

2017 Kansas Statutes

75-5063. Transportation revolving fund; authorization to establish; creation of separate accounts.

The secretary of transportation is hereby authorized to establish a transportation revolving fund to provide assistance to governmental units for transportation projects. The secretary may authorize the creation of separate accounts within the transportation revolving fund with respect to major highway enhancement projects.

History: L. 1999, ch. 137, § 2; L. 2010, ch. 156, § 32; June 3.
