AN ACT concerning vaccinations for meningitis.

Be it enacted by the Legislature of the State of Kansas:

Section 1. In addition to the required vaccinations specified under K.A.R. 28-1-20(b), vaccinations for meningitis shall also be required, but no earlier than age 11 with a booster at age 16 or later.

Sec. 2. This act shall take effect and be in force from and after its publication in the Kansas register.
