(b) enrollment growth and imminent overcrowding as demonstrated by successive increases in enrollment of the school district in the immediately preceding three school years;

(c) impact on the delivery of educational services as demonstrated by restrictive inflexible design or limitations on installation of technology; and

(d) energy usage and other operational inefficiencies as demonstrated by a district-wide energy usage analysis, district-wide architectural analysis or other similar evaluation.

(ii) In allocating capital improvement state aid, the state board shall give higher priority to those school districts with a lower AVPP compared to the other school districts that are to receive capital improvement state aid under this section.

(C) On and after July 1, 2016, the state board of education shall approve the amount of state aid payments a school district shall receive from the school district capital improvements fund pursuant to subsection (b)(5) prior to an election to approve the issuance of general obligation bonds.

(5) Except as provided in subsections (b)(6) and (b)(7), the sum of the amounts determined under subsection (b)(3) and the amount determined or allocated to the district by the state board of education pursuant to subsection (b)(4), is the amount of payment the school district is entitled to receive from the school district capital improvements fund in the school year.

(6) A school district that had an enrollment of less than 260 students in the school year immediately preceding the school year in which an election is held to approve the issuance of general obligation bonds shall not be entitled to receive payments from the school district capital improvements fund unless such school district applied for and receive approval from the state board of education to issue such bonds prior to holding an election to approve such bond issuance. (7) For general obligation bonds approved for issuance at an election held on or after July 1, 2017, in determining the amount under subsection (b)(2)(D), the state board shall exclude payments for any capital improvement project, or portion thereof, that proposes to construct, reconstruct or remodel a facility that would be used primarily for extracurricular activities, unless the construction, reconstruction or remodeling of such facility is necessary due to concerns relating to the safety of the current facility or disability access to such facility as demonstrated by a state fire marshal report, an inspection under the Americans with disabilities act, 42 U.S.C. § 12101 et seq., or other

(d) Payments from the school district capital improvements fund shall be distributed to school districts at times determined by the state board of education to be necessary to assist school districts in making scheduled payments pursuant to contractual bond obligations. The state board of education shall certify to the director of accounts and reports the amount due each school district entitled to payment from the fund, and the director of accounts and reports shall draw a warrant on the state treasurer payable to the treasurer of the school district. Upon receipt of the warrant, the treasurer of the school district shall credit the amount thereof to the bond and interest fund of the school district to be used for the purposes of such fund.

For taxable years 2015 and 2016, the following described property, to the extent herein specified, shall be and is hereby exempt from the property tax levied pursuant to the provisions of K.S.A. 2016 Supp. 72-6470, section 14, and amendments thereto: Property used for residential purposes to the extent of $20,000 of its appraised valuation.

Sec. 104. K.S.A. 2016 Supp. 79-213 is hereby amended to read as follows: 79-213. (a) Any property owner requesting an exemption from the payment of ad valorem property taxes assessed, or to be assessed, against their property shall be required to file an initial request for exemption, on forms approved by the state board of tax appeals and provided by the county appraiser.

(b) The initial exemption request shall identify the property for which the exemption is requested and state, in detail, the legal and factual basis for the exemption claimed.

(c) The request for exemption shall be filed with the county appraiser of the county where such property is principally located.

(d) After a review of the exemption request, and after a preliminary examination of the facts as alleged, the county appraiser shall recommend that the exemption request
either be granted or denied, and, if necessary, that a hearing be held. If a denial is recommended, a statement of the controlling facts and law relied upon shall be included on the form.

(e) The county appraiser, after making such written recommendation, shall file the request for exemption and the recommendations of the county appraiser with the state board of tax appeals. With regard to a request for exemption from property tax pursuant to the provisions of K.S.A. 79-201g and 82a-409, and amendments thereto, not filed with the board of tax appeals by the county appraiser on or before the effective date of this act, if the county appraiser recommends the exemption request be granted, the exemption shall be provided in the amount recommended by the county appraiser and the county appraiser shall not file the request for exemption and recommendations of the county appraiser with the state board of tax appeals. The county clerk or county assessor shall annually make such adjustment in the taxes levied against the real property as the owner may be entitled to receive under the provisions of K.S.A. 79-201g, and amendments thereto, as recommended by the county appraiser, beginning with the first period, following the date of issue of the certificate of completion on which taxes are regularly levied, and during the years which the landowner is entitled to such adjustment.

(f) Upon receipt of the request for exemption, the board shall docket the same and notify the applicant and the county appraiser of such fact.

(g) After examination of the request for exemption and the county appraiser’s recommendation related thereto, the board may fix a time and place for hearing, and shall notify the applicant and the county appraiser of the time and place so fixed. A request for exemption pursuant to: (1) Section 13 of article 11 of the constitution of the state of Kansas; or (2) K.S.A. 79-201a Second, and amendments thereto, for property constructed or purchased, in whole or in part, with the proceeds of revenue bonds under the authority of K.S.A. 12-1740 to 12-1749, inclusive, and amendments thereto, prepared in accordance with instructions and assistance which shall be provided by the department of commerce, shall be deemed approved unless scheduled for hearing within 30 days after the date of receipt of all required information and data relating to the request for exemption, and such hearing shall be conducted within 90 days after such date. Such time periods shall be determined without regard to any extension or continuance allowed to either party to such request. In any case where a party to such request for exemption requests a hearing thereon, the same shall be granted. Hearings shall be conducted in accordance with the provisions of the Kansas administrative procedure act. In all instances where the board sets a request for exemption for hearing, the county shall be represented by its county attorney or county counsel.

In the event that taxes have been assessed against the subject property, no interest shall accrue on
any unpaid tax for the year or years in question nor shall the unpaid tax be considered delinquent from the date the request is filed with the county appraiser until the expiration of 30 days after the board issued its order thereon. In the event the board determines an application for exemption is without merit and filed in bad faith to delay the due date of the tax, the tax shall be considered delinquent as of the date the tax would have been due pursuant to K.S.A. 79-2004 and 79-2004a, and amendments thereto, and interest shall accrue as prescribed therein.

(j) In the event the board grants the initial request for exemption, the same shall be effective beginning with the date of first exempt use except that, with respect to property the construction of which commenced not to exceed 24 months prior to the date of first exempt use, the same shall be effective beginning with the date of commencement of construction.

(k) In conjunction with its authority to grant exemptions, the board shall have the authority to abate all unpaid taxes that have accrued from and since the effective date of the exemption. In the event that taxes have been paid during the period where the subject property has been determined to be exempt, the board shall have the authority to order a refund of taxes for the year immediately preceding the year in which the exemption application is filed in accordance with subsection (a).

2001. (a) As soon as the county treasurer receives the tax roll of the county, the
treasurer shall enter in a column opposite the description of each tract or parcel of land
the amount of unpaid taxes and the date of unredeemed sales, if any, for previous years
on such land. The treasurer shall cause a notice to be published in the official county

the mill levy and tax due. In addition, with respect to land devoted to agricultural use,
such statement shall indicate the acreage and description of each parcel of such land.
The tax statement shall also indicate separately each parcel of real property which is

(a) Without a majority vote so providing, the governing body of any municipality shall not approve any appropriation or budget, as the case requires, which may be funded by revenue produced from property taxes, and which provides for funding with such revenue in an amount exceeding that of the next preceding year, adjusted to reflect changes in the consumer price index for all urban consumers as published by the United States department of labor for the preceding calendar year. If the total tangible property valuation in any municipality increases from the next preceding year due to increases in the assessed valuation of existing tangible property and such increase exceeds changes in the consumer price index, the governing body shall lower the amount of ad valorem tax to be levied to the amount of ad valorem tax levied in the next preceding year, adjusted to reflect changes in the consumer price index. This subsection shall not apply to ad valorem taxes levied under K.S.A. 76-6b01 and 76-6b04 and K.S.A. 2016 Supp. 72-6470 section 14, and amendments thereto, and any other ad valorem tax levy which was previously approved by the voters of such municipality. Notwithstanding the requirements of this subsection, nothing herein shall prohibit a municipality from increasing the amount of ad valorem tax to be levied if the municipality approves the proposed increase with a majority vote of the governing body by the adoption of a resolution and publishes its vote to approve the appropriation or budget including the increase as provided in subsection (c).

(b) Revenue that, in the current year, is produced and attributable to the taxation of:
(1) New improvements to real property;
(2) increased personal property valuation;
(3) property located within added jurisdictional territory; or
(4) property which has changed in use shall not be considered when determining whether revenue produced from property has increased from the next preceding year.

