(2) Except as otherwise provided, placement of offenders in a community correctional services program by the court shall be limited to placement of adult offenders, convicted of a felony offense:

(A) Who, on or after July 1, 2014, are determined to be moderate risk, high risk or very high risk by use of a statewide, mandatory, standardized risk assessment tool or instrument which shall be specified by the Kansas sentencing commission;

(B) whose severity level and criminal history score designate a presumptive prison sentence on either sentencing guidelines grid but receive a nonprison sentence as a result of departure;

(C) all offenders convicted of an offense which satisfies the definition of offender pursuant to K.S.A. 22-4902, and amendments thereto, and which is classified as a severity level 7 or higher offense and who receive a nonprison sentence, regardless of the manner in which the sentence is imposed;

(D) any offender for whom a violation of conditions of release or assignment or a nonprison sanction has been established as provided in K.S.A. 22-3716, and amendments thereto, prior to revocation resulting in the offender being required to serve any time for the sentence imposed or which might originally have been imposed in a state facility in the custody of the secretary of corrections;

(E) placed in a community correctional services program as a condition of supervision following the successful completion of a conservation camp program;

(F) who have been sentenced to community corrections supervision pursuant to K.S.A. 21-4729, prior to its repeal, or K.S.A. 2016 Supp. 21-6824, and amendments thereto; or

(3) Notwithstanding any law to the contrary and subject to the availability of funding therefor, adult offenders sentenced to community supervision in Johnson county for felony crimes that occurred on or after July 1, 2002, but before July 1, 2013, shall be placed under court services or community corrections supervision based upon court rules issued by the chief judge of the 10th judicial district. The provisions contained in this subsection shall not apply to offenders transferred by the assigned agency to an agency located outside of Johnson county. The provisions of this paragraph shall expire on July 1, 2013.

Grants from community corrections funds administered by the secretary of corrections shall not be expended for such services.

(5) The court may require an offender for whom a violation of conditions of release or assignment or a nonprison sanction has been established, as provided in K.S.A. 22-3716, and amendments thereto, to serve any time for the sentence imposed or which might originally have been imposed in a state facility in the custody of the secretary of corrections without a prior assignment to a community correctional services program if the court finds and sets forth with particularity the reasons for finding that the safety of the members of the public will be jeopardized or that the welfare of the inmate will not be served by such assignment to a community correctional services program.

(b) (1) In order to establish a mechanism for community correctional services to participate in the department of corrections annual budget planning process, the secretary of corrections shall establish a community corrections advisory committee to identify new or enhanced correctional or treatment interventions designed to divert offenders from prison.

The deputy secretary of community and field services shall designate two members from the state at large. The committee shall reflect the diversity of community correctional services with respect to geographical location and average daily population of offenders under supervision.

(3) Each member shall be appointed for a term of three years and such terms shall be staggered as determined by the secretary. Members shall be eligible for reappointment.

(4) The committee, in collaboration with the deputy secretary of community and field services or the deputy secretary's designee, shall routinely examine and report to the secretary on the following issues:
