Prayer by Rep. Elliott:

Father, we are thankful on this last day of the session for the opportunity to have served in the Kansas House of Representatives. You equipped each and every member of this body with many talents which made Kansas a better place to call home.
Many times, there was disagreement, anguish and anxiety, but in the end, we persevered.
As we depart for home to our families and other obligations, bless this body; bless the staff who provided grateful support. May the friendships made be everlasting. For these things, I pray in your HOLY NAME.
Amen

The Pledge of Allegiance was led by Rep. Trimboli.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. E. Smith are spread upon the Journal:

Today, being our last day of this session and this term, we celebrate the sacrifices and willingness of our state’s law enforcement officers. Men and women across our great state have chosen a profession intentionally placing themselves between our families and danger. We refer to this group of men and women of law enforcement as the Thin Blue Line. The Thin Blue Line is representative of the fragility of our liberty. These dedicated professionals have millions of contacts with the public EVERY day.
As officers of my generation mature and I watch many of my colleagues of 20 plus years retire, young officers are moving into those positions of trust and it is up to my
generation to ensure that the new officers of today fulfill that obligation generations before us and them were tasked with. We are the profession that is the working edge of the shield to protect our Constitution. Unique to this obligation is the office of the Sheriff. Our first duty is to ensure that the rights guaranteed under the Constitution are never abandoned or eroded.

About 17-18 years ago, my son wore a pair of shorts, a t-shirt, a gun belt and a badge that we had given him. He would call from the kitchen for me, asking for backup. Little did I realize the endgame to this decision. I spent the next 12 years trying to discourage my son from following my footsteps into this profession. The danger and the liability had become much greater than when I started. However, here he stands beside me, a co-worker at my department. About two months ago, I answered his first genuine call for backup while I was on duty. I explain to you the surreal nature of that moment and the learning curve that I had inherited. Today, you see us in our work uniform, the tools of our trade we carry with us everywhere as we are rural deputies and backup officers are few and far between.

Anyone entering law enforcement today is facing an enormous challenge of scrutiny and second guessing unlike anything I have had to endure in the past. The sacrifices our officers will endure today are greater than those of the past. While we acknowledge the danger of the job through memorials for officers lost in the line of duty, there are millions of officers and former officers today who suffer the wounds and injuries that do not show up in any statistics. Many retired officers bear the scars of too many scenes etched in their minds, too many close calls, and perhaps an injury or two that left them with a limp or a shortened life. The sacrifices are hard to explain, especially to a young officer like my son, but I know that he has had a good education about what this is about, about what his obligations are and I am so very proud of him.

I wanted to be able to invite my department up here to introduce them to you. The men who took over for me during the past two years. Unfortunately that did not work out, but I would still like to thank my sheriff, Randy Rogers, for working through this with me.

Today and during law Enforcement appreciation week, May 14th-18th, I ask the body to recognize the law enforcement officers in your districts and let them know when they are doing a good job. Please shake the hand of the officers you see in the Capitol today. Kansas was fortunate not to lose officers this year, but today, we recognize those officers who gave all. Thank you, body, I cannot tell you how much I appreciate being here with you and being able to work with you. May God bless you and keep you safe while we are apart. Thank you.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Reps. Whitmer and Carmichael are spread upon the Journal:

