AN ACT concerning children and minors; relating to crisis intervention; creating juvenile crisis intervention centers; amending K.S.A. 2017 Supp. 38-2231, 38-2232, 38-2242, 38-2243, 38-2330 and 75-52,164 and repealing the existing sections.

Be it enacted by the Legislature of the State of Kansas:

New Section 1. (a) A juvenile crisis intervention center is a facility that provides short-term observation, assessment, treatment and case planning, and referral for any juvenile who is experiencing a mental health crisis. Such centers shall:

1. Address or ensure access to the broad range of services to meet the needs of a juvenile admitted to the center, including, but not limited to, medical, psychiatric, psychological, social and educational services;
2. not include construction features designed to physically restrict the movements and activities of juveniles, but shall have a design, structure, interior and exterior environment, and furnishings to promote a safe, comfortable and therapeutic environment for juveniles admitted to the center;
3. implement written policies and procedures that include the use of a combination of supervision, inspection and accountability to promote safe and orderly operations; and
4. implement written policies and procedures for staff monitoring of all center entrances and exits.

(b) A juvenile crisis intervention center shall provide treatment to juveniles admitted to such center, as appropriate while admitted.

(c) A juvenile crisis intervention center may be on the same premises as that of another licensed facility. If the juvenile crisis intervention center is on the same premises as that of another licensed facility, the living unit of the juvenile crisis intervention center shall be maintained in a separate, self-contained unit. No juvenile crisis intervention center shall be in a city or county jail or a juvenile detention facility.

(d) (1) A juvenile may be admitted to a juvenile crisis intervention center when:
(A) The head of such center determines such juvenile is in need of treatment and likely to cause harm to self or others;
(B) a qualified mental health professional from a community mental
health center has given written authorization for such juvenile to be
admitted to a juvenile crisis intervention center; and

(C) no other more appropriate treatment services are available and
accessible to the juvenile at the time of admission.

(2) A juvenile may be admitted to a juvenile crisis intervention center
for not more than 30 days. A parent with legal custody or legal guardian of
a juvenile placed in a juvenile crisis intervention center may remove such
juvenile from the center at any time. If the removal may cause the juvenile
to become a child in need of care pursuant to K.S.A. 2017 Supp. 38-
2202(d), and amendments thereto, the head of a juvenile crisis intervention
center may report such concerns to the department for children and
families or law enforcement or may request the county or district attorney
to initiate proceedings pursuant to the revised Kansas code for care of
children. If the head of a juvenile crisis intervention center determines the
most appropriate action is to request the county or district attorney to
initiate proceedings pursuant to the revised Kansas code for care of
children, the head of such center shall make such request and shall keep
such juvenile in the center for an additional 24-hour period to initiate the
appropriate proceedings.

(3) When a juvenile is released from a juvenile crisis intervention
center, the community mental health center where the juvenile is expected
to be discharged shall be involved with discharge planning. Within seven
days prior to the discharge of a juvenile, the head of the juvenile crisis
intervention center shall give written notice of the date and time of the
discharge to the patient, community mental health center where the
juvenile is expected to be discharged, and the patient's parent, custodian or
legal guardian.

(e) (1) No state agency shall administer or reimburse state medicaid
services to any juvenile admitted to a juvenile crisis intervention center
through a managed care delivery system pursuant to a waiver granted by
the United States centers for medicare and medicaid services under section
1115 or 1915 of the federal social security act, or any combination thereof.
Any services provided to a juvenile in a juvenile crisis intervention center
that qualify for medicaid reimbursement under state or federal law shall be
reimbursed at a fee-for-service rate allowed by the United States centers
for medicare and medicaid services.

(2) Nothing in this subsection shall prohibit the department of health
and environment from administering or reimbursing state medicaid
services to any juvenile admitted to a juvenile crisis intervention center
pursuant to a waiver granted under section 1915(c) of the federal social
security act, provided that such services are not administered through a
managed care delivery system.

(3) Nothing in this subsection shall prohibit the department of health
and environment from reimbursing any state medicaid services that qualify for reimbursement and that are provided to a juvenile admitted to a juvenile crisis intervention center, subject to the limitations of paragraph (1).

(4) Nothing in this subsection shall impair or otherwise affect the validity of any contract in existence on July 1, 2018, between a managed care organization and the department of health and environment to provide state medicaid services.

(5) On or before January 1, 2019, the secretary of health and environment shall submit to the United States centers for medicare and medicaid services any approval request necessary to implement this subsection.

(f) The secretary for children and families, in consultation with the attorney general, shall promulgate rules and regulations to implement the provisions of this section on or before January 1, 2019.

