Any such reference shall include comparable federal forms, schedules, and line numbers used by non-United States residents when filing their federal income tax return with the internal revenue service.

A nonresident, other than a dealer holding property primarily for sale to customers in the ordinary course of such dealer's trade or business, shall not be deemed to carry on a business, trade, profession or occupation in Kansas solely by reason of the purchase and sale of property for such nonresident's own account.

"Modified Kansas source income" shall not include: (1) Compensation paid by the United States for service in the armed forces of the United States, performed during an induction period by an individual not domiciled in this state; or (2) such individual's share of distributed or undistributed taxable income or net operating loss of a corporation which is an electing small business corporation unless an agreement is filed as provided in K.S.A. 79-32,139, and amendments thereto, in which event, the "modified Kansas source income" of such nonresident individual shall include such individual's share of such corporation's distributed and undistributed taxable income or net operating loss as such share is determined under the internal revenue code only to the extent, however, that such income, gain or loss is at the corporate level, derived from sources within Kansas.
