

2020 Kansas Statutes

38-123a. Donation of blood by persons over 16; compensation. Any person 16 years of age or older shall be eligible to donate blood voluntarily without the necessity of obtaining parental permission or authorization. No person 16 or 17 years of age shall receive compensation for any such donation without parental permission or authorization.

History: L. 1969, ch. 221, § 1; L. 1972, ch. 161, § 6; L. 1975, ch. 229, § 1; L. 2006, ch. 184, § 2; July 1.