(g) The secretary for children and families shall annually report information on outcomes of juveniles admitted into juvenile crisis intervention centers to the joint committee on corrections and juvenile justice oversight, the corrections and juvenile justice committee of the house of representatives and the judiciary committee of the senate. Such report shall include:

(1) The number of admissions, releases and the lengths of stay for juveniles admitted to juvenile crisis intervention centers;
(2) services provided to juveniles admitted;
(3) needs of juveniles admitted determined by evidence-based assessment; and
(4) success and recidivism rates, including information on the reduction of involvement of the child welfare system and juvenile justice system with the juvenile.

(h) The secretary of corrections may enter into memorandums of agreement with other cabinet agencies to provide funding, not to exceed $2,000,000 annually, from the evidence-based programs account of the state general fund or other available appropriations for juvenile crisis intervention services.

(i) For the purposes of this section:
(1) "Juvenile" means a person who is less than 18 years of age;
(2) "likely to cause harm to self or others" means that a juvenile, by reason of the juvenile's mental disorder is likely, in the reasonably foreseeable future, to cause substantial physical injury or physical abuse to self or others or substantial damage to another's property, as evidenced by behavior threatening, attempting or causing such injury, abuse or damage;

follows: 38-2231. (a) A law enforcement officer or court services officer

into custody when the officer:
(1) Reasonably believes the child will be harmed if not immediately

If the child is allowed to so remain, the law enforcement agency shall promptly notify the secretary of the child's location and circumstances.

(a) (1) To the extent possible, when any law enforcement officer takes into custody a child under the age of 18 years without a court order, the child shall forthwith promptly be delivered to the custody of the child's parent or other custodian unless there are reasonable grounds to believe that such action would not be in the best interests of the child.

(2) Except as provided in subsection (b), if the child is not delivered to the custody of the child's parent or other custodian, the child shall forthwith promptly be delivered to a:

(A) (i) Shelter facility designated by the court;

and amendments thereto.

(5) It shall be the duty of the law enforcement officer to furnish to the
county or district attorney, without unnecessary delay, all the information
in the possession of the officer pertaining to the child, the child's parents or

other facts and circumstances which caused the child to be taken into
custody.

(b) (1) When any law enforcement officer takes into custody any
child as provided in subsection (b)(2) of K.S.A. 2017 Supp. 38-2231(b)(2),
and amendments thereto, proceedings shall be initiated in accordance with
the provisions of the interstate compact on juveniles, K.S.A. 38-1001 et
seq., and amendments thereto, or K.S.A. 2017 Supp. 38-1008, and

protective custody and may deliver the child to a staff secure facility. The
law enforcement officer shall contact the department for children and
families to begin an assessment to determine safety, placement and
treatment needs for the child. Such child shall not be placed in a juvenile
detention facility or other secure facility, except as authorized by this
section and by K.S.A. 2017 Supp. 38-2242, 38-2243 and 38-2260, and

authorization by a community mental health center. Such child shall not be
placed in a juvenile detention facility or other secure facility.

(c) Whenever a child under the age of 18 years is taken into custody
by a law enforcement officer without a court order and is thereafter placed
as authorized by subsection (a), the facility or person shall, upon written
application of the law enforcement officer, have physical custody and
provide care and supervision for the child. The application shall state:

(1) The name and address of the child, if known;
(2) the names and addresses of the child's parents or nearest relatives
and persons with whom the child has been residing, if known; and 
(3) the officer's belief that the child is a child in need of care and that

of the child is such that the child would be harmed unless placed in the 
immediate custody of the shelter facility or other person.
(d) A copy of the application shall be furnished by the facility or 
person receiving the child to the county or district attorney without 
unnecessary delay.
(e) The shelter facility or other person designated by the court who

in which the child is enrolled or the child's parent or other custodian.
Sec. 4. K.S.A. 2017 Supp. 38-2242 is hereby amended to read as 
follows: 38-2242. (a) The court, upon verified application, may issue ex 
parte an order directing that a child be held in protective custody and, if 
the child has not been taken into custody, an order directing that the child 
be taken into custody. The application shall state for each child:
(1) The applicant's belief that the child is a child in need of care;
(2) that the child is likely to sustain harm if not immediately removed 
from the home;
(3) that allowing the child to remain in the home is contrary to the 
welfare of the child; and
(4) the facts relied upon to support the application, including efforts 
known to the applicant to maintain the family unit and prevent the 
unnecessary removal of the child from the child's home, or the specific 
facts supporting that an emergency exists which threatens the safety of the 
child.
(b) (1) The order of protective custody may be issued only after the 
court has determined there is probable cause to believe the allegations in 
the application are true. The order shall remain in effect until the 
temporary custody hearing provided for in K.S.A. 2017 Supp. 38-2243, 
and amendments thereto, unless earlier rescinded by the court.
(2) No child shall be held in protective custody for more than 72
hours, excluding Saturdays, Sundays, legal holidays, and days on which
the office of the clerk of the court is not accessible, unless within the 72-
hour period a determination is made as to the necessity for temporary
custody in a temporary custody hearing. The time spent in custody
pursuant to K.S.A. 2017 Supp. 38-2232, and amendments thereto, shall be
included in calculating the 72-hour period. Nothing in this subsection shall
be construed to mean that the child must remain in protective custody for
72 hours. If a child is in the protective custody of the secretary, the
secretary shall allow at least one supervised visit between the child and the
parent or parents within such time period as the child is in protective
custody. The court may prohibit such supervised visit if the court
determines it is not in the best interest of the child.

