The Honorable Susan Concannon, Chairperson
House Committee on Children and Seniors
Statehouse, Room 149-S
Topeka, Kansas 66612

Dear Representative Concannon:

SUBJECT: Fiscal Note for HB 2360 by House Committee on Children and Seniors

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2360 is respectfully submitted to your committee.

HB 2360 would permit qualified businesses to request that the Kansas Bureau of Investigation to conduct a state and national criminal history record check on any person who is employed by a business and provides care with unsupervised access to children, the elderly or individuals with disabilities.

The Kansas Bureau of Investigation, Department for Aging and Disability Services, Department of Health and Environment and the Department for Children and Families indicate that the enactment of HB 2360 would have no fiscal effect. The League of Kansas Municipalities indicates that cities would incur costs of \$30 to \$50 for fingerprinting fees for each individual affected, but is unable to estimate a fiscal effect. Any fiscal effect associated with HB 2360 is not reflected in *The FY 2020 Governor's Budget Report*.

Sincerely,

Larry L. Campbell
Director of the Budget