(c) In the event the governing body votes to approve any appropriation or budget, as the case requires, which may be funded by revenue produced from property taxes, and which provides for funding with such revenue in an amount exceeding that of the next preceding year as provided in subsection (a), notice of such vote shall be published in the official county newspaper of the county where such municipality is located.

(d) The provisions of this section shall be applicable to all fiscal and budget years commencing on and after the effective date of this act.

(e) The provisions of this section shall not apply to revenue received from property tax levied for the sole purpose of repayment of the principal of and interest upon bonded indebtedness, temporary notes and no-fund warrants.

(f) For purposes of this section:
(1) "Municipality" means any political subdivision of the state which levies an ad valorem tax on property and includes, but is not limited to, any township, municipal university, school district, community college, drainage district or other taxing district;
(2) "municipality" shall not include:
(A) Any such political subdivision or taxing district which receives $1,000 or less in revenue from property taxes in the current year; or

Sec. 107. K.S.A. 2016 Supp. 79-32,117 is hereby amended to read as follows: 79-32,117.

(a) The Kansas adjusted gross income of an individual means such individual's federal adjusted gross income for the taxable year, with the modifications specified in this section.

(b) There shall be added to federal adjusted gross income:
(i) Interest income less any related expenses directly incurred in the purchase of state or political subdivision obligations, to the extent that the same is not included in federal adjusted gross income, on obligations of any state or political subdivision thereof, but to the extent that interest income on obligations of this state or a political subdivision thereof issued prior to January 1, 1988, is specifically exempt from income tax under the laws of this state authorizing the issuance of such obligations, it shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income. Interest income on obligations of this state or a political subdivision thereof issued after December 31, 1987, shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income.

(ii) Taxes on or measured by income or fees or payments in lieu of income taxes imposed by this state or any other taxing jurisdiction to the extent deductible in determining federal adjusted gross income and not credited against federal income tax. (iv) Federal income tax refunds received by the taxpayer if the deduction of the taxes being refunded resulted in a tax benefit for Kansas income tax purposes during a prior taxable year. Such refunds shall be included in income in the year actually
received regardless of the method of accounting used by the taxpayer. For purposes hereof, a tax benefit shall be deemed to have resulted if the amount of the tax had been deducted in determining income subject to a Kansas income tax for a prior year regardless of the rate of taxation applied in such prior year to the Kansas taxable income, but only that portion of the refund shall be included as bears the same proportion to the total refund received as the federal taxes deducted in the year to which such refund is attributable bears to the total federal income taxes paid for such year. For purposes of the foregoing sentence, federal taxes shall be considered to have been deducted only to the extent such deduction does not reduce Kansas taxable income below zero.

(v) The amount of any depreciation deduction or business expense deduction claimed on the taxpayer's federal income tax return for any capital expenditure in making any building or facility accessible to the handicapped, for which expenditure the taxpayer claimed the credit allowed by K.S.A. 79-32,177, and amendments thereto.

(ix) The amount of any ad valorem taxes and assessments paid and the amount of any costs incurred for habitat management or construction and maintenance of improvements on real property, claimed for deduction in determining federal adjusted gross income, to the extent the same is claimed as the basis for any credit allowed pursuant to K.S.A. 79-32,203, and amendments thereto.

(x) Amounts received as nonqualified withdrawals, as defined by K.S.A. 2016 Supp. 75-643, and amendments thereto, if, at the time of contribution to a family postsecondary education savings account, such amounts were subtracted from the federal adjusted gross income pursuant to K.S.A. 79-32,117(c)(xv), and amendments thereto, or if such amounts are not already included in the federal adjusted gross income.

(xi) The amount of any contribution made to the same extent the same is claimed as the basis for the credit allowed pursuant to K.S.A. 2016 Supp. 74-50,154, and amendments thereto.

(xii) For taxable years commencing after December 31, 2004, amounts received as withdrawals not in accordance with the provisions of K.S.A. 2016 Supp. 74-50,204, and amendments thereto, if, at the time of contribution to an individual development account, such amounts were subtracted from the federal adjusted gross income pursuant to subsection (c)(xiii), or if such amounts are not already included in the federal adjusted gross income.

On motion of Rep. Campbell, the conference committee report on SB 19 was adopted.

On roll call, the vote was: Yeas 67; Nays 55; Present but not voting: 0; Absent or not voting: 3.

Present but not voting: None.
Absent or not voting: Barker, Highland, Mason.

EXPLANATIONS OF VOTE

Mr. Speaker: I vote no on SB 19. I believe it is dis-equalizing for at least five reasons. In the Gannon decision the Kansas Supreme Court ruled, “School districts must have reasonably equal access to, substantially similar educational opportunity, through similar tax effort.” SB 19 does the opposite. I cannot support a school finance plan that is in clear violation of the court order on equity and adequacy. I will see all of you in July! – Ed Trimmer

Mr. Speaker: As I stated before, the June 30 deadline looms large. I share concerns about the funding level, and the tax credit scholarship expansion, but am more alarmed at the uncertainty we face without a constitutional funding formula. Absent an approved formula, the state will not be allowed to distribute even $1 on July 1, 2017 creating crisis. I believe we have drafted a formula that will meet the constitutional test. Ultimately, none of us can discern what the Supreme Court will rule regarding adequacy but it is high time for both sides to have their day in court. I vote AYE on SB 19. – Melissa Rooker, Brenda K. Landwehr, Joy Koesten

Mr. Speaker: As lead House negotiator, I added three provisions to SB 19 that will further help underperforming Kansas students exceed the Rose standards. SB 19 increases bilingual weighting, recognizing that a disproportionate number of ESL students fall short of Rose benchmarks. It ensures that every penny of the record level of at-risk funding is spent where it should be, on underperforming students. SB 19 also guarantees that at-risk dollars are used efficiently, following best practices for helping underperforming students as established by the State Board. Because SB 19 helps underperforming students more than any other bill considered by the legislature, I vote aye. – Larry Campbell

On motion of Rep. Hineman, the House recessed until 8:00 p.m.

EVENING SESSION

The House met pursuant to recess with Speaker pro tem Schwab in the chair.

(b) There shall be added to federal adjusted gross income:
(i) Interest income less any related expenses directly incurred in the purchase of state or political subdivision obligations, to the extent that the same is not included in federal adjusted gross income, on obligations of any state or political subdivision
thereof, but to the extent that interest income on obligations of this state or a political subdivision thereof issued prior to January 1, 1988, is specifically exempt from income tax under the laws of this state authorizing the issuance of such obligations, it shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income. Interest income on obligations of this state or a political subdivision thereof issued after December 31, 1987, shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income.

For purposes hereof, a tax benefit shall be deemed to have resulted if the amount of the tax had been deducted in determining income subject to a Kansas income tax for a prior year regardless of the rate of taxation applied in such prior year to the Kansas taxable income, but only that portion of the refund shall be included as bears the same proportion to the total refund received as the federal taxes deducted in the year to which such refund is attributable bears to the total federal income taxes paid for such year. For purposes of the foregoing sentence, federal taxes shall be considered to have been deducted only to the extent such deduction does not reduce Kansas taxable income below zero.

Prayer by Chaplain Brubaker:

God of comfort,
strength and refuge,
I call upon You today to come along side our leaders
and give them strength and encourage their hearts.
King Solomon, in his psalm to You reminds us that:

“Unless the Lord builds the house,
its builders labor in vain.
Unless the Lord watches over the city,
the watchmen stand guard in vain.
In vain you rise early and stay up late,
toiling for food to eat—
for He grants sleep to those He Loves.”

Isaiah also give us encouraging words when he said:

“The Lord is the everlasting God
the Creator of the ends of the earth,
He will not grow tired or weary,
and his understanding no one can fathom.
He gives strength to the weary
and increases the power of the weak.
May these promises be fulfilled in our leaders today.
I pray this in Christ’s Name, Amen.

stamps, and remit therefor to the director within 30 days after each such purchase, up to a maximum outstanding at any one time of 85% of the amount of the bond. All revenue received from the sale of such stamps or meter imprints shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury. The director may, to assure the proper collection of taxes imposed by the act, revoke or suspend the privilege of imprinting tax meter imprints affixing tax stamps upon original packages of cigarettes. All meters shall be under the direct control of the director, and all transfer assignments or anything pertaining thereto must first be authorized by the director. MESSAGES FROM THE SENATE

Announcing the Senate herewith transmits the veto message from the Governor, together with the enrolled copy of SB 30, AN ACT concerning taxation; relating to sales and compensating use tax, collection and distribution thereof, STAR bonds; income taxation, determination of Kansas adjusted gross income, modifications, rates, itemized deductions and credits; amending K.S.A. 2016 Supp. 12-17,165, 12-17,179, 79-32,110, 79-32,117, 79-32,120 and 79-32,138 and repealing the existing sections; also repealing K.S.A. 2016 Supp. 79-32,269, which was received and read on June 6, 2017.

