AN ACT concerning schools; relating to the Kansas state high school activities association; relating to participation by certain students.

Be it enacted by the Legislature of the State of Kansas:

Any student participating in high school activities shall be allowed to participate for four consecutive school years regardless of whether such student graduates prior to the completion of the fourth school year, provided such student is 20 years of age or younger at the time of participation.

Sec. 2. This act shall take effect and be in force from and after its publication in the statute book.
