

Elections; HB 2558

HB 2558 addresses the following two aspects of election law:

- The bill prohibits cities and counties from regulating or prohibiting certain actions related to door-to-door campaigning for elective office: canvassing, polling, soliciting, or otherwise approaching private residences for the purpose of distributing campaign literature or campaigning for a candidate; and
- The bill permits hospital districts to hold elections in even-numbered years (in addition to odd-numbered years) for the purpose of staggering terms of office, as well as specifying that hospital board terms of office may be three years, in addition to the currently specified four years, also for the purpose of allowing for staggered terms.
