Dear Representative Patton:

SUBJECT: Fiscal Note for HB 2521 by House Committee on Judiciary

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2521 is respectfully submitted to your committee.

HB 2521 would create the Revised Uniform Athlete Agents Act. The bill would consolidate and update existing statutes and include additional information to be collected as part of the existing application process. In addition, the bill would remove the procedure for service of process from statute and place the procedure in rules and regulations. The bill would also make a number of technical corrections.

According to the Secretary of State, enactment of HB 2521 would have no fiscal effect on agency operations.

Sincerely,

Larry L. Campbell
Director of the Budget
