AN ACT concerning postsecondary education; relating to residency for purposes of tuition and fees; relating to the Kansas foster child educational assistance act; requiring tuition differences to be applied to such act; amending K.S.A. 2017 Supp. 75-53,114 and 76-729 and repealing the existing sections; also repealing K.S.A. 2017 Supp. 76-731a.

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 2017 Supp. 75-53,114 is hereby amended to read as follows: 75-53,114. (a) No eligible foster child who is enrolled at a Kansas educational institution and who is participating in the program shall be charged the amount of tuition or required fees charged by the Kansas educational institution for enrollment in courses necessary to satisfy the requirements of an educational program.

(b) Notwithstanding the provisions of subsection (a) an eligible foster child shall not have waived the amount of tuition or required fees waived for any course repeated or taken in excess of the requirements for completion of the educational program in which such foster child is enrolled.

(c) Within the limits of appropriations available therefor, the secretary may make expenditures to reimburse each eligible foster child who is enrolled in a Kansas educational institution and who is participating in the program for room and board, technical equipment and course required books.

(d) Each eligible foster child who is enrolled in a Kansas educational institution and who is participating in the program shall be responsible for all fees charged by the Kansas educational institution that are not directly related to and required for the courses in the educational program of the eligible foster child.

(e) Each Kansas educational institution shall determine the difference between the amount that a student would have paid in tuition and fees if such student would have qualified as a resident for fee purposes pursuant to K.S.A. 76-731a, prior to its repeal, and the amount of tuition and fees that such student actually paid to the Kansas educational institution as a nonresident for fee purposes, and shall apply such difference to help offset the amount of tuition or required fees that are
waived by a Kansas educational institution for an eligible foster child to participate in the program.

Sec. 2. K.S.A. 2017 Supp. 76-729 is hereby amended to read as follows: 76-729. (a) (1) Persons enrolling at the state educational institutions under the control and supervision of the state board of regents who, if such persons are adults, have been domiciliary residents of the state of Kansas or, if such persons are minors, whose parents have been domiciliary residents of the state of Kansas for at least 12 months prior to enrollment for any term or session at a state educational institution are residents for fee purposes. A person who has been a resident of the state of Kansas for fee purposes and who leaves the state of Kansas to become a resident of another state or country shall retain status as a resident of the state of Kansas for fee purposes if the person returns to domiciliary residency in the state of Kansas within 60 months of departure. All other persons are nonresidents of the state of Kansas for fee purposes.

(2) The provisions of this subsection shall not apply to a person who is deemed a resident for fee purposes pursuant to K.S.A. 2017 Supp. 76-731a, and amendments thereto.

(b) The state board of regents may authorize the following persons, or any class or classes thereof, and their spouses and dependents to pay an amount equal to resident fees:

(5) persons who are domiciliary residents of the state, whose domiciliary residence was established in the state for the purpose of accepting, upon recruitment by an employer, or retaining, upon transfer required by an employer, a position of full-time employment at a place of employment in Kansas, but the domiciliary residence of whom was not timely enough established to meet the residence duration requirement of subsection (a), and who are not otherwise eligible for authorization to pay an amount equal to resident fees under this subsection.

(c) Pursuant to K.S.A. 2017 Supp. 48-3601, and amendments thereto, a veteran, an active duty member of the armed forces and the spouse and dependent child of such veteran or active duty member of the armed forces
shall be deemed residents of the state for fee purposes.
