AN ACT concerning gaming; relating to the Kansas expanded lottery act; relating to the state debtor setoff program; relating to horse and greyhound racing; creating the Kansas horse council fund; amending K.S.A. 74-8836 and K.S.A. 2017 Supp. 74-8702, 74-8741, 74-8743, 74-8744, 74-8746, 74-8747, 74-8766, 74-8814 and 75-6204 and repealing the existing sections.

WHEREAS, In light of the historic support for the availability of horse and dog racing in the state of Kansas, the long history and heritage of the greyhound and horse industry in the state and the support for the availability of electronic gaming machines at race facilities, this act is aimed at resurrecting these well-known and existing facilities; and

WHEREAS, Allowing horse and dog racetracks to be economically viable will improve the Kansas economy, promote tourism and protect the state's reputation in the greyhound and horse industry, which has existed in Kansas long before the advent of casinos and electronic gaming; and

WHEREAS, There are positive economic and agribusiness benefits derived from revitalizing our existing racetracks, which have been idle since the passage of 2007 Senate Bill No. 66 due to the inability to make a sustainable profit, including farms and breeding operations; and

WHEREAS, It has been more than 10 years since the vote to approve and place electronic gaming machines at Wichita Greyhound Park in Sedgwick County; and

WHEREAS, An economic study has estimated that passage of this act and the resulting capital investments in the racetracks will result in a significant number of new jobs and a significant increase in state and local tax revenue without the need for economic development incentives; and

WHEREAS, That economic study has also estimated that the passage of this act will channel millions of dollars annually to farmers and ranchers, who have been struggling in the current farm and ranch economy, and will benefit greyhound and horse breeders and the support services employed by these breeders; and

WHEREAS, The existence of current lottery gaming facility management contracts is hereby acknowledged, and it is the intent of the legislature to protect the state from financial exposure in the event lottery gaming facility managers become entitled to repayment of privilege fees
paid to the state; and
WHEREAS, The current tax structure for racetracks needs to be
aligned with that of the casinos in order to allow the racetracks to open and
operate as intended.
Now, therefore:

Be it enacted by the Legislature of the State of Kansas:

New Section 1. (a) Prior to any lottery gaming facility manager,
racetrack gaming facility manager or facility owner licensee paying any
