Any county or city levying a retailers' sales tax is hereby prohibited
from administering or collecting such tax locally, but shall utilize the
services of the state department of revenue to administer, enforce and
collect such tax. Except as otherwise specifically provided in K.S.A. 12-
189a, and amendments thereto, such tax shall be identical in its
application, and exemptions therefrom, to the Kansas retailers' sales tax act
and all laws and administrative rules and regulations of the state
department of revenue relating to the Kansas retailers' sales tax shall apply
to such local sales tax insofar as such laws and rules and regulations may
be made applicable. The state director of taxation is hereby authorized to
administer, enforce and collect such local sales taxes and to adopt such
rules and regulations as may be necessary for the efficient and effective
administration and enforcement thereof.

Upon receipt of a certified copy of an ordinance or resolution
authorizing the levy of a local retailers' sales tax, the director of taxation
shall cause such taxes to be collected within or without the boundaries of
such taxing subdivision at the same time and in the same manner provided
for the collection of the state retailers' sales tax. Such copy shall be
submitted to the director of taxation within 30 days after adoption of any
such ordinance or resolution. All moneys collected by the director of
taxation under the provisions of this section shall be credited to a county
and city retailers' sales tax fund which fund is hereby established in the
state treasury, except that all moneys collected by the director of taxation
pursuant to the authority granted in K.S.A. 12-187(b)(22), and
amendments thereto, shall be credited to the Wilson county capital
improvements fund. Any refund due on any county or city retailers' sales
tax collected pursuant to this act shall be paid out of the sales tax refund
fund and reimbursed by the director of taxation from collections of local
retailers' sales tax revenue. Except for local retailers' sales tax revenue
required to be deposited in the redevelopment bond fund established under
K.S.A. 74-8927, and amendments thereto, all local retailers' sales tax
revenue collected within any county or city pursuant to this act shall be
apportioned and remitted at least quarterly by the state treasurer, on
instruction from the director of taxation, to the treasurer of such county or
city.

Revenue that is received from the imposition of a local retailers' sales
tax which exceeds the amount of revenue required to pay the costs of a
special project for which such revenue was pledged shall be credited to the
city or county general fund, as the case requires.

The director of taxation shall provide, upon request by a city or county
clerk or treasurer or finance officer of any city or county levying a local
retailers' sales tax, monthly reports identifying each retailer doing business
in such city or county or making taxable sales sourced to such city or
county, setting forth the tax liability and the amount of such tax remitted
by each retailer during the preceding month and identifying each business
location maintained by the retailer and such retailer's sales or use tax
registration or account number. Such report shall be made available to the
clerk or treasurer or finance officer of such city or county within a
reasonable time after it has been requested from the director of taxation.
The director of taxation shall be allowed to assess a reasonable fee for the
issuance of such report. Information received by any city or county
pursuant to this section shall be confidential, and it shall be unlawful for
any officer or employee of such city or county to divulge any such
information in any manner. Any violation of this paragraph by a city or
county officer or employee is a class A misdemeanor, and such officer or
employee shall be dismissed from office. Reports of violations of this
paragraph shall be investigated by the attorney general. The district
attorney or county attorney and the attorney general shall have authority to
prosecute violations of this paragraph.

Sec. 3. K.S.A. 2016 Supp. 12-192 is hereby amended to read as
follows: 12-192. (a) Except as otherwise provided by subsection (b), (d) or
(h), all revenue received by the director of taxation from a countywide
retailers' sales tax shall be apportioned among the county and each city
located in such county in the following manner: (1) One-half of all
revenue received by the director of taxation shall be apportioned among
the county and each city located in such county in the proportion that the
total tangible property tax levies made in such county in the preceding
year for all funds of each such governmental unit bear to the total of all
such levies made in the preceding year; and (2) one-half of all revenue
received by the director of taxation from such countywide retailers' sales
tax shall be apportioned among the county and each city located in such
county, first to the county that portion of the revenue equal to the
proportion that the population of the county residing in the unincorporated
area of the county bears to the total population of the county, and second to
the cities in the proportion that the population of each city bears to the
total population of the county, except that no persons residing within the
Fort Riley military reservation shall be included in the determination of the
population of any city located within Riley county. All revenue
apportioned to a county shall be paid to its county treasurer and shall be
credited to the general fund of the county.

(b) (1) In lieu of the apportionment formula provided in subsection
(a), all revenue received by the director of taxation from a countywide
retailers' sales tax imposed within Johnson county at the rate of 0.75%, 1%
or 1.25% after July 1, 2007, shall be apportioned among the county and
each city located in such county in the following manner: (A) The revenue
received from the first 0.5% rate of tax shall be apportioned in the manner
prescribed by subsection (a); and (B) the revenue received from the rate of
tax exceeding 0.5% shall be apportioned as follows: (i) One-fourth shall be
apportioned among the county and each city located in such county in the
proportion that the total tangible property tax levies made in such county
in the preceding year for all funds of each such governmental unit bear to
the total of all such levies made in the preceding year; (ii) one-fourth shall
be apportioned among the county and each city located in such county,
first to the county that portion of the revenue equal to the proportion that
the population of the county residing in the unincorporated area of the
county bears to the total population of the county, and second to the cities
in the proportion that the population of each city bears to the total
population of the county; and (iii) one-half shall be retained by the county
for its sole use and benefit.

