

2020 Kansas Statutes

48-16a08. Same; radon mitigation business; conditions required to perform radon mitigation. A radon mitigation business shall comply with the radon certification law and any rules and regulations adopted thereunder. A certified radon mitigation technician who is certified with the department shall own, be employed by or be retained as a consultant by a radon mitigation business when such business is performing radon mitigation. A radon mitigation business shall ensure that radon mitigation system installations are performed under the supervision of a certified radon mitigation technician.

History: L. 2010, ch. 94, § 8; July 1.