(c) (1) Whenever the court determines the necessity for an order of
protective custody, the court may place the child in the protective custody
of:
   (A) A parent or other person having custody of the child and may
       enter a restraining order pursuant to subsection (e);
   (B) a person, other than the parent or other person having custody,
       who shall not be required to be licensed under article 5 of chapter 65 of the
       Kansas Statutes Annotated, and amendments thereto;
   (C) a youth residential facility;
   (D) a shelter facility;
   (E) a staff secure facility, notwithstanding any other provision of law,
       if the child has been subjected to human trafficking or aggravated human
       trafficking, as defined by K.S.A. 2017 Supp. 21-5426, and amendments
       thereto, or commercial sexual exploitation of a child, as defined by K.S.A.
       2017 Supp. 21-6422, and amendments thereto, or the child committed an
       act which, if committed by an adult, would constitute a violation of K.S.A.
       2017 Supp. 21-6419, and amendments thereto;
   (F) after written authorization by a community mental health center,
       a juvenile crisis intervention center as described in section 1, and
       amendments thereto; or
   (F)(G) the secretary, if the child is 15 years of age or younger, or 16
       or 17 years of age if the child has no identifiable parental or family
       resources or shows signs of physical, mental, emotional or sexual abuse.

   (2) If the secretary presents the court with a plan to provide services
to a child or family which the court finds will assure the safety of the
child, the court may only place the child in the protective custody of the
secretary until the court finds the services are in place. The court shall
have the authority to require any person or entity agreeing to participate in
the plan to perform as set out in the plan. When the child is placed in the
protective custody of the secretary, the secretary shall have the
discretionary authority to place the child with a parent or to make other
suitable placement for the child. When the child is placed in the temporary custody of the secretary and the child has been subjected to human trafficking or aggravated human trafficking, as defined by K.S.A. 2017 Supp. 21-5426, and amendments thereto, or commercial sexual exploitation of a child, as defined by K.S.A. 2017 Supp. 21-6422, and amendments thereto, or the child committed an act which, if committed by an adult, would constitute a violation of K.S.A. 2017 Supp. 21-6419, and amendments thereto, the secretary shall have the discretionary authority to place the child in a staff secure facility, notwithstanding any other provision of law. When the child is presently alleged, but not yet adjudicated, to be a child in need of care solely pursuant to subsection (d)(9) or (d)(10) of K.S.A. 2017 Supp. 38-2202(d)(9) or (d)(10), and amendments thereto, the child may be placed in a juvenile detention facility or other secure facility pursuant to an order of protective custody for a period of not to exceed 24 hours, excluding Saturdays, Sundays, legal holidays, and days on which the office of the clerk of the court is not accessible.

(d) The order of protective custody shall be served pursuant to subsection (a) of K.S.A. 2017 Supp. 38-2237(a), and amendments thereto, on the child's parents and any other person having legal custody of the child. The order shall prohibit the removal of the child from the court's jurisdiction without the court's permission.

(e) If the court issues an order of protective custody, the court may also enter an order restraining any alleged perpetrator of physical, sexual, mental or emotional abuse of the child from residing in the child's home; visiting, contacting, harassing or intimidating the child, other family member or witness; or attempting to visit, contact, harass or intimidate the child, other family member or witness. Such restraining order shall be served by personal service pursuant to subsection (a) of K.S.A. 2017 Supp. 38-2237(a), and amendments thereto, on any alleged perpetrator to whom the order is directed.

(f) (1) The court shall not enter the initial order removing a child from the custody of a parent pursuant to this section unless the court first finds probable cause that: (A) (i) The child is likely to sustain harm if not immediately removed from the home; (ii) allowing the child to remain in home is contrary to the welfare of the child; or (iii) immediate placement of the child is in the best interest of the child; and (B) reasonable efforts have been made to maintain the family unit and prevent the unnecessary removal of the child from the child's home or that an emergency exists which threatens the safety to the child.

