New Sec. 3. (a) On and after January 1, 2019, any marketplace facilitator that meets the criteria in subsection (b) or that has a physical presence in this state, must collect and remit retail sales or use tax on all taxable retail sales into this state pursuant to this act. Marketplace facilitators must begin collecting state and local retail sales or use taxes on taxable retail sales sourced to this state beginning on the first day of the next calendar month that is at least 30 days from the date that the marketplace facilitator met the threshold described in subsection (b).

(b) A marketplace facilitator is subject to subsection (a) if, during the current or immediately preceding calendar year, the gross receipts from retail sales sourced to this state pursuant to the Kansas retailers' sales tax act by the marketplace facilitator, whether in its own name or as an agent of a marketplace seller, totaled at least $50,000.

New Sec. 4. (a) (1) For purposes of this act, and both the Kansas retailers' sales tax act and the Kansas compensating tax act, a marketplace facilitator is deemed to be an agent of any marketplace seller making retail sales through the marketplace facilitator's physical or electronic marketplace.

(2) In addition to other applicable recordkeeping requirements, the department may require a marketplace facilitator or referrer to provide or make available to the department any information the department determines is reasonably necessary to enforce the provisions of this act, the Kansas retailers' sales tax act and the Kansas compensating tax act. Such information may include documentation of sales made by marketplace sellers through the marketplace facilitator's physical or electronic marketplace. The department may prescribe by rules and regulations the form and manner for providing this information.
(b) A marketplace facilitator is relieved of liability under this act for failure to collect the correct amount of tax to the extent that the marketplace facilitator can show to the department's satisfaction that the error was due to incorrect information given to the marketplace facilitator by the marketplace seller, unless the marketplace facilitator and marketplace seller are affiliated persons. When the marketplace facilitator is relieved of liability under this subsection, the marketplace seller is solely liable for the amount of uncollected tax due.

(c) Except as otherwise provided in this section, a marketplace seller obligated to collect the taxes imposed under this act is not required to collect such taxes on all taxable retail sales through a marketplace operated by a marketplace facilitator if the marketplace seller has obtained documentation from the marketplace facilitator indicating that the marketplace facilitator is registered with the department and will collect all applicable taxes due under this act, the Kansas retailers' sales tax act or the Kansas compensating tax act on all taxable retail sales made on behalf of the marketplace seller through the marketplace operated by the marketplace facilitator. The documentation required by this subsection must be provided in a form and manner prescribed by or acceptable to the department. This subsection does not relieve a marketplace seller from liability for uncollected taxes due under this act, the Kansas retailers' sales tax act or the Kansas compensating tax act resulting from a marketplace facilitator's failure to collect the proper amount of tax due when the error was due to incorrect information given to the marketplace facilitator by the marketplace seller.

(d) No class action may be brought against a marketplace facilitator in any court of this state on behalf of purchasers arising from or in any way related to an overpayment of sales or use tax collected by the marketplace facilitator or referrer, regardless of whether that claim is characterized as a tax refund claim. Nothing in this subsection affects a purchaser's right to seek a refund from the department as provided by the Kansas retailers' sales tax act.

New Sec. 5. (a) Except as otherwise provided in this act, taxes imposed under the Kansas retailers' sales tax act or the Kansas compensating tax act and payable by a consumer directly to the department are due, on returns prescribed by the department, as prescribed by those acts.

(b) Nothing in this act affects the obligation of any purchaser from this state to remit retail sales or use tax as to any applicable taxable transaction in which the seller does not collect and remit retail sales or use tax.

New Sec. 6. (a) A marketplace facilitator that is subject to section 3, and amendments thereto, and is complying with the requirements of the
Kansas retailers' sales tax act or the Kansas compensating tax act may only seek a recovery of retail sales and use taxes, penalties or interest from the department by following the recovery procedures established under the Kansas retailers' sales tax act. However, no claim may be granted on the basis that the taxpayer lacked a physical presence in this state and complied with the tax collection provisions of the Kansas retailers' sales tax act or the Kansas compensating tax act voluntarily.

(b) Neither the state nor any seller who collects and remits retail sales or use tax under section 3, and amendments thereto, is liable to a purchaser that claims that the retail sales or use tax has been over-collected because a provision of this act is later deemed unlawful.

New Sec. 7. (a) A retailer with a principal place of business located outside the state that is not otherwise subject to Kansas sales or use tax is required to register, collect and remit Kansas sales or use tax upon the taxed gross receipts received with respect to its Kansas sales of tangible personal property or services if such retailer has engaged or is engaged in the following contact:

(2) for each calendar year beginning with 2019, during the preceding calendar year the retailer had in excess of $50,000 in Kansas sales from transactions completed over the internet and made sales resulting in a delivery into Kansas in 100 or more transactions.
(c) This section does not apply to a retailer under the following circumstances:

(1) The retailer does not have any of the contacts referenced in subsection (a); or

(2) the retailer's only contacts with Kansas are in-state customers who access a site on the internet retailer's out-of-state computer server.

(d) A provider of internet access service or online services is not deemed to be the agent of a retailer for purposes of determining the application of this section to such retailer solely as a result of:

(1) The display of such retailer's information or content on the provider's out-of-state computer server; or

(2) the processing of orders through the provider's out-of-state computer server.

(e) Nothing in this section shall be construed to relieve or otherwise limit an internet retailer's obligation to register, collect and remit Kansas sales or use tax if it has sufficient nexus with Kansas under applicable law even if it has a principal place of business located outside the state and would not otherwise be subjected to tax other than by reason of the contacts referenced in subsection (a).

(f) Nothing in this section shall be construed to relieve or limit a non-internet retailer's obligation to register, collect and remit Kansas sales or use tax if it has the contacts specified in subsection (a).

New Sec. 8. The provisions of K.S.A. 79-3601 through 79-3696, and amendments thereto, relating to enforcement, collection and administration, insofar as practicable, shall have full force and effect with respect to taxes imposed under the provisions of the Kansas remote sellers parity act.

New Sec. 9. The secretary of revenue shall adopt such rules and regulations as deemed necessary for the administration of sections 1 through 8, and amendments thereto.

New Sec. 10. If any provision of the Kansas main street parity act or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of the act that can be given effect without the invalid provision or application, and to this end the provisions of this act are severable.

New Sec. 11. If any provision of this act or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of the act that can be given effect without the invalid provision or application, and to this end the provisions of this act are severable.
