Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 2016 Supp. 75-2263 is hereby amended to read as
follows: 75-2263. (a) On and after the effective date of this act Subject to
the provisions of subsection (j), the board of trustees is responsible for the
management and investment of that portion of state moneys available for
investment by the pooled money investment board that is certified by the

necessary to maintain the cash flow needs of the state treasury, the state
treasurer shall transmit a copy of each such certification to the director of
legislative research and the director of the budget.

persons of prudence, discretion and intelligence acting in a like capacity
and familiar with such matters would use in the conduct of an enterprise of
like character and with like aims by diversifying the investments of the
moneys so as to minimize the risk of large losses, unless under the
circumstances it is clearly prudent not to do so, and not in regard to
speculation but in regard to the permanent disposition of similar moneys,
considering the probable income as well as the probable safety of their
capital.

(d) In the discharge of such management and investment
responsibilities the board of trustees may contract for the services of one
or more professional investment advisors or other consultants in the
management and investment of such moneys and otherwise in the

fixed by the board of trustees, with corporate surety authorized to do
business in this state. Such persons contracted with the board of trustees
pursuant to subsection (d) and any persons contracted with such persons to
perform the functions specified in subsection (b) shall be deemed to be
fiduciary agents of the board of trustees in the performance of contractual
obligations.

(f) (1) Subject to the objective set forth in subsection (b) and the
standards set forth in subsection (c), the board of trustees shall formulate
and adopt policies and objectives for the investment and reinvestment of
such moneys and the acquisition, retention, management and disposition of
investments of the moneys. Such policies and objectives shall be in writing
and shall include:

(B) establishment of criteria for evaluating the risk versus the
potential return on a particular investment; and

(C) a requirement that all investment advisors, and any managers or

immediately report all instances of default on investments to the board of
trustees and provide such board of trustees with recommendations and
options, including, but not limited to, curing the default or withdrawal
from the investment.
(2) The board of trustees shall review such policies and objectives, make changes considered necessary or desirable and readopt such policies and objectives on an annual basis.

(g) Except as provided in subsection (d) and this subsection, the custody of such moneys shall remain in the custody of the state treasurer, except that the board of trustees may arrange for the custody of such moneys as it considers advisable with one or more member banks or trust companies of the federal reserve system or with one or more banks in the state of Kansas, or both, to be held in safekeeping by the banks or trust companies for the collection of the principal and interest or other income or of the proceeds of sale. All such moneys shall be considered moneys in the state treasury for purposes of K.S.A. 75-6704, and amendments thereto.
