AN ACT concerning income taxation; relating to the determination of
Kansas adjusted gross income; increasing the subtraction modification
for social security income; amending K.S.A. 79-32,117 and repealing
the existing section.

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 79-32,117 is hereby amended to read as follows:

79-32,117. (a) The Kansas adjusted gross income of an individual means
such individual's federal adjusted gross income for the taxable year, with
the modifications specified in this section.

(b) There shall be added to federal adjusted gross income:

(i) Interest income less any related expenses directly incurred in the
purchase of state or political subdivision obligations, to the extent that the
same is not included in federal adjusted gross income, on obligations of
any state or political subdivision thereof, but to the extent that interest
income on obligations of this state or a political subdivision thereof issued
prior to January 1, 1988, is specifically exempt from income tax under the
laws of this state authorizing the issuance of such obligations, it shall be
excluded from computation of Kansas adjusted gross income whether or
not included in federal adjusted gross income. Interest income on
obligations of this state or a political subdivision thereof issued after
December 31, 1987, shall be excluded from computation of Kansas
adjusted gross income whether or not included in federal adjusted gross
income.

(ii) Taxes on or measured by income or fees or payments in lieu of
income taxes imposed by this state or any other taxing jurisdiction to the
extent deductible in determining federal adjusted gross income and not
credited against federal income tax. This paragraph shall not apply to taxes
imposed under the provisions of K.S.A. 79-1107 or 79-1108, and
amendments thereto, for privilege tax year 1995, and all such years
thereafter.

(iii) The federal net operating loss deduction, except that the federal
net operating loss deduction shall not be added to an individual's federal
adjusted gross income for tax years beginning after December 31, 2016.

(iv) Federal income tax refunds received by the taxpayer if the
deduction of the taxes being refunded resulted in a tax benefit for Kansas
income tax purposes during a prior taxable year. Such refunds shall be included in income in the year actually received regardless of the method of accounting used by the taxpayer. For purposes hereof, a tax benefit shall be deemed to have resulted if the amount of the tax had been deducted in determining income subject to a Kansas income tax for a prior year regardless of the rate of taxation applied in such prior year to the Kansas taxable income, but only that portion of the refund shall be included as bears the same proportion to the total refund received as the federal taxes deducted in the year to which such refund is attributable bears to the total federal income taxes paid for such year. For purposes of the foregoing sentence, federal taxes shall be considered to have been deducted only to the extent such deduction does not reduce Kansas taxable income below zero.

(v) The amount of any depreciation deduction or business expense deduction claimed on the taxpayer's federal income tax return for any capital expenditure in making any building or facility accessible to the handicapped, for which expenditure the taxpayer claimed the credit allowed by K.S.A. 79-32,177, and amendments thereto.

(vii) The amount of any charitable contribution made to the extent the same is claimed as the basis for the credit allowed pursuant to K.S.A. 79-32,196, and amendments thereto.

(viii) The amount of any costs incurred for improvements to a swine facility, claimed for deduction in determining federal adjusted gross income, to the extent the same is claimed as the basis for any credit allowed pursuant to K.S.A. 79-32,204, and amendments thereto.

(ix) The amount of any ad valorem taxes and assessments paid and the amount of any costs incurred for habitat management or construction and maintenance of improvements on real property, claimed for deduction in determining federal adjusted gross income, to the extent the same is claimed as the basis for any credit allowed pursuant to K.S.A. 79-32,203, and amendments thereto.

(x) Amounts received as nonqualified withdrawals, as defined by K.S.A. 75-643, and amendments thereto, if, at the time of contribution to a family postsecondary education savings account, such amounts were subtracted from the federal adjusted gross income pursuant to K.S.A. 79-32,117(c)(xv), and amendments thereto, or if such amounts are not already included in the federal adjusted gross income.

(xi) The amount of any contribution made to the same extent the same is claimed as the basis for the credit allowed pursuant to K.S.A. 74-50,154, and amendments thereto.
(xii) For taxable years commencing after December 31, 2004, amounts received as withdrawals not in accordance with the provisions of K.S.A. 74-50,204, and amendments thereto, if, at the time of contribution to an individual development account, such amounts were subtracted from the federal adjusted gross income pursuant to subsection (c)(xiii), or if such amounts are not already included in the federal adjusted gross income.