Director Pavey's law enforcement background includes serving nearly 21 years with the Sedgwick County Sheriff’s Department, retiring in 1989 at the rank of Division Commander. Immediately following his retirement, Ed joined KLETC as assistant director, and became the Center’s director in 1994. He is just the third director in the training center’s 50 year history and officials estimate that 10,000 new officers have graduated from the center’s basic training program during Pavey’s tenure. Ed’s legacy will be in the men and women of law enforcement who he mentored and cultivated for nearly thirty years and the people of Kansas will be forever grateful for his service.
Ed, on behalf of the Kansas House of Representatives, I would like to thank you for your dedication and your service and present you with this official tribute from the Kansas Legislature requested by Representative Carmichael and myself and it reads: Be it hereby known to all that sincere congratulations are offered honoring KLETC Director Ed Pavey for his half-century career of dedicated service to law enforcement and the people of Kansas with best wishes for the future.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Jennings are spread upon the Journal:
In one week the Jennings family will be joining thousands of other Kansans in celebrating a milestone in the lives of their children, graduation. Julie Jennings, the eldest of my two daughters, will be graduating from Kansas University Medical School with her Doctorate in Advance Practice Nursing and my youngest daughter, Jodie Jennings Werth will be graduating from the University of Missouri Kansas City with her Doctorate in Dental Surgery. Julie will soon begin work at a cardiology practice in Kansas City which is associated with St. Lukes Hospital and Jodie will be returning to western Kansas to practice dentistry in Russell.

We are exceedingly proud of the accomplishments of these two young women but are quick to acknowledge there were many who played a critical role in their ultimate success. I wish to express my gratitude to all who have contributed to their growth and development. The public-school teachers at Lakin U.S.D. 215 prepared them for college, Ft. Hays State University and Washburn University prepared them for graduate studies and KU and UMKC prepared them for their chosen field in health care. Congratulations to Julie and Jodie and thank you to all who contributed to their success.

Periodic amounts received as repayment of principal pursuant to regularly scheduled amortization payments on a funding shall be treated as maintained if the amounts are reinvested in one or more fundings by the end of the following calendar year. The amount of funding that will be included towards satisfaction of the requirements of this paragraph with respect to any one rural business concern, collectively with any fundings in affiliates of such rural business concern, shall not exceed the greater of $6,500,000 and 20% of the approved investment company’s total growth capital;

(b) Before revoking one or more tax credit certificates pursuant to subsection (a), the secretary shall notify the approved investment company of the reasons for the pending revocation. The approved investment company shall have 90 days from the date of such notice to correct the violations to the satisfaction of the secretary and avoid revocation of the tax credit certificate. The approved investment company shall be charged $5,000 per day until the violation is corrected, and such amounts shall be deposited in the state treasury to the credit of the ad astra rural jobs fund.

(c) If the secretary revokes a tax credit certificate, the department of revenue shall make an assessment for the amount of the credit claimed by the certificate holder before the certificate was revoked.

(d) If tax credit certificates are revoked under this section, the associated growth
capital and credit-eligible capital contributions do not count toward the limit on total
growth capital and credit-eligible capital contributions described under section 4(b), and

fund by such equity holder and an amount equal to any projected increase in the equity
holder's federal or state tax liability, including penalties and interest, related to the
equity holder's ownership, management or operation of the approved investment fund; or

investment fund's business plan filed as part of its application for certification, then the
state shall receive 15% of any distribution or payment to an equity holder in an
approved investment fund in excess of the sum of the amount of equity capital invested
in the approved investment fund by such equity holder and an amount equal to any
projected increase in the equity holder's federal or state tax liability, including penalties
and interest, related to the equity holder's ownership, management or operation of the
approved investment fund.

For purposes of this subsection (b), the secretary shall reduce the projected job

the actual amount of growth capital received by the approved investment fund to the
total amount of growth capital for which the approved investment fund applied.

(c) The secretary shall not revoke a tax credit certificate due to any actions of an
approved investment company that occur after the date the department acknowledges an

All special obligation bonds issued pursuant to this act and all income or interest therefrom shall be exempt from all state taxes. Such special obligation bonds shall contain none of the recitals set forth in K.S.A. 10-112, and amendments thereto. Such special obligation bonds shall, however, contain the following recitals: (i) The authority under which such special obligation bonds are issued; (ii) such bonds are in conformity with the provisions, restrictions and limitations thereof; and (iii) that such special obligation bonds and the interest thereon are to be paid from the money and revenue received as provided in subsection (a)(1).

(4) Any city or county issuing special obligation bonds under the provisions of this act may refund all or part of such issue pursuant to the provisions of K.S.A. 10-116a, and amendments thereto.