Message from the Governor

I appreciate the efforts of members during this intense lawmaking process. We have worked hard in Kansas to move our tax policy toward a pro-growth orientation. Unfortunately, Senate Bill 30 takes us backward in that effort. We can and we must balance our budget without negatively harming Kansas families.

Accordingly, pursuant to Article 2, Section 14 (a) of the Constitution of the State of Kansas, I hereby veto Senate Bill 30.

Dated: June 6, 2017

Signed, Sam Brownback, Governor of Kansas

A motion was made that SB 30 be passed notwithstanding the Governor's veto. By vote of 27 Yeas and 13 Nays, the motion having received the required two-thirds constitutional majority of the members elected or appointed to the Senate, voting in the affirmative, the bill passed.

CONSIDERATION OF VETO

The Governor's objection to SB 30 having been read, the question being shall the bill be passed notwithstanding the Governor's veto?

On roll call, the vote was: Yeas 88; Nays 31; Present but not voting: 1; Absent or not voting: 5.

Yeas: Alcala, Alford, Aurand, Baker, Ballard, Becker, Bishop, Brim, Burroughs, Campbell, Carlin, Carmichael, Clark, Clayton, Concannon, Cox, Crum, S., Curtis, E.

Present but not voting: Seiwert.

Absent or not voting: Barker, Francis, Jacobs, Mason, Thimesch.

A two-thirds majority of the members elected to the House having voted in favor of the bill over the Governor's veto, the motion did prevail, the bill did pass.

EXPLANATIONS OF VOTE

Mr. Speaker: I am voting yes to override the Governor's veto on SB 30. I vote to override with reluctance. This is the first time in my life that I've watched negotiations go upward. Usually, you negotiate down. That said, it would have been much easier for me to vote for SB 30 had it contained a full-fledged repeal of the Governor's tax cuts. However, the Governor has done my community no favors. With the reality being what it is, I choose to do what will most benefit Kansans – and that is to support this override. – Stan Frownfelter

Mr. Speaker: I voted present on SB 30 because I support funding government – and jobs for my district including Wichita and rural Kansas. However, they were not a part of this bill, therefore I could neither support it or vote against it, or the largest tax increase in states' history. – Joe Seiwert

Mr. Speaker: I vote yes to override the veto on SB 30. 109 days ago we came together to formulate a plan that would get our state back on solid financial footing. We all came with different goals: some with reversing the Governor's plan altogether, putting businesses back on tax rolls or shielding all Kansans from tax hikes. We've worked in good faith to find the middle ground. However, it became clear that finding middle ground on a plan the governor would sign was out of reach. This isn't the plan I supported, but it's the plan that the majority of this House supported. It's time to provide certainty for Kansas. – Ron Ryckman

On motion of Rep. Hineman, the House adjourned until 4:00 p.m., Wednesday, June 7, 2017.
The House met pursuant to adjournment with Speaker pro tem Schwab in the chair.

The roll was called with 115 members present.

Rep. Cox was excused on legislative business.
Reps. Aurand, Awerkamp, Barker, Campbell, Claeys, Pittman and Thompson were excused on excused absence by the Speaker.

Prayer by Chaplain Brubaker:

Father God,
Thank You again for another day
with which You have blessed us.
I never know when I walk into this Chamber what to expect.
It reminds me of the quote of my favorite philosopher:
“my mama always told me life was like a box of chocolates;
you never know what you’re gonna get.”
I think he is also the one who said,
“stupid is as stupid does.”
Anyway, here we are, having accomplished two major bills.
But there is still one huge bill before our leaders
that has to be dealt with – the budget.
Some may be saying,
“Houston, we have a problem;”
while others may be thinking,
“show me the money;”
There could even be the idea of
“I’m gonna make him an offer he can’t refuse.”
I just pray that we don’t get to the point where
“what we’ve got here is a failure to communicate.”
All I can say is,
“fasten your seatbelts, its gonna be a bumpy ride.”
Not like it hasn’t been already.
My prayer is that You will guide our leaders in this task,
and guide them to a solution.
“After all, tomorrow is another day.”
Remind each of our leaders that
“you is kind, you is smart, and you is important.”
And when it is all said and done, we can all agree that
“there is no place like home.”
Lord, You have heard my prayer,
respond to it as You will.
In Christ’s Name, Amen.

The Pledge of Allegiance was led by Rep. Trimmer.

PERSONAL PRIVILEGE

The following remarks of Speaker Ryckman are spread upon the Journal:

Colleagues,
I want to make a few remarks about the heartbreaking loss of Representative Patsy Terrell. It is such a shock to see the reminder of her loss with her empty seat on the floor today.
It seems fitting to use her own words from her Facebook page, as she was a great communicator to her constituents, especially on social media. Her intro reads: I read, write, paint, think, create, repeat.

Representative Terrell was indeed full of creativity, extremely thoughtful, and had a bright personality.

She will be greatly missed by this legislative body, and the people of the 102nd District, and more importantly all of those around the state that have been inspired by her life.

We send our thoughts, prayers, and love to her family and friends during this difficult time.

PERSONAL PRIVILEGE

The following remarks of Rep. Ward are spread upon the Journal:

In Memoriam Representative Patsy Terrell.

Thank you, Mr. Speaker, for providing me an opportunity to say a few words about our friend and colleague, Patsy Terrell.

First, I want to thank Governor Brownback for lowering the flags to half-mast in honor of her.

I met Patsy Terrell approximately 16 months ago at a local Italian Restaurant in downtown Hutchinson. She wore a bright green dress and a large jade brooch. We were there to talk about, in her words, a crazy idea of her becoming a state representative. If you have ever recruited a candidate you know there is a moment when you know have gotten them. Well I “got” Patsy that day. While it wasn’t official until after several more calls, I knew she would run after that first meeting. How? I saw it in her eyes when we talked about helping the people in her district through constituent services, helping people work through state government to get solutions, and getting people answers from state agencies. When we ended the meeting, she leaned over and gave me a look that said, “don’t bullshit me because I’ll know it if you do it,” and then she asked, “Do you think I can do it?” I said I did. And on November 8, 2016, she did.

The last time I talked with Patsy was on Tuesday evening as I prepared to leave the restaurant where several of us had gathered after the income tax reform override vote. Patsy arrived and came over and gave me a big hug, saying how proud she was to have been a part of such an historic night. She said how happy she was to be a legislator and her eyes were bright with excitement and pride.

Patsy was a regular user of social media, but she also loved the written word. During the time I knew her, I, like several of you, received numerous handwritten notes from her. The last one I received just a couple of weeks ago, after the Representative from Johnson County had his heart attack. The note said being a legislator is stressful and being leader is stressful, so please be sure to take care of yourself. That was Patsy. Always thinking of others and nurturing them.

She had incredible timing. She would stop by my office with an encouraging word at exactly the right moment, usually following a difficult caucus meeting or vigorous debate.
She was kind and generous and strong. A member of my caucus pointed out a quote from Patsy’s Facebook page I wanted to share with you. To a friend she had written, “Things work out in the end, if it hasn’t worked out – it’s not the end.” Well it’s not the end, Patsy. We will carry on with your passion as we are not done.

I smile today because I know what Patsy is doing. She is in heaven, likely talking with John Kennedy, Ronald Reagan and Margaret Thatcher and she is telling them about the last day of her life. She is telling them about the important, historic work she did on that last day. I’m sure she is bragging about the amazing women in her bipartisan group that had such a voice in the income tax reform bill. On several occasions, Patsy would stop by my office to share with me the brilliance of her colleagues in the women’s group and how important their work was and the progress they were making. I can assure you Kennedy or Johnson are not getting a word in edgewise today.

To close, I want to read you a text Patsy sent me yesterday at 1:08 am. “I hope this doesn’t wake you if your phone dings. I know you must feel so good. It feels so good to me. I am so glad I got to experience this – so very proud to be a tiny part of this moment.” That will be my memory of Patsy – so proud to be a part of this moment.

Godspeed Patsy, you will be missed.

The members of the House observed a moment of silence in memory of Rep. Terrell.

REPORT ON ENROLLED BILLS

Sub HB 2230, HB 2313, HB 2409 reported correctly enrolled, properly signed and presented to the Governor on June 9, 2017.

