(b) The board shall require as a condition for renewal of a license completion of no more than 24 hours biennially of continuing education approved by the board in rules and regulations. Upon receipt of such application and payment of fee, upon receipt of the evidence of satisfactory completion of the required program of continuing massage therapy education and upon being satisfied that the applicant meets the requirements set forth by law in effect at the time of initial licensure of the applicant, the board shall verify the accuracy of the application and grant renewal of the license.
(c) Continuing education courses shall be offered by providers approved by the board. The courses shall be completed within the 24 months preceding the date renewal is due. Hours in excess of the total number required may not be carried over to future renewals. The continuing education requirements shall not apply to a massage therapist within the biennium when the massage therapist is first licensed, but shall apply to licensees every biennium thereafter.

(d) Any person who fails to secure a license renewal within the time specified herein may secure a reinstatement of such lapsed license by making verified application therefor on a form provided by the board by rules and regulations, by furnishing proof that the applicant is competent and qualified to act as a massage therapist and by satisfying all of the requirements for reinstatement, including payment to the board of a reinstatement fee as established by the board. A reinstatement application for licensure will be held awaiting completion of such documentation as may be required, but such application shall not be held for a period of time in excess of that specified in rules and regulations of the board.

The fingerprints shall be used to identify the applicant and to determine whether the applicant has a record of criminal history in this state or other jurisdictions. The board is authorized to submit the fingerprints to the Kansas bureau of investigation and the federal bureau of investigation for a state and national criminal history record check and request subsequent arrest notification services from both agencies. The board may use the information obtained from fingerprinting and the applicant's criminal history for purposes of verifying the identification of any applicant and in the official determination of character and fitness of the applicant for any licensure to practice massage therapy in this state.
(2) Local and state law enforcement officers and agencies shall assist the board in the taking and processing of fingerprints of applicants to practice massage therapy in this state and shall release all records of adult convictions and non-convictions and adult convictions or adjudications of another state or country to the board.

(b) Upon filing of a sworn complaint with the board charging a person with having been guilty of any of the unlawful practices specified in subsection (a), two or more members of the board shall investigate the charges, or the board may designate and authorize an employee or employees of the board to conduct an investigation. After investigation, the board may institute charges. If an investigation, in the opinion of the
board, reveals reasonable grounds for believing the applicant or licensee is
guilty of the charges, the board shall fix a time and place for proceedings,
which shall be conducted in accordance with the provisions of the Kansas
administrative procedure act.

(c) No person shall be excused from testifying in any proceedings
before the board under the massage therapist licensure act or in any civil
proceedings under this act before a court of competent jurisdiction on the
ground that such testimony may incriminate the person testifying, but such
testimony shall not be used against the person for the prosecution of any
crime under the laws of this state, except the crime of perjury as defined in

(d) If final agency action of the board in a proceeding under this
section is adverse to the applicant or licensee, the costs of the board's
proceedings shall be charged to the applicant or licensee as in ordinary
civil actions in the district court, but if the board is the unsuccessful party,
the costs shall be paid by the board. Witness fees and costs may be taxed
by the board according to the statutes relating to procedure in the district
court. All costs accrued by the board, when it is the successful party and
that the attorney general certifies cannot be collected from the applicant or
licensee, shall be paid from the healing arts fee fund. All moneys collected
following board proceedings shall be credited in full to the healing arts fee
fund.

(e) The denial, suspension, revocation or limitation of a license or
public or private censure of a licensee may be ordered by the board after
notice and hearing on the matter in accordance with the provisions of the
Kansas administrative procedure act. The board shall also notify the local
law enforcement agency upon disciplinary action. Upon the end of the
period of no less than two years for the revocation of a license, application
may be made to the board for reinstatement. The board shall have
discretion to accept or reject an application for reinstatement and may hold
a hearing to consider such reinstatement. An application for reinstatement
of a revoked license shall be accompanied by the license reinstatement fee
established under section 8, and amendments thereto.

(f) The board, in addition to any other penalty prescribed in
subsection (a), may assess a civil fine, after proper notice and an
opportunity to be heard, against a licensee for unprofessional conduct in an
amount not to exceed $1,000 for the first violation, $2,000 for the second
violation and $3,000 for the third violation and for each subsequent
violation. All fines assessed and collected under this section shall be
remitted to the state treasurer in accordance with the provisions of K.S.A.
75-4215, and amendments thereto. Upon receipt of each such remittance,
the state treasurer shall deposit the entire amount in the state treasury to
the credit of the state general fund.
(g) The board, upon request, shall receive from the Kansas bureau of investigation such criminal history record information relating to arrests and criminal convictions as necessary for the purpose of determining initial and continuing qualifications of licensees and applicants for licensure by the board.

Sec. 11. The board shall remit all moneys received from fees, charges or penalties under the massage therapist licensure act to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury. Ten percent of each such deposit shall be credited to the state general fund and the balance shall be credited to the healing arts fee fund. All expenditures from such fund shall be made in accordance with appropriation acts upon warrants of the director of accounts and reports issued pursuant to vouchers approved by the president of the board or by a person designated by the president of the board.

Sec. 12. A local unit of government shall not establish or maintain professional licensing requirements for a massage therapist licensed under the massage therapist licensure act. Nothing in the massage therapist licensure act shall affect local zoning requirements. Local government law enforcement agencies may inspect massage therapy registrations and the business premises where massage therapy is practiced for compliance with applicable laws. Nothing in this section shall be construed to preclude criminal prosecution for a violation of any criminal law. If such inspection reveals the practice of massage therapy by a person without a valid license, the person may be charged with a violation of section 6(b), and amendments thereto, and the board shall be notified.

Sec. 13. (a) When it appears to the board that any person is violating any of the provisions of the massage therapist licensure act, the board may bring an action in the name of the state of Kansas in a court of competent jurisdiction for an injunction against such violation without regard to whether proceedings have been or may be instituted before the board or whether criminal proceedings have been or may be instituted.

(b) The provisions of this section shall take effect on and after September 1, 2020.

Sec. 14. All state agency adjudicative proceedings under the massage therapist licensure act shall be conducted in accordance with the provisions of the Kansas administrative procedure act and shall be reviewable in accordance with the Kansas judicial review act.

Sec. 15. Professional liability insurance coverage shall be maintained in effect by each massage therapist as a condition to rendering professional service as a massage therapist in this state. An applicant for initial or renewal licensure shall provide proof to the board that the applicant
currently has professional liability insurance with minimum coverage of $2,000,000 per claim and $6,000,000 in aggregate.

Sec. 16. On the effective date of this act, nothing in the massage therapist licensure act or in the provisions of K.S.A. 40-2,100 through 40-2,105, and amendments thereto, or K.S.A. 2017 Supp. 40-2,105a through 40-2,105d, and amendments thereto, shall be construed to require that any individual, group or blanket policy of accident and sickness, medical or surgical expense insurance coverage or any provision of a policy, contract, plan or agreement for medical service issued on or after the effective date of this act, reimburse or indemnify a person licensed under the massage therapist licensure act for services provided as a massage therapist.

Sec. 17. Sections 1 through 17, and amendments thereto, shall be known and may be cited as the massage therapist licensure act.

Sec. 18. This act shall take effect and be in force from and after its publication in the statute book.
