Sec. 3. (a) The board shall establish within the Kansas police and firemen's retirement system a deferred retirement option program for members. The board shall administer the DROP in compliance with the federal internal revenue code and applicable treasury regulations, including, but not limited to, the incidental benefit and required minimum distribution requirements of section 401(a)(9) of the federal internal revenue code.

(b) The board shall establish a DROP account for each member. Each DROP account shall be credited annually with interest, as determined by the board in consultation with the actuary, in the range of 0% to 7%. Interest may only be credited in a year in which the actual rate of return on the market value on the investments of the DROP reach the system's assumed investment rate of return and such interest credit may not exceed 50% of the actual rate of return.

Sec. 4. (a) Any eligible employer, as defined by K.S.A. 74-4952, and amendments thereto, may affiliate with the DROP established under this act. All such eligible employers shall make application for affiliation with the DROP in the manner provided by K.S.A. 74-4954, and amendments thereto, to be effective on the January 1 next following application.

(b) Each participating employer affiliating pursuant to the provisions of subsection (a) shall appropriate and pay to the system a sum sufficient to satisfy the obligations hereunder as certified by the board.

Sec. 5. (a) (1) A member who is appointed or employed prior to July 1, 1989, and who did not make an election pursuant to K.S.A. 74-4955a, and amendments thereto, may elect to participate in the DROP by making application in such form prescribed by the system at the attainment of age 55 and the completion of 20 years of credited service or at the completion of 32 years of credited service regardless of the age of such member.

(2) A member who is appointed or employed on or after July 1, 1989, or who made an election pursuant to K.S.A. 74-4955a, and amendments thereto, may elect to participate in the DROP by making application in such form prescribed by the system at the attainment of age 55 and the completion of 20 years of credited service, age 50 and the completion of 25 years of credited service or age 60 with the completion of 15 years of credited service.

(b) A member shall indicate on the application the DROP period such member wishes to participate in the DROP. A member may elect to participate in the DROP for a minimum of three years and may not
participate for more than five years from the effective date of the election
to participate in the DROP. A member may participate in the DROP only
once. An election under this section is a one-time irrevocable election.
Once the application is accepted by the system, such member becomes a
DROP participant. If a member fails to participate in the DROP for a
minimum of three years, all of the member's interest credits shall be
forfeited, unless such member retires due to disability as defined in K.S.A.
74-4952, and amendments thereto. A member who remains in active
service at the expiration of the member's elected DROP period shall not be
eligible for any additional interest credits.
(c) A member who makes an election under this section shall
continue in the active service under the Kansas police and firemen's
retirement system but shall not earn service credit under K.S.A. 74-4951 et
seq., and amendments thereto, after the election's effective date. On and
after the effective date of the member's election to participate, such
member is ineligible to purchase service credit under K.S.A. 74-4901 et
seq., and amendments thereto.
(d) Participation in the DROP by a member does not guarantee
continued employment. During a member's participation in the DROP,
employer contributions under K.S.A. 74-4967, and amendments thereto,
and member contributions under K.S.A. 74-4965, and amendments
thereto, shall be made to the retirement system. No member or employer
contributions shall be applied to a member's DROP account.
Sec. 6. (a) For each DROP member, the board shall calculate a
monthly DROP accrual. The system shall determine the DROP member's
retirement benefit under K.S.A. 74-4958 or 74-4958a, and amendments
thereto. In determining the retirement benefit, the system shall use the
member's total service credit and final average salary as of the last day of
the employer's payroll period immediately prior to the effective date of the
member's election to participate in the DROP. Before entering the DROP, a
member may elect to have such member's retirement benefit determined
under one of the options provided in K.S.A. 74-4964 or 74-4964a, and
amendments thereto, in lieu of having it determined in the form stated in
K.S.A. 74-4958 or 74-4958a, and amendments thereto, except such
member may not elect the lump sum payment option. During the DROP
period, an amount equal to the monthly DROP accrual shall be credited to
the member's DROP account. The calculation of the monthly DROP
accrual will be calculated using the member's age and, if the member
elected a joint and survivor option, the age of the beneficiary as of the
calendar year which contains the beginning of the DROP period. The
monthly DROP accrual shall comply with the requirements of section
401(a)(9) of the federal internal revenue code and treasury regulation §
1.401(a)-6, Q&A-2(c).
(b) A member shall not receive a monthly retirement benefit, as calculated pursuant to K.S.A. 74-4958 or 74-4958a, and amendments thereto, until termination of such member's DROP participation and commencement of retirement. A DROP member shall not have any claim to any funds in such member's DROP account until such member retires at the termination of such member's DROP participation. Upon terminating DROP participation, a member is entitled to such member's retirement benefit, including any postretirement benefit adjustment for which the member is eligible.

Sec. 7. (a) A member's participation in the DROP ceases on the occurrence of the earliest of the following:

(1) Termination of the member's active service with a participating employer;

(2) the last day of the member's elected DROP period that begins on the effective date of the member's election to participate in the DROP;

(3) retirement due to disability as defined in K.S.A. 74-4952, and amendments thereto; or

(4) the member's death.

(b) If a member dies before taking a distribution from such member's DROP account, the member's designated beneficiary shall receive a lump-sum payment equal to the member's DROP account balance. If the DROP member has not named a beneficiary for such member's DROP account, the amount in the DROP account shall be paid to the beneficiary of the member's retirement benefit.

Sec. 8. (a) A member, who satisfies the requirements of this act, shall be entitled to a distribution of such member's DROP account. Such distribution may be through any combination of the following payout options, each of which is subject to the applicable provisions of the federal internal revenue code and the applicable regulations of the internal revenue service:

(1) A direct rollover to an eligible retirement plan; or

(2) a lump-sum distribution.

(b) The board may specify minimum account balances for purposes of allowing benefit payment options and rollovers in accordance with federal law.

Sec. 9. This act shall take effect and be in force from and after January 1, 2016, and its publication in the statute book.
