Office of Revisor of Statutes

To the Senate of the State of Kansas:

This is to certify that Senate Bill No. 263, a joint resolution, was introduced by Senator Kassebaum, the sponsor, and has been referred to the Committee on Agriculture and Natural Resources. The Committee has not reported the bill to the Senate, and no action has been taken by the legislature to pass the bill.

Respectfully submitted,

Office of Revisor of Statutes

February 26, 2018
The department shall submit a report to the legislative committee outlining resources or before January 31, 2019, to the senate standing committee on agriculture and natural resources and to sell it in other states. Such report shall be presented to the procedure and timeline to implement a waiver process that would allow persons to grow and process industrial hemp in Kansas and to sell it in other states. Such report shall be presented in the annual book of the state and in force from and after the publication in the same book.

Section 2. This act shall take effect and be in force from and after its publication in the same book.