On motion of Rep. Hineman, the House adjourned until 10:00 a.m., Saturday, June 10, 2017.
Mr. Speaker: I hereby exercise my right under Article 2, Section 10, of the Kansas Constitution to protest the Conference Committee Report for Senate Bill 19 (“CCR for SB 19”).

The Kansas Constitution in Article 6, Section 6, subsection (b) provides “[t]he legislature shall make suitable provision for the finance of the educational interests of the state.” Over the last 30 years the Kansas Supreme Court has heard several lawsuits challenging the legislature’s failure to meet this constitutional obligation. The Court has identified two bedrock constitutional requirements in school finance cases: the equitable distribution of funds reasonably calculated to meet each child’s educational needs and adequate funding so that schools can ensure each child receives a suitable education.

On March 2, 2017, the Kansas Supreme Court issued its decision in Gannon v. State of Kansas (Gannon IV) found that “[u]nder the facts of this case, the state’s public education financing system provided by the legislature for grades K-12. Through its structure and implementation, is not reasonably calculated to have all Kansas public education students meet or exceed the . . . Rose standards . . . presently codified in K.S.A. 2016 Supp. 72-1127.” The Court further directed that “[o]nce a new financing system is enacted, the State will have to satisfactorily demonstrate to this court by June 30, 2017, that its proposed remedy is reasonably calculated to address the constitutional violates identified, as well as comports with previously identified constitutional mandates such as equity.”

The CCR for SB 19 fails to satisfy both the adequacy and equity requirements of the Kansas Constitution in several significant areas.

1. **Adequate funding.** CCR for SB 19 provides only $286 million in new money in the next two school years to K-12. This means the per pupil amount will only grow from $4,006 to $4,128 over that same period. While this is an increase in base state aid from what was provided in CLASS, it falls well short of achieving the high-water mark of $4,400 in 2009. Meaning that five years from now we will still be below where we were eight years ago.

   In its Order, the Court made it clear there is a correlation between funding and achievement and noted CLASS’s unconstitutionality was due to underfunding. The Court further instructed that actual costs remain a valid factor to be considered in determining constitutional adequacy under Article 6 and instructed the state to not ignore the legislatively commissioned cost studies in creating a remedy.
The Kansas State Board of Education has recommended $893 million in new money over the same period as funded in the CCR for SB 19. The cost studies commissioned by the legislature estimated a need for $1.4 billion of new money for K-12. By whatever measurement used, it is clear the CCR for SB 19 is woefully inadequate in funding for our schools which puts the legislature in clear violation of the Kansas Constitution.

40 districts lose $7.4 million in funding. These districts still have students not achieving. It is not reasonable to expect that they will be able to increase achievement with decreased resources. Another factor of inadequacy.

2. **At-Risk 10% Floor.** The 10% at-risk floor contained in this CCR provides $2 million a year in additional money for two school districts while many other districts with more at-risk students than free-lunch students do not get extra funds for their at-risk students. There is no cost-based reasoning for this funding and its implementation is structurally flawed. This is both an adequacy and equity violation.

3. **High-Density At-Risk.** The high-density at-risk student weighting provides that when the enrollment of a school or school district is at least 50% at-risk students, the school or school district will receive a high-density at-risk weighting equal to 10.5 percent of the at-risk students of the district. The change to a school level as opposed to the school district level provides $1.9 million in additional funding to two school districts while leaving roughly half of the other school districts with nothing. This is structurally flawed as it helps individual schools as opposed to school districts as a whole. This is an adequacy violation.

4. **Ancillary School Facilities Weighting.** The Ancillary Levy allows districts to acquire additional money to defray the costs associated with commencing the operation of new facilities. It benefits primarily five districts with $24 million additional local funding that is not equalized.

5. **Declining Enrollment Levy.** The Declining Enrollment Levy is allowed for two districts. These districts will be able to raise $3.7 million from increases in their LOB above 31%. Low valuation districts are not able to access these funds which results in inequity.

6. **Cost-of-Living Weighting.** The Cost-of-Living Weighting will allow for six districts to raise $20 million in unequalized local funding while 21 districts qualify for it. The inclusion of the protest petition also means not all qualifying districts will be able to access the funds.

7. **Extraordinary Declining Enrollment.** CCR for SB 19 provides $2,593,452 in one-time money for school districts with extraordinary declining enrollment. There is no cost-based reasoning for this funding and it is clearly disequalizing.

8. **Local Option Budget.** Prior Local Option Budget authorization is grandfathered in this report providing 44 districts an extra $30 million in funding due to an additional
3% of LOB authority. While this is disqualizing on its face it is further disqualizing when you consider those 44 districts have access to these funds without an election while the remaining school districts will be required to obtain taxpayer approval for an increase in their LOB. There is no cost-based reasoning for this funding making it difficult to defend based on equity.

9. **Local Option Budget Equalization.** LOB equalization changes create inequity by changing the assessed valuation per pupil (AVPP) from calculating on current year to using prior year numbers, then after FY 2019, changes again to an average of the prior three years. This method will delay equalization to districts with declining AVPP and allows some districts with increasing AVPP to retain unwarranted equalization money.

10. **Artificial Local Option Budget Base Aid.** The Artificial Local Option Budget Base Aid allows for the use of a base aid amount of $4,490 for purposes of calculating the LOB authority for local school districts if the base aid is less than $4,490. This artificial number has been indexed beginning in the 2019-2020 school year using a 3-year rolling average CPI. Essentially, the actual base aid will never catch-up to the artificial base used for calculating LOB authority. This lacks any cost-based reasoning and is inequitable.

11. **Capital Outlay Equalization.** Capital Outlay Equalization changes operate in the same manner as LOB equalization and will result in the same inequity.

12. **Expansion of Capital Outlay Fund Usage.** The Capital Outlay Fund usage has been expanded for the addition of utility expenses and property and casualty insurance which creates a major equity violation. Property and Casualty Insurance expenses are approximately $35 million statewide while utility expenses are approximately $106 million statewide. The inclusion of both of these in Capital Outlay would be an expansion by 53%. Expanding the use of a wealth limited fund allows districts with high wealth to shift vastly more operating expenditures into capital outlay, freeing up their general fund or LOB for offering additional education opportunities to their students. Districts with lower wealth will not have the same ability to shift expenditures as wealthy districts.

13. **Miscellaneous Problems.**

   a. **Tax Credit for Low Income Students Scholarship (TCLISS).** Eligibility of this program is now expanded to individuals and LLCs. This program contributes zero to solve the adequacy problem while draining state funds away from the state general fund.

   b. **Virtual Schools.** Virtual Schools continue unchanged despite having little data showing contribution to the outcomes necessary to meet constitutional responsibilities.

For those reasons, it is clear that the CCR for SB 19 does not meet the constitutional
requirements of the *Gannon* decision. This is in no way constitutional or acceptable for the school children of Kansas.

Upon receipt of a certified copy of an ordinance or resolution authorizing the levy of a local retailers' sales tax, the director of taxation shall cause such taxes to be collected within or without the boundaries of such taxing subdivision at the same time and in the same manner provided for the collection of the state retailers' sales tax. Such copy shall be submitted to the director of taxation within 30 days after adoption of any such ordinance or resolution. All moneys collected by the director of taxation under the provisions of this section shall be credited to a county and city retailers' sales tax fund which fund is hereby established in the state treasury, except that all moneys collected by the director of taxation pursuant to the authority granted in K.S.A. 12-187(b)(22), and amendments thereto, shall be credited to the Wilson county capital improvements fund. Any refund due on any county or city retailers' sales tax collected pursuant to this act shall be paid out of the sales tax refund fund and reimbursed by the director of taxation from collections of local retailers' sales tax revenue. Except for local retailers' sales tax revenue required to be deposited in the redevelopment bond fund established under K.S.A. 74-8927, and amendments thereto, all local retailers' sales tax revenue collected within any county or city pursuant to this act shall be apportioned and remitted at least quarterly by the state treasurer, on instruction from the director of taxation, to the treasurer of such county or city.

