expectation that postsecondary educational institutions in this state will not allow their students to be viewed in various states of undress by members of the opposite sex while using student restrooms, locker rooms and showers.

(d) Public schools and postsecondary educational institutions in this state have a duty to protect the dignity, health and welfare of the students in their care.

(e) Allowing students to use restrooms, locker rooms and showers that are reserved for students of a different sex will create a significant potential for disruption of educational activities and unsafe situations.

(f) Allowing students to use restrooms, locker rooms and showers that are reserved for students of a different sex will create potential embarrassment, shame and psychological injury to students.

(g) Public schools and postsecondary educational institutions have a duty to respect and protect the privacy rights of their students. Courts have recognized a constitutional right to privacy that includes a right not to be compelled by the government to undress or be unclothed in the presence of members of the opposite sex. See, e.g., Cumbey v. Meachum, 684 F.2d 712 (10th Cir. 1982); Lee v. Downs, 641 F.2d 1117 (4th Cir. 1981); York v. Story, 324 F.2d 450 (9th Cir. 1963).
Sec. 3. The purposes of this act are:
(a) To further the state's interest in protecting all students in public
schools and postsecondary educational institutions in this state;
(b) to provide for the privacy needs of all students in public schools
and postsecondary educational institutions in this state; and
(c) to maintain order and dignity in restrooms, locker rooms, showers
and other facilities where students may be in various states of undress in
the presence of other students.

Sec. 4. As used in sections 1 through 7, and amendments thereto:
(a) "Sex" means the physical condition of being male or female,
which is determined by a person's chromosomes, and is identified at birth
by a person's anatomy.
(b) "Postsecondary educational institution" shall have the same
meaning as that term is defined in K.S.A. 74-3201b, and amendments
thereto.
(c) "Public school" means a school operated by a unified school
district organized under the laws of this state.

Sec. 5. (a) (1) Every public school and postsecondary educational
institution student restroom, locker room and shower room accessible by
multiple students at the same time shall be designated for use by male
students only or female students only.
(2) In all public schools and postsecondary educational institutions in
this state, student restrooms, locker rooms and showers that are designated
for one sex shall be used only by members of that sex.
(3) In any other public school facility, postsecondary educational
institution facility or setting not specified in subsection (a)(2) where a
student may be in a state of undress in the presence of other students,
school or institution personnel shall provide separate, private areas
designated for use by students based on their sex.
(b) (1) Students who, for any reason, desire greater privacy when
using a public school or postsecondary educational institution restroom,
locker room or shower room, and whose parents or legal guardians provide
written consent to school or institution officials, may submit a request to
such officials for access to alternative facilities. The school or institution
official to whom a request is submitted shall evaluate such request and
shall, to the extent reasonable, offer options for alternative facilities. In no
event shall any accommodation be an access to student restrooms, locker
rooms or shower rooms designated for use by students of the opposite sex
while students of the opposite sex are present or could be present.
(2) Acceptable accommodations may include, but are not limited to:
Access to single-stall bathrooms; access to unisex bathrooms; or controlled
use of faculty bathrooms, locker rooms or shower rooms.

Sec. 6. (a) Students who access a public school or postsecondary
educational institution restroom, locker room or shower room designated
for use by such student's sex have a right not to encounter a person of the
opposite sex.

(b) Students who, while accessing a public school or postsecondary
educational institution student restroom, locker room or shower room
designated for use by such student's sex, encounter a person of the
opposite sex, have a private cause of action against the school district or
postsecondary educational institution, if:

(1) The public school or postsecondary educational institution gave
such person of the opposite sex permission to use facilities designated for
use by such student's sex; or

(2) the public school or postsecondary educational institution failed to
take reasonable steps to prohibit such person of the opposite sex from
using facilities designated for use by such student's sex.

(c) A cause of action brought pursuant to this section shall be brought
in either the state district court or the federal district court for the
jurisdiction where either the student resides at the time such action is filed,
or where the public school or postsecondary educational institution is
located.

(d) No cause of action may be brought pursuant to this section more
than four years after a violation of subsection (b) occurred.

(e) Students aggrieved under this section may obtain appropriate
relief, which shall include:

(1) Statutory damages in an amount of $2,500 for each instance in
which the aggrieved student encountered a person of the opposite sex
while accessing a public school or postsecondary educational institution
student restroom, locker room or shower room designated for use by the
aggrieved student's sex;

(2) monetary damages for all psychological, emotional and physical
harm suffered as a result of a violation of this section;

(3) reasonable attorney fees and costs; and

(4) such other relief as the court deems appropriate.

Sec. 7. If any provision of sections 1 through 6, and amendments
thereto, or its application to any person or circumstance is held invalid, the
invalidity shall not affect any other provision or application of sections 1
through 6, and amendments thereto, which can be given effect without the
invalid provision or application. To this end the provisions of sections 1
through 6, and amendments thereto, are severable.

Sec. 8. This act shall take effect and be in force from and after its
publication in the statute book.
