

2020 Kansas Statutes

2-1216. Same; duties of secretary; employees. It shall be the duty of the secretary (1) to administer this act, and the rules and regulations adopted thereunder, and (2) to employ the necessary personnel. Such employees are hereby authorized and directed to inspect the facilities and equipment used in the handling, storage and transportation of anhydrous ammonia.

History: L. 1969, ch. 6, § 5; July 1.
