Be it enacted by the Legislature of the State of Kansas:

Section 1. (a) An attorney who is not regularly admitted to practice law in Kansas shall not engage in advertising directed at Kansas citizens for the purpose of soliciting clients for commencement of any civil action that has been, or could be, commenced in this state, unless the attorney who is not regularly admitted to practice law in Kansas:

(1) is authorized by other law to provide legal services in Kansas, including attorneys authorized by federal law to practice before the immigration and naturalization service, before the U.S. patent office, before the internal revenue service or before the social security administration anywhere in the United States; or

(2) has associated with an attorney who is regularly admitted to practice law in Kansas, who intends to work in substantial aspects on the legal services being advertised and whose identity is disclosed in the advertising communication.

Advertising also shall include such communications used for the purpose described in subsection (a), performed by a non-attorney for the agreed purpose of referring the client to the attorney not regularly admitted to practice law in Kansas.

(c) The disciplinary administrator of the Kansas supreme court is hereby authorized to:

(1) Take disciplinary action against any attorney who violates the provisions of this section; and

(2) file a complaint with the appropriate official or agency of any state in which such attorney is licensed.

(d) If any provision or provisions of this section or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of this section which can be
given effect without the invalid provision or provisions or application, and
to this end, the provisions of this section are severable.
Sec. 2. This act shall take effect and be in force from and after its
publication in the statute book.
