(2) As used in this subsection:

(A) "Maximum annual debt service" means the maximum amount of debt service requirements on all outstanding bonds for the current or any future fiscal year;

(B) "debt service requirements" means, for each fiscal year, the aggregate principal and interest payments required to be made during such fiscal year on all outstanding bonds, including the additional bonds to be issued, less any interest subsidy payments expected to be received from the federal government, less any principal and interest payments irrevocably provided for from a dedicated escrow of United States government securities;
"projected state highway fund revenues" means all revenues projected by the secretary of transportation to accrue to the state highway fund for the current or any future fiscal year; and

Sec. 232. On and after July 1, 2017, K.S.A. 2016 Supp. 74-4920, as amended by section 43 of 2017 Senate Substitute for Substitute for House Bill No. 2052, is hereby amended to read as follows: 74-4920. (1) (a) Upon the basis of each annual actuarial valuation and appraisal as provided for in K.S.A. 74-4908(3)(a), and amendments thereto, the board shall certify, on or before July 15 of each year, to the division of the budget in the case of the state and to the agent for each other participating employer an actuarially determined estimate of the rate of contribution which will be required, together with all accumulated contributions and other assets of the system, to be paid by each such participating employer to pay all liabilities which shall exist or accrue under the system, including amortization of the actuarial accrued liability as determined by the board. The board shall determine the actuarial cost method to be used in annual actuarial valuations, to determine the employer contribution rates that shall be certified by the board. Such certified rate of contribution, amortization methods and periods and actuarial cost method shall be based on the standards set forth in K.S.A. 74-4908(3)(a), and amendments thereto, and shall not be based on any other purpose outside of the needs of the system.

(b) (i) For employers affiliating on and after January 1, 1999, upon the basis of an annual actuarial valuation and appraisal of the system conducted in the manner provided for in K.S.A. 74-4908, and amendments thereto, the board shall certify, on or
before July 15 of each year to each such employer an actuarially determined estimate of
the rate of contribution which shall be required to be paid by each such employer to pay
all of the liabilities which shall accrue under the system from and after the entry date as
determined by the board, upon recommendation of the actuary. Such rate shall be
termed the employer's participating service contribution and shall be uniform for all
participating employers. Such additional liability shall be amortized as determined by
the board. For all participating employers described in this section, the board shall
determine the actuarial cost method to be used in annual actuarial valuations to
determine the employer contribution rates that shall be certified by the board.

(ii) The board shall determine for each such employer separately an amount
sufficient to amortize all liabilities for prior service costs which shall have accrued at
the time of entry into the system. On the basis of such determination the board shall
annually certify to each such employer separately an actuarially determined estimate of
the rate of contribution which shall be required to be paid by that employer to pay all of
the liabilities for such prior service costs. Such rate shall be termed the employer's prior
service contribution.

(2) The division of the budget and the governor shall include in the budget and in
the budget request for appropriations for personal services the sum required to satisfy
the state's obligation under this act as certified by the board and shall present the same
to the legislature for allowance and appropriation.

(3) Each other participating employer shall appropriate and pay to the system a sum
sufficient to satisfy the obligation under this act as certified by the board.

(4) Each participating employer is hereby authorized to pay the employer's
contribution from the same fund that the compensation for which such contribution is
made is paid from or from any other funds available to it for such purpose. Each
political subdivision, other than an instrumentality of the state, which is by law
authorized to levy taxes for other purposes, may levy annually at the time of its levy of
taxes, a tax which may be in addition to all other taxes authorized by law for the
purpose of making its contributions under this act and, in the case of cities and counties,
to pay a portion of the principal and interest on bonds issued under the authority of
K.S.A. 12-1774, and amendments thereto, by cities located in the county, which tax,
together with any other fund available, shall be sufficient to enable it to make such
contribution. In lieu of levying the tax authorized in this subsection, any taxing
subdivision may pay such costs from any employee benefits contribution fund
established pursuant to K.S.A. 12-16,102, and amendments thereto. Each participating
employer which is not by law authorized to levy taxes as described above, but which
prepares a budget for its expenses for the ensuing year and presents the same to a
governing body which is authorized by law to levy taxes as described above, may
include in its budget an amount sufficient to make its contributions under this act which
may be in addition to all other taxes authorized by law. Such governing body to which
the budget is submitted for approval, may levy a tax sufficient to allow the participating
employer to make its contributions under this act, which tax, together with any other
fund available, shall be sufficient to enable the participating employer to make the
contributions required by this act.

(5) (a) The rate of contribution certified to a participating employer as provided in
this section shall apply during the fiscal year of the participating employer which begins
in the second calendar year following the year of the actuarial valuation.
(b) (i) Except as specifically provided in this section, for fiscal years commencing in calendar year 1996 and in each subsequent calendar year, the rate of contribution certified to the state of Kansas shall in no event exceed the state's contribution rate for the immediately preceding fiscal year by more than 0.2% of the amount of compensation upon which members contribute during the period.

