AN ACT concerning insurance; relating to required participation; providing for the right of individuals to privately contract with healthcare providers for healthcare services without mandate or penalty from the state.

Be it enacted by the Legislature of the State of Kansas:

Section 1. (a) Every person shall have the right to enter into private contracts with healthcare providers for healthcare services and to purchase private healthcare coverage.

(b) No person shall be required to participate in any healthcare system or health plan.

(c) No person shall be required to pay a penalty or fine of any type imposed by the state of Kansas as a result of such person's actions taken pursuant to subsection (a).

Sec. 2. This act shall take effect and be in force from and after its publication in the statute book.
