AN ACT concerning municipal audits; relating to audit procedures; amending K.S.A. 75-1120a, 75-1121 and 75-1123 and K.S.A. 2014 Supp. 75-1122 and 75-1124 and repealing the existing sections.

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 75-1120a is hereby amended to read as follows: 75-1120a. (a) Except as otherwise provided in this section, the governing body of each municipality, as defined in K.S.A. 75-1117, and amendments thereto, shall utilize accounting procedures and fiscal procedures in the preparation of financial statements and financial reports that conform to generally accepted accounting principles as promulgated by the government accounting standards board and the American institute of certified public accountants and adopted by rules and regulations of the director of accounts and reports.

(b) The governing body of any municipality, which has aggregate annual gross receipts of less than $500,000 and which does not operate a utility, shall not be required to maintain fixed asset records.

(c) (1) The director of accounts and reports shall waive the requirements of subsection (a) upon request therefor by the governing body of any municipality. The waiver shall be granted to the extent requested by the governing body. Prior to requesting the waiver provided for in this subsection, the governing body, by resolution, annually shall make a finding that financial statements and financial reports prepared in conformity with the requirements of subsection (a) are not relevant to the requirements of the cash-basis and budget laws of this state and are of no significant value to the governing body or members of the general public of the municipality. No governing body of a municipality shall request the waiver or adopt the resolution authorized under this subsection if the provisions of revenue bond ordinances or resolutions or other ordinances or resolutions of the municipality require financial statements and financial reports to be prepared in conformity with the requirements of subsection (a). The governing body of any municipality which is granted a waiver under this subsection shall cause financial statements and financial reports of the municipality to be prepared on the basis of cash receipts and disbursements as adjusted to show compliance with the cash-basis and budget laws of this state.

(2) The provisions of this subsection do not apply to community colleges.

(d) The director of accounts and reports shall waive the requirements of law relating to the preparation and maintenance of fixed asset records upon request therefor by the board of trustees of any community college. The waiver shall be granted to the extent and for the period of time requested by the board of trustees. Nothing contained in this subsection shall be construed so as to exempt any community college from compliance with the provisions of K.S.A. 71-211, and amendments thereto, which requires the use by all community colleges of a standardized and uniform chart of accounts.

Sec. 2. K.S.A. 75-1121 is hereby amended to read as follows: 75-1121. The director of accounts and reports shall:

(a) Formulate, devise and prescribe a system of fiscal procedure, auditing, accounting and reporting for municipalities, applicable to those municipalities required by K.S.A. 75-1122, and amendments thereto, to have their accounts examined and audited at least once each year.

(b) Adopt rules and regulations to carry out the provisions of this act and, from time to time, to make, change, amend and enforce such system and forms of accounting and reporting and rules and regulations. No rules and regulations adopted pursuant to the provisions of this section shall prescribe any system of fiscal procedure or require the governing body of any municipality to have its accounts examined or audited unless such municipality is required to have its accounts examined or audited under the provisions of K.S.A. 75-1122, and amendments thereto.

(c) Conduct either in person or by representatives such investigation as the director may deem necessary to determine if this act and the regulations issued pursuant thereto are being fully complied with.

Sec. 3. K.S.A. 2014 Supp. 75-1122 is hereby amended to read as follows: 75-1122. (a) The governing body of every unified school district, the governing body of every recreation commission having aggregate annual gross receipts in excess of $150,000 and the governing body of all
other municipalities either having aggregate annual gross receipts in ex-
cess of $275,000 or $500,000 or which has general obligation or revenue
bonds outstanding in excess of $275,000, shall have its accounts examined and audited by a licensed municipal public accountant or ac-
countants or certified public accountant or accountants at least once each
year. In the case of school districts, all tax and other funds such as activity
funds and accounts shall also be examined and audited.

(b) The governing body of every municipality, except school districts,
having aggregate annual gross receipts in excess of $275,000, but not more
than $500,000, or which has general obligation or revenue bonds out-
standing in excess of $275,000, but not more than $500,000, shall have
its accounts examined by a licensed certified public accountant or ac-
countants using agreed-upon procedures as determined by the director of
accounts and reports at least once each year. Each municipality subject
to this subsection shall have its accounts examined using enhanced agreed-
upon procedures at least once every three years.

(c) The governing body of any city of the third class required to have
its accounts examined or audited pursuant to the provisions of this
section shall annually determine the total cost to be incurred by the city
in complying with the requirements of this act and shall identify the same
in the budget of the city.

Sec. 4. K.S.A. 75-1123 is hereby amended to read as follows: 75-1123.
In conducting examinations or audits provided for by K.S.A. 10-1208,
12-866, 13-1243, 12-1412 or 75-1122, and amendments thereto, the li-
censed municipal public accountant or certified public accountant so en-
gaged shall follow the municipal audit and accounting guide, or the ap-
licable portions thereof, prescribed by the director of accounts and
reports. The municipality so audited or examined shall install and put
such standardized accounting system into effect as soon as possible after
such examination or audit.

Sec. 5. K.S.A. 2014 Supp. 75-1124 is hereby amended to read as

shall be filed with the secretary. The municipality’s circular A-133 audit
report, if required under the provisions of the federal single audit act
amendments of 1996, 31 U.S.C. §§ 7501-7507, along with any other audit
related documents deemed necessary by the secretary, shall also be filed
with the secretary.

(b) On and after January 1, 2015, the audits and related documents
required under subsection (a) shall be filed electronically with the sec-
retary in a manner directed by the secretary.

(c) The audits required under subsection (a) are due within one year
after the end of the audit period of the audit unless an extension of time
is granted by the secretary. If federal law, state law or municipal contract
provisions requires the audit reports and related documents to be filed
in a period of less than one year, the municipality audit reports and related
documents shall be filed in accordance with such laws or contract pro-
visions.

(d) Final payment to any accountant performing any audit required
under subsection (a) shall not be made until a copy of the audit reports
and related documents have been so filed with the secretary, and is evi-
denced by a document from the secretary acknowledging receipt of the
audit reports and related documents.

(e) Notwithstanding any provision of law to the contrary, upon the
filing of the audit reports and related documents as required under sub-
section (a), the municipality is not required to submit any audit reports
or related documents to any other state agency, office or official.

(f) A copy of each report resulting from a review of municipal ac-
counts using procedures as required by K.S.A. 75-1122, and amendments
thereto, shall be filed electronically with the secretary within one year of