(2) Such findings shall be included in any order entered by the court.
If the child is placed in the custody of the secretary, the court shall provide
the secretary with a written copy of any orders entered upon making the
order.

Sec. 5. K.S.A. 2017 Supp. 38-2243 is hereby amended to read as
follows: 38-2243. (a) Upon notice and hearing, the court may issue an
order directing who shall have temporary custody and may modify the
order during the pendency of the proceedings as will best serve the child's
welfare.

(b) A hearing pursuant to this section shall be held within 72 hours,
excluding Saturdays, Sundays, legal holidays, and days on which the
office of the clerk of the court is not accessible, following a child having
been taken into protective custody.

(c) Whenever it is determined that a temporary custody hearing is
required, the court shall immediately set the time and place for the hearing.
Notice of a temporary custody hearing shall be given to all parties and
interested parties.

(d) Notice of the temporary custody hearing shall be given at least 24
hours prior to the hearing. The court may continue the hearing to afford the
24 hours prior notice or, with the consent of the party or interested party,
proceed with the hearing at the designated time. If an order of temporary
custody is entered and the parent or other person having custody of the
child has not been notified of the hearing, did not appear or waive
appearance and requests a rehearing, the court shall rehear the matter
without unnecessary delay.

(e) Oral notice may be used for giving notice of a temporary custody
hearing where there is insufficient time to give written notice. Oral notice
is completed upon filing a certificate of oral notice.

(f) The court may enter an order of temporary custody after
determining there is probable cause to believe that the: (1) Child is
dangerous to self or to others; (2) child is not likely to be available within
the jurisdiction of the court for future proceedings; (3) health or welfare of
the child may be endangered without further care; (4) child has been
subjected to human trafficking or aggravated human trafficking, as defined
by K.S.A. 2017 Supp. 21-5426, and amendments thereto, or commercial
sexual exploitation of a child, as defined by K.S.A. 2017 Supp. 21-6422,
and amendments thereto; (5) child is experiencing a mental health crisis
and is in need of treatment; or (6) child committed an act which, if
committed by an adult, would constitute a violation of K.S.A. 2017 Supp.
21-6419, and amendments thereto.

(g) (1) Whenever the court determines the necessity for an order of
temporary custody the court may place the child in the temporary custody
of:

(A) A parent or other person having custody of the child and may
enter a restraining order pursuant to subsection (h);

(B) a person, other than the parent or other person having custody, who shall not be required to be licensed under article 5 of chapter 65 of the Kansas Statutes Annotated, and amendments thereto;

(C) a youth residential facility;

(D) a shelter facility;

(E) a staff secure facility, notwithstanding any other provision of law, if the child has been subjected to human trafficking or aggravated human trafficking, as defined by K.S.A. 2017 Supp. 21-5426, and amendments thereto, or commercial sexual exploitation of a child, as defined by K.S.A. 2017 Supp. 21-6422, and amendments thereto, or the child committed an act which, if committed by an adult, would constitute a violation of K.S.A. 2017 Supp. 21-6419, and amendments thereto;

(F) after written authorization by a community mental health center, a juvenile crisis intervention center, as described in section 1, and amendments thereto; or

(F)(G) the secretary, if the child is 15 years of age or younger, or 16 or 17 years of age if the child has no identifiable parental or family resources or shows signs of physical, mental, emotional or sexual abuse.

(2) If the secretary presents the court with a plan to provide services to a child or family which the court finds will assure the safety of the child, the court may only place the child in the temporary custody of the secretary until the court finds the services are in place. The court shall have the authority to require any person or entity agreeing to participate in the plan to perform as set out in the plan. When the child is placed in the temporary custody of the secretary, the secretary shall have the discretionary authority to place the child with a parent or to make other suitable placement for the child. When the child is placed in the temporary custody of the secretary and the child has been subjected to human trafficking or aggravated human trafficking, as defined by K.S.A. 2017 Supp. 21-5426, and amendments thereto, or commercial sexual exploitation of a child, as defined by K.S.A. 2017 Supp. 21-6422, and amendments thereto, or the child committed an act which, if committed by an adult, would constitute a violation of K.S.A. 2017 Supp. 21-6419, and amendments thereto, the secretary shall have the discretionary authority to place the child in a staff secure facility, notwithstanding any other provision of law. When the child is presently alleged, but not yet adjudicated to be a child in need of care solely pursuant to subsection (d)(9) or (d)(10) of K.S.A. 2017 Supp. 38-2202(d)(9) or (d)(10), and amendments thereto, the child may be placed in a juvenile detention facility or other secure facility, but the total amount of time that the child may be held in such facility under this section and K.S.A. 2017 Supp. 38-2242, and amendments thereto, shall not exceed 24 hours, excluding
Saturdays, Sundays, legal holidays, and days on which the office of the
clerk of the court is not accessible. The order of temporary custody shall
remain in effect until modified or rescinded by the court or an adjudication
order is entered but not exceeding 60 days, unless good cause is shown
and stated on the record.