(ii) Except as specifically provided in this subsection, for the fiscal years commencing in the following calendar years, the rate of contribution certified to the state of Kansas and to the participating employers under K.S.A. 74-4931, and amendments thereto, shall in no event exceed the state's contribution rate for the immediately preceding fiscal year by more than the following amounts expressed as a percentage of compensation upon which members contribute during the period: (A) For the fiscal year commencing in calendar years 2010 through 2012, an amount not to exceed more than 0.6% of the amount of the immediately preceding fiscal year; (B) for the fiscal year commencing in calendar year 2013, an amount not to exceed more than 0.9% of the amount of the immediately preceding fiscal year; (C) for the fiscal year commencing in calendar year 2014, an amount not to exceed more than 1% of the amount of the immediately preceding fiscal year; (D) for the fiscal year commencing in calendar year 2015, the employer rate of contribution shall be 10.91%; (E) for the fiscal year commencing in calendar year 2016, the employer rate of contribution shall be 10.81%, except as provided by section 37(b) of 2017 Senate Substitute for Substitute for House Bill No. 2052, and amendments thereto, for the participating employers under K.S.A. 74-4931, and amendments thereto; and (F) for the fiscal year commencing in calendar year 2017, the employer rate of contribution shall be 12.01% and for participating employers under K.S.A. 74-4931, and amendments thereto, an additional percentage of compensation corresponding to the level dollar repayment amount certified by the board pursuant to subsection (17); and (G) in each subsequent calendar year, an amount not to exceed more than 1.2% of the amount of the immediately preceding fiscal year and for participating employers under K.S.A. 74-4931, and amendments thereto, an additional percentage of compensation corresponding to the level dollar repayment amount certified by the board pursuant to subsections (17) and (18). As used in this subsection, "capitalized interest" means interest payments on the bonds that are pre-funded or financed from bond proceeds as part of the issue for a specified period of time in order to offset one or more initial debt service payments.

(iii) Except as specifically provided in this section, for fiscal years commencing in calendar year 1997 and in each subsequent calendar year, the rate of contribution certified to participating employers other than the state of Kansas shall in no event exceed such participating employer's contribution rate for the immediately preceding fiscal year by more than 0.15% of the amount of compensation upon which members contribute during the period.

(iv) Except as specifically provided in this subsection, for the fiscal years commencing in the following calendar years, the rate of contribution certified to participating employers other than the state of Kansas shall in no event exceed the contribution rate for such employers for the immediately preceding fiscal year by more than the following amounts expressed as a percentage of compensation upon which members contribute during the period: (A) For the fiscal year commencing in calendar years 2010 through 2013, an amount not to exceed more than 0.6% of the amount of the immediately preceding fiscal year; (B) for the fiscal year commencing in calendar year
2014, an amount not to exceed more than 0.9% of the amount of the immediately preceding fiscal year; (C) for the fiscal year commencing in calendar year 2015, an amount not to exceed more than 1% of the amount of the immediately preceding fiscal year; (D) for the fiscal year commencing in calendar year 2016, an amount not to exceed more than 1.1% of the amount of the immediately preceding fiscal year; and (E) for the fiscal year commencing in calendar year 2017, and in each subsequent calendar year, an amount not to exceed more than 1.2% of the amount of the immediately preceding fiscal year.

(v) As part of the annual actuarial valuation, there shall be a separate employer rate of contribution calculated for the state of Kansas, a separate employer rate of contribution calculated for participating employers under K.S.A. 74-4931, and amendments thereto, a combined employer rate of contribution calculated for the state of Kansas and participating employers under K.S.A. 74-4931, and amendments thereto, and a separate employer rate of contribution calculated for all other participating employers.

(vi) There shall be a combined employer rate of contribution certified to the state of Kansas and participating employers under K.S.A. 74-4931, and amendments thereto. There shall be a separate employer rate of contribution certified to all other participating employers.

(vii) If the combined employer rate of contribution calculated for the state of Kansas and participating employers under K.S.A. 74-4931, and amendments thereto, is greater than the separate employer rate of contribution for the state of Kansas, the difference in the two rates applied to the actual payroll of the state of Kansas for the applicable fiscal year shall be calculated. This amount shall be certified by the board for deposit as additional employer contributions to the retirement benefit accumulation reserve for the participating employers under K.S.A. 74-4931, and amendments thereto.

(6) The actuarial cost of any legislation enacted in the 1994 session of the Kansas legislature will be included in the June 30, 1994, actuarial valuation in determining contribution rates for participating employers.

(7) The actuarial cost of the provisions of K.S.A. 74-4950i, and amendments thereto, will be included in the June 30, 1998, actuarial valuation in determining contribution rates for participating employers. (8) Except as otherwise provided by law, the actuarial cost of any legislation enacted by the Kansas legislature, except the actuarial cost of K.S.A. 74-49,114a, and amendments thereto, shall be in addition to the employer contribution rates certified for the employer contribution rate in the fiscal year immediately following such enactment. Such actuarial cost shall be determined by the qualified actuary employed or retained by the system pursuant to K.S.A. 74-4908, and amendments thereto, and reported to the system and the joint committee on pensions, investments and benefits.

