

2016 Kansas Statutes

46-1214. Annual budget requests; estimate of general legislative expense; appropriations. (a) The legislative coordinating council shall prepare and file its annual budget request in three parts; one for the office of revisor of statutes, one for the legislative research department and one for other expenses. The revisor of statutes and the director of legislative research shall separately prepare the annual budget requests applicable to their respective office and department, and transmit the same to the legislative coordinating council. Such council shall make any changes it desires in such budget requests and include the same, with any changes, in its annual budget request. Appropriations to the legislative coordinating council for the office of revisor of statutes and for the legislative research department shall be made as separate items of appropriation.

(b) The legislative coordinating council shall prepare an estimate of general legislative expenses for submission in the annual budget document for appropriations for legislative expenses. The estimate made under authority of this subsection shall be prepared and handled separately from budget documents prepared under subsection (a) of this section.