The director of taxation shall provide, upon request by a city or county clerk or treasurer or finance officer of any city or county levying a local retailers' sales tax, monthly reports identifying each retailer doing business in such city or county or making taxable sales sourced to such city or county, setting forth the tax liability and the amount of such tax remitted by each retailer during the preceding month and identifying each business location maintained by the retailer and such retailer's sales or use tax registration or account number. Such report shall be made available to the clerk or treasurer or finance officer of such city or county within a reasonable time after it has been requested from the director of taxation. Sec. 4. K.S.A. 2016 Supp. 12-192 is hereby amended to read as follows: 12-192.
(a) Except as otherwise provided by subsection (b), (d) or (h), all revenue received by the director of taxation from a countywide retailers' sales tax shall be apportioned among the county and each city located in such county in the following manner: (1) One-half of all revenue received by the director of taxation shall be apportioned among the county and each city located in such county in the proportion that the total tangible
property tax levies made in such county in the preceding year for all funds of each such governmental unit bear to the total of all such levies made in the preceding year; and (2) one-half of all revenue received by the director of taxation from such countywide retailers' sales tax shall be apportioned among the county and each city located in such county, first to the county that portion of the revenue equal to the proportion that the population of the county residing in the unincorporated area of the county bears to the total population of the county, and second to the cities in the proportion that the population of each city bears to the total population of the county, except that no persons residing within the Fort Riley military reservation shall be included in the determination of the population of any city located within Riley county. All revenue apportioned to a county shall be paid to its county treasurer and shall be credited to the general fund of the county.

(b) (1) In lieu of the apportionment formula provided in subsection (a), all revenue received by the director of taxation from a countywide retailers' sales tax imposed within Johnson county at the rate of 0.75%, 1% or 1.25% after July 1, 2007, shall be apportioned among the county and each city located in such county in the following manner: (A) The revenue received from the first 0.5% rate of tax shall be apportioned in the manner prescribed by subsection (a); and (B) the revenue received from the rate of tax exceeding 0.5% shall be apportioned as follows: (i) One-fourth shall be apportioned among the county and each city located in such county in the proportion that the total tangible property tax levies made in such county in the preceding year for all funds of each such governmental unit bear to the total of all such levies made in the preceding year; (ii) one-fourth shall be apportioned among the county and each city located in such county, first to the county that portion of the revenue equal to the proportion that the population of the county residing in the unincorporated area of the county bears to the total population of the county, and second to the cities in the proportion that the population of each city bears to the total population of the county; and (iii) one-half shall be retained by the county for its sole use and benefit.

(2) In lieu of the apportionment formula provided in subsection (a), all money received by the director of taxation from a countywide sales tax imposed within Montgomery county pursuant to the election held on November 8, 1994, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged. All revenue apportioned and paid from the imposition of such tax to the treasurer of any city prior to the effective date of this act shall be remitted to the county treasurer and expended only for the purpose for which the revenue received from the tax was pledged.

(3) In lieu of the apportionment formula provided in subsection (a), on and after the effective date of this act, all moneys received by the director of taxation from a countywide retailers' sales tax imposed within Phillips county pursuant to the election held on September 20, 2005, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

(c) (1) Except as otherwise provided by paragraph (2) of this subsection, for purposes of subsections (a) and (b), the term "total tangible property tax levies" means the aggregate dollar amount of tax revenue derived from ad valorem tax levies applicable to all tangible property located within each such city or county. The ad valorem property tax levy of any county or city district entity or subdivision shall be
included within this term if the levy of any such district entity or subdivision is applicable to all tangible property located within each such city or county.

(2) For the purposes of subsections (a) and (b), any ad valorem property tax levied on property located in a city in Johnson county for the purpose of providing fire protection service in such city shall be included within the term "total tangible property tax levies" for such city regardless of its applicability to all tangible property located within each such city. If the tax is levied by a district which extends across city boundaries, for purposes of this computation, the amount of such levy shall be apportioned among each city in which such district extends in the proportion that such tax levied within each city bears to the total tax levied by the district.

(d) (1) All revenue received from a countywide retailers' sales tax imposed pursuant to K.S.A. 12-187(b)(2), (3)(C), (3)(F), (3)(G), (6), (7), (8), (9), (12), (14), (15), (16), (17), (18), (19), (20), (22), (23), (25), (27), (28), (29), (30), and (31) and (32), and amendments thereto, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

(2) Except as otherwise provided in K.S.A. 12-187(b)(5), and amendments thereto, all revenues received from a countywide retailers' sales tax imposed pursuant to K.S.A. 12-187(b)(5), and amendments thereto, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

(3) All revenue received from a countywide retailers' sales tax imposed pursuant to K.S.A. 12-187(b)(26), and amendments thereto, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged unless the question of imposing a countywide retailers' sales tax authorized by K.S.A. 12-187(b)(26), and amendments thereto, includes the apportionment of revenue prescribed in subsection (a).

(e) All revenue apportioned to the several cities of the county shall be paid to the respective treasurers thereof and deposited in the general fund of the city. Whenever the territory of any city is located in two or more counties and any one or more of such counties do not levy a countywide retailers' sales tax, or whenever such counties do not levy countywide retailers' sales taxes at a uniform rate, the revenue received by such city from the proceeds of the countywide retailers' sales tax, as an alternative to depositing the same in the general fund, may be used for the purpose of reducing the tax levies of such city upon the taxable tangible property located within the county levying such countywide retailers' sales tax.

(f) Prior to March 1 of each year, the secretary of revenue shall advise each county treasurer of the revenue collected in such county from the state retailers' sales tax for the preceding calendar year.

(g) Prior to December 31 of each year, the clerk of every county imposing a countywide retailers' sales tax shall provide such information deemed necessary by the secretary of revenue to apportion and remit revenue to the counties and cities pursuant to this section.

(h) The provisions of subsections (a) and (b) for the apportionment of countywide retailers' sales tax shall not apply to any revenues received pursuant to a county or countywide retailers' sales tax levied or collected under K.S.A. 74-8929, and amendments thereto. All such revenue collected under K.S.A. 74-8929, and
amendments thereto, shall be deposited into the redevelopment bond fund established by K.S.A. 74-8927, and amendments thereto, for the period of time set forth in K.S.A. 74-8927, and amendments thereto.

(a) Any property owner requesting an exemption from the payment of ad valorem property taxes assessed, or to be assessed, against their property shall be required to file an initial request for exemption, on forms approved by the state board of tax appeals and provided by the county appraiser.
(b) The initial exemption request shall identify the property for which the exemption is requested and state, in detail, the legal and factual basis for the exemption claimed.
(c) The request for exemption shall be filed with the county appraiser of the county where such property is principally located.
(d) After a review of the exemption request, and after a preliminary examination of the facts as alleged, the county appraiser shall recommend that the exemption request either be granted or denied, and, if necessary, that a hearing be held. If a denial is recommended, a statement of the controlling facts and law relied upon shall be included on the form.
(e) The county appraiser, after making such written recommendation, shall file the request for exemption and the recommendations of the county appraiser with the state board of tax appeals. With regard to a request for exemption from property tax pursuant to the provisions of K.S.A. 79-201g and 82a-409, and amendments thereto, not filed with the board of tax appeals by the county appraiser on or before the effective date of this act, if the county appraiser recommends the exemption request be granted, the exemption shall be provided in the amount recommended by the county appraiser and the county appraiser shall not file the request for exemption and recommendations of the county appraiser with the state board of tax appeals. The county clerk or county assessor shall annually make such adjustment in the taxes levied against the real property as the owner may be entitled to receive under the provisions of K.S.A. 79-201g, and amendments thereto, as recommended by the county appraiser, beginning with the first period, following the date of issue of the certificate of completion on which taxes are regularly levied, and during the years which the landowner is entitled to such adjustment.
(f) Upon receipt of the request for exemption, the board shall docket the same and notify the applicant and the county appraiser of such fact.
(g) After examination of the request for exemption and the county appraiser's recommendation related thereto, the board may fix a time and place for hearing, and shall notify the applicant and the county appraiser of the time and place so fixed. A request for exemption pursuant to: (1) Section 13 of article 11 of the constitution of the state of Kansas; or (2) K.S.A. 79-201a Second, and amendments thereto, for property constructed or purchased, in whole or in part, with the proceeds of revenue bonds under the authority of K.S.A. 12-1740—through 12-1749, inclusive, and amendments thereto, prepared in accordance with instructions and assistance which shall be provided by the department of commerce, shall be deemed approved unless scheduled for hearing within 30 days after the date of receipt of all required information and data relating to the request for exemption, and such hearing shall be conducted within 90 days after such date. Such time periods shall be determined without regard to any extension or
continuance allowed to either party to such request. In any case where a party to such request for exemption requests a hearing thereon, the same shall be granted. Hearings shall be conducted in accordance with the provisions of the Kansas administrative procedure act. In all instances where the board sets a request for exemption for hearing, the county shall be represented by its county attorney or county counselor.

