Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 2014 Supp. 75-7c20 is hereby amended to read as follows: 75-7c20. (a) The carrying of a concealed handgun as authorized by the personal and family protection act shall not be prohibited in any state or municipal building unless such building has adequate security measures to ensure that no weapons are permitted to be carried into such building and the building is conspicuously posted in accordance with K.S.A. 2014 Supp. 75-7c10, and amendments thereto.

(b) Any state or municipal building which contains both public access entrances and restricted access entrances shall provide adequate security measures at the public access entrances in order to prohibit the carrying of any weapons into such building.

(c) No state agency or municipality shall prohibit an employee who is licensed to carry a concealed handgun under the provisions of the personal and family protection act from carrying such concealed handgun at the employee's work place unless the building has adequate security measures and the building is conspicuously posted in accordance with K.S.A. 2014 Supp. 75-7c10, and amendments thereto.

(d) It shall not be a violation of the personal and family protection act for a person to carry a concealed handgun into a state or municipal building so long as that person is licensed to carry a concealed handgun under the provisions of the personal and family protection act and has authority to enter through a restricted access entrance into such building which provides adequate security measures and the building is conspicuously posted in accordance with K.S.A. 2014 Supp. 75-7c10, and amendments thereto.

(e) A state agency or municipality which provides adequate security measures in a state or municipal building and which conspicuously posts signage in accordance with K.S.A. 2014 Supp. 75-7c10, and amendments thereto, prohibiting the carrying of a concealed handgun in such building, as authorized by the personal and family protection act, such state agency
or municipality shall not be liable for any wrongful act or omission
relating to actions of persons licensed to carry a concealed handgun
concerning acts or omissions regarding such handguns.

(f) A state agency or municipality which does not provide adequate
security measures in a state or municipal building and which allows the
carrying of a concealed handgun as authorized by the personal and family
protection act shall not be liable for any wrongful act or omission relating
to actions of persons licensed to carry a concealed handgun concerning
acts or omissions regarding such handguns.

(g) Nothing in this act shall limit the ability of a corrections facility, a
jail facility or a law enforcement agency to prohibit the carrying of a
handgun or other firearm concealed or unconcealed by any person into any
secure area of a building located on such premises, except those areas of
such building outside of a secure area and readily accessible to the public
shall be subject to the provisions of subsection (b).

(h) Nothing in this section shall limit the ability of the chief judge of
each judicial district to prohibit the carrying of a concealed handgun by
any person into courtrooms or ancillary courtrooms within the district
provided that other means of security are employed such as armed law
enforcement or armed security officers.

(i) (1) The governing body or the chief administrative officer, if no
governing body exists, of a state or municipal building, may exempt the
building from this section until January 1, 2014, by notifying the Kansas
attorney general and the law enforcement agency of the local jurisdiction
by letter of such exemption. Thereafter, such governing body or chief
administrative officer may exempt a state or municipal building for a
period of only four years by adopting a resolution, or drafting a letter,
listing the legal description of such building, listing the reasons for such
exemption, and including the following statement: "A security plan has
been developed for the building being exempted which supplies adequate
security to the occupants of the building and merits the prohibition of the
carrying of a concealed handgun as authorized by the personal and family
protection act." A copy of the security plan for the building shall be
maintained on file and shall be made available, upon request, to the
Kansas attorney general and the law enforcement agency of local
jurisdiction. Notice of this exemption, together with the resolution adopted
or the letter drafted, shall be sent to the Kansas attorney general and to the
law enforcement agency of local jurisdiction. The security plan shall not
be subject to disclosure under the Kansas open records act.

(2) The governing body or the chief administrative officer may renew
any exemption for a state or municipal building exercised pursuant to this
subsection, including any renewal exemption exercised pursuant to this
paragraph (2), for an additional four years. Such renewal shall be
exercised by adopting a resolution, or drafting a letter, listing the legal
description of such building, listing the reasons for the renewal of such
exemption, and including the following statement: "An updated security
plan has been developed for the building being exempted which supplies
adequate security to the occupants of the building and merits the
prohibition of the carrying of a concealed handgun as authorized by the
personal and family protection act." A copy of the updated security plan
for the building shall be maintained on file and shall be made available,
upon request, to the Kansas attorney general and the law enforcement
agency of local jurisdiction. Notice of the exemption renewal, together
with the resolution adopted or the letter drafted, shall be sent to the
Kansas attorney general and to the law enforcement agency of local
jurisdiction prior to the expiration of the immediately preceding four-year
exemption period. The updated security plan shall not be subject to
disclosure under the Kansas open records act.

(j) (1) The governing body or the chief administrative officer, if no
governing body exists, of any of the following institutions may exempt
any building of such institution from this section for a period of only four

(l) Nothing in this section shall be construed to prohibit any law
enforcement officer, as defined in K.S.A. 2014 Supp. 75-7c22, and
amendments thereto, who satisfies the requirements of either subsection
(a) or (b) of K.S.A. 2014 Supp. 75-7c22(a) or (b), and amendments
thereto, from carrying a concealed handgun into any state or municipal
building in accordance with the provisions of K.S.A. 2014 Supp. 75-7c22, and amendments thereto, subject to any restrictions or prohibitions imposed in any courtroom by the chief judge of the judicial district.

(B) On and after July 1, 2014, provided that the provisions of K.S.A. 2014 Supp. 75-7c21, and amendments thereto, are in full force and effect, the term "state and municipal building" shall not include the state capitol.

(6) "Weapon" means a weapon described in K.S.A. 2014 Supp. 21-6301, and amendments thereto, except the term "weapon" shall not include any cutting instrument that has a sharpened or pointed blade.