(b) (1) Subject to the provisions of subsection (b)(2), any city shall have the power to issue full faith and credit tax increment bonds to finance the undertaking, establishment or redevelopment of any major motorsports complex, as defined in K.S.A. 2017 Supp. 12-17,162(k), and amendments thereto. Such full faith and credit tax increment bonds shall be made payable, both as to principal and interest: (A) From the revenue sources identified in subsection (a)(1) or by any combination of these sources; and (B) subject to the provisions of subsection (b)(2), from a pledge of the city's full faith and credit to use its ad valorem taxing authority for repayment thereof in the event all other authorized sources of revenue are not sufficient.

(2) Except as provided in subsection (b)(3), before the governing body of any city proposes to issue full faith and credit tax increment bonds as authorized by this subsection, the feasibility study required by K.S.A. 2017 Supp. 12-17,166(b), and amendments thereto, shall demonstrate that the benefits derived from the project will exceed the cost and that the income therefrom will be sufficient to pay the costs of the project. No full faith and credit tax increment bonds shall be issued unless the governing body states in the resolution required by K.S.A. 2017 Supp. 12-17,166(e), and amendments thereto, that it may issue such bonds to finance the proposed STAR bond project. The governing body may issue the bonds unless within 60 days following the conclusion of the public hearing on the proposed STAR bond project plan a protest petition signed by 3% of the qualified voters of the city is filed with the city clerk in accordance with the provisions of K.S.A. 25-3601 et seq., and amendments thereto. If a sufficient petition is filed, no full faith and credit tax increment bonds shall be issued until the issuance of the bonds is approved by a majority of the voters voting at an election thereon. Such election shall be called and held in the manner provided by the general bond law. The failure of the voters to approve the issuance of full faith and credit tax increment bonds shall not prevent the city from issuing special obligation bonds in accordance with this section. No such election shall be held in the event the board of county commissioners or the board of education determines, as provided in K.S.A. 2017 Supp. 12-17,165, and amendments thereto, that the proposed STAR bond project district will have an adverse effect on the county or school district.

(3) As an alternative to subsection (b)(2), any city which adopts a STAR bond project plan for a major motorsports complex, but does not state its intent to issue full faith and credit tax increment bonds in the resolution required by K.S.A. 2017 Supp.
12-17,166(e), and amendments thereto, and has not acquired property in the STAR bond project area may issue full faith and credit tax increment bonds if the governing body of the city adopts a resolution stating its intent to issue the bonds and the issuance of the bonds is approved by a majority of the voters voting at an election thereon. Such election shall be called and held in the manner provided by the general bond law. The failure of the voters to approve the issuance of full faith and credit tax increment bonds shall not prevent the city from issuing special obligation bonds pursuant to subsection (a)(1). Any project plan adopted by a city prior to the effective date of this act in accordance with K.S.A. 12-1772, and amendments thereto, shall not be invalidated by any requirements of this act.

(4) During the progress of any major motorsports complex project in which the project costs will be financed, in whole or in part, with the proceeds of full faith and credit tax increment bonds, the city may issue temporary notes in the manner provided in K.S.A. 10-123, and amendments thereto, to pay the project costs for the major motorsports complex project. Such temporary notes shall not be issued and the city shall not acquire property in the STAR bond project area until the requirements of subsection (b)(2) or (b)(3), whichever is applicable, have been met.

(5) Full faith and credit tax increment bonds issued under this subsection shall be general obligations of the city and are declared to be negotiable instruments. Such bonds shall be issued in accordance with the general bond law. All such bonds and all income or interest therefrom shall be exempt from all state taxes. The amount of the full faith and credit tax increment bonds issued and outstanding which exceeds 3% of the assessed valuation of the city shall be within the bonded debt limit applicable to such city.

(6) Any city issuing full faith and credit tax increment bonds under the provisions of this subsection may refund all or part of such issue pursuant to the provisions of K.S.A. 10-116a, and amendments thereto.