(h) Except as otherwise provided by subsection (g), in the event of a hearing, the same shall be originally set not later than 90 days after the filing of the request for exemption with the board.

(i) During the pendency of a request for exemption, no person, firm, unincorporated association, company or corporation charged with real estate or personal property taxes pursuant to K.S.A. 79-2004 and 79-2004a, and amendments thereto, on the tax books in the hands of the county treasurer shall be required to pay the tax from the date the request is filed with the county appraiser until the expiration of 30 days after the board issued its order thereon and the same becomes a final order. In the event that taxes have been assessed against the subject property, no interest shall accrue on any unpaid tax for the year or years in question nor shall the unpaid tax be considered delinquent from the date the request is filed with the county appraiser until the expiration of 30 days after the board issued its order thereon. In the event the board determines an application for exemption is without merit and filed in bad faith to delay the due date of the tax, the tax shall be considered delinquent as of the date the tax would have been due pursuant to K.S.A. 79-2004 and 79-2004a, and amendments thereto, and interest shall accrue as prescribed therein.

(j) In the event the board grants the initial request for exemption, the same shall be effective beginning with the date of first exempt use except that, with respect to property the construction of which commenced not to exceed 24 months prior to the date of first exempt use, the same shall be effective beginning with the date of commencement of construction.

(k) In conjunction with its authority to grant exemptions, the board shall have the authority to abate all unpaid taxes that have accrued from and since the effective date of the exemption. In the event that taxes have been paid during the period where the subject property has been determined to be exempt, the board shall have the authority to order a refund of taxes for the year immediately preceding the year in which the exemption application is filed in accordance with subsection (a).

property made and taxable services rendered prior to such period in the course of such business, after deductions allowed by law have been made; (7) gross receipts during the period for which the return is made from sales of tangible personal property and taxable services rendered in the course of such business upon the basis of which the tax is imposed. The return shall include such other pertinent information as the director may require. In making such return, the retailer shall determine the market value of any consideration, other than money, received in connection with the sale of any tangible personal property in the course of the business and shall include such value in the return. Such value shall be subject to review and revision by the director as hereinafter provided. Refunds made by the retailer during the period for which the return is made on account of tangible personal property returned to the retailer shall be allowed as a deduction under subdivision paragraph (4) of this section in case the retailer has theretofore included the receipts from such sale in a return made by such retailer and paid taxes therein imposed by this act. The retailer shall, at the time of making such return, pay to the director the amount of tax herein imposed, except as otherwise provided in this section. The director may extend the time for making returns and paying the tax required by this act for any period not to exceed 60 days under such rules and regulations as the secretary of revenue may prescribe. When the total tax for which any retailer is liable under this act, does not exceed the sum of $80,000 in any calendar year, the retailer shall file an annual return on or before January 25 of the following year. When the total tax liability does not exceed $3,200 per month, the retailer shall file returns quarterly on or before the 25th day of the month following the end of each calendar quarter. Any such payment shall accompany the return filed for the preceding month. A retailer will be considered to have complied with the requirements to pay the first 15 days' liability for any month if, on or before the 25th day of that month, the retailer paid 90% of the liability for that fifteen-day period, or 50% of such retailer's liability in the immediate preceding calendar year for the same month as the month in which the fifteen-day period occurs, and, in either case, paid any underpayment with the payment required on or before the 25th day of the following month. Such retailers shall pay their sales tax liabilities for the remainder of each such month at the time of filing the return for such month. Determinations of amounts of liability in a calendar year for purposes of determining filing requirements shall be made by the director upon the basis of amounts of liability by those retailers during the preceding calendar year or by estimates in cases of retailers having no previous sales tax histories. The director is hereby authorized to modify the filing schedule for any retailer when it is apparent that the original determination was inaccurate.

(b) In addition to the provisions of subsection (a), on and after July 1, 1999, the secretary of transportation is hereby authorized and empowered to issue bonds of the state of Kansas, payable solely from revenues accruing to the state highway fund and transferred to the highway bond debt service fund and pledged to their payment, for the purpose of providing funds to pay costs relating to construction, reconstruction, maintenance or improvement of highways in this state and to pay all expenses incidental thereto and to the bonds. (2) As used in this subsection:

(A) "Maximum annual debt service" means the maximum amount of debt service requirements on all outstanding bonds for the current or any future fiscal year;

(B) "debt service requirements" means, for each fiscal year, the aggregate principal and interest payments required to be made during such fiscal year on all outstanding bonds, including the additional bonds to be issued, less any interest subsidy payments expected to be received from the federal government, less any principal and interest payments irrevocably provided for from a dedicated escrow of United States government securities;

(d) In accordance with procurement statutes, the secretary may contract with financial advisors, attorneys and such other professional services as the secretary deems necessary to carry out the provisions of this act, and to do all things necessary or convenient to carry out the powers expressly granted in this act.

Sec. 232. On and after July 1, 2017, K.S.A. 2016 Supp. 74-4920, as amended by section 43 of 2017 Senate Substitute for Substitute for House Bill No. 2052, is hereby amended to read as follows: 74-4920. (1) (a) Upon the basis of each annual actuarial valuation and appraisal as provided for in K.S.A. 74-4908(3)(a), and amendments thereto, the board shall certify, on or before July 15 of each year, to the division of the budget in the case of the state and to the agent for each other participating employer an actuarially determined estimate of the rate of contribution which will be required, together with all accumulated contributions and other assets of the system, to be paid by each such participating employer to pay all liabilities which shall exist or accrue under the system, including amortization of the actuarial accrued liability as determined by the board. The board shall determine the actuarial cost method to be used in annual actuarial valuations, to determine the employer contribution rates that shall be certified by the board. Such certified rate of contribution, amortization methods and periods and actuarial cost method shall be based on the standards set forth in K.S.A. 74-4908(3)(a), and amendments thereto, and shall not be based on any other purpose outside of the needs of the system.

(b) (i) For employers affiliating on and after January 1, 1999, upon the basis of an annual actuarial valuation and appraisal of the system conducted in the manner provided for in K.S.A. 74-4908, and amendments thereto, the board shall certify, on or before July 15 of each year to each such employer an actuarially determined estimate of the rate of contribution which shall be required to be paid by each such employer to pay all of the liabilities which shall accrue under the system from and after the entry date as determined by the board, upon recommendation of the actuary. Such rate shall be termed the employer's participating service contribution and shall be uniform for all participating employers. Such additional liability shall be amortized as determined by the board. For all participating employers described in this section, the board shall determine the actuarial cost method to be used in annual actuarial valuations to determine the employer contribution rates that shall be certified by the board.

(ii) The board shall determine for each such employer separately an amount sufficient to amortize all liabilities for prior service costs which shall have accrued at the time of entry into the system. On the basis of such determination the board shall annually certify to each such employer separately an actuarially determined estimate of the rate of contribution which shall be required to be paid by that employer to pay all of the liabilities for such prior service costs. Such rate shall be termed the employer's prior service contribution.

(2) The division of the budget and the governor shall include in the budget and in the budget request for appropriations for personal services the sum required to satisfy the state's obligation under this act as certified by the board and shall present the same
to the legislature for allowance and appropriation.

(3) Each other participating employer shall appropriate and pay to the system a sum sufficient to satisfy the obligation under this act as certified by the board.

(4) Each participating employer is hereby authorized to pay the employer's contribution from the same fund that the compensation for which such contribution is made is paid from or from any other funds available to it for such purpose. Each political subdivision, other than an instrumentality of the state, which is by law authorized to levy taxes for other purposes, may levy annually at the time of its levy of taxes, a tax which may be in addition to all other taxes authorized by law for the purpose of making its contributions under this act and, in the case of cities and counties, to pay a portion of the principal and interest on bonds issued under the authority of K.S.A. 12-1774, and amendments thereto, by cities located in the county, which tax, together with any other fund available, shall be sufficient to enable it to make such contribution. In lieu of levying the tax authorized in this subsection, any taxing subdivision may pay such costs from any employee benefits contribution fund established pursuant to K.S.A. 12-16,102, and amendments thereto. Each participating employer which is not by law authorized to levy taxes as described above, but which prepares a budget for its expenses for the ensuing year and presents the same to a governing body which is authorized by law to levy taxes as described above, may include in its budget an amount sufficient to make its contributions under this act which may be in addition to all other taxes authorized by law. Such governing body to which the budget is submitted for approval, may levy a tax sufficient to allow the participating employer to make its contributions under this act, which tax, together with any other fund available, shall be sufficient to enable the participating employer to make the contributions required by this act.

