

2016 Kansas Statutes

19-2118. Homes for the aged; acceptance of federal funds; uses. In addition to the powers granted in K.S.A. 19-2106 to 19-2116, both sections inclusive, the board of county commissioners of any such county is hereby authorized to receive grants of federal funds made available for the purpose of acquiring a site for, and the building, equipping and furnishing of a home for the aged or for any one or more of such purposes: Provided, That such grants of federal funds may be used in addition or as a part thereof to the maximum amount stated in the resolution establishing the levy or original petition requesting the election for the establishment and maintenance of such home for the aged.

History: L. 1955, ch. 156, § 2; April 4.