(c) (1) For each project financed with special obligation bonds payable from the revenues described in subsection (a)(1), the city or county shall prepare and submit to the secretary by October 1 of each year, a report describing the status of any projects within such STAR bond project area, any expenditures of the proceeds of special obligation bonds that have occurred since the last annual report and any expenditures of the proceeds of such bonds expected to occur in the future, including the amount of sales tax revenue, how such revenue has been spent, the projected amount of such revenue and the anticipated use of such revenue. The department of commerce shall compile this information and submit a report annually to the governor and the legislature by February 1 of each year.

(2) (A) In addition to the report referenced in paragraph (1), the department of commerce, in cooperation with the department of revenue, shall submit a report to the senate commerce committee and the house commerce, labor and economic development committee by January 31 of each session. The report shall include the following information for the last three calendar years and the most current year-to-date information available with respect to each STAR bond district:

(i) The amount of sales tax collected, and the amount of any "base" sales taxes being allocated to the district;

(ii) the total amount of bond payments and other expenses incurred;

(iii) the total amount of bonds issued and the balance of the bonds, by district and
by project in the district;
   (iv) the remaining cash balance in the project to pay future debt service and other expenses;
   (v) any new income producing properties being brought into a district and the base revenue going to the state general fund and incremental sales tax increases going to the district with respect to such properties;
   (vi) the amount of bonds issued to repay private investors in the project with calculations showing the private and state share of indebtedness;
   (vii) the percentage of local effort sales tax actually committed to the district compared to the state’s share of sales tax percentage committed to the district;
   (viii) the number of out-of-state visitors to a project, a discussion of the visitor attraction properties of projects in the districts, and a comparison of the number of out-of-state visitors with the number of in-state visitors; and
   (ix) if any information or data is not available, an explanation as to why it is not available.

(B) Either the senate commerce committee or the house committee on commerce, labor and economic development may amend the information required in the report with additional requests and clarification on a going forward basis.

(d) A city or county may use the proceeds of special obligation bonds or any uncommitted funds derived from sources set forth in this section to pay the bond project costs as defined in K.S.A. 2017 Supp. 12-17,162, and amendments thereto, to implement the STAR bond project plan.

(e) With respect to a STAR bond project district established prior to January 1, 2003, for which, prior to January 1, 2003, the secretary made a finding as provided in subsection (a) that a STAR bond project would create a major tourism area for the state, such special obligation bonds shall be payable both as to principal and interest, from a pledge of all of the revenue from any transient guest, state and local sales and use taxes collected from taxpayers as provided in subsection (a) whether or not revenues from such taxes are received by the city.

Sec. 13. K.S.A. 2017 Supp. 79-32,160a is hereby amended to read as follows: 79-32,160a. (a) For taxable years commencing after December 31, 1999, and before January 1, 2012, any taxpayer who shall invest in a qualified business facility, as defined in subsection (b) of K.S.A. 79-32,154(b), and amendments thereto, and effective for tax years commencing after December 31, 2010, and before January 1, 2012, located in an area other than a metropolitan county as defined in either K.S.A. 2017 Supp. 74-50,114 or 74-50,211, and amendments thereto, and also meets the definition of a business in subsection (b) of K.S.A. 74-50,114(b), and amendments thereto, shall be allowed a credit for such investment, in an amount determined under subsection (b) or (c), as the case requires, against the tax imposed by the Kansas income tax act or where the qualified business facility is the principal place from which the trade or business of the taxpayer is directed or managed and the facility has facilitated the creation of at least 20 new full-time positions, against the premium tax or privilege fees imposed pursuant to K.S.A. 40-252, and amendments thereto, or as measured by the net income of financial institutions imposed pursuant to article 11 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto, for the taxable year during which commencement of commercial operations, as defined in subsection (f) of K.S.A. 79-32,154(f), and amendments thereto, occurs at such the qualified
business facility. In the case of a taxpayer who meets the definition of a manufacturing business in subsection (d) of K.S.A. 74-50,114(d), and amendments thereto, no credit shall be allowed under this section unless the number of qualified business facility employees, as determined under subsection (d) of K.S.A. 79-32,154(d), and amendments thereto, engaged or maintained in employment at the qualified business facility as a direct result of the investment by the taxpayer for the taxable year for which the credit is claimed equals or exceeds two. In the case of a taxpayer who meets the definition of a nonmanufacturing business in subsection (f) of K.S.A. 74-50,114(f), and amendments thereto, no credit shall be allowed under this section unless the number of qualified business facility employees, as determined under subsection (d) of K.S.A. 79-32,154(d), and amendments thereto, engaged or maintained in employment at the qualified business facility as a direct result of the investment by the taxpayer for the taxable year for which the credit is claimed equals or exceeds five. Where an employee performs services for the taxpayer outside the qualified business facility, the employee shall be considered engaged or maintained in employment at the qualified business facility if: (1) The employee's service performed outside the qualified business facility is incidental to the employee's service inside the qualified business facility; or (2) the base of operations or, the place from which the service is directed or controlled, is at the qualified business facility.