(5) (a) The rate of contribution certified to a participating employer as provided in this section shall apply during the fiscal year of the participating employer which begins in the second calendar year following the year of the actuarial valuation.

(b) (i) Except as specifically provided in this section, for fiscal years commencing in calendar year 1996 and in each subsequent calendar year, the rate of contribution certified to the state of Kansas shall in no event exceed the state's contribution rate for the immediately preceding fiscal year by more than 0.2% of the amount of compensation upon which members contribute during the period.

(ii) Except as specifically provided in this subsection, for the fiscal years commencing in the following calendar years, the rate of contribution certified to the state of Kansas and to the participating employers under K.S.A. 74-4931, and amendments thereto, shall in no event exceed the state's contribution rate for the immediately preceding fiscal year by more than the following amounts expressed as a percentage of compensation upon which members contribute during the period: (A) For the fiscal year commencing in calendar years 2010 through 2012, an amount not to exceed more than 0.6% of the amount of the immediately preceding fiscal year; (B) for the fiscal year commencing in calendar year 2013, an amount not to exceed more than 0.9% of the amount of the immediately preceding fiscal year; (C) for the fiscal year commencing in calendar year 2014, an amount not to exceed more than 1% of the amount of the immediately preceding fiscal year; (D) for the fiscal year commencing in calendar year 2015, the employer rate of contribution shall be 10.91%; (E) for the fiscal year commencing in calendar year 2016, the employer rate of contribution shall be
10.81%, except as provided by section 37(b) of 2017 Senate Substitute for Substitute for House Bill No. 2052, and amendments thereto, for the participating employers under K.S.A. 74-4931, and amendments thereto; and (F) for the fiscal year commencing in calendar year 2017, the employer rate of contribution shall be 12.01% and for participating employers under K.S.A. 74-4931, and amendments thereto, an additional percentage of compensation corresponding to the level dollar repayment amount certified by the board pursuant to subsection (17); and (G) in each subsequent calendar year, an amount not to exceed more than 1.2% of the amount of the immediately preceding fiscal year and for participating employers under K.S.A. 74-4931, and amendments thereto, an additional percentage of compensation corresponding to the level dollar repayment amount certified by the board pursuant to subsection (17) and (18). As used in this subsection, "capitalized interest" means interest payments on the bonds that are pre-funded or financed from bond proceeds as part of the issue for a specified period of time in order to offset one or more initial debt service payments.

(iii) Except as specifically provided in this section, for fiscal years commencing in calendar year 1997 and in each subsequent calendar year, the rate of contribution certified to participating employers other than the state of Kansas shall in no event exceed such participating employer's contribution rate for the immediately preceding fiscal year by more than 0.15% of the amount of compensation upon which members contribute during the period.

(iv) Except as specifically provided in this subsection, for the fiscal years commencing in the following calendar years, the rate of contribution certified to participating employers other than the state of Kansas shall in no event exceed the contribution rate for such employers for the immediately preceding fiscal year by more than the following amounts expressed as a percentage of compensation upon which members contribute during the period: (A) For the fiscal year commencing in calendar years 2010 through 2013, an amount not to exceed more than 0.6% of the amount of the immediately preceding fiscal year; (B) for the fiscal year commencing in calendar year 2014, an amount not to exceed more than 0.9% of the amount of the immediately preceding fiscal year; (C) for the fiscal year commencing in calendar year 2015, an amount not to exceed more than 1% of the amount of the immediately preceding fiscal year; (D) for the fiscal year commencing in calendar year 2016, an amount not to exceed more than 1.1% of the amount of the immediately preceding fiscal year; and (E) for the fiscal year commencing in calendar year 2017, and in each subsequent calendar year, an amount not to exceed more than 1.2% of the amount of the immediately preceding fiscal year.

(v) As part of the annual actuarial valuation, there shall be a separate employer rate of contribution calculated for the state of Kansas, a separate employer rate of contribution calculated for participating employers under K.S.A. 74-4931, and amendments thereto, a combined employer rate of contribution calculated for the state of Kansas and participating employers under K.S.A. 74-4931, and amendments thereto, and a separate employer rate of contribution calculated for all other participating employers.

(vi) There shall be a combined employer rate of contribution certified to the state of Kansas and participating employers under K.S.A. 74-4931, and amendments thereto. There shall be a separate employer rate of contribution certified to all other participating employers.

This amount shall be certified by the board for deposit as additional employer contributions to the retirement benefit accumulation reserve for the participating employers under K.S.A. 74-4931, and amendments thereto.

(9) Notwithstanding the provisions of subsection (8), the actuarial cost of the provisions of K.S.A. 74-49,109 et seq., and amendments thereto, shall be first reflected in employer contribution rates effective with the first day of the first payroll period for the fiscal year 2005. EXPLANATIONS OF VOTE

Mr. Speaker: I vote no on S Sub for HB 2002. The refusal to refund the money taken from Barbara Reese is inexcusable. I am a person of principle, and there is no reason – or excuse – for the removal of this portion of the bill in the eleventh hour. This woman has been waiting for 20 years, and we had the opportunity to do right by her today, and we failed her. For that, I cannot support this measure. Thank you, Mr. Speaker. – John Alcala, Vic Miller, Henry Helgerson

Mr. Speaker: We vote no on S Sub for HB 2002. After the passage of the massive tax increase on the backs of Kansas citizens, this budget was expected, but it's not something celebrate. Spending at a rate four times the rate of inflation, it takes us back to an era of uncontrolled spending and big government. It spends so much that even with the tax hike, we're back in the red before we reach the year 2020. Most Kansans want us to reduce spending, or at least hold the line. The spending spree in this budget is not prudent, and we vote “No.” – Randy Powell, Keith Esau, Jesse Burris, Leo Delperdang, Trevor Jacobs, Francis Awerkamp, Kyle Hoffman, Bill Sutton, Kevin Jones, Doug Blex, Ron Highland, Leslie Osterman, Mike Houser, Blake Carpenter, Ken Corbet, Chuck Weber, Randy Garber

Mr. Speaker: I vote No on S Sub for HB 2002. As a woman, I know the way she was treated because I also have had this experience. I feel her plight, and I will stand beside her in support. I vote No for Barbara Reese. Thank you, Mr. Speaker. – Ponka Victors

COMMUNICATIONS FROM STATE OFFICERS

I, Kris Kobach, Secretary of State of the State of Kansas, do hereby certify that Jason Probst was appointed by the Governor effective June 26, 2017, for the unexpired term of State Representative for the 102nd Legislative District, to fill the vacancy created by the death of Patsy Terrell, and was administered the following oath of office on June 26, 2017.

State of Kansas
County of Shawnee

I, Jason Probst, do solemnly swear, or affirm, that I will support the Constitution of the United States, and the Constitution of the State of Kansas, and will faithfully discharge the duties of the office of Kansas House of Representatives, District 102, so help me God.

Subscribed and Sworn to, or Affirmed, before me this 26th day of June, 2017.

Bryan A. Caskey
Deputy Assistant Secretary of State

The House is now organized with 125 members.

Prayer by guest chaplain, The Rev. Dr. Neil Weatherhogg, pastor emeritus, First Presbyterian Church, Topeka:

“This is the day the Lord has made. Let us rejoice and be glad in it.” We do rejoice, almighty God, not only in this day but all the days of our lives and the blessings you bestowed thereon. We rejoice that we live in a land of laws, a land of freedoms guaranteed, a land of democracy that honors the voice of the people.

We rejoice in the work that this legislature has accomplished, giving thanks for those who sit at desks, who stand to speak their convictions, who work with colleagues across the aisle, who seek to mold this state to become to all its citizens what it has been to some. And we give you thanks for those who labor behind the scenes, without whom this
The legislative body could not function.

We are grateful for this grand State of Kansas in which we live and work and serve; for its expansive prairies and high plains; its farm lands, ranch lands and lowlands; its smoky hills and flint hills; its bustling cities and quiet towns; its people—diverse, dedicated, hard-working, young and old, privileged and poor. Remind us, ever-loving God, of our continued opportunities and responsibilities to be servants of all who inhabit this good land and to walk beside those whose adverse circumstances have dropped life's song into a minor key.

As this body leaves its official duties behind and the slackened pace of summer approaches, we ask that you fill our hearts with laud and laughter; fill our days with joy and gladness; and fill our lives with meaningful work and carefree play. Enable us to be bearers of your grace, harbingers of hope, and purveyors of love that we may welcome each day with anticipation, knowing that you are God of all and Lord over all. Amen.