(2) In lieu of the apportionment formula provided in subsection (a),
all money received by the director of taxation from a countywide sales tax
imposed within Montgomery county pursuant to the election held on
November 8, 1994, shall be remitted to and shall be retained by the county
and expended only for the purpose for which the revenue received from
the tax was pledged. All revenue apportioned and paid from the imposition
of such tax to the treasurer of any city prior to the effective date of this act
shall be remitted to the county treasurer and expended only for the purpose
for which the revenue received from the tax was pledged.

(3) In lieu of the apportionment formula provided in subsection (a),
on and after the effective date of this act, all moneys received by the
director of taxation from a countywide retailers' sales tax imposed within
Phillips county pursuant to the election held on September 20, 2005, shall
be remitted to and shall be retained by the county and expended only for
the purpose for which the revenue received from the tax was pledged.

(c) (1) Except as otherwise provided by paragraph (2) of this
subsection, for purposes of subsections (a) and (b), the term "total tangible
property tax levies" means the aggregate dollar amount of tax revenue
derived from ad valorem tax levies applicable to all tangible property
located within each such city or county. The ad valorem property tax levy
of any county or city district entity or subdivision shall be included within
this term if the levy of any such district entity or subdivision is applicable
to all tangible property located within each such city or county.

(2) For the purposes of subsections (a) and (b), any ad valorem
property tax levied on property located in a city in Johnson county for the
purpose of providing fire protection service in such city shall be included
within the term "total tangible property tax levies" for such city regardless
of its applicability to all tangible property located within each such city. If
the tax is levied by a district which extends across city boundaries, for
purposes of this computation, the amount of such levy shall be apportioned
among each city in which such district extends in the proportion that such
tax levied within each city bears to the total tax levied by the district.

(d) (1) All revenue received from a countywide retailers' sales tax
imposed pursuant to K.S.A. 12-187(b)(2), (3)(C), (3)(F), (3)(G), (6), (7),
(8), (9), (12), (14), (15), (16), (17), (18), (19), (20), (22), (23), (25), (27),
(28), (29), (30), and (31) and (32), and amendments thereto, shall be
remitted to and shall be retained by the county and expended only for the
purpose for which the revenue received from the tax was pledged.

(2) Except as otherwise provided in K.S.A. 12-187(b)(5), and
amendments thereto, all revenues received from a countywide retailers'
sales tax imposed pursuant to K.S.A. 12-187(b)(5), and amendments
thereto, shall be remitted to and shall be retained by the county and
expended only for the purpose for which the revenue received from the tax
was pledged.

(3) All revenue received from a countywide retailers' sales tax
imposed pursuant to K.S.A. 12-187(b)(26), and amendments thereto, shall
be remitted to and shall be retained by the county and expended only for
the purpose for which the revenue received from the tax was pledged
unless the question of imposing a countywide retailers' sales tax authorized
by K.S.A. 12-187(b)(26), and amendments thereto, includes the
apportionment of revenue prescribed in subsection (a).

(e) All revenue apportioned to the several cities of the county shall be
paid to the respective treasurers thereof and deposited in the general fund
of the city. Whenever the territory of any city is located in two or more
counties and any one or more of such counties do not levy a countywide
retailers' sales tax, or whenever such counties do not levy countywide
retailers' sales taxes at a uniform rate, the revenue received by such city
from the proceeds of the countywide retailers' sales tax, as an alternative to
depositing the same in the general fund, may be used for the purpose of
reducing the tax levies of such city upon the taxable tangible property
located within the county levying such countywide retailers' sales tax.

(f) Prior to March 1 of each year, the secretary of revenue shall advise
each county treasurer of the revenue collected in such county from the
state retailers' sales tax for the preceding calendar year.

(g) Prior to December 31 of each year, the clerk of every county
imposing a countywide retailers' sales tax shall provide such information
deemed necessary by the secretary of revenue to apportion and remit
revenue to the counties and cities pursuant to this section.

(h) The provisions of subsections (a) and (b) for the apportionment of
countywide retailers' sales tax shall not apply to any revenues received
pursuant to a county or countywide retailers' sales tax levied or collected
under K.S.A. 74-8929, and amendments thereto. All such revenue
collected under K.S.A. 74-8929, and amendments thereto, shall be
deposited into the redevelopment bond fund established by K.S.A. 74-
8927, and amendments thereto, for the period of time set forth in K.S.A.
74-8927, and amendments thereto.

Sec. 4. K.S.A. 2016 Supp. 12-187, 12-189 and 12-192 are hereby
repealed.

Sec. 5. This act shall take effect and be in force from and after its
publication in the statute book.