(b) The credit allowed by subsection (a) for any taxpayer who invests in a qualified business facility which is located in a designated nonmetropolitan region established under K.S.A. 74-50,116, and amendments thereto, on or after the effective date of this act, shall be a portion of the income tax imposed by the Kansas income tax act on the taxpayer's Kansas taxable income, the premium tax or privilege fees imposed pursuant to K.S.A. 40-252, and amendments thereto, or the privilege tax as measured by the net income of financial institutions imposed pursuant to article 11 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto, for the taxable year for which such the credit is allowed, but in the case where the qualified business facility investment was made prior to January 1, 1996, not in excess of 50% of such the tax. Such The portion shall be an amount equal to the sum of the following:

1. Two thousand five hundred dollars for each qualified business facility employee determined under K.S.A. 79-32,154, and amendments thereto; plus

2. One thousand dollars for each $100,000, or major fraction thereof, which shall be deemed to be 51% or more, in qualified business facility investment, as determined under K.S.A. 79-32,154, and amendments thereto.

(c) The credit allowed by subsection (a) for any taxpayer who invests in a qualified business facility, which is not located in a nonmetropolitan region established under K.S.A. 74-50,116, and amendments thereto, and effective for tax years commencing after December 31, 2010, and before January 1, 2012, located in an area other than a metropolitan county as defined in either K.S.A. 2017 Supp. 74-50,114 or 74-50,211, and amendments thereto, and which also meets the definition of business in subsection (b) of K.S.A. 74-50,114(h), and amendments thereto, on or after the effective date of this act, shall be a portion of the income tax imposed by the Kansas income tax act on the taxpayer's Kansas taxable income, the premium tax or privilege fees imposed pursuant to K.S.A. 40-252, and amendments thereto, or the privilege tax as measured by the net income of financial institutions imposed pursuant to article 11 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto, for the taxable year for which
such the credit is allowed, but in the case where the qualified business facility investment was made prior to January 1, 1996, not in excess of 50% of such the tax. Such The portion shall be an amount equal to the sum of the following:

1. One thousand five hundred dollars for each qualified business facility employee as determined under K.S.A. 79-32,154, and amendments thereto; and
2. One thousand dollars for each $100,000, or major fraction thereof, which shall be deemed to be 51% or more, in qualified business facility investment as determined under K.S.A. 79-32,154, and amendments thereto.