(9) Notwithstanding the provisions of subsection (8), the actuarial cost of the provisions of K.S.A. 74-49,109 et seq., and amendments thereto, shall be first reflected in employer contribution rates effective with the first day of the first payroll period for the fiscal year 2005. The actuarial accrued liability incurred for the provisions of K.S.A. 74-49,109 et seq., and amendments thereto, shall be amortized over 10 years.

provisions of K.S.A. 2016 Supp. 74-49,114b, and amendments thereto, for retirants other than local retirants as described in subsection (11) or insured disability benefit recipients shall be paid in the fiscal year commencing on July 1, 2007.

(11) The actuarial accrued liability incurred for the provisions of K.S.A. 2016 Supp. 74-49,114b, and amendments thereto, for the KPERS local group and retirants who were employees of local employers which affiliated with the Kansas police and firemen's retirement system shall be amortized over 10 years.

(16) Notwithstanding any provision of law to the contrary, each participating employer shall remit quarterly, or as the board may otherwise provide, all employee deductions and required employer contributions to the executive director for credit to the Kansas public employees retirement fund within three days after the end of the period covered by the remittance by electronic funds transfer. Remittances of such deductions and contributions received after such date are delinquent. Delinquent payments due under this subsection shall be subject to interest at the rate established for interest on judgments under K.S.A. 16-204(a), and amendments thereto. Carolyn McGinn
Rick Billinger
Laura Kelly
Conferees on part of Senate
Senator McGinn moved the Senate adopt the Conference Committee Report on S Sub for HB 2002.

On roll call, the vote was: Yeas 27; Nays 11; Present and Passing 0; Absent or Not Voting 2.

Nays: Alley, Baumgardner, Fitzgerald, Hilderbrand, Lynn, Olson, Petersen, Pilcher-Cook, Pyle, Tyson, Wagle.

Absent or Not Voting: Masterson, Suellentrop.

The Conference Committee Report was adopted.

EXPLANATION OF VOTE

Madam President: This budget did steal from KPERS, transportation and the PMIB, contrary to the Ways and Means chairman. I guess you can ignore that if you are the one who built the budget. The spending increase in this conference committee report on S Sub HB 2002 is unacceptable because it is such a heavy burden for the people of Kansas. This report does nothing to structurally fix the budget, as it increases spending at such a high level and even delays over $300 million in KPERS payments to make the ending balance appear higher than it actually would be. The members of this Legislature voting for this budget are using taxpayers like a credit card, as they kick the can down the road and create more problems in future years. In addition, it comes with a RETROACTIVE $1.2 billion tax increase, which is immoral to take from Kansas citizens after they have already spent their paychecks. I vote against this measure and encourage my colleagues to do the same.—MARY PILCHER-COOK

Senators Alley, Baumgardner, Fitzgerald, Hilderbrand and Lynn request the record to show they concur with the "Explanation of Vote" offered by Senator Pilcher-Cook on S Sub HB 2002.

SPECIAL REMARKS

Madam President, The conference committee report on S Sub HB 2002 increases government spending by an egregious amount, adding hundreds of millions of dollars in NEW spending in a single budget cycle, while not even making over 300 million in KPERS payments, adding to long term debt, and exacerbating our unfunded liability. Coupled with the fact those with radical ideology in this legislature passed the largest tax increase in Kansas history by almost double, applied those taxes RETROACTIVELY, cut the low income exclusion by more than half, and left our sales tax at its peak, represents completely irresponsible governing. This burdens Kansans with over 1.2 Billion dollars in new taxes and at the same time spends all their money at such an increased rate that the out year budget profile is NEGATIVE in just 24 months. All of this combined is proof positive that no matter how high they raise taxes on
Kansas families, a reckless, out of control government can always out spend what it takes in and create its own deficit in any economy. On behalf of a majority of my constituents in the 16th district, I will not support this agenda in any way.—Ty Masterson

On motion of Senator Denning, the Senate recessed until the sound of the gavel.

The Senate met pursuant to recess with Senator Schmidt in the chair.

On motion of Senator Goddard, the Senate adjourned until 10:00 a.m., Monday, June 26, 2017.
As provided by HCR 5016, the Sine Die Session of the regular 2017 Kansas Senate was called to order by President Susan Wagle.

Invocation by Reverend Cecil T. Washington:

Heavenly Father, as weeks, months and even years go by, and we look back at the work You allowed us to do, let us see that You were able to merge the diversity and opposing viewpoints in these halls to produce a better way of life for Your People.

1 Corinthians 12:12-31, You remind us of the unity, in spite of diversity, in the human body. Likewise, in this legislative body, as diverse as we are, You have put us all together with a need for each other. Like the eye and the hand work together in spite of their differences, You brought this body of diverse people together to achieve an improved society.

Lord, the motto “E pluribus unum,” is a reminder that the oneness...the unity in these halls is made up of the parts and all the parts issue into the one.

Thank You for what has been accomplished, and for the work that is yet to be done. Watch over these servants and maintain a hedge of protection around them. Then bring us back together in Your time and in Your way.

(Reverend Washington concluded his prayer by singing “God Bless America.”) Amen

The Pledge of Allegiance was led by President Susan Wagle.
