

Dear Chairperson Julia Lynn and Committee Members:

On behalf of Key Construction Inc. and its 130 employees I would like to encourage you to support Senate Bill 212 (State OSHA Plan). Key Construction had an opportunity to work with the Area Director of the Wyoming State OSHA Plan.

We were pleased to see the Wyoming State OSHA Area Director has the same goals as Key Construction. The goals are to provide all Key Construction workers and our Subcontractor workers with a safe environment in which to work that is injury free.

Key Construction Inc. believes that the State of Kansas should become the next state to have our own State OSHA Plan. Therefore; we encourage you to pass the Senate Bill 212.

Thank you,