(d) The credit allowed by subsection (a) for each qualified business facility employee and for qualified business facility investment shall be a one-time credit. If the amount of the credit allowed under subsection (a) exceeds the tax imposed by the Kansas income tax act on the taxpayer's Kansas taxable income, the premium tax and privilege fees imposed pursuant to K.S.A. 40-252, and amendments thereto, or the privilege tax as measured by the net income of financial institutions imposed pursuant to article 11 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto, for the taxable year, or in the case where the qualified business facility investment was made prior to January 1, 1996, not in excess of 50% of such the tax imposed upon the amount which exceeds such the tax liability or such the portion thereof may be carried over for credit in the same manner in the succeeding taxable years until the total amount of such the credit is used. Except that, before the credit is allowed, a taxpayer, who meets the definition of a manufacturing business in subsection (d) of K.S.A. 74-50,114(d), and amendments thereto, shall recertify annually that the net increase of a minimum of two qualified business facility employees has continued to be maintained and a taxpayer, who meets the definition of a nonmanufacturing business in subsection (f) of K.S.A. 74-50,114(f), and amendments thereto, shall recertify annually that the net increase of a minimum of five qualified business employees has continued to be maintained.

(e) Notwithstanding the foregoing provisions of this section, and except as otherwise provided in this subsection, any taxpayer qualified and certified under the provisions of K.S.A. 74-50,131, and amendments thereto; which, prior to making a commitment to invest in a qualified Kansas business, has filed a certificate of intent to invest in a qualified business facility in a form satisfactory to the secretary of commerce; and that has received written approval from the secretary of commerce for participation and has participated, during the tax year for which the exemption is claimed, in the Kansas industrial training, Kansas industrial retraining or the state of Kansas investments in lifelong learning program or is eligible for the tax credit established in K.S.A. 74-50,132, and amendments thereto, shall be entitled to a credit in an amount equal to 10% of that portion of the qualified business facility investment which exceeds $50,000 in lieu of the credit provided in subsection (b)(2) or (c)(2) without regard to the number of qualified business facility employees engaged or maintained in employment at the qualified business facility. For tax years beginning on or after January 1, 2012, for a qualified business facility investment in Douglas, Johnson, Sedgwick, Shawnee or Wyandotte counties, such the credit shall be in an amount equal to 10% of that portion of the qualified business facility investment which exceeds $1,000,000. Any taxpayer who has filed a certificate of intent to invest in a qualified business facility pursuant to this subsection in Douglas, Johnson, Sedgwick, Shawnee or Wyandotte county prior to December 31, 2011, and commences investments in a qualified business facility prior to December 31, 2013, may claim

Timing modifications may be authorized at the discretion of the secretary of commerce and the secretary of revenue during the transition period. The credit allowed by this subsection shall be a one-time credit. If the amount thereof exceeds the tax imposed by the Kansas income tax act on the taxpayer's Kansas taxable income or the premium tax or privilege fees imposed pursuant to K.S.A. 40-252, and amendments thereto, or the privilege tax as measured by net income of financial institutions imposed pursuant to article 11 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto, for the taxable year, the amount thereof which exceeds such the tax liability may be carried forward for credit in the succeeding taxable year or years until the total amount of the tax credit is used, except that no such tax credit shall be carried forward for deduction after the 16th taxable year succeeding the taxable year in which such the credit initially was claimed, except as provided by subsection (f), and no carryforward shall be allowed for deduction in any succeeding taxable year unless the taxpayer certifies under oath that the taxpayer continues to meet the requirements of K.S.A. 74-50,131, and amendments thereto, and this act. In no event shall any credit allowed under this section that expired during any taxable year prior to the taxable year commencing January 1, 2011, be revived under the provisions of this act.

(f) On and after January 1, 2018, for taxpayers who have initially claimed a credit as permitted by subsection (e) prior to January 1, 2018, and whose tax credit as permitted by subsection (e) remains unused, 25% of the amount of the tax credit that remains unused at the end of the 16th taxable year succeeding the taxable year in which the credit initially was claimed may be carried forward for credit against the taxpayer's tax liability in the succeeding tax year or years until the 25th taxable year succeeding the taxable year in which the credit initially was claimed. In any one tax year, the amount of the tax credit allowed against the taxpayer's tax liability shall not exceed 10% of the total tax credit amount that remained unused as reduced and initially made available for use by the taxpayer pursuant to this subsection. No credit carryforward shall be allowed in any succeeding taxable year unless the taxpayer certifies under oath that the taxpayer continues to meet the requirements of K.S.A. 74-50,131, and amendments thereto, and this act. No credit carryforward shall be allowed after the 25th taxable year succeeding the taxable year in which the credit was initially claimed. In no event shall any tax credit that expired prior to January 1, 2018, be revived under the provisions of this subsection.

