If the amount of such unencumbered ending balance in the state general fund is less than $100,000,000, the director of the budget shall certify to the governor the difference between $100,000,000 and the amount of such unencumbered ending balance in the state general fund, after adjusting the estimates of the amounts of such demand transfers with regard to new estimates of revenues to the state general fund, where appropriate. When estimating the amount of the unencumbered ending balance of moneys in the state general fund for the purposes of such certification, the director of the budget shall not take into consideration the balances in the budget stabilization fund or the tax reduction fund.

reductions for individual income tax rates shall be applied to reduce the
highest marginal income tax rate applicable to the current tax year, by such
excess percentage minus 0.5%, and the lowest marginal income tax rate
applicable to the current tax year by such excess percentage plus 0.5%,
except that in no case shall such excess percentage plus 0.5% result in an
income tax rate increase. In any such computation by the secretary
pursuant to this subsection: (i) The resulting income tax rate shall be
rounded down to the nearest 0.1%; and (ii) in any case in which the
income tax rate for any individual marginal income tax rate is below 0.4%,
such rate shall be 0%. Based on all such determinations, the secretary shall
reduce individual income tax rates prescribed by K.S.A. 79-32,110, and
amendments thereto, as required by this section;
(B) upon all individual marginal income tax rates being reduced to
0% pursuant to the provisions of subsection (a)(1)(A), rate reduction next
shall be applied for the surtax on corporations applicable to the current tax
year by such excess percentage. In any such computation by the secretary
pursuant to this subsection in which the surtax is below 0.4%, such surtax
rate shall be 0%. Based on such determination, the secretary shall reduce
the surtax on corporations prescribed by K.S.A. 79-32,110, and
amendments thereto, as required by this section; and
(C) upon the surtax on corporations being reduced to a rate which
when combined with the normal tax rate on corporations is equal to or
below the combined surtax and normal tax imposed on national banking
associations and state banks or is equal to or below the combined surtax-
and normal tax imposed on trust companies and savings and loan associations, rate reductions shall be proportionately applied for the tax on corporations, the tax on national banking associations and state banks, and the tax on trust companies and savings and loan associations. Such rate reductions shall be first applied to the surtax until reduced to 0% and then applied to the normal tax for each such tax. In any such computation by the secretary pursuant to this subsection in which any such tax is below 0.4%, such tax rate shall be 0%. Based on such determination, the secretary shall reduce the surtax and the normal tax on corporations prescribed by K.S.A. 79-32,110, and amendments thereto, the surtax and normal tax on national banking associations and state banks prescribed by K.S.A. 79-1107, and amendments thereto, and the surtax and normal tax on trust companies and savings and loan associations prescribed by K.S.A. 79-1108, and amendments thereto, as required by this section commencing with fiscal year 2017, in any fiscal year in which the amount of selected actual state general fund receipts from such fiscal year exceeds the selected actual state general fund receipts from the immediately preceding fiscal year by more than 103%, the director of the budget and the director of legislative research shall jointly certify such excess amount to the secretary of revenue, which amount shall be transferred from the state general fund to the tax reduction fund on or before August 15 following the end of such fiscal year. At the commencement of the next regular legislative session, the secretary shall submit a report to the governor, speaker of the house of representatives and the president of the senate showing such certified amount transferred to the tax reduction fund and available for tax reduction. The governor may then recommend the individual income tax rate reductions to go into effect for the next tax year estimated to decrease by such certified amount, or in addition, any accumulated balance in the tax reduction fund, the individual income tax receipts during the fiscal year after the next fiscal year. If the individual income tax rate is 0%, then the governor may recommend reductions in surtax and normal tax rates on corporations, national banking associations, state banks, trust companies and savings and loan associations. Such rate changes as recommended by the governor may then only be established by an act of the legislature. If the governor makes no such recommendation, the legislature may, through legislative enactment, establish such tax rates to go into effect for the next tax year estimated to decrease by such certified amount, or in addition, any accumulated balance in the tax reduction fund, the individual income tax receipts during the fiscal year after the next fiscal year. If the individual income tax rate is 0%, then the legislature may, through legislative enactment, enact reductions in the surtax and normal tax rates on corporations, national banking associations, state banks, trust companies
and savings and loan associations.

(2) Commencing with fiscal year 2017, in any fiscal year in which the amount of selected actual state general fund receipts for such fiscal year are 102%, 103% or less than the selected actual state general fund receipts from the immediately preceding fiscal year, the director of the budget and the director of legislative research shall certify such amount and fact to the secretary of revenue and the director of the budget. Upon receipt of such amount and fact at the commencement of the next regular legislative session, the secretary of revenue shall not make any adjustment to the income tax rates for that tax year; a report to the governor, speaker of the house of representatives and president of the senate showing such certified amount transferred to the budget stabilization fund pursuant to section 2(b), and amendments thereto, if any, and to the tax reduction fund pursuant to section 2(e), and amendments thereto, if any. Except as provided in section 2(e), and amendments thereto, no transfers shall be made to the tax reduction fund.

(3) Notwithstanding the provisions of this section, the legislature may, through legislative enactment, transfer additional moneys from the state general fund to the tax reduction fund.

(b) The secretary of revenue shall report any reduction in income tax rates prescribed by this section to the chairperson of the assessment and taxation committee of the senate, the chairperson of the taxation committee of the house of representatives and the governor, and shall cause notice of any such reduction to be published in the Kansas register prior to September 15 of the calendar year immediately preceding the tax year in which such reduction takes effect. For the purposes of the calculations or transfers required by this section and section 2, and amendments thereto, any growth per fiscal year in selected actual state general fund receipts that is attributable to legislative changes in tax distribution formulas applicable during such fiscal year, shall not be taken into account.

(c) As used in this section, "selected actual state general fund receipts" means receipts from the following taxes and fees: Individual and corporation income taxes imposed under K.S.A. 79-32,110, and amendments thereto, financial institutions privilege taxes imposed under article 11 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto, retail sales taxes imposed under K.S.A. 79-3601 et seq., and amendments thereto, compensating use taxes imposed under K.S.A. 79-3701 et seq., and amendments thereto, cigarette and tobacco product taxes imposed under K.S.A. 79-3301 et seq., and amendments thereto, cereal malt beverage and liquor gallonage taxes imposed under K.S.A. 41-501 et seq., and amendments thereto, liquor enforcement taxes imposed under K.S.A. 79-4101 et seq., and amendments thereto, liquor drink taxes

Sec. 11. This act shall take effect and be in force from and after its publication in the statute book.
