Background

The bill was introduced by the House Committee on Federal and State Affairs at the request of Representative Brim.

No opponent testimony was provided.

The House Committee amended the bill by adjusting the definition of “vulnerable person.”

According to the fiscal note prepared by the Division of the Budget on the bill as introduced, the Office of the Attorney General states enactment of the bill would potentially save local and state government funds by reducing tort claims
against local and state employees who, while on the job, enter a locked motor vehicle to save a vulnerable person or domestic animal. The exact reduction of expenditures cannot be estimated.

The Insurance Department, Kansas Association of Counties, and Kansas League of Municipalities do not estimate any fiscal effect relating to enactment of the bill. Any fiscal effect is not reflected in The FY 2019 Governor’s Budget Report.