(g) For tax years commencing after December 31, 2005, any taxpayer claiming credits pursuant to this section, as a condition for claiming and qualifying for such the credits, shall provide information pursuant to K.S.A. 2017 Supp. 79-32,243, and amendments thereto, as part of the tax return in which such the credits are claimed. Such The credits shall not be denied solely on the basis of the contents of the information provided by the taxpayer pursuant to K.S.A. 2017 Supp. 79-32,243, and amendments thereto.

(h) This section and K.S.A. 79-32,160b, and amendments thereto, shall be part of and supplemental to the job expansion and investment credit act of 1976, and amendments thereto.

The governing body of any city may submit the question of imposing a retailers' sales tax and the governing body shall be required to submit the question upon submission of a petition signed by electors of such city equal in number to not less than 10% of the electors of such city.

(b) (1) The board of county commissioners of any county may submit the question

Conferees on part of House

The motion of Rep. Johnson to adopt the conference committee report on S Sub for HB 2228 did not prevail. The bill was killed.

Call of the House was demanded.

On roll call, the vote was: Yeas 59; Nays 59; Present but not voting: 0; Absent or not voting: 7.

Present but not voting: None.

Absent or not voting: Alford, Barker, Claeys, Helgerson, Hibbard, Holscher, Schwab.
EXPLANATIONS OF VOTE

Mr Speaker: We have waited all session to return money to Kansas taxpayers due them under the federal tax law. While there are good parts of this bill, there are also questionable parts, and there are items that should have been included but aren't. It does not raise the standard deduction and does too little for average Kansans who are working hard just to make ends meet. However, in the end, this bill does prevent a tax INCREASE that would harm our economy and hurt Kansans, so Mr Speaker, we reluctantly vote yes on S Sub for HB 2228. – JOHN WHITMER, RANDY POWELL, KEITH ESAU, LEO DELPERDANG, JESSE BURRIS, TREvor JACOBS, LESLIE OSTERMANN, CHUCK WEBER, SUSAN HUMPHRIES, BLAKE CARPENTER, WILLIE DOVE, EMIL BERGQUIST, FRANK TRIMBOLI, ERIC SMITH, JOHN RESMAN

Mr Speaker: This tax bill includes many good provisions that allow Federal windfall dollars to be returned to taxpayers, yet it fails to consider 2/3 of Kansas taxpayers by not including a standard deduction increase. Those Kansans who need the tax cut most will not receive it. It also continues the fiscally irresponsible policy of allowing sales tax exemptions to a select few. This unfair practice narrows our tax base. Good tax policy broadens the base and lowers the rate, but not today, not with this bill. Yet, there is just enough good. Mr. Speaker: I vote aye on S Sub for HB 2228. – KRISTEY WILLIAMS, JACK THIMESCH, LONNIE CLARK, TROY WAYMASTER, ADAM SMITH, SUSAN CONCANNON

Mr Speaker: Since 2005, K.S.A. 72-5192 makes the appropriation of funding for K-12 general state aid, supplemental state aid and special education the first priority in our budget process. The 2008 recession caused 5 rounds of budget cuts in 2009, Gannon was filed in 2010. In January 2013, the Gannon ruling called the tax cuts of 2012 “self-inflicted,” and the argument that the state could not afford more funding due to the downturn, while simultaneously cutting taxes, “completely illogical.” I fear that arguing $525 million over 5 years as our best effort while simultaneously cutting revenues is once again, completely illogical. I vote NO on S Sub for HB 2228. – MELISSA ROOKER, JOHN CARMICHAEL

Speaker Ryckman assumed the chair.