(h) If the court issues an order of temporary custody, the court may
also enter an order restraining any alleged perpetrator of physical, sexual,
mental or emotional abuse of the child from residing in the child's home;
visiting, contacting, harassing or intimidating the child; or attempting to
visit, contact, harass or intimidate the child, other family members or
witnesses. Such restraining order shall be served by personal service
pursuant to subsection (a) of K.S.A. 2017 Supp. 38-2237(a), and
amendments thereto, on any alleged perpetrator to whom the order is
directed.

(i) (1) The court shall not enter the initial order removing a child from
the custody of a parent pursuant to this section unless the court first finds
probable cause that: (A) (i) The child is likely to sustain harm if not
immediately removed from the home;
   (ii) allowing the child to remain in home is contrary to the welfare of
the child; or
   (iii) immediate placement of the child is in the best interest of the
child; and
   (B) reasonable efforts have been made to maintain the family unit and
prevent the unnecessary removal of the child from the child's home or that
an emergency exists which threatens the safety to the child.

   (2) Such findings shall be included in any order entered by the court.
If the child is placed in the custody of the secretary, upon making the order
the court shall provide the secretary with a written copy.

(j) If the court enters an order of temporary custody that provides for
placement of the child with a person other than the parent, the court shall
make a child support determination pursuant to K.S.A. 2017 Supp. 38-
2277, and amendments thereto.

Sec. 6. K.S.A. 2017 Supp. 38-2330 is hereby amended to read as

commanding that the juvenile be taken into custody has been issued in this

(2) has absconded from supervision.

(d) (1) A juvenile taken into custody by a law enforcement officer or other person authorized pursuant to subsection (b) shall be brought without unnecessary delay to the custody of the juvenile's parent or other custodian, unless there are reasonable grounds to believe that such action would not be in the best interests of the child or would pose a risk to public safety or property.

If such person is eligible for detention, and all suitable alternatives to detention have been exhausted, the person shall be detained in jail. (a) There is hereby established in the state treasury the evidence-based programs account of the state general fund, which shall be administered by the department of corrections. All expenditures from the evidence-based programs account of the state general fund shall be for the development and implementation of evidence-based community programs and practices for juvenile offenders, juveniles experiencing mental health crisis and their families by community supervision offices, including, but not limited to, juvenile intake and assessment, court services and community corrections and juvenile crisis intervention centers. All expenditures from the evidence-based programs account of the state general fund shall be made in accordance with appropriation acts upon warrants of the director of accounts and reports issued pursuant to vouchers approved by the secretary of corrections or the secretary's designee.

(b) At least annually, throughout the year, the secretary of corrections shall determine and certify to the director of accounts and reports the amount in each account of the state general fund of a state agency that has been determined by the secretary to be actual or projected cost savings as a result of cost avoidance resulting from decreased reliance on incarceration in the juvenile correctional facility and placement in youth residential
centers. The baseline shall be calculated on the cost of incarceration and placement in fiscal year 2015.

(c) Upon receipt of a certification pursuant to subsection (b), the director of accounts and reports shall transfer the amount certified pursuant to subsection (b) from each account of the state general fund of a state agency that has been determined by the secretary of corrections to be actual or projected cost savings to the evidence-based programs account of the state general fund.

(d) Prioritization of evidence-based programs account of the state general fund moneys will be given to regions that demonstrate a high rate of out-of-home placement of juvenile offenders per capita that have few existing community-based alternatives.

(e) During fiscal years 2017 and 2018, the secretary of corrections shall transfer an amount not to exceed $8,000,000 from appropriated department of corrections moneys from the state general fund or any available special revenue fund or funds that are budgeted for the purposes of facilitating the development and implementation of new community placements in conjunction with the reduction in out-of-home placements.

(f) The evidence-based programs account of the state general fund and any other moneys transferred pursuant to this section shall be used for the purposes set forth in this section and for no other governmental purposes. It is the intent of the legislature that the funds and the moneys deposited in this fund shall remain intact and inviolate for the purposes set forth in this section.

Sec. 9. This act shall take effect and be in force from and after its publication in the statute book.
