AN ACT concerning the Kansas medical assistance program; relating to
powers, duties and functions of the department of health and
environment, Kansas department for aging and disability services and
department of administration; requiring prior legislative approval for
substantial changes.

Be it enacted by the Legislature of the State of Kansas:

Section 1. (a) (1) On the effective date of this section, the department
of health and environment and the Kansas department for aging and
disability services shall terminate any request to the United States centers
for medicare and medicaid services to administer state medicaid services
under the Kansas medical assistance program using a capitated managed
care delivery system in any manner that is substantially different than the
manner in which state medicaid services under the Kansas medical
assistance program are provided on January 1, 2017, including, but not
limited to, imposing any new eligibility requirements or limitations to
receive state medicaid services under the Kansas medical assistance
program.

(2) The department of health and environment and the Kansas
department for aging and disability services shall not submit any such
request to the United States centers for medicare and medicaid studies
without express prior authorization by an act or appropriation act of the
legislature.

(b) Except as provided in subsection (c), the department of health and
environment, the Kansas department for aging and disability services and
the department of administration shall take no action to enter into any
contract for the administration and provision of state medicaid services
using a capitated managed care delivery system without express prior
authorization by an act or appropriation act of the legislature.

(c) The department of health and environment, the Kansas department
for aging and disability services and the department of administration shall
negotiate for the renewal of contracts in effect on January 1, 2017, for the
administration and provision of state medicaid services under the Kansas
medical assistance program using a capitated managed care delivery
system. Any contract renewal negotiated and executed under this
subsection shall be for a term of one year commencing on the termination
date of such contracts in effect on January 1, 2017, shall be substantially
the same as contracts for such services in effect on January 1, 2017, and
shall not impose any new eligibility requirements or limitations to receive
state medicaid services that are not in effect on January 1, 2017.

(d) The department of health and environment and the Kansas
department for aging and disability services shall submit to the United
States centers for medicare and medicaid services a request to extend for
for one year any waiver in effect on January 1, 2017, authorizing the state
of Kansas to administer state medicaid services under the Kansas medical
assistance program using a capitated managed care delivery system.

Sec. 2. This act shall take effect and be in force from and after its
publication in the Kansas register.