The Pledge of Allegiance was led by Rep. Weber.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Wilson are spread upon the Journal:

At around this time five years ago, my wife and I were weeks away from the arrival of our first son, Parker. We were in the midst of all of the last-minute things all first-time parents do—installing car seats, organizing the nursery, preparing to rush to the hospital at a moment's notice—and kicking off a campaign for State Representative.

Fast forward to last fall. My wife and I welcomed our second child, Henry, to this world. Yet again, I was in the midst of a campaign. I don’t have to spend any time explaining to this body how much time and energy it takes to run a successful campaign—even if you’re unopposed like me.

In between campaigns, of course, are the Legislative sessions which include early mornings, late nights, and weekends—especially those beautiful Kansas summer weekends that are perfect for going to the pool with your family, taking walks and bike rides, enjoying coffee on the porch, and gathering with friends.

I’m lucky that I can go home every night to be with my family. However, even though I might physically be at home, my attention and energy is divided—fragmented—between my work responsibilities, my legislative responsibilities, and most importantly, my family responsibilities. As a result, I’m not able to excel or go all in on any one of those areas of my life.

That’s why this will be my last session representing the people of the 10th district in the Kansas Legislature. This is not a decision that I take lightly. In fact, now is a great time to serve in the Legislature…it’s just not a great time for me.

There is a reason there are not a lot of 30 something lawmakers like me in Kansas or around the country. We are starting our families and building our careers. And, let’s be honest, how many employers are as generous as mine has been to let me work part-time for five-six months every single year. Not many.
Being a State Representative has been a real honor. Do you know what I’ll miss the most? It’s not the “garden-level” office? It’s not the endless supply of donuts, bit o’honey’s, and black coffee. It’s not the eye rolls when I speak up in committee or on the floor about making healthy decisions. It’s not the seemingly unchecked power of being a Democrat in the Kansas Legislature. Do you know what I’ll miss the most and is truly one of the hardest things for me to give up? It’s being in a position to model the behaviors I expect to see in our elected officials. Working across the aisle. Putting policy above politics. Assuming good intent. But then I realized that these are qualities that we need outside of the statehouse too.

I might be finished with my term as a legislator, but I am not finished with public service and working to do the best for Kansas kids.

John Wilson
10th District

HB 2409 approved on June 16, 2017.
HB 2212, HB 2407, HB 2426 approved on June 22, 2017.

MESSAGE FROM THE GOVERNOR
 REGARDING SENATE SUBSTITUTE FOR HOUSE BILL 2278

The right to bear arms is essential towards preserving our freedoms and maintaining self-government. As Governor, that is why I have signed numerous pieces of legislation defending this inherent right of Kansans. I also share a common goal with every member of the Kansas Legislature—to keep the people of Kansas safe and ensure their constitutional rights are protected.

In effort to preserve these protections while balancing concerns from state mental health hospitals and various medical organizations, I assembled stakeholders to negotiate a compromise. An idea was put forward that preserved the constitutional rights of our citizens while accounting for the logistical and safety concerns of state
mental health hospitals. I endorsed this compromise. Ultimately, however, this compromise was rejected by health care representatives.

This bill as passed allows for a restriction on the second amendment rights of Kansans without ensuring adequate safety measures are taken to protect those who visit or work in our public hospitals. Kansans should not be forced to subject themselves to greater risk while giving up their right to protect themselves. Second amendment rights do not disappear when walking through the doors of a hospital or medical facility. Those facilities, owned or operated by the state or local government, have a heightened responsibility to ensure the safety of patients, visitors, and employees alike.

Nevertheless, this bill does address the safety concerns at state mental health hospitals, appropriately restricting the ability to conceal carry in state mental health hospitals—a measure that has wide and bipartisan support. Because I support the effort to provide state mental health hospitals authority to restrict concealed carry in certain facilities, I will not exercise my constitutional authority to veto this bill.

I remain committed to ensuring the right of Kansans to bear arms throughout our state, and I encourage the legislature to continue its efforts to find a better balance between the safety concerns raised by some hospitals and the legitimate concerns of citizens preferring the ability to protect themselves or avail themselves of the adequate security measures taken by our public health facilities.

Accordingly, pursuant to Article 2, Section 14(a) of the Constitution of the State of Kansas, I will allow Senate Substitute for House Bill 2278 to become law without my signature.

MESSAGE FROM THE GOVERNOR REGARDING VETO OF HOUSE BILL 2313

The people who operate the Kansas Lottery do an outstanding job. I cannot, however, support this expansion of the lottery.

The Kansas Lottery has a disproportionately negative effect on low income Kansans. Rather than investing limited resources in games of chance, our goal is to help low income Kansans find a path to self-reliance and independence through education, work, and savings.

Given that the state is the only entity allowed to operate a lottery in Kansas, we have a higher standard of care concerning the management and implementation of the lottery. The state should not encourage behavior that undermines our efforts to encourage upward economic mobility and long term financial security and thrift.
Accordingly, pursuant to Article 2, Section 14(a) of the Constitution of the State of Kansas, I hereby veto House Bill 2313.

The following message with the Governor's objection to S Sub for HB 2002, AN ACT making and concerning appropriations for fiscal years ending June 30, 2017, June 30, 2018, June 30, 2019, June 30, 2020, June 30, 2021, and June 30, 2022, for state agencies; authorizing and directing payment of certain claims against the state; authorizing certain transfers, capital improvement projects and fees, imposing certain restrictions and limitations, and directing or authorizing certain receipts, disbursements, procedures and acts incidental to the foregoing; amending K.S.A. 2016 Supp. 2-223, 12-1775a, 12-5256, 55-193, 68-2320, 74-4920, as amended by section 43 of 2017 Senate Substitute for Substitute for House Bill No. 2052, 74-50,107, 74-99b34, 75-6702, 76-775, 76-7,107, 79-2959, 79-2964, 79-3425i, 79-34,171, 79-4804 and 82a-953a and repealing the existing sections, was received and read.

MESSAGE FROM THE GOVERNOR
REGARDING SENATE SUBSTITUTE FOR HOUSE BILL 2002

This budget, passed on the 113th day of the legislative session, unnecessarily increases government spending in several areas and fails to adopt common sense cost saving measures identified by the legislature’s own efficiency study. However, I am signing the budget, despite my concerns about excessive spending, to avoid a break in core functions of government and to provide state workers with well-deserved pay increases.”

Pursuant to Article 2, Section 14(b) of the Constitution of the State of Kansas, I hereby return 2017 Senate Substitute for House Bill 2002 with my signature approving the bill, except for the items enumerated below.

Home and Community Based Services Integration Proviso

Section 174 is vetoed in its entirety.

There appear to be two specific reasons for legislative intent regarding insertion of this proviso into the budget. The first is the desire for Legislative approval prior to any integration or consolidation of the Home and Community Based Services (HCBS) waivers. The second is to require Legislative approval prior to any changes being made in the intake, assessment or referral services for the Intellectually and Developmentally Disabled (I/DD) waiver. Mindful of the long-term impact that policy changes have on Kansans served through the HCBS waivers, my administration will not integrate or consolidate the Medicaid HCBS waivers, nor will we make substantive changes to the intake/assessment/referral system for the HCBS I/DD waiver, without meaningful engagement with stakeholders and approval from the Legislature. This proviso is being vetoed because of concerns over the broad nature of the proviso language and its
potential to limit changes to non-HCBS programs at the Kansas Department for Aging and Disability Services (KDADS). The proviso language encompasses all KDADS programs in addition to HCBS services and includes medical services, behavioral health services, transportation, nursing facility and other long-term care services. The proviso could impact any policy change that might be defined as altering a structure, which is the case for most policy changes. For example, a policy change that could provide better mental health services could be viewed as a structural change and limit the state’s ability to implement the change without legislative approval.

Kansas Department for Aging and Disability Services

Clubhouse Rehabilitation Services

Section 99-(q) and Section 100-(o) are vetoed in their entirety.

House Bill 2313, which I vetoed, authorized moneys in the Lottery Operating Fund to be used for transfers to the Clubhouse Model Program Fund of the Kansas Department for Aging and Disability Services. This budget established a Special Revenue Fund to receive the transfer of these funds and directed KDADS to provide Medicaid reimbursement for Clubhouse Rehabilitation Services and to enter into contracts with certified Clubhouse Providers for such services. Since there will not be a transfer made from the Lottery Operating Fund to the Clubhouse Model Program Fund, the State General Fund would incur all costs associated with this new program and this was not included in the budget. I have directed KDADS to work with the Community Mental Health Centers to establish a pilot with Clubhouse Model Program providers in fiscal year 2018 in order to expand the scope of this program.
